PROXY STATEMENT
AMEN Properties, Inc.
303 West Wall Street, Ste. 2300
Midland, TX 79701

This proxy is furnished to AMEN Properties, Inc. ("AMEN" or the "Company") stockholders of record as of the close of business on March 15, 2005 (the "Record Date"), for use at the Annual Meeting of Stockholders to be held at the corporate office of the Company, located at 303 West Wall Street Suite 2300, Midland, TX 79701, in the Conference Room, at 8:30 a.m., local time, on Thursday, May 26, 2005, and at any adjournment thereof (the "Annual Meeting"). The enclosed proxy is being solicited by the Board of Directors of AMEN and is subject to revocation at any time prior to the voting of the proxy. This proxy, when properly executed, will be voted in the manner directed by you, the stockholder. If no direction is made, a properly executed proxy will be voted FOR or IN FAVOR of the proposals, in accordance with the instructions on the proxy card. This Proxy Statement and the enclosed proxy card are being sent to stockholders on or about May 4, 2005. Only stockholders of record as of the close of business the Record Date may vote at the Annual Meeting. As used herein, the term "stockholders" includes the holders of the Common Stock of the Company ("Common Stock") and the holders of the Series A Preferred Stock, Series B Preferred Stock and the Series C Preferred Stock of the Company (collectively the "Preferred Stock"), who are eligible to vote on all matters presented to the stockholders pursuant to the terms of such Preferred Stock; except that the Series C Preferred Stock will not be entitled (i) to vote with respect to any approval or ratification by the stockholders of the Company of the designation, issuance and sale of the Series C Preferred Stock by the Company in accordance with the rules of the NASDAQ Stock Market, and (ii) to the number of votes equal to the number of shares of Common Stock into which the Series C Preferred Stock is convertible that are in excess of twenty percent of the number of shares of Common Stock outstanding immediately prior to the issuance of the Series C Preferred Stock unless and until such stockholder approval is obtained. The holders of the Common Stock and the Preferred Stock vote together as a single class of stock.

VOTING PROCEDURES AND REVOCABILITY OF PROXIES

The accompanying proxy card is designed to permit each stockholder of record at the close of business on the Record Date to vote on matters as described herein and in the accompanying Notice of Annual Meeting of Stockholders, and on any other proposal properly brought before the Annual Meeting. The proxy card provides space for a stockholder to vote in favor of or to withhold voting for each nominee for the Board of Directors and vote "for" or "against" the other matters set forth therein. Votes of stockholders attending the meeting in person will be taken by written ballots. Stockholder votes by proxy will be tabulated by ADP Investor Communication Services. The election of directors will be decided by a plurality of the votes cast at the Annual Meeting by the stockholders. The required vote for approval of the amendments to the Certificate of Incorporation is a majority of votes outstanding and entitled to vote thereon and at least fifty percent of each of the Series A Preferred Stock and the Series B Preferred Stock to the extent each amendment effects the certificate of designation of such security. With respect to the approval by the stockholders of the Company of the issuance and sale of the Series C Preferred Stock and Common Stock Warrants by the Company and the potential issuance of shares of Company Common Stock upon the conversion or exercise of such securities and any other matters properly brought before the meeting, the affirmative vote of a majority of the votes present or represented by proxy and entitled to be cast on such matter at the Annual Meeting by the stockholders is required to take stockholder action.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the votes entitled to be cast by all stockholders will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, in person or by proxy, the Annual Meeting may be adjourned until a later time when a quorum is obtained. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business. With respect to all matters other than the election of directors, an abstention will have the same effect as a vote against any specified proposal. In the election of directors, an abstention will not have any effect. A broker non-vote will have no effect on the outcome of any vote of the stockholders. A broker non-vote occurs if a broker or other nominee does not have discretionary authority and has not received instructions with respect to a particular item. Stockholders are urged to sign the accompanying proxy card and return it promptly.

When a signed proxy card is returned with a vote specified, the shares represented will be voted by the proxies designated on the proxy card in accordance with the stockholder's instructions. Unless otherwise designated on the proxy card, the proxies for the stockholders are Eric L. Oliver and Jon M. Morgan. A stockholder wishing to name another person as his or her proxy may do so by designating another proxy by inserting the name(s) of such other person(s) to act as his or her proxy(ies). In that case, it will be necessary for the stockholder to sign the proxy card and deliver it to the person named as his or her proxy and for the person so named to be present and vote at the Annual Meeting. Proxy cards naming other persons as proxy(ies) should not be mailed to us at our principal executive offices.

