The Note will become immediately due and payable upon the occurrence of certain Events of Default, as defined in the Note. The Holder has the right at any time prior to the close of business on the Maturity Date to convert all or part of the outstanding principal and interest amount of the Note into shares of the Company's common stock, \$0.00005 par value per share (the "Common Stock"). Pursuant to the Note, the Company shall not, in any event, issue greater than 3,000,000 shares of Common Stock, in the aggregate, to the Holder upon conversion of the Note. The Conversion Price, as defined in the Note, will be 75% (60% upon the occurrence of an Event of Default) of the average of the last bid and ask price of the Common Stock as quoted on the Over-the-Counter Bulletin Board for the five trading days prior to the Company's receipt of the Holder's written notice of election to convert, provided that in no event shall the Conversion Price be greater than \$0.35.

In connection with the Holder's loan to the Company, the Company agreed to pay Levi Israel an introducer's fee equal to \$15,000. The net proceeds of the loan to the Company will be \$135,000, which is expected to be used for general, working capital purposes.
