

Edgar Filing: InterDigital, Inc. - Form 8-K

A. Samsung Enforcement Action

On November 19, 2007, the Honorable Richard J. Sullivan of the U.S. District Court for the Southern District of New York heard oral arguments on the outstanding motions in the enforcement action ("Enforcement Action") by InterDigital Communications, LLC and InterDigital Technology Corporation (collectively, "InterDigital") against Samsung Electronics Co., Ltd. ("Samsung"). The Judge indicated an opinion could be rendered before December 31, 2007.

The Enforcement Action was filed by InterDigital in September 2006 to enforce the August 2006 final award issued by an arbitral tribunal ("Tribunal") operating under the auspices of the International Court of Arbitration ("ICC"), which awarded InterDigital approximately \$134 million in past royalties plus interest on Samsung's sale of single-mode 2G GSM/TDMA and 2.5G GSM/GPRS/EDGE terminal units through 2005. The Tribunal also established the royalty rates to be applied to Samsung's sales of covered products in 2006.

B. Samsung 3rd Arbitration

In October 2006, Samsung filed a request for a new ICC arbitration proceeding (the "Samsung 3rd Arbitration") relating to the ongoing patent royalty dispute between Samsung and InterDigital. In the Samsung 3rd Arbitration, Samsung seeks to have a new arbitration panel determine new royalty rates for Samsung's 2G/2.5G GSM/GPRS/EDGE product sales based on the April 2006 Nokia Settlement, which implemented the June 2005 Nokia arbitration Award. An oral evidentiary hearing on the Nokia Settlement issue is scheduled to commence on February 6, 2008.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

INTERDIGITAL, INC.
