PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD APRIL 6, 2009

General

The accompanying proxy is solicited on behalf of the Board of Directors of Multimedia Games, Inc., a Texas corporation, for use at our 2009 annual meeting of shareholders. The annual meeting will be held on Monday, April 6, 2009, at 10:00 a.m. local time, at our corporate office, located at 206 Wild Basin Road South, Building B, Fourth Floor, Austin, Texas 78746.

This Proxy Statement and the enclosed proxy card are being mailed on or about March 19, 2009 to all shareholders entitled to vote at the annual meeting.

Voting by proxy

You may vote at the annual meeting by completing, signing and returning the enclosed proxy card, or by properly following the instructions for Internet voting set forth on the proxy card. If not revoked, your proxy will be voted at the annual meeting in accordance with your instructions marked on the proxy card or properly provided by Internet. If you fail to mark your proxy with instructions, your proxy will be voted as follows:

§ FOR the election of the seven nominees for director listed in this Proxy Statement; and

§FOR the ratification of the appointment of BDO Seidman, LLP, as our independent registered public accountants for our fiscal year ending September 30, 2009.

As to any other matter that may be properly brought before the annual meeting, your proxy will be voted as our Board of Directors may recommend. If our Board of Directors makes no recommendation, your proxy will be voted as the proxy holders named in your proxy card deem advisable. As of the date of this Proxy Statement, our Board of Directors does not know of any other matter that is expected to be presented for consideration at the annual meeting.

Broker non-votes

A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (typically referred to as being held in "street name") but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on nonroutine matters. Routine matters include the election of directors, increases in authorized common stock for general corporate purposes, and ratification of auditors. Nonroutine matters include approvals of and amendments to stock plans.

You may revoke your proxy and give a new proxy or vote in person

Edgar Filing: MULTIMEDIA GAMES INC - Form DEF 14A

You may revoke your proxy at any time prior to the voting of that proxy. To revoke a prior proxy, you must do one of the following:

§ Execute and return a subsequently dated revised proxy card;

§ Deliver an executed written notice of revocation to us addressed to Uri L. Clinton, Inspector of Elections, at our principal executive offices, 206 Wild Basin South, Building B, Fourth Floor, Austin, Texas 78746; or

§ Attend the annual meeting and vote in person at the meeting.

- 1 -

Voting and quorum requirements at the meeting

The specific proposals to be considered and acted upon at the annual meeting are summarized in the accompanying notice and are described in more detail in this Proxy Statement. Only holders of record of shares of our common stock at the close of business on February 5, 2009 (the "record date") are entitled to notice of and to vote at the annual meeting. On the record date, there were 26,642,942 shares of our common stock outstanding and no shares of our preferred stock outstanding. Each shareholder is entitled to one vote for each share of common stock held by such shareholder on the record date.

In order to have a meeting, it is necessary that a quorum be present. A quorum will be present if a majority of the shares of common stock are represented at the annual meeting in person or by proxy. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions and broker non-votes will not be counted as having voted either for or against a proposal. If a quorum is present, the affirmative vote of the holders of a majority of the shares present or represented at the annual meeting, and that actually vote for or against the matter, is required to approve proposal two regarding the ratification of our independent accountants for our fiscal year ending September 30, 2009.

With respect to proposal one, our bylaws provide that in an uncontested election, directors will be elected by a majority vote, meaning that a nominee will be elected to our Board of Directors if the number of votes cast "for" such nominee's election exceeds the number of votes cast "against" such nominee's election. See "Corporate Governance Matters — Majority-Voting Standard for Director Elections" on page 8.

All votes will be tabulated by the inspector of election appointed for the annual meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes (i.e., a proxy submitted by a broker or nominee specifically indicating the lack of discretionary authority to vote on the matter). Abstentions and broker non-votes will be counted as present for purposes of determining a quorum for the transaction of business but will not be counted for purposes of determining whether each proposal has been approved. If your shares are held in the name of a broker, trust bank, or other nominee, you will need to bring a proxy or letter from that broker, trust company, or nominee that confirms that you are the beneficial owner of those shares, and that such broker, trust company, or nominee has not voted those shares in any proxy submitted by it in connection with the annual meeting.

What happens if a director nominee does not receive the required majority vote?

Any nominee who is not currently a member of our Board of Directors and who receives a greater number of votes "against" his or her election than "for" his or her election will not be elected to our Board of Directors. Additionally, each nominee who is standing for reelection at the annual meeting has tendered an irrevocable resignation from our Board of Directors that will take effect if the nominee does not receive the required majority vote and our Board of Directors accepts the resignation. If our Board of Directors accepts the resignation, the nominee will no longer serve on our Board of Directors, and if our Board of Directors rejects the resignation, the nominee will continue to serve until his or her successor has been duly elected and qualified or until his or her earlier disqualification, death, resignation, or removal. See "Corporate Governance Matters — Majority-Voting Standard for Director Elections" on page 8.

Solicitation of proxies

We are paying for all our costs incurred with soliciting proxies for the annual meeting. In addition to solicitation by mail, we may use our directors, officers, and regular employees to solicit proxies by telephone or otherwise. Our directors, officers, and regular employees will not be specifically compensated for these services. We will pay persons holding shares of common stock for the benefit of others, such as nominees, brokerage houses, banks, and other fiduciaries, for the expense of forwarding solicitation materials to such beneficial owners.

PROPOSAL ONE

ELECTION OF DIRECTORS

Nominees and Vote Required to Elect Nominees

A board of seven directors is to be elected at the annual meeting. Our bylaws provide that in an uncontested election, directors will be elected by a majority vote, meaning that a nominee will be elected to our Board of Directors if the number of votes cast "for" such nominee's election exceeds the number of votes cast "against" such nominee's election. See "Corporate Governance Matters — Majority-Voting Standard for Director Elections" on page 8. You may vote the number of shares of common stock you own for up to seven persons. Unless you otherwise instruct by marking your proxy card, the proxy holders will vote the proxies received by them FOR the election of each of the seven nominees named below. If any of the nominees is unable or declines to serve as a director at the time of the annual meeting, the proxies will be voted for any nominee designated by our present Board of Directors to fill the vacancy. We have no reason to believe that any of the nominees will be unable or unwilling to serve if elected. The term of office of each person elected as a director will continue until the next annual meeting of shareholders or until his successor has been elected and qualified.

Our bylaws set the size of our Board of Directors at seven members, or such other number as set from time-to-time by resolution of our Board of Directors. Following the annual meeting, our Board of Directors may increase the size of our Board of Directors and fill any resulting vacancy or vacancies. If our Board of Directors increases the size of our Board of Directors and elects a new director to fill the resulting vacancy, the new director must stand for election at the next year's annual meeting.

Current director John M. Winkelman has decided not to stand for re-election this year.

