ABOUT THE ANNUAL MEETING

What is a proxy?

A proxy is another person that you legally designate to vote your shares of common stock. If you designate someone as your proxy in a written document, that document is also called a “proxy” or a “proxy card.”

What is a proxy statement?

A proxy statement is a document that describes the matters to be voted upon at the annual meeting and provides additional information about the Company. Pursuant to regulations of the SEC, we are required to provide you with a proxy statement containing certain information when we ask you to sign a proxy card to vote your shares of common stock at a meeting of the Company’s shareholders.

When and where will the annual meeting be held?

The annual meeting is scheduled to take place at 2:30 p.m., Central Time, on Thursday, May 12, 2016, in the Juniper room of The Houstonian Hotel, 111 North Post Oak Lane, Houston, Texas 77024.

What is the purpose of the annual meeting?

This is the 2016 annual meeting of shareholders. At the annual meeting, shareholders will act upon the matters outlined in the notice, including the following:

To elect five (5) Class I directors to serve on the board until the Company’s 2019 annual meeting of shareholders, and each until their respective successor or successors are duly elected and qualified or until their earlier resignation or removal;

2. To ratify the appointment of Crowe Horwath LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2016; and
3. To transact such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

Who are the nominees for directors?

The following five persons have been nominated for reelection as directors of the Company:

Daryl D. Bohls

Matthew H. Hartzell

Umesh (Mike) Jain

James J. Kearney

P. Michael Mann, M.D.

Who is entitled to vote at the annual meeting?

The holders of record of the outstanding shares of common stock on April 1, 2016, which is the date that the board has fixed as the record date for the annual meeting (the “record date”), are entitled to vote at the annual meeting. The record date is established by the board as required by the Company’s bylaws and Texas law. On the record date, 12,844,752 shares of common stock were outstanding.

How do I vote?

You may vote your shares of common stock either in person at the annual meeting or by proxy. The process for voting your shares depends on how your shares are held as described below.

Table of Contents

If you are a record holder on the record date for the annual meeting, you may vote by proxy or you may attend the annual meeting and vote in person. If you are a record holder and want to vote your shares by proxy, you have three ways to vote:

indicate on the proxy card(s) applicable to your common stock how you want to vote and then sign, date and mail your proxy card(s) in the enclosed pre-addressed postage-paid envelope as soon as possible to ensure that it will be received in advance of the annual meeting;

- call 1-800-690-6903 using a touch-tone telephone and follow the instructions provided on the call; or
- go to the website *www.proxyvote.com* and follow the instructions for Internet voting on that website.

The Company must receive your proxy card by no later than the time the polls close for voting at the annual meeting for your vote to be counted at the annual meeting. Please note that Internet voting will close at 11:59 p.m., Eastern Time, on May 11, 2016.

Voting your shares by proxy will enable your shares of common stock to be represented and voted at the annual meeting if you do not attend the annual meeting and vote your shares in person. By completing and submitting the proxy card, you will direct the designated persons (known as “proxies”) to vote your common stock at the annual meeting in accordance with your instructions. The board has appointed George Martinez and Steve Retzloff to serve as the proxies for the annual meeting.

If your shares of common stock are held in “street name,” your ability to vote over the Internet depends on your broker’s voting process. You should follow the instructions on your proxy card or voting instruction card.

To vote the shares that you hold in “street name” in person at the annual meeting, you must bring a legal proxy from your broker, bank or other nominee, (1) confirming that you were the beneficial owner of those shares as of the close of the record date, (2) stating the number of shares of which you were the beneficial owner that were held for your benefit at that time by that broker, bank or other nominee and (3) appointing you as the record holder’s proxy to vote the shares covered by that proxy at the annual meeting.

What is the difference between a shareholder of record and a “street name” holder?

If your shares are registered directly in your name with Computershare, the Company's stock transfer agent, you are considered the shareholder of record with respect to those shares. This proxy statement and the proxy card have been sent directly to you by Broadridge Financial Solutions, Inc. at the Company's request.

If your shares are held in a brokerage account or by a bank or other nominee, the nominee is considered the record holder of those shares. You are considered the beneficial owner of these shares, and your shares are held in "street name." This proxy statement and the proxy card or voting instruction card have been forwarded to you by your nominee. As the beneficial owner, you have the right to direct your nominee concerning how to vote your shares by using the voting instructions your nominee included in the mailing or by following its instructions for voting.

What are the voting rights of the shareholders?