Valid and executed proxies will be voted at the Annual Meeting in the manner specified. If a signed proxy card is returned and the stockholder has made no voting specification, the shares will be voted:

- o for the election of each of the nominees for the Board of Directors identified herein; and
- o for approval by the stockholders of the Company of the designation, issuance and sale of the Series C Preferred Stock and the Common Stock Warrants by the Company and the potential issuance of the Company's Common Stock upon conversion or exercise of those securities and
- o to amend the Certificate of Incorporation effecting the Certificate of Designation of Series and Determination of Rights and Preferences of Series "A" Preferred Stock of Amen Properties, Inc.
- o to amend the Certificate of Incorporation effecting the Certificate of Designation of Series and Determination of Rights and Preferences of Series "B" Convertible Preferred Stock of Amen Properties, Inc.
- o at the discretion of the proxies, on any other matter that may properly come before the Annual Meeting.

Any stockholder giving a proxy has the unconditional right to revoke it at any time before it is voted by either:

Edgar Filing: AMEN PROPERTIES INC - Form DEF 14A

- o notifying the Secretary of the Company in writing,
- o executing a subsequent proxy, or
- o personally appearing at the Annual Meeting and casting a contrary vote.

However, no revocation will be effective unless we, at or prior to the Annual Meeting, have received notice of such revocation.

As of the Record Date, 2,201,356 shares of Common Stock were issued and outstanding. In addition, 333,333 shares of Common Stock are deemed outstanding for voting purposes with respect to the 80,000 shares of Series A Preferred Stock ("Series A"), 233,317 shares of Common Stock are deemed outstanding for voting purposes with respect to the 80,000 shares of Series B Preferred Stock ("Series B"), and 440,271 shares of Common Stock are deemed outstanding for voting purposes with respect to the 125,000 shares of Series C Preferred Stock ("Series C") (see Proposal Two for a description of the Series C voting rights). Therefore, there are a total of 3,208,277 voting shares as of the Record Date.

All nominees have consented to serve if elected, but if any nominee becomes unable to serve, the persons named as proxies may exercise their discretion to vote for a substitute nominee. Management has no reason to believe that any of the nominees will be unable to serve.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS
VOTE "FOR" EACH OF THE NOMINEES FOR DIRECTOR SET FORTH ABOVE

PROPOSAL TWO - APPROVAL OF THE ISSUANCE AND SALE OF THE SERIES C PREFERRED STOCK AND COMMON STOCK WARRANTS BY THE COMPANY AND THE POTENTIAL ISSUANCE OF SHARES OF COMMON STOCK UPON CONVERSION OR EXERCISE OF SUCH SECURITIES

On March 1, 2005 the Company closed the sale and issuance of the Series C and Warrants pursuant to a Securities Purchase Agreement, as amended, between the Company and certain accredited investors, including Eric Oliver, Jon Morgan and Bruce Edgington, officers and directors of the Company. The purchase price consisted of a total of \$2,000,000 in cash and limited guaranties from the investors in favor of Western National Bank covering the Company's Revolving Line of Credit in an amount of \$5,000,000. It is intended that the proceeds from the sale of the Series C and Warrants and the availability under the Western National Bank loan will be used to fund potential capital requirements related to the growth of the Company's retail electricity provider, W Power and Light, LP, ("W Power"), and for general corporate purposes.

The Series C Preferred ranks equally to the Company's outstanding Series A and the outstanding Series B and prior to the Common Stock upon liquidation of the Company. The liquidation preference is based upon the purchase price per share of each series of Preferred Stock. The Preferred Stock and the Common Stock are equal as to the payment of dividends. Each share of Series C is convertible into four shares of Common Stock, for a total of 500,000 shares, subject to adjustment pursuant to anti-dilution provisions. The Series C is redeemable at the option of the Company three years after the initial issuance date. The Warrants are exercisable into a total of 250,000 shares of Common Stock at an initial exercise price of \$4.00 (also subject to adjustment pursuant to anti-dilution provisions), and expire three years from the date of issuance.