The following table sets forth the nominees, their ages, their principal positions and the year in which each became a director. Each of the nominees was recommended for selection by the Nominating and Corporate Governance Committee, or the Governance Committee, and approved by the unanimous vote of our independent directors.

Nominee Recommendations

All director nominees were approved by the Governance Committee for inclusion in our proxy card for the annual meeting.

The Governance Committee has proposed Stephen J. Greathouse as a nominee to fill the vacancy created by Mr. Winkelman, who notified our Board of Directors that he did not wish to stand for re-election in order to pursue other business opportunities. The Governance Committee selected Mr. Greathouse as a nominee after soliciting the names of potential nominees from management and the existing directors. Mr. Greathouse's name was suggested by our Chief Executive Officer, Mr. Sanfilippo. Mr. Greathouse was interviewed by existing directors and was asked to submit information concerning his experience and background. Upon completing this process, the Governance Committee determined that Mr. Greathouse met or exceeded our director nominee criteria (see "Corporate Governance Matters - Director Nominations" on page 7), and, if elected, would strengthen our Board of Directors and benefit us because of his experience.

The Governance Committee has proposed Justin A. Orlando as a nominee to fill a newly created seat on our Board of Directors. The Governance Committee selected Mr. Orlando as a nominee after he was recommended for election to our Board of Directors by Dolphin Limited Partnership III, L.P. and certain related entities, which beneficially owned approximately 7.1% of the outstanding shares of our common stock as of February 23, 2009. Mr. Orlando was interviewed by existing directors and was asked to submit information concerning his experience and background. Upon completing this process, the Governance Committee determined that Mr. Orlando met or exceeded our director nominee criteria (see "Corporate Governance Matters - Director Nominations" on page 7), and, if elected, would strengthen our Board of Directors and benefit us because of his experience.

There are no family relationships among any of our executive officers and directors.

Agreement with Liberation Investments

Each of Messrs. Pearlman and Jenkins was originally appointed to our Board of Directors in October 2006, nominated for inclusion on the slate of candidates for election at the 2007 annual shareholders meeting and recommended by our Board of Directors to the shareholders for election at the 2007 annual meeting pursuant to an Agreement dated October 24, 2006, by and among us and Liberation Investments, L.P., a Delaware limited partnership, certain entities affiliated with Liberation Investments, L.P., Mr. Pearlman, an affiliate of Liberation Investments, L.P., and Mr. Jenkins. A copy of the agreement is attached as Exhibit 10.1 to a Current Report on Form 8-K filed by us with the SEC, on October 26, 2006. The agreement does not require our Board of Directors' nomination of, or recommendation of a vote in favor of, either of Messrs. Pearlman or Jenkins for election as directors at the 2009 annual shareholders meeting, and our Board of Directors' nomination and recommendation of Messrs. Pearlman and Jenkins for election as directors at the 2009 annual shareholders meeting has not been made pursuant to any obligation arising under such agreement or any other agreement.

Recommendation of Our Board of Directors

Our Board of Directors recommends that the shareholders vote “FOR” the nominees named above.

- 5 -

CORPORATE GOVERNANCE

Determination of Independence

Our Board of Directors has determined that Messrs. Maples, Repass, Winkelman, Jenkins, Pearlman, Orlando and Greathouse each qualify as “independent” directors under applicable Marketplace Rules of the Nasdaq Stock Market, Inc. currently in effect (“the Nasdaq Marketplace Rules”). Therefore, a majority of the members of our Board of Directors are “independent” as such term is defined in such Marketplace Rules. In addition, our Board of Directors has reviewed and considered facts and circumstances relevant to the independence of such members and has determined that such members are independent.

The independent directors have committed to hold formal meetings, separate from management, which they intend to hold at least four times a year.

Meetings of Our Board of Directors

During our fiscal year ended September 30, 2008, our Board of Directors held 19 meetings. During that period, no director attended fewer than 75% of the aggregate of (i) the total number of meetings of our Board of Directors held during the period for which he was a director, and (ii) the total number of meetings held by all committees of our Board of Directors during the period that he served on such committees.

Committees of Our Board of Directors

Our Board of Directors has three standing committees: the Audit Committee; the Compensation Committee; and the Governance Committee. Currently, all of the members of each of our committees are “independent,” as determined by our Board of Directors and in accordance with Nasdaq Marketplace Rules. In addition, each member of the Audit Committee also satisfies the independence requirements of Rule-10A3(b)(1) of the SEC rules promulgated under the Securities Exchange Act of 1934, as amended, or the 1934 Act.

Audit Committee. The Audit Committee is currently comprised of Messrs. Maples, Repass, and Winkelman. Mr. Repass serves as the Chairman of the Audit Committee. The Audit Committee operates under a written charter adopted by our Board of Directors, a current copy of which is located on our website under the “Investor Relations” page. Our Internet website address is <http://www.multimediasgames.com>. A copy of the charter will also be made available free of charge upon written request made to our Corporate Secretary, at 206 Wild Basin Road South, Building B, Fourth Floor, Austin, Texas 78746. The primary purpose of the Audit Committee is to assist our Board of Directors in monitoring:

- § The integrity of our financial statements;
- § The independent auditor’s qualifications and independence; and
- § The performance of our independent registered public accountants.

The Audit Committee is also directly responsible for the appointment, compensation, retention, and oversight of the work of our independent registered public accountants, BDO Seidman, LLP, and the preparation of the Audit Committee Report, which is included elsewhere in this Proxy Statement. Our independent registered public accountants report directly to the Audit Committee.

The Audit Committee, consistent with the Sarbanes-Oxley Act of 2002 and the rules adopted thereunder, meets with management and the auditors prior to the filing of all periodic reports under the 1934 Act, and prior to the filing of officers' certifications with the SEC to receive information concerning, among other things, significant deficiencies, if any, in the design or operation of our internal controls.

All Audit Committee members are "independent" as defined and required under the Nasdaq listing standards and the rules and regulations of the SEC. All Audit Committee members also possess the level of financial literacy required by all applicable laws and regulations. Our Board of Directors has determined that at least one member of the Audit Committee, Mr. Robert D. Repass, is a "financial expert," and that Mr. Repass is "independent" as defined by the rules and regulations of the SEC. The Audit Committee Charter has been amended to specifically state all of the Audit Committee responsibilities set forth in Rule 10A-3(b)(2), (3), (4) and (5) of the rules and regulations promulgated under the 1934 Act. The Audit Committee met 16 times during our fiscal year ended September 30, 2008.

Compensation Committee. The Compensation Committee currently is comprised of Messrs. Winkelman, Jenkins and Pearlman. Mr. Jenkins serves as the Chairman of the Compensation Committee. The Compensation Committee is charged with the responsibility of determining (or recommending to the independent members of our Board of Directors to determine) the compensation of all executive officers, including our Chief Executive Officer, and directors.