The holders of at least a majority of the outstanding shares of common stock on the record date must be represented at the annual meeting, in person or by proxy, in order to constitute a quorum for the transaction of business. Each record holder of shares of common stock is entitled to one vote for each share of common stock registered, on the record date, in such holder's name on the books of the Company on all matters to be acted upon at the annual meeting. The Company's certificate of formation prohibits cumulative voting.

What is a broker non-vote?

A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. Your broker has discretionary authority to vote your shares with respect to the ratification of the appointment of Crowe Horwath LLP as our independent registered public accounting firm (Proposal 2). In the absence of specific instructions from you, your broker does not have discretionary authority to vote your shares with respect to the election of directors to the board (Proposal 1).

Table of Contents

What is “householding” and how does it affect me?

With respect to eligible shareholders who share a single address, we are sending only one copy of the notice and proxy statement to that address unless we have received instructions to the contrary from any eligible shareholder at that address. Eligible shareholders will continue to have access and receive separate proxy cards. This practice, known as “householding,” is designed to reduce printing and postage costs. However, a shareholder of record residing at such address who wishes to receive a separate copy of the notice and proxy statement in the future may contact Allegiance Bancshares, Inc., 8847 West Sam Houston Parkway, N., Suite 200, Houston, Texas 77040, Attn: Courtney Theriot. Eligible shareholders of record receiving multiple copies of the notice and proxy statement can request householding by contacting us in the same manner. Shareholders who own shares through a bank, broker or other nominee can request householding by contacting such nominee.

Who counts the votes?

All votes will be tabulated by the inspector of election appointed for the annual meeting. Votes for each proposal will be tabulated separately.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. Similarly, if you are a shareholder of record and hold shares in a brokerage account, you will receive a proxy card for shares held in your name and a voting instruction card for shares held in “street name.” Please complete, sign, date and return each proxy card and voting instruction card that you receive to ensure that all your shares are voted.

What are the board’s recommendations on how I should vote my shares?

The board recommends that you vote your shares as follows:

Proposal 1—**FOR** the election of each nominee for director; and

Proposal 2—**FOR** the ratification of the appointment of Crowe Horwath LLP.

How will my shares be voted if I return a signed and dated proxy card, but don't specify how my shares will be voted?

If you are a record holder who returns a completed proxy card that does not specify how you want to vote your shares on one or more proposals, the proxies will vote your shares for each proposal as to which you provide no voting instructions, and such shares will be voted in the following manner:

Proposal 1—**FOR** the election of each nominee for director; and

Proposal 2—**FOR** the ratification of the appointment of Crowe Horwath LLP.

If you are a "street name" holder and do not provide voting instructions on one or more proposals, your bank, broker or other nominee will be unable to vote those shares, except that such nominee will have discretion to vote on the ratification of the appointment of Crowe Horwath LLP (Proposal 2).

What are my choices when voting?

In the election of directors, you may vote for all director nominees or you may withhold your vote as to one or more director nominees. With respect to the proposal to ratify the appointment of Crowe Horwath LLP, you may vote for the proposal, against the proposal or abstain from voting on the proposal.

Table of Contents

May I change my vote after I have submitted my proxy card?

Yes. Regardless of the method used to cast a vote, if you are a record holder, you may change your vote by:

delivering to the Company prior to the annual meeting a written notice of revocation addressed to: Allegiance Bancshares, Inc., 8847 West Sam Houston Parkway, N., Suite 200, Houston, Texas 77040, Attn: Courtney Theriot;

completing, signing and returning a new proxy card with a later date than your original proxy card prior to such time that the proxy card for any such holder of common stock must be received, and any earlier proxy will be revoked automatically;

logging onto the Internet website specified on your proxy card in the same manner you would to submit your proxy electronically or by calling the telephone number specified on your proxy card, in each case if you are eligible to do so and following the instructions indicated on the proxy card; or

attending the annual meeting and voting in person, and any earlier proxy will be revoked. However, simply attending the annual meeting without voting will not revoke your proxy.

If your shares are held in “street name” and you desire to change any voting instructions you have previously given to the record holder of the shares of which you are the beneficial owner, you should contact the broker, bank or other nominee holding your shares in “street name” in order to direct a change in the manner your shares will be voted.

What percentage of the vote is required to approve each proposal?

Assuming the presence of a quorum, the five director nominees who receive the most votes from the holders of the outstanding shares of common stock for their election will be elected—i.e., the affirmative vote of the holders of a plurality of the votes cast at the annual meeting is required for the election of the director nominees (Proposal 1).

Assuming the presence of a quorum, the ratification of Crowe Horwath LLP’s appointment as the Company’s independent registered public accounting firm (Proposal 2) will require the affirmative vote of the holders of a majority of the votes cast at the annual meeting.

