INFORMATION STATEMENT  
ACTION TAKEN BY CONSENT OF STOCKHOLDERS  
OF TOT ENERGY, INC.

This information statement (this "Information Statement") is furnished to the holders of the common stock, \$.001 par value, of TOT Energy, Inc., (the "Company") on behalf of the Company in connection with the approval to increase the number of authorized shares of the Company's capital stock. This action has been recommended by the Company's Board of Directors and approved by the Company's majority stockholder, TGR Energy, LLC (the "Consenting Stockholder"), pursuant to and in accordance with the provisions of the Delaware General Corporation Law. This action will become effective on the date that is 20 calendar days after this Information Statement is sent or given to all persons who were holders of record of the Company's common stock on December 31, 2008 (the "Record Date"). This Information Statement is first being mailed to stockholders on or about February 8, 2008.

The Company's principal executive offices are located at 19950 W. Country Club Drive; 8th Floor, Aventura, FL 33180

THE PURPOSE OF THIS INFORMATION STATEMENT IS TO PROVIDE YOU WITH NOTICE OF THE ACTIONS WHICH HAVE BEEN APPROVED. WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

AMENDMENT OF THE CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors has unanimously adopted and the Consenting Stockholder has approved an amendment to the Certificate of Incorporation of the Company to increase the total number of shares of common stock which the Company has the authority to issue from 400,000,000 shares to 800,000,000 shares. The authorized shares of preferred stock will not be affected and will remain at 100,000,000 shares. The text of the amendment is contained in the Articles of Amendment to Certificate of Incorporation attached as Appendix A to this Information Statement and incorporated herein by reference.

---

The Board of Directors has deemed it advisable and in the best interests of the Company to amend Article IV of the Certificate of Incorporation to increase the authorized number of shares of capital stock to an aggregate of 900,000,000 shares with 800,000,000 shares designated common stock, \$.001 par value, and 100,000,000 shares designated preferred stock, \$.001 par value. The purpose of such increase is to place the Company in a position where it will continue to have a sufficient number of shares of authorized and unissued Common Stock which can be issued for or in connection with such corporate purposes as may, from time to time, be considered advisable by the Board of Directors. Having such shares available for issuance in the future will give the Company greater flexibility and will allow such shares to be issued as determined by the Board of Directors of the Company without the expense and delay of a special stockholders' meeting to approve any proposed issuance of additional authorized capital stock. Such corporate purposes could include, without limitation: (a) issuance in connection with any desirable acquisitions which may be presented to the Company, (b) the payment of stock dividends or issuance pursuant to stock splits, (c) the issuance of Common Stock upon exercise of options granted under a stock option plan or in connection with other employee benefit plans, (d) the issuance of Common Stock upon the conversion of any Preferred Stock or the exercise of warrants or the conversion of other securities convertible into Common Stock which may be outstanding from time to time, and (e) issuance in connection with an offering to raise capital for the Company.

The authorized shares of Common Stock will be available for issuance at such times and for such purposes as the Board of Directors may deem advisable without further action by the stockholders, except as may be required by the Articles of Incorporation, as amended, and applicable laws and regulations.

The Articles of Amendment of the Certificate of Incorporation (the "Articles of Amendment") may have the result of making it more difficult for any persons or group of persons, other than the current principal stockholders and management, to acquire control of the Company by expanding the ability of the Company to issue shares and thereby dilute the voting power of any person or group that might accumulate shares in order to attempt to effect a change in control. Although the Articles of Amendment might have such effect, the Articles of Amendment has been proposed by the Board of Directors for the reasons set forth above and not for anti-takeover reasons. The Company is not aware of any present effort to accumulate shares of Common Stock or to attempt a change of control of the Company.

Despite the proposed increase in authorized common stock, the large number of common stock already outstanding and the Company's long term goal of having its common stock traded on one or more major exchanges (which may require substantially higher common stock prices than that at which the Company's common stock is currently traded), the Company does not have a current plan to engage in a reverse split of its common stock. While the Company may eventually engage in a reverse split of its common stock, it would only approve such an action at such time that it believed the reverse split would result in improved stockholder value.

---

The text of the Articles of Amendment is attached as Appendix A and is incorporated herein by reference. The Articles of Amendment will become effective upon the filing of a certificate of amendment relating thereto with the Secretary of State of the State of Delaware, which will occur on or about March 7, 2009. Under federal securities laws, the Company cannot file the certificate of amendment until at least 20 days after the mailing of this Information Statement.

#### EFFECT OF THE INCREASE IN AUTHORIZED CAPITAL STOCK

The increase in the authorized capital stock of the Company will affect all of the Company's stockholders uniformly and will not affect any stockholder's percentage ownership interests in the Company or proportionate voting power, unless and until additional shares of common stock authorized by the Articles of Amendment are issued.

The increase in the authorized capital stock of the Company will have the following effects upon the shares of the Company's authorized and issued capital stock:

- \* The number of shares of common stock owned by each stockholder will remain the same;
- \* The total number of shares of authorized common stock will increase to 800,000,000 shares;
- \* The par value of the common stock will remain unchanged.
- \* The total number of authorized, but to date unissued, preferred stock remains at 100,000,000 shares.

#### NO RIGHTS OF APPRAISAL

Under the Laws of Delaware, the Company's dissenting stockholders are not entitled to appraisal rights with respect to the actions set forth herein, and the Company will not independently provide its stockholders with any such rights.

## APPROVAL OF PROPOSED AMENDMENTS

### RECORD DATE

The Company set December 31, 2008 (the "Record Date") as the record date for purposes of determining the stockholders of record who are entitled to receive notice of the Articles of Amendment of the Certificate of Incorporation.

### ACTIONS APPROVED

On December 22, 2008, the Company's Board of Directors unanimously approved the Articles of Amendment to Certificate of Incorporation, as set forth on Appendix A hereto, to increase the number of authorized shares of the Company's capital stock and recommended that such proposal be submitted for stockholder approval.

Adoption of the Articles of Amendment to the Certificate of Incorporation requires the approval of the Company's stockholders holding not less than a majority of the Company's issued and outstanding common stock. As of the Record Date, there were 289,885,858 shares of common stock issued and outstanding, each share entitled to a single vote, of which 273,291,834 shares, or approximately 94.3%, were owned by TGR Energy, LLC. Rather than calling a meeting of its stockholders to vote on the approval of the Articles of Amendment to the Certificate of Incorporation, the Company obtained the approval of the actions recommended from TGR Energy LLC, the holder of a majority of the Company's issued and outstanding common stock, by written consent in lieu of a meeting pursuant to Section 228 of the Delaware General Corporation Law.

---

In accordance with Rule 14c-2 under the Securities Exchange Act of 1934, the actions recommended by the directors and approved by written consent of the majority stockholder will not take effect any earlier than 20 calendar days after the date on which this Information Statement is sent or given to all persons who were holders of record of the Company's issued and outstanding common stock on the Record Date. The Articles of Amendment will become effective upon filing with the State of Delaware, expected on or about March 7, 2009.