In June 2004, our Board of Directors approved a charter of the Compensation Committee, a current copy of which is located on our website under the “Investor Relations” page. Our Internet website address is <http://www.multimedialogames.com>. A copy of the charter of the Compensation Committee will also be made available free of charge upon written request made to our Corporate Secretary, at 206 Wild Basin Road South, Building B, Fourth Floor, Austin, Texas 78746. During our fiscal year ended September 30, 2008, the Compensation Committee met seven times and acted by written consent two times.

Nominating and Corporate Governance Committee. The Governance Committee is currently comprised of Messrs. Maples, Repass, and Pearlman. Mr. Pearlman serves as Chairman of the Governance Committee. The primary purpose of the Governance Committee is to identify and recommend to our Board of Directors individuals who are qualified to become members of our Board of Directors and the committees of our Board of Directors. The Governance Committee is also responsible for recommending to our Board of Directors corporate governance principles, providing oversight of the annual performance review process of our Board of Directors and the committees of our Board of Directors, and facilitating interaction between our management and our Board of Directors and committees of our Board of Directors.

All members of the Governance Committee meet the test for independence set forth in the Nasdaq Marketplace Rules. In June 2004, our Board of Directors approved a Charter of the Governance Committee, a current copy of which is located on our website under the “Investor Relations” page. Our Internet website address is <http://www.multimedialogames.com>. A copy of the charter of the Governance Committee will also be made available free of charge upon written request made to our Corporate Secretary, at 206 Wild Basin Road South, Building B, Fourth Floor, Austin Texas 78746. The Governance Committee met one time during our fiscal year ended September 30, 2008.

Director Nominations

Our directors play a critical role in guiding our strategic direction and overseeing the management of our business. The Governance Committee’s goal is to assemble a Board of Directors that brings to us a variety of perspectives and skills derived from high quality business and professional experience. Board of Director candidates are considered based upon various criteria, such as their business and professional skills and experiences, personal and professional ethics, integrity and values, long-term commitment to representing the best interests of our shareholders and inquisitive and objective perspective and mature judgment. Additionally, director candidates must have sufficient time available to perform all Board of Directors and committee responsibilities. When reviewing potential director candidates, the Governance Committee considers the following factors:

§ The appropriate size of our Board of Directors and its committees;

§ The perceived needs of our Board of Directors for particular skills, background, and business experience;

§ The skills, background, reputation, and business experience of nominees in relation to the skills, background, reputation, and business experience already possessed by other members of our Board of Directors;

§ Nominees’ independence from management;

§ Nominees' experience with accounting rules and practices;

§ Nominees' background with regard to executive compensation;

§ Applicable regulatory and listing requirements, including independence requirements and legal considerations, such as antitrust compliance;

§ The benefits of a constructive working relationship among directors; and

§ The desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members.

The Governance Committee may also consider from time to time, such other factors as it may deem to be in the best interests of our business and shareholders. Other than considering the factors listed above, we have no stated minimum criteria for director nominees. The Governance Committee does, however, believe it appropriate for at least one member of our Board of Directors to meet the criteria for an "Audit Committee financial expert" as defined by SEC rules, and that a majority of the members of our Board of Directors meet the definition of "independent" director under Nasdaq Marketplace Rules.

The Governance Committee will review the qualifications and backgrounds of the current directors, as well as the overall composition of our Board of Directors, and recommend to our full Board of Directors the slate of directors to be nominated for election at the annual meeting of shareholders. In the case of incumbent directors whose terms of office are set to expire, the Governance Committee reviews such directors to determine whether to recommend these directors for re-election. In the case of new director candidates, the questions of independence and financial expertise are important to determine what roles can be performed by the candidate, and the Governance Committee determines whether the candidate meets the independence standards set forth in the Sarbanes-Oxley Act of 2002, and SEC and Nasdaq rules, and the level of the candidate's financial expertise. Candidates for nomination as director come to the attention of the Governance Committee from time to time through incumbent directors, management, shareholders, or third parties. These candidates may be considered at meetings of the Governance Committee at any point during the year. The evaluation process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Governance Committee.

Pursuant to the Governance Committee Charter, the Governance Committee will consider nominees recommended by shareholders. Any shareholder wishing to recommend a director candidate for consideration by the Governance Committee must provide written notice not later than November 19, 2009, to our Corporate Secretary at 206 Wild Basin Road South, Building B, Fourth Floor, Austin Texas 78746.

Director Attendance at Annual Meetings

Our policy is that all directors attend our annual meetings of shareholders. We take great care in scheduling meetings at times when all of our directors are available to attend such meetings. At our last annual meeting, which was held on April 29, 2008, all of our then-current directors were in attendance.

Majority-Voting Standard for Director Elections

Our Bylaws require that we use a majority-voting standard in uncontested director elections and contain a resignation requirement for directors who fail to receive the required majority vote. Under the majority-voting standard, a director nominee must receive more votes cast "for" than "against" his or her election in order to be elected to our Board of Directors. Any nominee who is not currently a member of our Board of Directors and who receives a greater number of votes "against" his or her election than "for" his or her election will not be elected to our Board of Directors. Additionally, in accordance with the majority-voting standard and resignation requirement, each nominee who is standing for reelection at the annual meeting has tendered an irrevocable resignation from our Board of Directors that will take effect if the nominee does not receive the required majority vote and our Board of Directors accepts the resignation. If an incumbent director fails to receive the required vote for re-election, the Governance Committee will act on an expedited basis to determine whether to accept the director's resignation and will submit such recommendation for prompt consideration by our Board of Directors. Our Board of Directors expects the director whose resignation is under consideration to abstain from participating in any decision regarding that resignation. The Governance Committee and Board of Directors may consider any factors they deem relevant in deciding whether to accept a director's resignation. If our Board of Directors accepts the resignation, the nominee will no longer serve on our Board of Directors, and if our Board of Directors rejects the resignation, the nominee will continue to serve until his or her successor has been duly elected and qualified or until his or her earlier disqualification, death, resignation,

or removal.

In general, each sitting outside director will receive an option grant on an annual basis for 10,000 shares of common stock that will vest six months from the date of grant, subject to restrictions which prevent the sale of such shares. These restrictions on the sale of the underlying shares lapse with respect to 25% of the shares annually.

Our Articles of Incorporation, as amended, limit the personal liability of our directors for breaches of fiduciary duties. Our Bylaws require us to indemnify our directors to the fullest extent permitted by Texas law. We have entered into indemnification agreements with our directors and officers. These indemnification agreements are intended to permit indemnification of our directors and officers to the fullest extent now or hereafter permitted by the Texas Business Corporation Act.