How are broker non-votes and abstentions treated?

Broker non-votes and abstentions are counted for purposes of determining the presence or absence of a quorum. A broker non-vote or a withholding of authority to vote with respect to one or more nominees for director will not have the effect of a vote against such nominee or nominees. Because the ratification of the appointment of the independent registered public accounting firm is considered a routine matter and a broker or other nominee may generally vote on routine matters, no broker non-votes are expected to occur in connection with this proposal. Any abstentions will not have the effect of a vote against the proposals to ratify the appointment of Crowe Horwath LLP as the Company's independent registered public accounting firm (Proposal 2).

What are the solicitation expenses and who pays the cost of this proxy solicitation?

The board is asking for your proxy, and we will pay all of the costs of soliciting shareholder proxies. In addition to the solicitation of proxies via mail, our officers, directors and employees may solicit proxies personally or by other means of communication, without being paid additional compensation for such services. The Company will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding the proxy materials to beneficial owners of common stock.

Table of Contents

Are there any other matters to be acted upon at the annual meeting?

Management does not intend to present any business at the annual meeting for a vote other than the matters set forth in the notice, and management has no information that others will do so. The proxy also confers on the proxies the discretionary authority to vote with respect to any matter properly presented at the annual meeting. If other matters requiring a vote of the shareholders properly come before the annual meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares represented by the proxies held by them in accordance with applicable law and their judgment on such matters.

Where can I find voting results?

The Company will publish the voting results in a current report on Form 8-K, which will be filed with the SEC within four business days following the annual meeting.

How can I communicate with the board?

To communicate with the board, shareholders should submit their comments by sending written correspondence via mail or courier to Allegiance Bancshares, Inc., 8847 West Sam Houston Parkway, N., Suite 200, Houston, Texas 77040, Attn: Daryl Bohls; or via email at ir@allegiancebank.com. Shareholder communications will be sent directly to the specific director or directors of the Company indicated in the communication or to all members of the board if not specified.

Table of Contents

PROPOSAL 1. ELECTION OF DIRECTORS

Classification of the Company's Directors

In accordance with the terms of the Company's certificate of formation, the Company's board is divided into three classes, Class I, Class II and Class III, with each class serving staggered three-year terms as follows:

The Class I directors are Daryl D. Bohls, Lawrence G. Fraser, Matthew H. Hartzell, Umesh (Mike) Jain, James J. Kearney and P. Michael Mann, M.D., and their terms will expire at the annual meeting of shareholders to be held in 2016;

The Class II directors are John Beckworth, Frances H. Jeter, George Martinez, David B. Moulton and Thomas A. Reiser, and their terms will expire at the annual meeting of shareholders to be held in 2017; and

The Class III directors are William S. Nichols III, Steven F. Retzloff, Raimundo Riojas E., Fred S. Robertson and Ramon A. Vitulli III, and their terms will expire at the annual meeting of shareholders to be held in 2018.

Election Procedures; Term of Office

The Corporate Governance and Nominating Committee has recommended to the board, and the board has approved, the nomination of Daryl D. Bohls, Matthew H. Hartzell, Umesh (Mike) Jain, James J. Kearney and P. Michael Mann, M.D. to fill five of the six expiring Class I director positions. At Mr. Fraser's request, he was not nominated by the board for reelection as a Class I director at the annual meeting. Each nominee is currently serving as a Class I director. The five Class I nominees, if elected at the annual meeting, will serve until the annual meeting of shareholders in 2019.

The affirmative vote of a plurality of the votes cast at an annual meeting at which a quorum is present is required for the election of each of the nominees for director. This means that the five director nominees who receive the most votes from the holders of the outstanding shares of common stock for their election at this year's annual meeting will be elected.

Unless the authority to vote for the election of directors is withheld as to one or more of the nominees, all shares of common stock represented by proxy will be voted FOR the election of the nominees. If the authority to vote for the election of directors is withheld as to one or more but not all of the nominees, all shares of common stock represented by any such proxy will be voted FOR the election of the nominee or nominees, as the case may be, as to whom such authority is not withheld.

If a nominee becomes unavailable to serve as a director for any reason before the election, the shares represented by proxy will be voted for such other person, if any, as may be designated by the board. The board has no reason to believe that any nominee will be unavailable to serve as a director. All of the nominees have consented to being named herein and to serve if elected.

