The Offering was conducted by a syndicate of underwriters (collectively, the Underwriters). The Corporation is also pleased to announce the issue and sale of an additional Cdn\$3,003,750 of units pursuant to the exercise, in full, of the previously announced over-allotment option granted to the Underwriters to purchase 4,005,000 additional units on the same terms and conditions as the Offering. With exercise of the over-allotment option, the aggregate gross proceeds to the Corporation from the Offering is Cdn\$23,028,750.

Each unit consists of one (1) common share (a Common Share) and one half of one common share purchase warrant, each whole warrant (a Warrant) is exercisable at Cdn\$1.25 for a period of 5 years after closing (each common share issuable upon exercise thereof, a Warrant Share). In the event that the volume weighted average trading price of the Corporation s common shares on the TSX (or such other stock exchange or quotation system on which the Corporation s shares are listed and where a majority of the trading volume occurs), for a period of 20 consecutive trading days exceeds \$2.50, the Corporation may, within five days after such an event, provide notice to the warrant holders of early expiry and thereafter, the warrants will expire on the date which is 30 days after the date of the notice to the warrant holders.

The TSX has accepted the Warrants together with the Common Shares and Warrant Shares for listing.

The net proceeds from the Offering are approximately Cdn\$21,077,312 (after deduction of fees and expenses), and will be used: (i) to finance general administrative expenses to maintain capacity for the following 12 months; (ii) to evaluate grassroots gold-silver epithermal targets in the Santa Cruz and San Juan provinces; (iii) for property payments, transfer costs and exploration at the Los Azules Project; and (iv) for working capital.
