PROXY STATEMENT

June 26, 2006

Proxies in the form enclosed with this proxy statement are solicited by our Board of Directors (the "Board of Directors") at our expense for use at the Annual Meeting of Stockholders (the "Meeting") to be held on July 27, 2006 in the Terrace Room of the Colonial Center at the Sheraton Colonial Hotel, One Audubon Road, Wakefield, Massachusetts, 01880.

Only stockholders of record as of June 2, 2006 will be entitled to vote at the Meeting and any adjournments thereof. As of that date, 19,998,387 shares of our Common Stock, par value \$.01 per share, were issued and outstanding. The holders of our common stock are entitled to one vote per share on any proposal presented at the Meeting. Stockholders may vote in person or by proxy.

Execution of a proxy will not in any way affect a stockholder's right to attend the Meeting and vote in person. Any stockholder giving a proxy has the right to revoke it at any time before it is exercised by attending the Meeting and voting in person or filing with our Secretary either a written instrument revoking the proxy or another executed proxy bearing a later date.

All properly executed proxies returned in time to be counted at the Meeting will be voted. With respect to the election of our Board of Directors, shares represented by proxies will be voted as stated below under "Election of Directors." Any stockholder submitting a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by writing that nominee's name on the space provided on the proxy. In addition, the stockholders will consider and vote upon a proposal to ratify the selection of Wolf & Company, P.C. as our independent auditors, as further described in this proxy statement. Where a choice has been specified on the proxy with respect to such matter, the shares represented by the proxy will be voted in accordance with the specification and will be voted FOR if no specification is made.

The representation in person or by proxy of a majority of the outstanding shares of our common stock entitled to vote at the Meeting is necessary to establish a quorum for the transaction of business. Votes withheld from any nominee, abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum. A "non-vote" occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the broker does not have discretionary voting power and has not received instructions from the beneficial owner. Directors are elected by a plurality of the votes cast by stockholders entitled to vote at the Meeting. The proposal to ratify of the selection of Wolf & Company, P.C. as our independent auditors requires the affirmative vote of the majority of shares present in person or represented by proxy at the Meeting. An automated system administered by our transfer agent tabulates the votes. The vote on each matter submitted to stockholders is tabulated separately. Abstentions are included in the number of shares present or represented and voting on each matter.

The Board of Directors knows of no other matter to be presented at the Meeting. If any other matter should be presented at the Meeting upon which a vote properly may be taken, shares represented by all proxies received by us will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies.

## Edgar Filing: GREENMAN TECHNOLOGIES INC - Form DEF 14A

Our Annual Report, containing financial statements for fiscal year ended September 30, 2005, and our Quarterly Report on Form 10-QSB, containing financial statements for the fiscal quarter ended March 31, 2006, are being mailed contemporaneously with this proxy statement to all stockholders entitled to vote. This proxy statement and the form of proxy were first mailed to stockholders on or about June 26, 2006.

The options vest equally over a five year period from date of grant. In addition, Mr. Jensen will be eligible to be awarded qualified options to purchase up to 100,000 additional shares of common stock annually, with the actual amounts contingent on achieving certain levels of EBITDA performance. The right to exercise all options will accelerate in full immediately prior to any transaction or series of sequenced events in which all or substantially all of the Registrant's assets or common stock are sold to or merged with a third party or third parties.

In addition, upon signing of his employment agreement, Mr. Jensen agreed to purchase from the Registrant, 500,000 unregistered shares of the Registrant's common stock at a price equal to the closing bid price of the common stock on the date the agreement was executed.

In June 1999, we entered into a two-year employment agreement with Mr. Coppa pursuant to which Mr. Coppa currently receives a salary of \$130,000 per annum. The agreement provides for payment of twelve months salary as a severance payment for termination without cause.

### Stock Option Plan

Our 1993 Stock Option Plan (the "2003 Plan") was established to provide options to purchase shares of common stock to our employees, officers, directors and consultants. In March 2001, our stockholders approved an increase to the number of shares authorized under the 1993 Plan to 3,000,000 shares. The 1993 Plan expired on June 10, 2004.

On March 18, 2005, our Board of Directors adopted the 2005 Stock Option Plan (the "2005 Plan"), which was subsequently approved by our stockholders on June 16, 2005. The 2005 Plan replaced the 1993 Plan. Options granted under the 2005 Plan may be either options intended to qualify as "incentive stock options" under Section 422 of the Internal Revenue Code of 1986, as amended; or non-qualified stock options.