5

The holders of the Series C are entitled to vote together with the other Preferred Stock and the Common Stock on matters presented for a vote by the stockholders of the Company, and together with the Series A and Series B with respect to certain matters specified in the Certificate of Designations of the Series C. Pursuant to rules of the NASDAQ Stock Market, such voting rights of the Series C are equal to the number of shares of Common Stock the Series C would be convertible into if the conversion rate was \$4.25 per share (instead of the actual conversion rate), because the actual conversion rate of \$4.00 per share was less than the market price of the Common Stock on the date of the Securities Purchase Agreement (which was \$4.25 per share). Also in accordance with NASDAQ rules, the Series C voting rights are initially limited to a number of votes no more than twenty percent of the outstanding shares of Common Stock at the time the transaction closed, which limitation will terminate upon stockholder approval of the transaction.

Because the conversion rate and exercise price for the Series C and the Warrants is \$.25 per share less than the market price for the Common Stock on

Edgar Filing: AMEN PROPERTIES INC - Form DEF 14A

the date of the Securities Purchase Agreement, the rules of the NASDAQ Stock Market require stockholder approval of the transaction (i) before the conversion and exercise rights can be exercised for more than 20% of the number of shares of Common Stock outstanding at closing of the transaction, and (ii) with respect to the participation of officers and directors in the transaction. To assure that the Company is in full compliance with Nasdaq rules, (i) the conversion of the Series C and the exercise of the Warrants are subject to a cap in the number of shares of Common Stock issuable upon such conversion or exercise equal to twenty percent (20%) of the number of shares of Common Stock outstanding on the closing date unless and until the issuance and sale of the Series C and the Warrants are approved by the stockholders of the Company under such rules of the Nasdaq Stock Market, and (ii) the officers and directors who purchased the Series C and Warrants (being Eric Oliver, Jon Morgan and Bruce Edgington) are further restricted from converting or exercising the purchased securities until the transaction is approved by the stockholders of the Company or they exchange the purchased securities for similar securities with a greater conversion/exercise price. The approval sought by this Proposal Two is in full satisfaction of the foregoing requirements.

Approval of this Proposal Two will allow the holders of the Series C and the Warrants to acquire shares of Common Stock at a conversion rate/exercise price that is \$.25 per share less than the market price for the Common Stock on the date the investors agreed to purchase the Series C and Warrants. Holders of Common Stock did not have the opportunity to acquire shares of Common Stock on that date at the same price as the investors, and may be diluted upon conversion or exercise of the Series C or Warrants on that basis. The Company believes that the slight discount to market price assisted the Company in raising needed capital for the Company and in obtaining from the investors the limited guaranties of the Western National Bank loan in addition to the cash purchase price. Such guaranties may not have been available in other stock offering contexts.

6

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ISSUANCE AND SALE OF THE SERIES "C" PREFERRED STOCK AND COMMON STOCK WARRANTS BY THE COMPANY AND THE POTENTIAL ISSUANCE OF SHARES OF COMMON STOCK UPON CONVERSION OR EXERCISE OF SUCH SECURITIES.

PROPOSAL THREE - AMENDMENT TO THE CERTIFICATE OF INCORPORATION EFFECTING THE CERTIFICATE OF DESIGNATION OF SERIES AND DETERMINATION OF RIGHTS AND PREFERENCES OF THE SERIES A PREFERRED STOCK OF AMEN PROPERTIES, INC.

The Company submits the following Amendment of its Certificate of Incorporation for approval by the stockholders as to the anti-dilution adjustments of the Series A. The purpose of the amendment is to allow the Company to issue shares of Common Stock as compensation without triggering the anti-dilution adjustments

Section 6 (d) (i) (E) of the Certificate of Designation of Series and Determination of Rights and Preferences of Series A Preferred Stock of Crosswalk.com, Inc. (now Amen Properties, Inc), as previously amended, is amended in its entirety as follows:

(d)...

(i) ...

(E) "Reserved Employee Shares" shall mean shares of Common Stock issued

to employees, officers, directors, shareholders and executives of, and consultants or vendors to, the Company upon the exercise of options granted under the Company's employee stock option plans, which plans have been approved by the Company's stockholders, or as payment of compensation.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION EFFECTING THE CERTIFICATE OF DESIGNATION OF SERIES AND DETERMINATION OF RIGHTS AND PREFERENCES OF THE SERIES A PREFERRED STOCK OF AMEN PROPERITES, INC.

