Item 1.01 - Entry into Material Definitive Agreement

Item 2.01 - Completion of Acquisition or Disposition of Assets On December 17,
2007 Amen Properties, Inc. (the "Company") completed the acquisition of all of

the net profits royalties owned by Santa Fe Energy Trust (the "Trust") in accordance with the previously reported Purchase and Sale Agreement (the "Trust Agreement") which was entered into on November 8, 2007 with Bank of New York Trust Company, N. A., the trustee of the Trust. Under the terms of Trust Agreement, the Company purchased assets consisting of the Trust's interests in certain royalty interests and working interests in oil and gas properties located in a number of different states. The Trust Agreement provided for an adjustment to the purchase price for changes in commodity prices between the date of the Trust Agreement signing and the closing date. After these adjustments, the final purchase price paid to the Trust was \$50.5 million.

The Company owns 139,500 units of the Trust and is part of an affiliated ownership group, which includes certain of the Company's officers and directors, that owns 701,393 units of the Trust, approximately 11% of the outstanding units. The Company will continue to receive regular distributions from the Trust as a result of its unit ownership until the Trust's liquidation on or before February 15, 2008.

Additionally, on December XX, 2007 the Company completed the acquisition of the royalty and working interests of Devon Energy Production Company, L.P. ("Devon") in the properties subject to the Trust's net profits royalty in accordance with the previously reported Purchase and Sale Agreement (the "Devon Agreement") which was entered into on November 8, 2007. The final purchase price paid to Devon for its interests, after applicable adjustments, was \$5.6 million.

Both the Trust Agreement and the Devon Agreement were amended to add an independent third party as the purchaser of \$27 million of the acquired interests. After this purchase, the net purchase price paid for the remaining interests was \$29.1 million.

The Company has instructed the sellers to convey the remaining interests into two new entities: the royalty interests will be conveyed to SFF Royalty, LLC and the working interests will be conveyed to SFF Production, LLC. In exchange for contributing \$10 million in capital, the Company will receive a one third ownership interest in these new entities. The remaining ownership of the new entities will be divided amongst the acquisition investment group proportionately based on the percentage of capital provided. The investment group and management group of the new entities includes two of the Company's directors, Eric Oliver and Jon Morgan. Additionally, the two new entities have entered into a management agreement with Anthem Oil and Gas, Inc. to manage the interests in exchange for compensation equal to 5% of the gross proceeds. One of the Company's directors, Jon Morgan, is the president of Anthem Oil and Gas.

The Company paid for \$840,000 of its capital contribution to the new entities in cash. An additional \$2.2 million was secured via stub financing provided by Softvest, LP until the Company is able to liquidate a portion of its investment in the Trust, which is expected to occur by the end of 2007. One of the Company's directors, Eric Oliver, is the Managing Partner of Softvest, LP. The remaining \$7 million was financed via a combination of equity and debt. The Company has entered into a Securities Purchase and Note Agreement (the

"Securities Agreement") that provides for the issuance of \$4.3 million in Series D Preferred Stock and \$2.7 million in short-term debt. The Series D Preferred Stock is non-convertible, has limited voting rights and is entitled to a dividend of eight and one half percent annually. Additionally, the Series D Preferred Stockholders will be allowed to designate up to two additional members of the Company's Board of Directors. The holders of the short term debt received 450,000 warrants which allow them to purchase the Company's common stock at a price of \$6.02, which was the closing price on the day the Trust Agreement and

Devon Agreement were signed. The Securities Agreement provides that the warrants will expire if not exercised by June 30, 2008 and the Company anticipates that the proceeds will be used to retire the related debt. Two of the Company's directors, Eric Oliver and Bruce Edgington, provided a portion of the Company's financing and are parties to the Securities Agreement, for which they will receive a portion of the preferred stock and warrants described above. Pursuant to NASDAQ regulations, the issuance of common stock upon exercise of the warrants issued under this Securities Agreement will require shareholder approval. The Company intends to seek such shareholder approval at either a special meeting called for that purpose or at the next annual shareholder meeting. The Company has received agreements to vote in favor of the approval of these warrants from shareholders representing over 50.1% of the outstanding shares.

Item 3.02 - Unregistered Sales of Equity Securities