Incentive stock options may be granted under the 2005 Plan to employees, including officers and directors who are employees. Non-qualified options may be granted to our employees, directors and consultants. The 2005 Plan is administered by our Board of Directors, which has the authority to determine:

- o the persons to whom options will be granted;
- o the number of shares to be covered by each option;
- o whether the options granted are intended to be incentive stock options;
- o the manner of exercise; and
- o the time, manner and form of payment upon exercise of an option.

Incentive stock options granted under the 2005 Plan may not be granted at a price less than the fair market value of our common stock on the date of grant (or less than 110% of fair market value in the case of persons holding 10% or more of our voting stock). Non-qualified stock options may be granted at an exercise price established by our Board which may not be less than 85% of fair market value of our shares on the date of grant. Due to the fact that current tax laws adversely impact recipients of non-qualified stock options granted at less than fair market value we do not expect to make such grants. Incentive stock options granted under the 2005 Plan must expire no more than ten years from the date of grant, and no more than five years from the date of grant in the case of incentive stock options granted to an employee holding 10% or more of our voting stock.

As of September 30, 2005, there were 1,660,356 options granted and outstanding under the 1993 Plan of which 1,578,156 options were exercisable at prices ranging from \$0.38 to \$1.80. No options have been granted under the 2005 Plan as of September 30, 2005.

#### Non-Employee Director Stock Option Plan

Our 1996 Non-Employee Director Stock Option Plan is intended to promote our interests by providing an inducement to obtain and retain the services of qualified persons who are not officers or employees to serve as members of our Board of Directors. The Board of Directors has reserved 60,000 shares of common stock for issuance under the Non-Employee Director Stock Option Plan.

Each person who was a member of the Board of Directors on January 24, 1996, and who was not an officer or employee, was automatically granted an option to purchase 2,000 shares of common stock. In addition, after an individual's initial election to the Board of Directors, any director who is not an officer or employee and who continues to serve as a director will automatically be granted on the date of the Annual Meeting of Stockholders an additional option to purchase 2,000 shares of common stock. The exercise price per share of options granted under the Non-Employee Director Stock Option Plan is 100% of the fair-market value of the common stock on the business day immediately prior to the date of the grant and each option is immediately exercisable for a period of ten years from the date of the grant.

As of September 30, 2005, options to purchase 38,000 shares of our common stock have been granted under the 1996 Non-Employee Director Stock Option Plan, of which 28,000 are outstanding and exercisable at prices ranging from \$0.38 to \$1.95.

### Loans; Personal Guarantees

In January 1998, we advanced Mr. Davis \$104,000 under an 8.5% secured loan agreement with both principal and interest due January 2001. This note was amended on September 30, 2000 to extend the maturity of the note until April 15, 2002 (subsequently extended to April 15, 2004) and increase the interest rate to 9.5%. On April 30, 2004 the remaining balance of \$163,000, including interest, was applied to offset obligations under our \$400,000 September 30, 2003 note payable due to Mr. Davis.

In January 1999, we advanced Messrs. Davis and Coppa \$55,000, in aggregate, under 8.5% secured promissory notes with both principal and interest due January 2002 (subsequently extended to January 2004). The proceeds were used to participate in a private placement of our common stock and the loans were secured by 191,637 shares of common stock owned by Messrs. Davis and Coppa. In June 2002, they repaid \$5,000 each toward their respective then outstanding balances. On March 31, 2004, Mr. Davis's remaining balance of \$24,000 including interest, was applied to offset obligations under our \$400,000 September 30, 2003 note payable to him. On May 11, 2004, Mr. Coppa sold 36,717 shares of common stock valued at \$44,248 back to us in full settlement of all amounts due under his note. We subsequently cancelled these shares, which reduced our total shares issued and outstanding.

Dr. Kahn was owed \$300,000 under the terms of an October 1999 private offering of 10% convertible notes and warrants and \$75,000 under the terms of a February 2000 offering of 11% convertible notes and warrants. The warrants were exercisable for a period of five years to purchase 125,000 shares of our common stock at exercise prices ranging from \$.31 to \$.50 per share. The convertible notes originally matured twelve months after issuance and were payable in cash or unregistered shares of our common stock at a conversion price of \$1.00 per share. In September 2000 and June 2001, Dr. Kahn agreed to extend the maturity date of each note for an additional twelve months from their original maturity. In return for the June 2001 extension, we agreed to reduce the conversion price to \$.75 per share. In September 2002, Dr. Kahn again agreed to extend the maturity of each note for an additional twenty-four months from their extended maturity dates which range from October 2005 to February 2005. On February 16, 2004, Dr. Kahn converted these two notes, including \$375,000 of principal and \$168,210 of accrued interest into 724,281 shares of our unregistered common stock pursuant to the amended terms noted above. The warrants were exercised by Dr. Kahn during fiscal 2003.