7

PROPOSAL FOUR - AMENDMENT TO THE CERTIFICATE OF INCORPORATION EFFECTING THE CERTIFICATE OF DESIGNATION OF SERIES AND DETERMINATION OF RIGHTS AND PREFERENCES OF THE SERIES B CONVERTIBLE PREFERRED STOCK OF AMEN PROPERTIES, INC.

The Company submits the following Amendment of its Certificate of Incorporation for approval by the stockholders as to (i) the conversion rights and (ii) the anti-dilution adjustments of the Series B. The purpose of the amendment is to clarify that the conversion rights of the holders of the Series B is not subject to a three year limitation, and allow the Company to issue shares of Common Stock as compensation without triggering the anti-dilution adjustments. Numbers of shares of Common Stock and conversion prices set forth below reflect adjustments to give effect to the reverse stock split effected in January 2003.

I. Section 6 (a) of the Certificate of Designation of Series and Determination of Rights and Preferences of Series B Convertible Preferred Stock of Crosswalk.com, Inc. (now Amen Properties, Inc), as previously amended, is amended in its entirety as follows:

(a) Each share of Series B Preferred Stock shall be convertible, at the option of the holder thereof, at any time and from time to time, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing the Original Series B Issue Price by the Conversion Prices in effect at the time of the Conversion. The Series B Preferred Stock is convertible into an aggregate of 233,317 shares of Common Stock. Consistent with the offering memorandum, Conversion Prices for the three tranches received are \$3.244, \$3.424, and \$4.00, or an average Conversion Price of \$3.428 per share. The Conversion Prices are the prices at which shares of Common Stock shall be deliverable upon conversion of Series B Preferred Stock, without the payment of additional consideration by the holder thereof. Such Conversion Prices and the rate at which shares of Series B Preferred Stock may be converted into shares of Common Stock shall be subject to the adjustment as provided below.

II. Section 6(d) (i) (E) of the Certificate of Designation of Series and Determination of Rights and Preferences of Series B Convertible Preferred Stock of Crosswalk.com, Inc (now Amen Properties, Inc.) as previously amended, is amended in its entirety as follows:

(d)...

(i) ...

(E) "Reserved Employee Shares" shall mean shares of Common Stock issued to employees, officers, directors, shareholders and executives of, and consultants or vendors to, the Company upon the exercise of options granted under the Company's employee stock option plans, which plans have been approved by the Company's stockholders, or as payment of compensation.

Edgar Filing: AMEN PROPERTIES INC - Form DEF 14A

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION EFFECTING THE CERTIFICATE OF DESIGNATION OF SERIES AND DETERMINATION OF RIGHTS AND PREFERENCES OF THE SERIES B CONVERTIBLE PREFERRED STOCK OF AMEN PROPERTIES, INC.

8

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

General. The Company's voting securities include both the Common Stock and the Preferred Stock. The holders of the Preferred Stock are entitled to vote together with the holders of the Common Stock as a single class on the basis of a number of votes equal to a number of shares of Common Stock determined in accordance with the Certificates of Designation for each series of the Preferred Stock. Because the Preferred Stock and the Common Stock vote together as a single class and because the Preferred Stock is convertible into Common Stock, the beneficial ownership of the voting securities of the Company is set forth in the following tables reflecting beneficial ownership of Common Stock, and no separate Preferred Stock ownership tables are provided. Please note that that number of votes held by the holders of Series B is the same as the number of shares into which the Series B is convertible, and the number of votes held by the holders of the Series A is approximately one-half of the number of shares of Common Stock into which the Series A is convertible. Additionally, the number of votes held by the holders of Series C is currently limited to twenty percent (20%) of the number of shares of Common Stock outstanding on the closing date, March 1, 2005, (such limitation will change in the event the issuance and sale of the Series C Preferred and the Warrants are approved by the stockholders of the Company). Therefore, in the footnotes to the following ownership tables, the number of votes attributable to the ownership of Series A and Series C is set forth in parenthesis following the number of shares into which such Series A and Series C are convertible.

