Item 5. Other Events and Regulation FD Disclosure.

On August 5, 2004, the U.S. Court of Appeals for the Federal Circuit denied LabCorp's petition for a rehearing or a rehearing en banc of a June 8, 2004 decision affirming the November 2002 decision in favor of the Company and Metabolite Laboratories, Inc. in the LabCorp litigation.

Edgar Filing: COMPETITIVE TECHNOLOGIES INC - Form 8-K

LabCorp's only remaining options now are either to accept the court's decision or appeal the decision to the U.S. Supreme Court. We do not know what course of action LabCorp will choose; however, ultimately we expect that the original decision of the court will continue to be upheld in our favor.

We have not received any cash nor have we recorded any revenue related to the damages awarded in this lawsuit.

For further information relating to this lawsuit, please refer to the discussion in Note 9 under the heading "Contingencies" in Part I in our Quarterly Report on Form 10-Q for the quarterly period ended April 30, 2004, and under the caption "LabCorp", under "Legal Proceedings" in the Prospectus filed with the Securities and Exchange Commission on May 6, 2004, under Rule 424(b)(3) of the Securities Act of 1933.
