EXPLANATORY NOTE—DEREGISTRATION OF SECURITIES

This post-effective amendment relates to the Registration Statement on Form S-3 (File No. 333-204840), originally filed by Net Element, Inc., a Delaware corporation (the “Company”), with the Securities and Exchange Commission (the “Commission”) on June 9, 2015 (as amended, the “Registration Statement”), registering 40,000,000 shares of the Company’s common stock (the “Common Stock”) for resale, from time to time, by the selling securityholders named in the Registration Statement. The Registration Statement was declared effective by the Commission on July 24, 2015.

The Common Stock would have issued upon conversion of the Company’s 7% senior convertible notes (the “Notes”) and upon exercise of certain warrants issued in connection with the Notes (the “Warrants”). The Notes and the Warrants were terminated prior to any such conversion or exercise and are no longer outstanding. Accordingly, the Company has no further obligation to maintain effectiveness of the Registration Statement. In accordance with an undertaking made by the Company in the Registration Statement to remove from registration by means of a post-effective amendment any securities which remain unsold at the termination of the offering, this post-effective amendment is being filed to terminate the effectiveness of the Registration Statement and to remove from registration all securities registered but not sold under the Registration Statement. As a result of this deregistration, no securities remain registered for resale pursuant to the Registration Statement.