Unless otherwise noted, all persons named in the following ownership tables have sole voting and sole investment power with respect to all shares of voting stock beneficially owned by them, and no persons named in the table are acting as nominees for any persons or otherwise under the control of any person or group of persons. As used herein, the term "beneficial ownership" with respect to a security means the sole or shared voting power (including the power to vote and direct the vote) or sole or shared investment power (including the power to dispose or direct the disposition) with respect to the security, including a right to acquire any such power during a period of sixty (60) days from the Record Date. Percentage of beneficial ownership is based upon 2,201,356 shares of Common Stock outstanding as of March 15, 2005 and for the purpose of computing the percentage ownership of certain persons or groups, the shares of Common Stock that the person has the right to acquire within sixty (60) days of March 15, 2005 (whether upon conversion of the Preferred Stock, exercise of vested stock options, exercise of warrants or otherwise), are deemed to be outstanding as of that date. Such shares deemed to be outstanding as to one person are not deemed outstanding for purposes of computing the percentage ownership of any other person.

Security Ownership of Certain Beneficial Owners. The following table and accompanying notes contain information about any person (including any "group") who is known by us to be the beneficial owner of more than 5% of AMEN's Common Stock as of March 15, 2005, based upon copies of Schedule 13Ds and Schedule 13Gs received by the Company.

The Company believes that all filings required to be made by the Reporting Persons during the fiscal year ended December 31, 2004 were made on a timely basis.

John M. James was appointed Chief Financial Officer of the Company in September 2003. He graduated from University of the Permian Basin in Odessa, TX with a degree in accounting and information systems in 1995. He spent eight years with Johnson, Miller & Co. where he focused on tax and the design and implementation of accounting systems. Prior to attending college he was honorably discharged from the United States Army after serving nearly eight years on active duty.

The Board has determined that Messrs. Edgington, Gjelde, Blake and Nicholson, in excess of a majority of the Board, are independent directors under the

Edgar Filing: AMEN PROPERTIES INC - Form DEF 14A

guidelines established by the Commission and the Nasdaq Stock Market ("Nasdaq"). It is anticipated that such independent directors will have meetings at which only independent directors are present as required by the Nasdaq rules. Each director serves until the next annual meeting of stockholders and the election and qualification of their successors.

12

Executive officers are appointed by the Board of Directors annually and serve at the discretion of the Board. There are currently no employment agreements between the Company and any of its officers. While the officers of the Company devote such time as they determine to be necessary to the management of the Company, they and their affiliates are also engaged in other business activities, including those which are the same as or similar to the business of the Company. The officers receive compensation from such other activities which is not borne directly or indirectly by the Company and which is not related to any services provided to the Company. The Company does not currently pay any salaries to its officers, except for Mr. James. See "Executive Compensation and Other Information".

MEETING ATTENDANCE AND COMMITTEES OF THE BOARD

AMEN's business is managed under the direction of the Board of Directors. The Board meets during our fiscal year to review significant developments and to act on matters requiring Board approval. The Board of Directors held four formal meetings and acted by unanimous written consent on other occasions during the fiscal year ended December 31, 2004. One director attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and their respective committee meetings held subsequent to their election to the Board in 2004.

The Board of Directors has established an Audit Committee, a Compensation Committee, and a Nominating Committee to devote attention to specific subjects and to assist the Board in the discharge of its responsibilities. Beginning after the first quarter of 2004, the Board committees were comprised of independent directors in accordance with the Nasdaq rules. For continuity in the performance of the functions of these committees related to the fiscal year ended December 31, 2003 and the 2004 Annual Meeting, the composition of the committees through the first quarter of 2004 had a majority of independent directors in accordance with Nasdaq rules for small business filers in effect at that time. The functions of these committees and their members as of the date of the Annual Meeting are described below.

Audit Committee

The Audit Committee is comprised of Messrs. Edgington (Chair), Nicholson, and Blake, all of whom are independent directors. The Audit Committee held four meetings during 2004. The Audit Committee, among other things, oversees the accounting and financial reporting practices of the Company and reviews the annual audit with the Company's independent accountants. In addition, the Audit Committee has the sole authority and responsibility to select, evaluate, and where appropriate, replace the independent auditors. The general responsibilities of the Audit Committee are set forth in the Audit Committee Charter, a copy of which was attached to the Company's 2004 Proxy Statement as Appendix I. The Board has determined that no member of the Committee meets all of the criteria needed to qualify as an "audit committee financial expert" as defined by the Securities Exchange Commission regulations. The Board believes that each of the current members of the Committee has sufficient knowledge and experience in financial matters to perform his duties on the Committee.