PROPOSAL TWO

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of our Board of Directors has selected BDO Seidman, LLP as independent registered public accountants to audit our consolidated financial statements for the fiscal year ending September 30, 2009. BDO Seidman, LLP has served as our independent registered public accountants since their appointment in our 1999 fiscal year. A representative of BDO Seidman, LLP is expected to be present at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

	2008	2007
Audit Fees	\$ 892,947	\$ 952,870
Audit-Related Fees	145,000	155,900
Tax Fees	128,251	108,883
All Other Fees	—	—
Total	\$ 1,166,198	\$ 1,217,653

Audit Fees. Audit Fees represent fees for professional services provided in connection with the audit of our annual financial statements and of management's assessment and the operating effectiveness of internal control over financial reporting including in our Form 10-K, the quarterly reviews of financial statements included in our Form 10-Q filings and other statutory or regulatory filings.

Audit-Related Fees. Audit-Related Fees are fees for assurance and related services that are reasonably related to the attendance at the Audit Committee meetings and our Annual Shareholders' Meeting. This category includes fees related to assistance in employee benefit and compensation plan audits, SAS 70 audits and consulting on financial accounting/reporting standards.

Tax Fees. Tax Fees primarily include professional services performed with respect to preparation and review of our original and amended tax returns and those of our consolidated subsidiaries, and for state, local and international tax consultation. Tax fees also include professional fees related to research and development tax credit studies.

All Other Fees. All Other Fees includes the aggregate fees for products and services provided by BDO Seidman, LLP that are not reported under "Audit Fees," "Audit Related Fees" or "Tax Fees." There were no other fees in the fiscal years ended September 30, 2008, and September 30, 2007.

The Audit Committee has also adopted procedures for pre approving all audit and non-audit services provided by BDO Seidman, LLP. These procedures include reviewing a budget for audit and permitted non-audit services. The budget includes a description of, and a budgeted amount for, particular categories of non-audit services that are recurring in nature, and therefore anticipated at the time the budget is submitted. Audit Committee approval is required to exceed the budget amount for a particular category of non-audit services, and to engage the independent auditor for any non-audit services not included in the budget. For both types of pre-approval, the Audit Committee considers whether such services are consistent with the SEC's rules on auditor independence. The Audit Committee has considered whether the provision by BDO Seidman, LLP of non-audit services included in the fees set forth in the table above is compatible with maintaining the independence of BDO Seidman, LLP, and has concluded that such

services are compatible with BDO Seidman, LLP's independence as our auditors.

Shareholder ratification of the appointment of BDO Seidman, LLP as our independent registered public accountants is not required by our bylaws or other applicable legal requirement. However, the appointment of BDO Seidman, LLP is being submitted to the shareholders for ratification. If the shareholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain the firm. Even if the appointment is ratified, the Audit Committee at its discretion may direct the appointment of a different independent registered public accountant at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

Recommendation of Our Board of Directors

Upon the recommendation of the Audit Committee, our Board of Directors recommends that the shareholders vote “FOR” the ratification of BDO Seidman, LLP as our independent public accountants for our fiscal year ending September 30, 2009.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

This Compensation Discussion and Analysis provides information regarding the following:

§ The objectives of our executive compensation program, including the behaviors and results it is designed to encourage and reward;

§ The roles and responsibilities of management and the Compensation Committee in the governance of our executive compensation program;

§ The elements of our executive compensation program and its purposes; and

§ The Compensation decisions with respect to our fiscal year ended September 30, 2008.

Objectives of the Executive Compensation Programs

The objective of our executive compensation program is to align the compensation paid to our executive officers with shareholder and customer interests (on both a short-term and long-term basis); attract, retain and motivate highly qualified executive talent; and provide appropriate rewards for achievement of business objectives and growth in shareholder value. It is the Company's objective that executive compensation be directly related to the achievement of our planned goals, and the enhancement of corporate and shareholder value. The Compensation Committee recognizes that the industry sector in which we operate is both highly competitive and is challenged by significant legal and regulatory uncertainty. In addition, the technology-related experience and skills of our executive officers have applications to many other industry sectors besides our own. As a result, there is substantial demand for qualified, experienced executive personnel of the type we need to achieve our objectives. The Compensation Committee considers it crucial that the Company be assured of retaining and rewarding our senior executives, who are essential to the attainment of our long-term goals.

For these reasons, the Compensation Committee believes the Company's executive compensation arrangements must remain competitive with those offered by other companies of similar size, scope, performance levels and complexity of operations.

For the purposes of this Compensation Discussion and Analysis, the capitalized term "Named Executive Officers" (or "NEOs") refers to the executives who are named in the Summary Compensation Table below. Included among the NEOs are Messrs. Clifton E. Lind, Gary L. Loebig, P. Howard Chalmers and Scott A. Zinnecker. Mr. Lind served as our President and Chief Executive Officer until his resignation from such offices and as a director of the Company effective March 31, 2008. Mr. Lind remained an employee of the Company following his resignation as an executive officer and director of the Company until his termination from the Company effective May 1, 2008. Mr. Loebig served as our Interim President and Chief Executive Officer from March 31, 2008, until the hiring of Mr. Sanfilippo, effective June 15, 2008. Mr. Loebig remained an employee of the Company until his resignation from the Company effective September 19, 2008. Mr. Chalmers served as our Senior Vice President of Planning and Corporate Communications until August 31, 2008 when his role and responsibilities were revised such that he was no longer an executive officer; Mr. Chalmers remained an employee of the Company until his termination effective December 31, 2008. Mr. Zinnecker served in various roles with the Company until his termination effective September 30, 2008; most recently, he held the role of Executive Vice President and Acting Chief Operating Officer.

The Company entered into certain agreements with Messrs. Lind, Loebig, Chalmers and Zinnecker upon the termination of their employment. Information regarding these agreements is provided below in the section titled “Employment And Termination Arrangements And Change-In-Control Benefits.

Determining Executive Compensation

Management. Our management sets the strategic direction for the Company and strives to design and maintain compensation programs that motivate behaviors among the executive officers that are consistent with the Company’s strategic goals and objectives. Each year, the Chief Executive Officer, with assistance from other members of management, as appropriate, conducts a review process covering each of the executive officers reporting to the Chief Executive Officer. This annual review process focuses on an evaluation of overall Company performance and the performance of each such executive officer, including an evaluation of compensation levels delivered through each element of compensation (as described below), competitive practices and trends, and specific compensation issues as they arise. Based on the outcomes of this review process, the Chief Executive Officer makes recommendations to the Compensation Committee regarding the compensation of each of the executive officers reporting directly to him. This recommendation typically provides information regarding adjustments, if any, to base salaries, annual incentive bonus award payments, and equity-based incentive awards.

During fiscal year 2008, the Company successfully recruited several individuals to join the Company in senior executive roles. The compensation arrangements with these new Executive Officers are described below in the section titled “Employment and Termination Arrangements and Change-In-Control Benefits.” The Board of Directors believes the addition of these executives is critical to the development and execution of strategic objectives that will guide the Company’s future and support the creation of shareholder value.

