FORWARD-LOOKING STATEMENTS

This current report contains forward-looking statements, which can be identified by the use of words such as “estimate,” “project,” “believe,” “intend,” “anticipate,” “plan,” “seek,” “expect” and words of similar meaning.

These forward-looking statements are based on current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are beyond our control. In addition, these forward-looking statements are subject to assumptions with respect to strategic objectives, anticipated financial results, future business prospects and decisions that are subject to change.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements:

- general economic conditions, either nationally or in our market areas, that are worse than expected;
- changes in laws or government regulations or policies affecting financial institutions, including changes in regulatory fees and capital requirements;
- competition among depository and other financial institutions;
- inflation and changes in the interest rate environment that reduce our margins or reduce the fair value of financial instruments;
- adverse changes in the securities markets; and
- changes in our organization, compensation and benefit plans.

Because of these and other uncertainties, our actual future results may be materially different from the results indicated by these forward-looking statements.

ITEM 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On October 29, 2008, Federal Trust Corporation (the “Company”) received notice from the staff of the NYSE Alternext US (the “Exchange”) indicating the Exchange’s intent to delist the Company’s common stock from the Exchange.

The letter from the Exchange indicated that the Company no longer complies with the Exchange’s continued listing standards. Specifically, the staff of the Exchange determined that the Company is in violation of Section 1003(a)(iv) of the NYSE Alternext US LLC Company Guide (the “Company Guide”), and further determined that the Company has become subject to Section 1002(b) of the Company Guide.

The Company does not intend to appeal the Exchange's intention to delist the Company's common stock from the Exchange. The Company will seek to have one or more market makers quote the Company's common stock for trading through the OTC Bulletin Board or the "Pink Sheets."
