Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off Balance Sheet Arrangement of a Registrant.

On December 22, 2016, Sussex Bancorp (the “Company”) sold \$15 million in aggregate principal amount of its subordinated notes (the “Notes”) to an institutional investor in a private placement.

The Notes have a stated maturity of December 22, 2026, and bear interest at a fixed rate of 5.75% per year, from and including the original issue date to but excluding December 22, 2021, payable quarterly in arrears on March 22, June 22, September 22 and December 22 of each year, beginning March 22, 2017. From and including December 22, 2021 to but excluding the maturity date or earlier redemption date, the interest rate shall reset quarterly to an interest rate per year equal to the then current three-month LIBOR rate plus 350 basis points. The Notes are redeemable, in whole or in part, on or after December 22, 2021, and at any time upon the occurrence of certain events.

The payment of the principal on the Notes may only be accelerated upon the occurrence of certain bankruptcy or receivership related events relating to the Company or a major bank subsidiary of the Company, in which case, the principal of all of the Notes shall become due and payable.

The Company expects to use the net proceeds of the offering for general corporate purposes, including loan growth, additional liquidity and working capital.

This description of the Notes does not purport to be complete and is qualified in its entirety by reference to the form of Subordinated Note which is attached as Exhibit 4.1 hereto and is incorporated herein by reference. A copy of the press release announcing the foregoing is attached as Exhibit 99.1 hereto and is incorporated herein by reference.