Compensation Committee. The Company’s Board of Directors established the Compensation Committee in 1996 at the time of our initial public offering. The Compensation Committee operates pursuant to a charter, which is available on the “Investor Relations” page of the Company’s website at www.multimediasgames.com. As stated in the charter, the purpose of the Compensation Committee is to discharge the Board’s responsibilities relating to compensation and benefits of the Company’s executive officers and directors. The current members of the Compensation Committee are Messrs. Jenkins (Chairman), Pearlman and Winkelman, who are each “independent” directors, as required by Nasdaq Marketplace Rules. The Compensation Committee convened seven times during fiscal year 2008 to discuss Company compensation programs and issues. The Compensation Committee also took action by written consent twice during the fiscal year ended September 30, 2008.

The Compensation Committee has overall responsibility for the approval of executive and director compensation programs that are appropriate, consistent with the Company’s compensation philosophy, and support the Company’s business goals and objectives. Specifically, the Compensation Committee has authority and responsibility for the review, evaluation and approval of the compensation structure and levels for all of the executive officers. The Compensation Committee also approves all employment, severance, or change-in-control agreements, and special or supplemental benefits or provisions applicable to executive officers. The Compensation Committee is also responsible for reviewing and making periodic recommendations to the Board regarding the compensation of directors.

Each year, the Compensation Committee reviews the compensation recommendations submitted by the Chief Executive Officer. In general, the Chief Executive Officer’s recommendations consider the following:

- § Performance versus stated individual and Company business goals and objectives;
- § Internal equity (i.e., considering the pay for similar jobs and jobs at different levels within the Company) and the critical nature of each Executive Officer to the Company’s past and future success;
- § The need to retain talent; and

§ The compensation history of each Executive Officer, including the value and number of stock options awarded in prior years.

The Compensation Committee believes that input from management provides useful information and perspective to assist the Committee with the determination of its own views on compensation. Although the Compensation Committee receives information and recommendations regarding the design and level of compensation of the executive officers from management, the Compensation Committee makes the final decisions as to the plan design and compensation levels for these executives.

In making decisions on each executive officer’s compensation, the Committee considers the nature and scope of all elements of the executive officer’s total compensation package, the executive officer’s responsibilities, and the competitive posture of the executive officer’s current compensation. The Committee also evaluates each executive officer’s performance through reviews of objective results (both Company and individual results), reports from the Chief Executive Officer and other senior management regarding the executive’s effectiveness in supporting the Company’s key strategic, operational and financial goals and, in some cases, personal observation.

With respect to the compensation of the Chief Executive Officer, the Committee is responsible for the periodic review and approval of his total compensation, including annual incentive bonus awards and equity-based incentive compensation. The Committee also develops annual performance goals and objectives, and conducts an evaluation of the Chief Executive Officer's performance relative to these goals and objectives. The Committee considers and discusses the Chief Executive Officer's compensation in executive session without the Chief Executive Officer present.

- 19 -

The Compensation Committee has the sole authority to obtain advice from consultants, legal counsel, accounting, or other advisors, as appropriate, to perform the Committee's duties and responsibilities. The Committee did not engage a compensation consultant to assist with the evaluation or review of the compensation programs for its executive officers for the fiscal year ended September 30, 2008.

Cash Compensation

The Company believes that annual cash compensation should be paid commensurate with attained performance. Accordingly, our cash compensation consists of fixed base compensation, paid in the form of an annual base salary, and an annual incentive bonus program that is designed to motivate and serve as a reward for the Company's overall performance. The Compensation Committee supports management's compensation philosophy of moderate fixed compensation with the potential for significant bonuses for achieving performance-related goals. Base salary and bonus award decisions are made as part of the Company's structured annual review process.

Base Salary. Base salaries are paid to our executive officers to provide an appropriate fixed component of compensation. The base salary paid to each executive officer generally reflects the officer's responsibilities, tenure, individual job performance, measurable contribution to our success, special circumstances, and pay levels of similar positions with comparable companies in the industry. Management and the Compensation Committee review the base salary of each executive officer, including the Chief Executive Officer, on an annual basis. When reviewing each executive officer's base salary, the Compensation Committee considers the level of responsibility and complexity of the executive officer's job, whether individual performance in the prior year was particularly strong or weak, how the executive officer's salary compares to the salaries of other Company executives, and salaries paid for the same or similar positions. In addition to these annual reviews, management and the Committee may, at any time, review the salary of an executive officer who has received a significant promotion, whose responsibilities have been increased significantly, or who is the object of competitive recruitment. Any adjustments are based on increases in the cost of living, job performance of the executive officer over time, and the expansion of duties and responsibilities, if any. No pre-determined weight or emphasis is placed on any one of these factors.

The following table summarizes the base salaries for each of the Named Executive Officers during the fiscal year ended September 30, 2008:

Name	Annual Base Salary Effective 10/01/2007	Adjustments	Annual Base Salary Effective 09/30/2008
Anthony M. Sanfilippo (1)	—	—	\$ 450,000
Gary L. Loebig (2)	\$ 194,250	—	—
Clifton E. Lind (2)	\$ 450,000	—	—
Randy S. Cieslewicz (3)	\$ 212,500	\$ 22,500 (+10.6)%	\$ 235,000
P. Howard Chalmers (4)	\$ 189,000	\$ (75,600) (-40.0)%	\$ 113,400
Scott A. Zinnecker (2)	\$ 189,000	—	—

- (1) Mr. Sanfilippo was hired as President, Chief Executive Officer and a director the Company effective June 15, 2008. Additional details regarding the terms of his employment are provided below.
- (2) Messrs. Loebig, Lind and Zinnecker each terminated their employment with the Company on or before September 30, 2008.
- (3) Mr. Cieslewicz received a market-based adjustment to his salary effective July 28, 2008. On December 1, 2008, Mr. Cieslewicz resigned from the Company effective February 15, 2009.
- (4) Effective August 31, 2008, the role and responsibilities of Mr. Chalmers were revised such that he was no longer an executive officer of the Company. Consistent with this change, his salary was reduced. He remained an employee of the Company until his termination effective December 31, 2008.

The base salaries for each of the recently-hired executive officers (i.e., Messrs. Sanfilippo, Ramsey, Clinton, Roemer, and Ms. Shanks) were the result of negotiations between the Company and each individual. In each case, the Company believes that the salaries are appropriate, competitive, and were necessary to attract the caliber of executive-level talent that each of these individuals possess. Specific salary levels were agreed to based upon each individual's salary level at their previous employers, the roles and positions each would be assuming with Multimedia Games, and other career opportunities that they were considering.