Nominees for Election

The following table sets forth certain information with respect to the Company's Class I directors whose terms of office expire at the annual meeting and have been nominated for reelection. The business address for all of these individuals is 8847 West Sam Houston Parkway N., Suite 200, Houston, Texas 77040:

BOARD AND COMMITTEE MATTERS

Board Meetings

Our board met four times during 2015 (including regularly scheduled and special meetings). During 2015, each director participated in at least 75% or more of the aggregate of (i) the total number of meetings of the board (held during the period for which he or she was a director) and (ii) the total number of meetings of all committees of the board on which he or she served (during the period that he or she served).

Director Attendance at Annual Meeting

The board encourages all directors to attend the annual meeting of shareholders. The annual meeting will be the Company's first annual meeting of shareholders since its initial public offering. All but two of our directors attended the 2015 annual meeting of shareholders.

Meetings of Non-Management Directors

The independent directors of the Company hold executive sessions from time to time without the Chief Executive Officer, any other member of management or any non-independent director present. The Company's Corporate Governance Guidelines, which the Company adopted in connection with its initial public offering in 2015, provide that the Company's independent directors will meet at least twice a year.

Board Composition

Our board currently comprises 16 directors, including Mr. Fraser. However, Mr. Fraser, at his request, was not nominated by the board for reelection as a Class I director at the annual meeting.

In accordance with the Company's bylaws, members of the board are divided into three classes, Class I, Class II and Class III. The members of each class are elected for a term of office to expire at the third succeeding annual meeting of shareholders following their election. The term of office of the current Class I directors expires at the annual meeting. The terms of the Class II and Class III directors expire at the annual meeting of shareholders in 2017 and 2018, respectively. If the five nominees for Class I director are elected at the annual meeting, the composition of the board will be five Class I directors, five Class II directors, five Class III directors and one vacancy in Class I.

Any director vacancy existing on or occurring after the election may be filled by a majority vote of the remaining directors, even if the remaining directors constitute less than a quorum of the full board. In accordance with the Company's bylaws, a director appointed to fill a vacancy will be appointed to serve until the next annual meeting of shareholders held for the election of directors, regardless of whether the class of director in which he serves is to be elected at such annual meeting. The number of directors may be changed only by resolution of the board.

As discussed in greater detail below, the board has affirmatively determined that 11 of our 16 current directors qualify as independent directors under the applicable rules of the NASDAQ Global Market and the SEC.

Director Independence

Under the rules of the NASDAQ Global Market, a majority of the members of our board are required to be independent. The rules of the NASDAQ Global Market, as well as those of the SEC, also impose several other requirements with respect to the independence of our directors.

Our board has evaluated the independence of each director based upon these rules. Applying these rules, our board has affirmatively determined that, with the exception of Messrs. Bohls, Fraser, Martinez, Retzloff and Vitulli, each of our current directors qualifies as an independent director under applicable rules. In making these determinations, our board considered the current and prior relationships that each director has and has had with the Company and all other facts and circumstances our board deemed relevant in determining their independence, including the beneficial ownership of common stock by each director, and the transactions described under the section titled "Certain Relationships and Related Person Transactions". The board also considered whether there were any transactions or relationships between directors or any member of their immediate family (or any entity of which a director or an immediate family member is an executive officer, general partner or significant equity holder) and members of the Company's senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with a determination that the director is independent.

Board Leadership Structure

George Martinez currently serves as our Chairman of the Board and Chief Executive Officer. Mr. Martinez has served in both of these positions since the inception of the Company. Mr. Martinez's primary duties are to lead our board in establishing the Company's overall vision and strategic plan and to lead the Company's management in carrying out that plan.

Our board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, as the board believes that it is in the best interests of the Company to make that determination from time to time based on the position and direction of the Company and the membership of the board. The board has determined that having our Chief Executive Officer serve as Chairman of the Board is in the best interests of our shareholders at this time. This structure makes best use of the Chief Executive Officer's extensive knowledge of the Company and the banking industry. The board views this arrangement as also providing an efficient nexus between the Company and the board, enabling the board to obtain information pertaining to operational matters expeditiously and enabling our Chairman to bring areas of concern before the board in a timely manner. The board does not have a lead or presiding independent director.

Risk Management and Oversight

Our board is responsible for oversight of management and the business and affairs of the Company, including those relating to management of risk. Our full board determines the appropriate risk for us generally, assesses the specific risks faced by us, and reviews the steps taken by management to manage those risks. While our full board maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas as described in the section entitled "– Committees of the Board."

