INFORMATION STATEMENT

We Are Not Asking You For A Proxy And You Are Requested Not To Send A Proxy.

You are not being asked to approve anything. This Information Statement is being provided to you solely for your information.

The date of this Information Statement is May 9, 2011 and is first being mailed on or about May 11, 2011.

This Information Statement has been filed with the Securities and Exchange Commission and is being mailed or otherwise furnished to the shareholders of record of Upstream Worldwide, Inc., a Delaware corporation (the "Company"), in connection with the approval and recommendation by the Board of Directors (the "Board") and written consent by the holders of the majority of the voting power of the Company's capital stock (the "Majority Shareholders"), approving the amendment to the Company's certificate of incorporation (the "Certificate") in order to increase the authorized shares of common stock from 300,000,000 to 650,000,000 and to change the Company's name to usell.com, Inc. Of the 346,441,239 total outstanding voting power, the Majority Shareholders holding 192,285,972 votes or 55.5% of the outstanding voting power, executed a written consent to amend the Certificate to increase the authorized shares of common stock and to change the Company's name to usell.com, Inc.

Pursuant to the Delaware General Corporation Law (the "DGCL"), the Company is required to provide prompt notice to the shareholders who have not consented in writing.

Record Date

The close of business on March 28, 2011 is the record date for the determination of shareholders entitled consent and to receive this Information Statement.

Purpose and Effect

Name Change

We are now doing business primarily under the name usell and believe that the name change will more accurately reflect our business activities and will promote public recognition of our new business focus.

Increase in Capital

On August 19, 2010, Upstream closed a private placement and issued 2,943,750 shares of Series B and 73,593,750 warrants. In February 2011, the private placement was extended and 65,000 shares of Series B and 1,625,000 warrants were sold. In addition, in February 2011, holders of 72,093,750 warrants exercised warrants and received shares of Series C. The Series B and Series C are not convertible into common stock until such time as Upstream has the authorized capital. Each share of Series B is convertible into 50 shares of common stock and each share of Series C is convertible into 100 shares of common stock.

One of the purposes of the amendment to our Certificate is to enable Upstream to have the authorized capital to provide investors with the ability to convert. Upon filing an amendment to our Certificate increasing the authorized capital, a total of 134,525,676 shares of common stock may be issued to Series B shareholders (109,931,926 shares at the shareholders election) and Series C shareholders (24,593,750 shares immediately). This amount does not include certain shares of common stock underlying Series B and Series C which are precluded from being converted as a result of a 9.99% blocker (See Note 1 of the Principal Shareholder Table on Page 4). Ultimately, an additional 84,755,574 shares of common stock may be issued as these shareholders sell shares of common stock or these conversion blocker rights are waived. The Certificate of Designation for the Series B requires us to pay the Series B shareholders a penalty equal to 15% of their investment if our authorized capital is not increased to permit conversion of the Series B within one year (August 19, 2011) plus 1.25% of their investment per month thereafter until the authorized capital is increased. Notwithstanding the preceding, Upstream has no other formal agreements to issue any of these additional shares.

In order to avoid the penalty and permit us to raise capital if necessary in the future, we need to increase the number of shares of our common stock authorized for issuance under our Certificate. Additional financing will help us to market our services, and meet our working capital obligations. The additional shares of common stock to be authorized after the amendment to the Certificate would have rights identical to the currently outstanding shares, except for effects incidental to increasing the number of outstanding shares, such as the dilution of current shareholders' ownership and voting interests. It could also have the effect of making it more difficult for a third party to acquire control of Upstream. Under our Certificate, our shareholders do not have preemptive rights with respect to our common stock. Thus, should our Board elect to issue additional shares, existing shareholders would not have any preferential rights to purchase any shares.

Voting Required

In accordance with Sections 228 and 242 of the DGCL, if the Board adopts a resolution to amend the Certificate, an affirmative vote of a majority of the outstanding stock entitled to vote is required. On March 25, 2011, the Board adopted this resolution. On April 20, 2011, shareholder approval was obtained through the written consent of our Majority Shareholders. Therefore, a special meeting of the shareholders to approve the increase in the authorized shares, the name change and the amendment to the Certificate is unnecessary. If shareholders had been provided an opportunity to vote at a meeting, an affirmative vote of a majority of the outstanding voting power would also be required.