Annual Incentive Bonus. The Company's annual incentive bonus program is intended to motivate the NEOs to achieve superior Company financial performance, recognize and reward the executive officers for their contributions when superior annual performance is achieved, and provide compensation opportunities which are aligned with competitive practices. The program is designed so that the annual incentive bonus can potentially be the largest component of cash compensation only if the executive and the Company are able to meet or exceed performance-related goals that, if attained, are expected to result in an increase in overall company and shareholder value. Bonus award payments are typically made in the first quarter of the fiscal year following the year in which they were earned.

Historically under our annual incentive bonus program, the NEOs did not have pre-set performance goals or annual bonus targets, expressed as a percentage of base salary. Rather, an annual incentive bonus pool was funded as a percentage of the Company reported pre-tax income, which was the sole corporate measure of performance for the funding of an incentive bonus pool. The bonus pool funding percentage was developed and approved by the Board of Directors periodically, based on the Company's expected performance and an assessment of appropriate awards the annual incentive bonus pool might generate given different performance levels. If the Company's performance resulted in the funding of the annual incentive bonus pool, then the Chief Executive Officer would have recommended to the Compensation Committee a bonus award amount for each of the other NEOs. The Chief Executive Officer's recommendations would have been based on his assessment of each such NEOs contribution to the execution of the Company's business plans. The Compensation Committee would have considered the Chief Executive Officer's recommendations, and made changes to the recommended award amounts, as appropriate. The Chief Executive Officer's bonus award was determined solely by the Compensation Committee based on its evaluation of his performance.

With the hiring of several new executive officers during fiscal year 2008, the Company is implementing a new annual incentive approach. Under this approach, each of the Executive Officers is assigned a target annual bonus opportunity, expressed as a percentage of the executive's annual base salary. Subject to the achievement of pre-established performance targets, the Executives Officers may earn an annual incentive bonus award above or below the bonus target opportunity. The Compensation Committee determined that a target-based annual incentive approach would allow for greater alignment between annual bonus awards and Company performance than the previous approach. Specifically, the Compensation Committee believes that the proposed target-based annual incentive approach will facilitate the use of performance measures that are aligned with the creation of shareholder value, and thus provide a direct incentive for Executive Officers to perform.

We anticipate the Compensation Committee will evaluate potential annual incentive bonuses for fiscal year 2009 based on a number of factors, including but not limited to, achievement of operational goals, the Company's EBITDA performance (EBITDA is defined as Earnings Before Interest, Taxes, Amortization, Depreciation and Accretion of Contract Rights) and EBITDA less capital expenditures, relative to predetermined targets.

For fiscal year 2008, two NEOs earned bonuses. Pursuant to the terms of his Employment Agreement dated May 29, 2008, Mr. Loebig was awarded a bonus in the aggregate amount of \$119,231 (consisting of \$69,231 in additional compensation related to his term as Interim Chief Executive Officer and a \$50,000 cash bonus at the completion of his term) in recognition of his service as the Company's Interim President and Chief Executive Officer. This bonus was paid to Mr. Loebig on June 20, 2008. Mr. Sanfilippo earned a bonus award of \$181,731 in recognition of his service during fiscal year 2008 under the terms of his employment agreement, which provides him with a target bonus opportunity equal to 150% of his base salary, and a maximum bonus opportunity of 300% of his base salary. For fiscal year 2008, Mr. Sanfilippo's performance was evaluated based on the following objectives set forth shortly after his employment with the Company: (i) review the current profitability and future viability of each of the Company's product lines; (ii) assess the Company's organizational structure; (iii) establish relationships with stakeholders of the Company; and (iv) review the Company's expense structure. The Board of Directors' assessment of his performance following the completion of the year determined that, in the aggregate, Mr. Sanfilippo met these

objectives, and thus awarded him a bonus award equal to 150% of the base salary he earned during the fiscal year 2008. The bonus will be paid to Mr. Sanfilippo during fiscal year 2009. These awards are reflected in the “Bonus” column in the Summary Compensation Table.

Due to the dynamic nature of the Company’s industry, which is driven by economic and regulatory conditions, and customer preferences, the Company believes that the periodic use of discretion in the determination of bonus award amounts is appropriate and optimizes the overall value of the bonus program. This approach facilitates teamwork and collaboration among the executive officers, and allows them to not be limited to pre-established goals should operating conditions change during the year.

Equity-Based Incentives

We provide our Executive Officers with long-term compensation in the form of equity-based incentives, which are intended to align the interests of our Executive Officers with the interest of the Company's shareholders by supporting the creation of long-term value for the organization, facilitate significant long-term retention, and be consistent with competitive market practices. Over time, it is the Compensation Committee's intent that equity-based compensation should represent a significant portion of each executive officer's total compensation, and the primary equity-based incentive vehicle we have used has been stock options. Nonqualified and incentive stock options have been granted to the Company's executive officers and other employees. The Company expects to continue to issue stock options to new employees as they are hired, as well as to current employees as incentives from time to time. Our rationale for granting stock options is as follows:

§ We believe that stock options are highly effective at aligning the long-term interests of our Executive Officers with the interests of our shareholders;

§ The grant of stock options to Executive Officers has been an essential ingredient to enabling us to achieve our growth and attain our business objectives; and

§ We regularly face significant legal, regulatory and competitive challenges to our business that require extraordinary commitments of time and expertise by the Executive Officers, who have met these challenges and made these extraordinary commitments, largely because of the reward and incentive provided by the historical and prospective grant of stock options.

The Compensation Committee periodically reviews the need to make grants of stock options to the executive officers, typically based on recommendations from management. When approving the grants of stock options, the Compensation Committee considers the number and terms of options previously granted, industry practices, the executive officer's level of responsibility, and assumed potential stock value in the future.

The Company's equity-based incentive awards are designed to comply with Section 162(m) of the IRS code to allow tax deductibility of the awards. Stock options are awarded under the Company's stock plans – the 1996 Stock Incentive Plan, the 2000, 2001, 2002, 2003 Stock Option Plans, and an Ad Hoc Stock Option Plan. Our Board of Directors has also adopted a 2008 Employment Inducement Award Plan. Individual grants of options are documented by stock option agreements which contain the specific terms and provisions pertaining to each grant, including vesting, option term, exercise price, and termination provisions. Options granted to the Executive Officers and other employees generally vest over four years and expire seven years from the date of grant. The exercise price of stock options granted to executive officers is equal to the market value of a share of Company common stock on the date of grant. Therefore, our executive officers will receive no benefit from the stock options unless the value of a share of common stock exceeds the exercise price.

Stock option grants to Executive Officers and other employees have historically consisted of a combination of incentive stock options, or ISOs, and nonqualified stock options, or NQSOs. The use of ISOs has allowed recipients to take advantage of certain tax benefits the ISOs afford under Section 422 of the Internal Revenue Code (and any successor provision of the Code having a similar intent).

