### **Item 8.01 Other Events.**

As previously disclosed by Global Eagle Entertainment Inc. (the “Company”) in its periodic reports filed with the U.S. Securities and Exchange Commission (the “Commission”), the Company is a defendant in a lawsuit filed by UMG Recordings, Inc., Capitol Records, LLC, Universal Music Corp. and entities affiliated with the foregoing (collectively, “UMG”) on May 6, 2014 in the United States District Court for the Central District of California (the “Court”) against the Company and its subsidiary Inflight Productions Ltd. (“IFP”) for copyright infringement and related claims and unspecified money damages.

On April 20, 2016, the Court issued a decision and order granting UMG’s motion for partial summary judgment, finding that the Company and IFP willfully infringed UMG’s copyrights. The decision and order did not quantify damages, which the Court will determine at an upcoming trial.

The Company currently intends to appeal the decision. The Company will also defend itself vigorously at the upcoming trial and will consider all possible avenues for its next course of action, including a potential negotiated settlement.