Director Nominations

The Corporate Governance and Nominating Committee considers nominees to serve as directors of the Company and recommends such persons to the board. The Corporate Governance and Nominating Committee also considers director candidates recommended by shareholders who appear to be qualified to serve on the board and meet the criteria for nominees considered by such committee. The Corporate Governance and Nominating Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the board and the Corporate Governance and Nominating Committee does not perceive a need to increase the size of the board. In order to avoid

the unnecessary use of the Corporate Governance and Nominating Committee's resources, it will consider only those director candidates recommended in accordance with the procedures set forth in the section titled " – Procedures to be Followed by Shareholders For Director Nominations."

Criteria for Director Nominees

The Corporate Governance and Nominating Committee has adopted a set of criteria that it considers when it selects individuals to be nominated for election to the board. In addition to reviewing the background and qualifications of the individuals considered in the selection of candidates, the Corporate Governance and Nominating Committee looks at a number of attributes and criteria, including: experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Corporate Governance and Nominating Committee considers appropriate in the context of the needs of the board. The Corporate Governance and Nominating Committee does not have a formal policy with respect to diversity; however, the board and Corporate Governance and Nominating Committee believe that it is essential that the board members represent diverse viewpoints.

The Corporate Governance and Nominating Committee may weigh the foregoing criteria differently in different situations, depending on the composition of the board at the time. The Corporate Governance and Nominating Committee will strive to maintain at least one director who meets the definition of "audit committee financial expert" under the regulations of the SEC.

In addition, prior to nominating an existing director for re-election to the board, the Corporate Governance and Nominating Committee considers and reviews an existing director's board and committee attendance and performance; length of board service; experience, skills and contributions that the existing director brings to the board; and independence.

Process for Identifying and Evaluating Director Nominees

Pursuant to the Corporate Governance and Nominating Committee Charter as approved by the board, the Corporate Governance and Nominating Committee is responsible for the process relating to director nominations, including identifying, recruiting, interviewing and selecting individuals who may be nominated for election to the board.

The process that the Corporate Governance and Nominating Committee follows when it identifies and evaluates individuals to be nominated for election to the board is set forth below.

Identification. For purposes of identifying nominees for the board, the Corporate Governance and Nominating Committee will rely on personal contacts of the members of the board as well as their knowledge of members of the communities served by the Company. The Corporate Governance and Nominating Committee will also consider director candidates recommended by shareholders in accordance with the policy and procedures set forth below in the section titled “– Procedures to be Followed by Shareholders For Director Nominations.” The Corporate Governance and Nominating Committee has not previously used an independent search firm in identifying nominees.

Evaluation. In evaluating potential nominees, the Corporate Governance and Nominating Committee determines whether the candidate is eligible and qualified for service on the board by evaluating the candidate under the selection criteria set forth above. In addition, for any new director nominee, the Corporate Governance and Nominating Committee will conduct a check of the individual’s background and interview the candidate.

Procedures to be Followed by Shareholders For Director Nominations

Any shareholder of the Company entitled to vote in the election of directors may recommend to the Corporate Governance and Nominating Committee one or more persons as a nominee for election as director at a meeting only if such shareholder has given timely notice in proper written form of such shareholder’s intent to make such nomination or nominations. To be timely, a shareholder’s notice given in the context of an annual meeting of shareholders must be delivered to or mailed and received at the principal executive office of the Company not less than one hundred twenty (120) days in advance of the first anniversary of the date of the Company’s notice to shareholders in connection with the previous year’s annual meeting of shareholders. If no annual meeting was held in the previous year or the date of the annual meeting of shareholders has been changed by more than thirty (30) days from the date contemplated at the time of the previous year’s notice, the notice must be received by the Company at least eighty (80) days prior to the date the Company intends to distribute its notice with respect to the annual meeting. To be timely, a shareholder’s

notice given in the context of a special meeting of shareholders must be delivered to or mailed and received by the Secretary of the Company at the principal executive office of the Company not later than the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which notice of the date of the special meeting and of the nominees proposed by the board to be elected at such special meeting was given. Any meeting of shareholders which is adjourned and will reconvene within thirty (30) days after the meeting date as originally noticed will, for purposes of any notice contemplated by the foregoing, be deemed to be a continuation of the original meeting and no nominations by a shareholder of persons to be elected directors of the Company may be made at any such reconvened meeting other than pursuant to a notice that was timely for the meeting on the date originally noticed.

To be in proper written form, a shareholder's notice to the Secretary of the Company must set forth:

the name and address of the shareholder who intends to make the nominations and of the person or persons to be nominated;

a representation that the shareholder is a holder of record of shares of common stock entitled to vote at such meeting and, if applicable, intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; and

if applicable, a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder.

Shareholder nominations should be addressed to the Chairman of the Corporate Governance and Nominating Committee or the Secretary, as applicable, of Allegiance Bancshares, Inc., 8847 West Sam Houston Parkway, N., Suite 200, Houston, Texas 77040.