During the fiscal year ended September 30, 2008, the Compensation Committee approved grants of stock options to Messrs. Loebig, Cieslewicz and Zinnecker, consisting of a combination of ISOs and NQSOs. The options will vest and become exercisable over four years. The Compensation Committee approved these grants as an incentive to retain the services of these individuals during a period of transition, to keep them engaged in the Company's day-to-day operations, and to contribute institutional knowledge which was valuable to the new executive team as they developed

a new strategy for the Company.

Upon commencement of their employment with the Company, the Compensation Committee approved grants of stock options to Mr. Sanfilippo and the other recently-hired Executive Officers (i.e., Messrs. Ramsey, Clinton, Roemer, and Ms. Shanks). These grants were made to provide an immediate incentive for these individuals to focus on the creation of shareholder value. In addition, the Company believes the level of these equity awards were necessary to attract these executives, and in some instances, replace certain equity opportunities they had at their previous employers. Details of Mr. Sanfilippo's stock option grant are provided below in the section titled "Compensation of the Chief Executive Officer." Additional information is also provided in the section titled "Employment and Termination Arrangements and Change-In-Control Benefits."

- 23 -

Other than the stock option awards described above, none of the other Named Executive Officers received grants of stock options or any other form of equity-based incentives during the fiscal year ended September 30, 2008.

The Company does not currently maintain required levels of stock ownership by the Executive Officers. The Company does have in place “Procedures and Guidelines Governing Securities Trades by Company Personnel,” in order to comply with federal and state securities laws governing (a) trading in Company securities while in the possession of “material nonpublic information” concerning the Company, and (b) tipping or disclosing material nonpublic information to outsiders. In order to prevent even the appearance of improper trading or tipping, the Company has adopted this policy for all of its directors, officers and employees, venture capital and other entities (such as trusts and corporations) over which such employees, officers or directors have or share voting or investment control and specially designated outsiders who have access to the Company’s material nonpublic information

Benefit Programs and Perquisites

We provide our executive officers with benefits that are intended to be a part of a competitive total compensation package and that will permit us to attract and retain highly-qualified executives. These benefits include health and welfare benefits, a retirement and savings plan, and a perquisite limited to the Chief Executive Officer. Each of these benefits is described below.

Health and Welfare Benefits. The Company’s benefits program is designed to provide employees (including the executive officers) and their families with security and well being, and is an important part of the total compensation package. These benefits are divided into the following major categories:

§ Health Care Benefits – medical, dental and vision insurance coverage;

§ Life and disability Benefits – basic, optional life and accident insurance as well as short and long-term disability coverage;

§ Flexible Spending Accounts – health care and dependent care tax-free accounts; and

§ Work Life Benefits – employee assistance with everyday issues, financial and legal issues, parenting, childcare, education and elder care.

Executive officers participate in these benefits programs on the same relative basis as our other employees.

Retirement and Savings. The Company maintains an employee retirement and savings plan pursuant to Section 401(k) of the Internal Revenue Code, or the 401(k) Plan. The purpose of the 401(k) Plan is to permit employees, including executive officers, to accumulate funds for retirement on a tax-advantaged basis. Specifically, the 401(k) Plan permits each eligible employee to contribute on a pre-tax basis a portion of his compensation to the 401(k) Plan (for calendar year 2008, the maximum amount of compensation that may be contributed to the 401(k) Plan was \$15,500). The Company makes a matching contribution to the 401(k) Plan that is equal to 100% of the first 3% of compensation contributed by employees and 50% of the next 2% of compensation contributed by employees to the 401(k) Plan.

The Company does not maintain a tax-qualified defined benefit retirement plan. In addition, the Company does not maintain any non qualified supplemental retirement plans or deferred compensation plans for the executive officers.

Perquisites. The Company does not provide perquisites to executive officers, except for monthly club membership dues that were paid on behalf of Mr. Lind during his tenure as President and Chief Executive Officer. Two club memberships were primarily used for business purposes, including sales and customer entertainment and Board of

Directors dinners. The value of this benefit to Mr. Lind in the fiscal year ended September 30, 2008, is included in the "All Other Compensation" column in the Summary Compensation Table.

Compensation of the Chief Executive Officer

Mr. Sanfilippo commenced employment with the Company as President and Chief Executive Officer, effective June 15, 2008. In accordance with the terms of his employment agreement (key terms of which are described below), Mr. Sanfilippo receives an annual base salary of \$450,000. In addition, he has an opportunity to earn an annual bonus equal to 150% of his base salary upon achievement of certain performance targets approved by the Company's Board of Directors, and up to a maximum of 300% of his base salary for overachievement of such performance targets. As noted above, Mr. Sanfilippo earned a bonus award of \$181,731 in recognition of his service during the fiscal year. Upon the execution of his employment agreement, Mr. Sanfilippo was granted 1,300,000 stock options. The options became immediately exercisable, but are subject to a vesting over four years in equal quarterly installments. Mr. Sanfilippo's total compensation package was determined as the result of a negotiation process between Mr. Sanfilippo and the Compensation Committee. The Compensation Committee believes the structure of the compensation package, as well as the targeted and potential value of the package, provides a competitive opportunity that is strongly aligned with shareholder interests.

Mr. Loebig was appointed Interim President and Chief Executive Officer on March 31, 2008, a position he held until the hiring of Mr. Sanfilippo effective June 15, 2008. In connection with his appointment to such offices, the Company entered into an Employment Agreement with Mr. Loebig, which is described below in the section titled "Employment and Termination Arrangements and Change-In-Control Benefits." Pursuant to the terms of Mr. Loebig's Employment Agreement, he received a bonus award of \$119,231 (consisting of \$69,231 in additional compensation related to his term as Interim Chief Executive Officer and a \$50,000 cash bonus at the completion of his term) in recognition of his service during the fiscal year. On July 14, 2008, Mr. Loebig was granted 80,000 stock options. The grant consisted of a combination of 23,643 ISOs and 56,357 NQSOs. One-fourth of the options will vest on the first anniversary of the grant date; the remaining options will vest in equal quarterly increments over the following three years.

Mr. Lind served as the Company's President and Chief Executive Officer until his resignation from such offices, effective March 31, 2008. He remained an employee of the Company until his termination on May 1, 2008, at which time he and the Company entered into certain agreements related to his termination. Key terms of these agreements are described below. Mr. Lind's annual base salary was \$450,000 for the period during which he was employed by the Company in fiscal year 2008. Mr. Lind did not receive a bonus award for his service during the fiscal year, nor did the Company grant options to him during fiscal 2008.

EMPLOYMENT ARRANGEMENTS AND CHANGE-IN-CONTROL BENEFITS

The Company is party to employment agreements with a total of six current executive officers, including Mr. Sanfilippo. In addition, we entered into certain agreements with Messrs. Lind, Loebig, Chalmers and Zinnecker to define certain arrangements regarding their terminations from the Company. The following paragraphs provide summaries of the agreements with the Named Executive Officers.

