Item 2.02. Results of Operations and Financial Condition.

The information required by this Item is contained in Item 4.02 of this Current Report and is incorporated herein by reference.

Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On July 21, 2016, the Board of Directors of Eagle Bancorp Montana, Inc. (the “Company”) determined that the Company had incorrectly reported interest income for the quarter ended March 31, 2016 included in the Company’s Quarterly Report for such period (the “First Quarter 10-Q”). As a result, the Board concluded that the Company will restate the unaudited condensed consolidated financial statements for the quarter ended March 31, 2016 and that previously issued unaudited condensed consolidated financial statements included in the First Quarter 10-Q should no longer be relied upon. The Company’s wholly owned subsidiary, Opportunity Bank of Montana (the “Bank”), intends to amend its consolidated report of condition and income for March 31, 2016 as appropriate.

The restatement will reduce the Company’s net income for the quarter ended March 31, 2016 by \$176,000 to \$647,000, or \$0.17 per diluted share. Management determined that mortgage loans sold with servicing retained continued to accrue interest income even after they were not on the Bank’s books. It was also determined that the effective date of mortgage loans sold were posted as of the first of the following month, instead of being dated the settlement date of the sale. As a result of these matters, the Company’s interest and fees on loans was overstated.

To effect the restatement, the Company’s Quarterly Report on Form 10-Q for the quarter ended June 30, 2016 (the “Second Quarter 10-Q”) will include the restated unaudited quarterly financial information for the quarter ended March 31, 2016. The Company intends to file its Second Quarter 10-Q as soon as practicable. Additionally, the Company’s Quarterly Report on Form 10-Q for the quarter ended March 31, 2017 will restate the comparable prior quarter. The First Quarter 10-Q will not be amended.

Management is continuing to assess the effect of the restatement on the Company’s internal control over financial reporting and its disclosure controls and procedures. Management will report its conclusion on internal control over financial reporting and disclosure controls and procedures upon completion of the restatement process.

The Company’s Audit Committee and management team have each discussed the matters disclosed in this Item 4.02 with the Company’s independent registered accounting firm.

A copy of the press release issued by the Company regarding the restatement is filed as Exhibit 99.1 hereto and is incorporated herein by reference.