Table of Contents

A nomination not made in compliance with the foregoing procedures will not be eligible to be voted upon by the shareholders at the meeting. The Corporate Governance and Nominating Committee has the power and duty to determine whether a nomination was made in accordance with procedures set forth above and, if any nomination is not in compliance with the procedures set forth above, to declare that such defective nomination will be disregarded.

Director Compensation

We and the Bank pay our respective directors, other than those directors who are employed by us or the Bank, a stipend based on the directors' participation in board and committee meetings. In general, each director who is not employed by us or the Bank receives \$1,000 for each board meeting, and \$500 for each committee or special board meeting, except for the Audit Committee, whose stipend is \$1,000 per meeting, he or she attends. The \$1,000 stipend paid for each Bank board meeting and the \$1,000 stipend paid for each Audit Committee meeting, each of which came into effect on January 29, 2016, represents, in each case, an increase of \$500 over the stipend paid in 2015. Additionally, as of January 1, 2016 we pay each non-employee Company director an annual retainer of \$20,000 paid \$5,000 quarterly and we grant to each non-employee Company director \$20,000 in restricted stock awards annually that vest 25% each year over four years. We have implemented these new director compensation measures to assist us as a public company in attracting and retaining qualified directors. In addition, the Bank is party to a consulting agreement with Mr. Fraser pursuant to which the Bank paid Mr. Fraser an annual fee of \$181,000 monthly in 2015.

The initial term of the consulting agreement expired on November 15, 2015 and was renewed on November 16, 2015 at an annual fee of \$92,500, to expire on December 31, 2016. Directors who are employed by us or the Bank or both do not receive remuneration for serving as a director of the Bank or us, but are compensated in their capacity as employees.

EXECUTIVE COMPENSATION AND OTHER MATTERS

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act of 2012, or the JOBS Act. As such, we are eligible to take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies. These include, but are not limited to, reduced disclosure obligations regarding executive compensation in our proxy statements, including the requirement to include a specific form of Compensation Discussion and Analysis, as well as exemptions from the requirement to hold a non-binding advisory vote on executive compensation and the requirement to obtain shareholder approval of any golden parachute payments not previously approved. We have elected to comply with the scaled disclosure requirements applicable to emerging growth companies.

Our “named executive officers” for 2015, which consist of our principal executive officer and the three other most highly compensated executive officers, are:

- George Martinez, our Chairman of the Board and Chief Executive Officer;

Narrative Discussion of Summary Compensation Table

General. We compensate our named executive officers through a mix of base salary, cash incentive bonuses, long-term incentive compensation and other benefits, which include, to a limited extent, certain perquisites. We established our existing executive compensation philosophy and practices to fit our historical status as a privately held corporation. We believe the current mix and value of these compensation elements provide our named executive officers with total annual compensation that is both reasonable and competitive within our markets, appropriately reflects our performance and the executive's particular contributions to that performance, and takes into account applicable regulatory guidelines and requirements. Each of our named executive officers is also an officer of Allegiance Bank and has substantial responsibilities in connection with the day-to-day operations of Allegiance Bank. As a result, each named executive officer devotes a substantial majority of his business time to the operations of Allegiance Bank, and the compensation he receives is paid largely to compensate that named executive officer for his services to Allegiance Bank. The board did not retain the services of a compensation consultant in 2015.

Base Salary. The base salaries of our named executive officers have been historically reviewed and set annually by the board or compensation committee as part of the Company's performance review process as well as upon the promotion of an executive officer to a new position or other change in job responsibility. In establishing base salaries for our named executive officers, the Compensation Committee has relied on external market data obtained from outside sources, including the Independent Bankers Association of Texas and other banking industry trade groups. In addition to considering the information obtained from such sources, the Compensation Committee has considered:

· each named executive officer's scope of responsibility;

· each named executive officer's years of experience;

· the types and amount of the elements of compensation to be paid to each named executive officer;

our overall financial performance and performance with respect to other aspects of our operations, such as our growth, asset quality, profitability and other matters, including the status of our relationship with the banking regulatory agencies; and

each named executive officer's individual performance and contributions to our company-wide performance, including leadership, team work and community service.