Agreements with Anthony M. Sanfilippo. On June 15, 2008, the Company entered into certain agreements with Mr. Sanfilippo, including an employment agreement that sets forth certain terms and conditions relating to his employment as President and Chief Executive Officer of the Company. Mr. Sanfilippo's employment agreement provides that he will receive an annual base salary of \$450,000, subject to covenants in the employment agreement and in an Agreement Regarding Proprietary Developments, Confidential Information and Non-Solicitation. The annual salary will be subject to an annual review by the Board of Directors or Compensation Committee. In addition, he has an opportunity to earn an annual bonus equal to 150% of his base salary upon achievement of certain performance targets approved by the Company's Board of Directors, and up to a maximum of 300% of his base salary for overachievement of such performance targets. The employment agreement also specifies that Mr. Sanfilippo will be eligible to enroll in the Company's benefit programs and vacation policies as they are established from time-to-time for senior-level executive employees, or be reimbursed for the cost to purchase comparable coverage at a benefit level consistent with other senior-level executive employees. Mr. Sanfilippo will also be reimbursed for the cost of co-payments under his current health and medical benefit plans, and annual physical examinations for Mr. Sanfilippo and his spouse.

For a period of six months following the effective date of the employment agreement, the Company paid expenses related to Mr. Sanfilippo's commuting between Austin, Texas (the Company's home office location) and each of his home offices in Germantown, Tennessee and Salt Lake City, Utah; as well reasonable costs of a furnished executive apartment in Austin, Texas, car rental and other related and reasonable expenses. The Company will pay for the reasonable moving expenses for Mr. Sanfilippo's relocation to Austin, Texas, excluding any costs associated with buying or selling a home.

Upon the execution of the employment agreement, Mr. Sanfilippo was granted 1,300,000 stock options. The options became immediately exercisable, but are subject to a vesting over four years in equal quarterly installments. In addition, he agreed to purchase 250,000 shares of the Company's Common Stock pursuant to a Stock Purchase

Agreement, under which the shares were purchased at a price of \$4.68 per share, such price being the fair market value of each such share on the effective date of the agreement.

- 25 -

In the event of Mr. Sanfilippo's death or disability, voluntary termination, or termination for cause (each as defined within the employment agreement), he shall not be entitled to receive any severance, other than accrued but unpaid salary, vacation, vested benefits, and unreimbursed expenses. Further, the Company's other obligations under the employment agreement shall cease. In the event of Mr. Sanfilippo's termination without cause or his termination of employment for good reason (each as defined within the employment agreement), the Company: (i) shall pay Mr. Sanfilippo (a) in the event that the termination occurs on or before June 15, 2009, one year of base salary continuation and target bonus, or (b) in the event that the termination occurs after June 15, 2009, two years of base salary continuation and two years of target bonus; and (ii) if Mr. Sanfilippo elects to continue health coverage under the Consolidated Omnibus Budget Reconciliation Act ("COBRA"), the Company will pay the premiums in an amount sufficient to maintain the level of health benefits in effect on his last day of employment, for a period of up to one year after the termination. The same termination benefits would apply in the event of Mr. Sanfilippo's termination without cause or his termination for good reason, within one year following a Change of Control. In addition, the stock options granted to Mr. Sanfilippo upon the commencement of his employment with the Company would become fully vested in the event of his termination without cause or his termination for good reason, within one year following a Change of Control. Change-in-Control Benefits. Generally, the Company does not provide executive officers with any special benefits that are triggered solely upon a change-in-control. However, upon a change-in-control, virtually all of the Company's outstanding stock options, including those held by our executive officers, become fully vested. Change-in-control generally refers to certain corporate transactions involving the Company such as a merger or consolidation, sale of assets, dissolution or the acquisition by any person of at least 51% of our voting stock. The Compensation Committee believes that for senior executives, including the Named Executive Officers, accelerated vesting of stock options in the event of a change-in-control is generally appropriate because in some change-in-control situations, equity of the target company is cancelled making immediate acceleration necessary in order to preserve the value of the option grants. In addition, the Company relies on long-term incentive awards to provide our executive officers with the opportunity to accumulate substantial resources to fund their retirement income, and the Compensation Committee believes that a change in control event is an appropriate liquidation point for awards designed for such purpose.

General Severance Plan. In June 2007, the Company established the Multimedia Games, Inc. Severance Plan for Select Employees ("Severance Plan"). Under this plan, and other than for Mr. Sanfilippo and other executive officers with whom the Company has employment agreements, it is at the discretion of the Plan Administrator, and subject to approval by the Company's Chief Executive Officer, whether an executive officer, or any employee, would be entitled to receive any cash severance benefits due to an involuntary termination of employment. However, in no event may cash severance benefits exceed twice an executive officer's annual compensation (generally defined as base salary) for the calendar year preceding the calendar year during which the executive officer involuntarily terminated. The Severance Plan Administrator is the Company's Senior Vice President of Human Resources.

Under the Severance Plan, there are no commitments for the Company to make severance payments to any employee, including any of the Named Executive Officers. Any payments made pursuant to the Plan are determined on a case-by-case basis. No payments were made under the Severance Plan to any current or former executive officers during the fiscal year ended September 30, 2008.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code restricts deductibility of executive compensation paid to our Chief Executive Officer and each of the four other most highly compensated executive officers holding office at the end of any year to the extent such compensation exceeds \$1,000,000 for any of such officers in any year and does not qualify for an exception under Section 162(m) or related regulations. The Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws to the extent practicable. Income related to stock options granted under our equity compensation plans generally qualifies for an exemption from these restrictions imposed by Section 162(m). In the future, the Committee will continue to evaluate the advisability of qualifying its executive compensation for full deductibility.

REPORT OF THE COMPENSATION COMMITTEE

We, the Compensation Committee of the Board of Directors, have reviewed and discussed the foregoing Compensation Discussion and Analysis with the management of the Company. Based on such review and discussion, we are of the opinion that the executive compensation policies and plans provide appropriate compensation to properly align the Company's performance and the interests of its shareholders through the use of competitive and equitable executive compensation in a balanced and reasonable manner, for both the short and long-term. Accordingly, we have recommended to the Board of Directors that the foregoing Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for the year ended September 30, 2008, and in the proxy statement relating to the Company's 2009 Annual Meeting of Shareholders.

POTENTIAL TERMINATION PAYMENTS

This section describes and quantifies potential payments that may be made or benefits that may be provided to each Named Executive Officer at, following, or in connection with the resignation, severance, retirement, or other termination of the Named Executive Officer or a Change of Control of the Company. For this purpose, it is assumed that each of the foregoing events occurred on the last day of the Company's fiscal year ended September 30, 2008. The determination of potential payments and benefits is based on specific factors and assumptions which are further discussed below.