Effective Date

The approval by the Board and the Majority Shareholders will not become effective until 20 calendar days from the date this Information Statement is mailed to our shareholders. Upon the expiration of 20 days, we anticipate filing an amendment to our Certificate at such time as management deems appropriate. A form of the amendment to our Certificate is attached as Exhibit A .

Dissenters' Rights of Appraisal

Neither Delaware law nor our Certificate provides our shareholders with dissenters' rights in connection with the amendment to our Certificate. This means that no shareholder is entitled to receive any cash or other payment as a result of, or in connection with the amendment to our Certificate, even if a shareholder has not been given an opportunity to vote.

Voting Securities and Principal Holders Thereof

Our outstanding voting power which was entitled to vote on the Record Date consisted of: (i) 211,915,563 shares of common stock, (ii) 109,931,926 votes held by Series B holders and (iii) 24,593,750 votes held by Series C holders. The following table sets forth the number of shares of our voting stock beneficially owned as of the Record Date by (i) those persons known by us to be owners of more than 5% of our voting stock, (ii) each director (iii) all named executive officers and (iv) all executive officers and directors of Upstream as a group.

*Less than 1%

- (1) Percentages are based on 211,515,563 shares of common stock outstanding adjusted as required by rules of the SEC. The Series B may be voted on a 50 vote to one share basis and the Series C may be voted on a 100 vote for one basis. Beneficial ownership is determined under the rules of the SEC and generally includes voting or investment power with respect to securities. Shares of common stock subject to options, warrants and convertible notes currently exercisable or convertible, or exercisable or convertible within 60 days are deemed outstanding for computing the percentage of the person holding such securities but are not deemed outstanding for computing the percentage of any other person. Unless otherwise indicated in the footnotes to this table, we believe that each of the shareholders named in the table has sole voting and investment power with respect to the shares of common stock indicated as beneficially owned by them.

The shares of common stock beneficially owned by each of Messrs. Daniel Brauser, Feirstein, Koyuncu and Oretsky include all shares of common stock subject to a Stockholders Agreement, which terminates when each member of the group beneficially owns less than 100,000 shares. Under the Stockholders Agreement, the group agreed to vote all of their shares of common stock together on any action as determined by a majority of the members of the group still owning 20,000 shares. The table includes shares of common stock, options and warrants exercisable into common stock and vested or vesting within 60 days. The shares of common stock individually owned by them are:

Mr. Brauser	9,715,335
Mr. Feirstein	26,508,503
Mr. Koyuncu	4,800,001
Mr. Oretsky	8,778,972

Messrs. Michael Brauser and Barry Honig and Frost Gamma Investments Trust each purchased Series B and Series C. The Certificates they acquired precludes them from converting the Series B and Series C so that the shareholder cannot be a beneficial owner of more than 9.99% of our common stock, or the Blocker. Each of these shareholders beneficially owns or would beneficially own more than 9.99% but for the Blocker. Consequently, their ownership disclosure does not include certain shares of common stock underlying Series B or Series C.

Interests of Certain Persons in Matters to be Acted Upon

As mentioned above, Upstream completed a private placement and issued shares of Series B and warrants to investors. Upstream offered the investors a lower exercise price from \$0.06 per share to \$0.015 per share if the warrant holder exercised their warrants into shares of Series of C. Each share of Series B and Series C are convertible into shares of common stock at such time as Upstream's Certificate is amended to increase the authorized capital which is the purpose of the filing of this Information Statement. Mr. Feinstein, our Chief Executive Officer, Mr. Scott Frohman, our Chairman and three of our largest shareholders, Michael Brauser, Barry Honig and Frost each invested in the private placement. If our Certificate of Incorporation were not amended, these individuals would not be able to convert their Series B or Series C which have no market, into shares of common stock. No other persons have any substantial interest in the increase in our authorized shares of common stock. No persons have any substantial interest in our name change.