Cash Bonuses. We typically pay an annual cash incentive award to our named executive officers. Annual incentive awards are intended to recognize and reward those named executive officers who contribute meaningfully to our performance for the year. The Compensation Committee, within its sole discretion, determines whether such bonuses will be paid for any year and the amount of any bonus paid. Although, historically the Compensation Committee has not relied on any pre-established formula or specific performance measures to determine the amount of the bonuses paid, it does review external market data from outside sources in setting the amount of such bonuses. Additionally, in determining whether to pay cash bonuses to a named executive officer for a given year and the amount of any cash bonus to be paid, the Compensation Committee considers factors which include:

the personal performance of the executive officer and contributions to the Company's performance for the year, including leadership, team work and community service; and

our financial performance, including our growth, asset quality and profitability.

Benefits and Perquisites. Our named executive officers are eligible to participate in the same benefit plans designed for all of our full-time employees, including health, dental, vision, disability and basic group life insurance coverage. We also provide our employees, including our named executive officers, with a 401(k) plan to assist participants in planning for retirement and securing appropriate levels of income during retirement. The purpose of our employee benefit plans is to help attract and retain quality employees, including executives, by offering benefit plans similar to those typically offered by our competitors. None of the perquisites or benefits paid or provided to any of our named executive officers exceeded \$30,000 in amount for 2015 or 2014.

401(k) Plan. Our 401(k) Plan is designed to provide retirement benefits to all eligible full-time and part-time employees. The 401(k) Plan provides employees the opportunity to save for retirement on a tax-favored basis. Our named executive officers, all of whom were eligible to participate in the 401(k) Plan during 2015, may elect to participate in the 401(k) Plan on the same basis as all other employees. Employees may defer from 1% to 100% of their compensation to the 401(k) Plan up to the applicable IRS limit. We match 50% of an employee's annual contribution to the 401(k) Plan up to a total of 3% per annum of the employee's eligible salary. We make our matching contributions in cash and that contribution is invested according to the employee's current investment allocation. In 2015, we made contributions to our named executive officers' accounts in varying amounts, depending on the contributions made by the named executive officers.

Insurance Premiums. We invest in bank owned life insurance due to its attractive nontaxable return and protection against the loss of its key employees. Amounts included in the Summary Compensation Table represent premiums paid by us on behalf of the named executive officer.

The Company does not maintain any defined benefit plan, actuarial benefit plan or a supplemental executive retirement plan for the Company's named executive officers or any other employees. Moreover, the Company has no plan, agreement or other arrangement with any of the Company's named executive officers relating to the payments of any amounts upon the retirement of such named executive officer from employment with the Company or any other separation from service with the Company.

Employment Agreements with Named Executive Officers

The Company currently does not have employment agreements with any of the Company's named executive officers, who are employees "at will," other than Mr. Woodby and Mr. Eubank, whose respective arrangements are described below. As a result, the salaries and bonuses that the Company pays to its named executive officers (other than Mr. Woodby and Mr. Eubank) are determined at the discretion of the board after consultation with management. In addition, the Company has not previously maintained any "change of control," severance or noncompetition agreements

with any of its named executive officers and has not had obligations to make any payment under any such agreement to any of its named executive officers in the event the Company experiences any change in the control of the Company or upon their severance from, or other termination of, their employment with the Company.

In connection with the F&M Bancshares acquisition, F&M Bancshares amended Mr. Woodby's and Mr. Eubank's respective existing employment and non-competition agreements, which were subsequently assumed by the Company when the acquisition was consummated. The employment agreement with Mr. Woodby was for an initial term of two years that expires on December 31, 2016. The agreement provides that, during its term, Mr. Woodby will receive a base salary of \$220,000 and a minimum annual cash bonus of \$149,940 payable quarterly in arrears. The employment agreement with Mr. Eubank was for an initial term of two years that expires on December 31, 2016. The agreement provides that, during its term, Mr. Eubank will receive a base salary of \$220,000 and a minimum annual cash bonus of \$92,900 payable quarterly in arrears.

2008 Stock Awards and Incentive Plan

In 2008, we adopted the 2008 Stock Awards and Incentive Plan (the "Plan") to provide incentive compensation opportunities that are competitive with those of similar companies in order to attract, retain and motivate eligible participants by providing for both the direct award or sale of shares and for the grant of options to purchase shares of

common stock. The Plan was amended in 2015. The maximum number of shares of common stock that may be issued pursuant to grants or options under the Plan is 1,460,000.

Fifty percent of the time-based options held by Mr. Woodby and Mr. Eubank vested on the one year anniversary from the grant date and the remaining time-based options vest on January 1, 2017.

Potential Payments upon Termination or Change of Control

Other than a Company severance plan under which all of our employees are eligible to receive benefits and certain grants under our equity incentive plans which provide for accelerated vesting upon a change of control or the death, disability or termination of the grantee, we do not have any agreement with, or obligations to, any of our named executive officers or other executive officers to make any payments, accelerate any equity awards or provide any other consideration to any such officer in connection with any change of control of the Company or the Bank or such an officer's severance from employment with the Company or the Bank.

