TSMC BOARD OF DIRECTORS APPROVES OFFERING OF TSMC ADSs BY PHILIPS,
EXECUTIVE YUAN DEVELOPMENT FUND, AND CERTAIN OTHER SHAREHOLDERS

HSINCHU, TAIWAN, R.O.C. - MAY 10, 2005 - The Board of Directors of TSMC today approved sponsoring an offering of TSMC American Depositary Shares ("ADSs") by Koninklijke Philips Electronics N.V. ("Philips"), the Development Fund of the Executive Yuan ("DF"), and certain other shareholders. The maximum total offering size will be 210 million ADSs, with each ADS representing five TSMC common shares. Both Philips and DF have agreed not to sell any more TSMC shares at least until the end of 2006 either in the Taiwan or international markets.

The respective amount to be sold by each selling shareholders will be disclosed at the time of the filings to the Taiwan Securities and Futures Bureau and the United States Securities and Exchange Commission. The planned offering is

subject to all necessary regulatory approvals and filings in Taiwan and the United States and is expected to be completed within 2005.

Based on communication between TSMC and its two major shareholders, Philips and DF, any sale of TSMC shares by the two major shareholders will take place only in a gradual and orderly fashion. Philips intends to remain as TSMC's strategic partner and its largest shareholder.

Ms. Lora Ho, TSMC vice president, chief financial officer, and spokesperson noted that, "TSMC always undertakes thorough discussions with its major shareholders regarding any potential plans to sell TSMC's shares. TSMC's management, acting as the gate-keeper, closely coordinates with such shareholders under the guidelines that interests of all TSMC shareholders are being protected, and that the market appetite based on professional opinions is sufficient to support such a sell-down. TSMC carefully reviews such proposals in terms of the quantity and timing to minimize the possible impact to the market."

Currently, Philips holds approximately 19.0 percent of TSMC shares; DF holds 7.4 percent of TSMC shares.
