**PROPOSALS**

**ITEM 1 Approval for Meir Srebernik**

**to Serve as both Chairman of the Board and Chief Executive Officer**

According to the Israeli Companies Law, the chairman of the board of a public company is permitted to serve also as the chief executive officer only if approved by the shareholders. The shareholders may give such approval for a period of up to three years from the date of approval.

Mr. Amit Levin has been our Chief Executive Officer since October 1999. He has notified us that he will step down from his office effective as of the date of the Meeting, i.e., July 7, 2005. Meir Srebernik has served as a member of our board since March 2002 and as our Chairman since September 2004. Our board of directors believes that it is in the best interest of our company to appoint him as our Chief Executive Officer to replace Mr. Levin. Even if this matter is approved, Mr. Srebernik, if nominated by our Board of Directors, will be required to stand for reelection as a director at each annual general meeting of our shareholders. In addition, his service as Chairman of the Board and as Chief Executive Officer will each continue to be at the pleasure of our Board of Directors.

A brief biography of Mr. Srebernik follows:

**Meir Srebernik**, age 46, has been a director of Matav since March 2002 and its Chairman since September 2004. Mr. Srebernik was the CEO of Dankner Investments Ltd. from February 2002 to August 2004 and served as a director of various other companies, including Matav Investments Ltd., Cable Systems Media Haifa- Hadera Ltd., ICP- Israeli Cable Programming Company Ltd., Matav Assets Ltd., Matav Infrastructure Ltd., Nonstop Internet (1999) Ltd., Dankner Assets Ltd., Dankner Assets Haifa (1996) Ltd., Dankner Constructions and Development Ltd., Dankner Investments in Real Estate (USA) Ltd., Neot Dankner Maintenance & Services (1982) Ltd., Drorim Mall Ltd., Rehovot Shopping and Transport Center Management Company Ltd., Dankner Transportation Ltd., Dankner Communications Ltd., Connect TV Ltd., and Nonstop Ventures Ltd. Between 1995 and 2000, he was the president and CEO of Netia Holding SA, a leading Polish alternative fixed line telecommunications company. He has also served as the head of the cable TV division of the Israeli Ministry of Communications from 1987 to 1993; as VP of Telecommunications of Dankner Investments Ltd. from 1993 to 1994, and as a director of Pelephone Communications Ltd., one of the four mobile phone operators in Israel, in 2001. Mr. Srebernik has a B.A. degree in economics and business administration from the Hebrew University, Jerusalem.

*Vote Required*

Approval of this matter will require the affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter; provided that (i) the shares voting in favor of such resolution include at least two-thirds of the shares present at the Meeting and held by shareholders who are not, and do not vote on behalf of, controlling shareholders (as such term is defined in the Companies Law) or (ii) the total number of shares voted by such non-controlling shareholders against such resolution does not exceed one percent (1%) of the aggregate voting rights in the company.

*Proposed Resolution*

It is proposed that at the Meeting the following resolution be adopted:

**RESOLVED**, that the shareholders of the Company hereby authorize and approve Meir Srebernik to serve as both the Company's Chairman of the Board and Chief Executive Officer for a period of up to three years following the date of this resolution.

**The Board of Directors recommends a vote FOR the approval of the proposed resolution.**

**ITEM 2 Compensation to the Chairman of the Board of Directors**

The Israeli Companies Law requires that the terms of compensation of a director, including the grant of stock options, be approved by the audit committee, the board of directors and thereafter the company's shareholders.

Meir Srebernik has been a director of Matav since March 2002 and is serving as Matav's Chairman since September 2004. In November 2004, Matav's shareholders approved, among other things, the terms of compensation to Mr. Srebernik and authorized our management to negotiate and execute an employment agreement setting forth such terms. On May 24, 2005, our Audit Committee and Board of Directors approved certain revisions to Mr. Srebernik's employment agreement, none of which revisions are related to the proposal to appoint him as Chief Executive Officer (see Item 1 above). To avoid any doubt about the authority of the Company to make such changes to Mr. Srebernik's compensation, it is proposed to adopt a clarifying resolution at the Meeting that authorizes the Company's management to make such revisions, which include the following:

The options (exercisable into 302,205 Ordinary Shares) granted to Mr. Srebernik under our 2003 Israeli Option Plan (the 2003 Plan) (i) will vest in 36 monthly equal installments commencing from the date of grant (rather than over three years, as previously approved) and (ii) the adjustment to the exercise price thereof to account for dividends will be made regardless of the timing of declaration of such dividends (rather than only if such dividends are distributed within 24 months of the declaration as provided under the 2003 Plan);

The monthly gross salary (NIS 57,100) will be linked to the Israeli Consumer Price Index; and

Revisions to other terms relating to Mr. Srebernik's social benefits, including (i) contribution by Matav for work disability insurance in the framework of Mr. Srebernik's managers insurance fund; (ii) increasing the portion of Matav's contribution in Mr. Srebernik's managers insurance fund on account of a portion of his salary; and (iii) clarification of the events of termination deemed to be without cause for purposes of Matav's obligation to transfer to Mr. Srebernik managers insurance and other pension funds accrued therefor. It should be noted that the value of the benefits granted by virtue of such revisions to Mr. Srebernik's social benefits is insignificant (Matav currently values such benefits at up to approximately NIS 3,500 per month).

*Vote Required*

Approval of this matter will require the affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter.

*Proposed Resolution*

It is proposed that at the Meeting the following resolution be adopted:

RESOLVED, that the revisions to the terms of compensation to Mr. Meir Srebernik as described in the Proxy Statement be, and they hereby are, approved; and that the management of the Company may make such amendments and modifications to the employment agreement of Mr. Srebernik as they deem fit to reflect the same; provided that any such amendments or modifications have been approved by the Audit Committee and Board of Directors.

**The Board of Directors recommends a vote FOR the approval of the proposed resolution.**

**OTHER MATTERS**

Shareholders are urged to complete and return their proxies promptly in order to, among other things, ensure action by a quorum and to avoid the expense of additional solicitation. If the accompanying proxy is properly executed and returned in time for voting, and a choice is specified, the shares represented thereby will be voted as indicated thereon. If no specification is made, the proxy will be voted in favor of each of the items described in this Proxy Statement.

By Order of the Board of Directors,

**Ori Gur-Arieh**  
*General Counsel and Company Secretary*