Compensation Policies and Practices and Risk Management

We do not believe any risks arise from our compensation policies and practices for our executive officers and other employees that are reasonably likely to have a material adverse effect on our operations, results of operations or financial condition.

Some of our officers, directors and principal shareholders and their affiliates are customers of the Bank. Such officers, directors and principal shareholders and their affiliates have had transactions in the ordinary course of business with the Bank, including borrowings, all of which were effected on substantially the same terms and conditions, including interest rate and collateral, as those prevailing from time to time for comparable transactions with unaffiliated persons and did not involve more than the normal risk of collectability or other unfavorable features. We expect to continue to have such transactions on similar terms and conditions with such officers, directors and shareholders and their affiliates in the future.

Additionally, the Bank is party to a consulting agreement with Mr. Fraser pursuant to which the Bank paid Mr. Fraser an annual fee of \$181,000 monthly in 2015. Section 16(a) of the Exchange Act, requires our directors and executive officers and persons who own more than 10% of our outstanding shares of common stock to file reports of ownership and changes in ownership of our equity securities, including shares of the Company's common stock with the SEC. Such persons are required by the SEC's regulations to furnish us with copies of all reports they file pursuant to Section 16.

Michael Mann, M.D. twice failed to timely file a Form 4 in respect of transactions occurring on January 29, 2016 and February 12, 2016; and the Form 3 for Umesh Jain to report his holdings as a newly appointed director of the Company on February 12, 2016. AUDIT COMMITTEE REPORT

Notwithstanding anything to the contrary set forth in any of the Company's previous or future filings under the Securities Act or the Exchange Act that might incorporate this proxy statement or future filings with the SEC, in whole or in part, the following report of the Audit Committee shall not be deemed to be incorporated by reference into any such filing.

In accordance with its written charter adopted by the Company's Board, the Company's Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. The Board has determined that each Audit Committee member is independent in accordance with the listing standards of the NASDAQ Global Market and in Section 10A of the Exchange Act and that William S. Nichols III has the requisite attributes of an "audit committee financial expert" as defined by the rules and regulations of the SEC.

The Audit Committee reviewed and discussed the Company's audited consolidated financial statements with management, which has primary responsibility for the financial statements, and with the Company's independent registered public accounting firm, (i) Crowe Horwath LLP, which is responsible for expressing an opinion on whether such consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2015 and 2014 and the results of the Company's operations and the Company's cash flows for each of the two years in the period ended December 31, 2015, in conformity with accounting principles generally accepted in the United States of America, and (ii) Seidel, Schroeder & Company, which is responsible for expressing an opinion on whether such consolidated financial statements present fairly, in all material respects, the results of the Company's operations and the Company's cash flows for the year ended December 31, 2013, in conformity with accounting principles generally accepted in the United States of America.

The Audit Committee met regularly with Crowe Horwath LLP, Seidel, Schroeder & Company and the Company's internal audit staff, with and without management present, to discuss the results of their audits, management's assessment of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting. The Audit Committee also reviewed Crowe Horwath LLP's Report of Independent Registered Public Accounting Firm and Seidel, Schroeder & Company's Report of Independent Registered Public Accounting Firm included in the Company's Annual Report on Form 10-K related to their respective audits of the Company's consolidated financial statements.

The Audit Committee discussed with Crowe Horwath LLP and Seidel, Schroeder & Company the matters that are required to be discussed by PCAOB Auditing Standard No. 16 (Communications with Audit Committees), as adopted by the Public Company Accounting Oversight Board. The Audit Committee also discussed with internal audit and

management any significant matters as a result of the internal audit work.

The Audit Committee has received the written disclosures and the letter from each of Crowe Horwath LLP and Seidel, Schroeder & Company required by applicable requirements of the Public Company Accounting Oversight Board regarding Crowe Horwath LLP's and Seidel, Schroeder & Company's respective communications with the Audit Committee concerning independence, and has discussed with each of Crowe Horwath LLP and Seidel, Schroeder & Company its independence. The Audit Committee has concluded that Crowe Horwath LLP has not provided any prohibited non-audit services to the Company and its affiliates, which is compatible with maintaining Crowe Horwath LLP's independence.

Based on the above-mentioned review and discussions with management, Crowe Horwath LLP and Seidel, Schroeder & Company, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2015, for filing with the SEC. The Audit Committee also recommended the reappointment, subject to shareholder ratification, of Crowe Horwath LLP and the Board concurred in such recommendation.