AUDIT COMMITTEE REPORT. The Audit Committee oversees our financial reporting, internal controls and audit functions on behalf of the Board of Directors. In fulfilling its oversight responsibilities, the Committee has reviewed the audited consolidated financial statements in the Annual Report on Form 10-KSB with management including discussions of accounting principles, reasonableness of judgments, and the clarity of financial disclosures. The Committee also reviewed with the independent auditors their assessment of financial statements and of management's judgments in deriving the financial statements. In addition, the Committee has discussed with the independent auditors the matters required by SAS 61 and the matters in the written disclosures required by the Independence Standards Board and discussed with the independent accountant the independent accountant's independence. The Committee also met with the independent auditors, with and without management present, to discuss their examinations, evaluations of our internal controls and the overall quality of our financial reporting. The Committee held four meetings in 2004.

Based on the review and discussions referred to above, the Committee recommended to the Board of Directors that the audited consolidated financial statements be included in AMEN's Annual Report on Form 10-KSB for filing with the Securities and Exchange Commission.

Bruce Edgington, Audit Committee chair
Randy Nicholson, Audit Committee member
Donald M. Blake, Jr., Audit Committee member

Nominating Committee

The Nominating Committee is comprised of Messrs. Blake, Jr., (chair), Edgington and Gjelde, all of whom are independent directors. The Nominating Committee met one time during 2004. The Nominating Committee operates pursuant to a Nominating Committee Charter which was attached to Company's 2004 Proxy Statement as Appendix II. The Company does not have a website, and therefore the Nominating Committee Charter is not available on such a website.

The Nominating Committee identifies nominees by first evaluating the current members of the Nominating Committee willing to continue in service. If any Board member does not wish to continue in service, if the Nominating Committee decides not to nominate a member for re-election or if the Board desires to increase the size of the Board by adding new director positions, then the Nominating Committee establishes a pool of potential director candidates from recommendation from the Board, senior management and stockholders, who are then evaluated through the review process outlined below.

The Nominating Committee reviews the credentials of potential director candidates (including potential candidates recommended by stockholders), conducts interviews and makes formal nominations for the election of directors. In making its nominations, the Nominating Committee considers a variety of factors, including the following factors: integrity, high level of education, skills, background, independence, financial expertise, experience or knowledge with businesses relevant to the Company's current and future business plans, experience with business of similar size, all other relevant experience, understanding of the Company's business and industry diversity, compatibility with existing Board members, and such other factors as the Nominating Committee deems appropriate in the best interests of the Company and its stockholders. Proposed nominees are not evaluated differently depending upon who has made the proposal. The Company has not to date paid any third party fee to assist in this process.

Edgar Filing: AMEN PROPERTIES INC - Form DEF 14A

The Company will consider proposed nominees whose names are submitted to the Nominating Committee, by stockholders. Proposals made by stockholders for nominees to be considered by the Nominating Committee with respect to an annual stockholders meeting must be received by the Company prior to the end of the fiscal year preceding such annual meeting.

14

Compensation Committee

The Compensation Committee is comprised of Messrs. Gjelde (Chair), Edgington and Nicholson, and met two times during 2004. The Compensation Committee was established to advise the Board and consult with management concerning the salaries, incentives and other forms of compensation for the officers and other employees of the Company. The committee also administers the Company's stock option plans. Currently, none of the officers of the Company are paid any compensation, except for Mr. James, the Chief Financial Officer and Secretary.

STOCKHOLDER COMMUNICATION

Stockholders may send other communications to the Board of Directors, a committee thereof or an individual Director. Any such communication should be sent in writing addressed to the Board of Directors, the specific committee or individual Director in care of the Company's Secretary at the address on the front of this Proxy Statement. The Company's Secretary is responsible for determining, in consultation with other officers of the Company, counsel and other advisers, as appropriate, which stockholder-communications will be relayed to the Board, committee or individual Director. The Secretary may determine not to forward any letter to the Board, committee or individual Director that does not relate to the business of the Company.