Dr. Kahn has also loaned us \$200,000 under the terms of a November 2000 unsecured promissory note which bears interest at 12% per annum with interest due monthly and the principal due in November 2001. In June 2001, Dr. Kahn agreed to extend the maturity date of the note for an additional twelve months from its original maturity. In September 2002, Dr. Kahn again agreed to extend the maturity of the note until November 2004. In June 2004, Dr. Kahn agreed to extend the maturity of this note until the earlier of when all amounts due under

the Laurus credit facility have been repaid or June 30, 2007.

During the period of June to August 2003, two immediate family members of Mr. Needham loaned us a total of \$400,000 under the terms of two-year, unsecured promissory notes which bear interest at 12% per annum with interest due quarterly and the principal due upon maturity. In March 2004, these same individuals loaned us an additional \$200,000 in aggregate, under similar terms with the principal due upon maturity March 2006. These individuals each agreed to invest the entire \$100,000 principal balance of their June 2003 notes (\$200,000 in aggregate) into the April 2004 private placement of investment units and each received 113,636 units (113,636 shares of our common stock and warrants to purchase 56,818 additional shares of our common stock at \$1.80 per share) in these transactions. At September 30, 2005, the remaining balance due on these advances amounted to \$400,000. In addition, the two individuals agreed to extend the maturity of the remaining balance of these notes until the earlier of when all amounts due under the Laurus credit facility have been repaid or June 30, 2007.

In September 2003, Mr. Davis loaned us \$400,000 under the terms of a September 30, 2003 unsecured promissory note which bears interest at 12% per annum with interest due quarterly and the principal due March 31, 2004 (subsequently extended to September 30, 2004). In 2005, Mr. Davis applied approximately \$114,000 of the balance due him plus \$21,000 of accrued interest to exercise options to purchase 185,000 shares of common stock as noted above. In addition, he agreed to extend the maturity of the remaining balance of this note until the earlier of when all amounts due under the Laurus credit facility have been repaid or June 30, 2007. At September 30, 2005, the remaining balance due on this note amounted to \$99,320.

During January and February 2004, Mr. Needham advanced us an additional \$250,000 under substantially similar notes that were due in June 2004. Mr. Needham agreed to invest all unpaid principal and interest under these advances amounting to approximately \$350,000 into the April 2004 private placement of units and received 339,806 units in this transaction (see above).

Maust Asset Management acquired the property from the former lessor. In April 2005, our Iowa subsidiary entered into an eight-year lease agreement with Maust Asset Management for approximately 3 acres adjacent to our existing Iowa facility. Simultaneous with the sale, we entered into an agreement to lease the property back for a term of 12 years at an annual rent of \$195,000, increasing to \$227,460 over the term of the lease. To the best of management's knowledge, based solely on review of the copies of such reports furnished to us during and with respect to, our most recent fiscal year, and written representation that no other reports were required, all Section 16(a) filing requirements applicable to our officers and directors have been complied with.

Stockholder ratification of our independent auditors is not required under Delaware law or under our Restated Certificate of Incorporation or By-Laws. If the stockholders do not ratify the selection of Wolf & Company, P.C. as our independent auditors for the fiscal year ending September 30, 2006, our Board of Directors will evaluate what would be in the best interests of our company and our stockholders and consider whether to select new independent auditors for the current fiscal year or whether to wait until the completion of the audit for the current fiscal year before changing independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF ITS SELECTION OF WOLF & COMPANY, P.C. AS INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2006.

### INDEPENDENT PUBLIC ACCOUNTANTS

In addition to audit services, Wolf & Company, P.C. also provided certain non-audit services to us during the fiscal year ended September 30, 2005. The Audit Committee has considered whether the provision of these additional services is compatible with maintaining the independence of Wolf & Company, P.C.

should not audit its own work, function as part of management, act as an advocate of our company, or be a promoter of our company's stock or other financial interests. The chairman of the Audit Committee has the authority to grant pre-approvals of permitted non-audit services between meetings, provided that any such pre-approval must be presented to the full Audit Committee at its next scheduled meeting.

During fiscal 2005, all of the non-audit services provided by Wolf & Company, P.C. were pre-approved by the Audit Committee. Accordingly, the Audit Committee did not rely on the de minimis exception noted above.