ATTENDANCE OF DIRECTORS AT ANNUAL SHAREHOLDERS MEETING

The Corporation expects all Board members to attend the annual meeting of shareholders, but from time to time, other commitments may prevent all directors from attending each meeting. All directors attended the most recent annual meeting of shareholders, which was held on May 10, 2004.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In October 2002, the Company completed the purchase of approximately 64.9% of the limited partnership shares of TCTB Partners, Ltd. ("TCTB") Eric Oliver,

Edgar Filing: AMEN PROPERTIES INC - Form DEF 14A

Chairman and Chief Executive Officer of the Company, and Jon Morgan, President and Chief Operating Officer of the Company, either directly or beneficially owned interests in TCTB. Mr. Morgan is also President of TCTB Company, Inc., the general partner of TCTB that controls its daily operations. Mr. Oliver sold all his LP Interest in TCTB totaling 7.94% (which he owned beneficially through a limited partnership), and Mr. Morgan sold all his LP Interest in TCTB totaling 10.54%. The Company did not acquire any interest in TCTB Company, Inc., which is primarily owned by the original limited partners of TCTB, but has the authority to change the general partner of TCTB due to its ownership of approximately 71.385% of the LP Interests of TCTB. Both Mr. Oliver and Mr. Morgan retained their proportionate share of their interest in TCTB Company, Inc. Assuming the conversion of their Preferred Stock, Mr. Oliver and Mr. Morgan beneficially own 13.3% and 12.5%, respectively, of the outstanding shares of the Company. Other preferred and common shareholders of the Company also sold their 21.14% total LP Interest in TCTB to the Company.

16

The TCTB acquisition was funded with \$1,945,874 in cash and the creation of \$2,789,087 in Promissory Notes between AMEN and the selling partners ("the TCTB Notes"). The TCTB Notes totaling \$2,789,087 stipulate a floating interest rate of 15 basis points above the prime lending rate, beginning at 4.9% and never to exceed 6%. The interest rate is adjusted every October 1. The TCTB Notes are payable in consecutive annual installments, the first of which is due and payable on or before April 1, 2005, and one of which becomes due and payable on or before the same day of each succeeding year until the entire unpaid principal balance and all accrued and unpaid interest is fully paid. The amount of each annual payment is based upon the Net Operating Loss Benefit we realize, defined as the dollar value of the federal income tax benefit to the Company in utilizing the Company's net operating loss carry forward as defined in the Internal Revenue Service Code. The Company elected to forgo the calculation of the required payment that was due on or before April 1, 2005 and paid one half of the outstanding principal balance and the balance of the accrued interest as of December 31, 2004. This payment was made due to the distribution and sale of the Lubbock building on December 31, 2004. Future payments will be based on the Net Operating Loss Benefit as discussed above. If the TCTB Notes are not paid prior to May 31, 2009 they become fully due and payable.

Prior to Amen Properties, Inc. acquiring a limited partnership interest in TCTB, TCTB had entered into an agreement with Priority Power Management, Ltd ("PPM"), a local aggregator, to provide aggregation and consulting services in the management of TCTB's electricity use and costs. The Company's Chief Operating Officer has an indirect 18% ownership in PPM and the Company's wholly owned subsidiary W Power expects to be acquiring customers through PPM. During January 2005, TCTB began purchasing their electricity for the Bank of America Tower and the Century Plaza Tower through W Power due to the expiration of the agreement between TCTB and PPM which expired on December 31, 2004.

During 2004, the Company, through its subsidiary Amen Minerals, LP, purchased a percentage of two certain royalty interests with certain individuals and related parties acquiring the remaining percentages. Effective April 1, 2004, the Company purchased a 25% interest in a Texas oil and gas royalty for a purchase price of \$102,519 along with the Chief Executive Officer, Eric Oliver, directly acquiring a 10.625% interest and the Chief Operating Officer, Jon Morgan, indirectly acquiring 22.5% interest. Effective April 2, 2004 the Company purchased a 20% interest in an Oklahoma oil and gas royalty for a purchase price of \$60,335 along with the Chief Operating Officer, Eric Oliver, directly acquiring a 8.5% interest and the Chief Executive Officer, Jon Morgan, acquiring an indirect 20% interest.

On March 1, 2005 the Company closed the sale and issuance of the Series C and Warrants pursuant to a Securities Purchase Agreement as amended, between the Company and certain accredited investors, including Eric Oliver, Jon Morgan and Bruce Edgington, officers and directors of the Company.

Additionally, during 2003 and 2004, certain parties related to the officers and directors of the Company were tenants in a building owned by TCTB in Midland, TX. TCTB received rental income from these related parties of approximately \$260,000 in 2003 and \$264,000 in 2004.

We may in the future enter into other transactions and agreements incident to our business with directors, officers, principal stockholders and other affiliates. We intend for all such transactions and agreements to be on terms no less favorable than those obtainable from unaffiliated third parties on an arm's-length basis. In addition, the approval of a majority of the AMEN directors will be required for any such transactions or agreements.
