If Yes is marked, indicate below the file number assigned to the registrant in connection with Rule 12g3-2(b): 82-

Edgar Filing: Pointer Telocation Ltd - Form 6-K

In addition, Pointer engaged with a Hungarian company to provide technology for fleet management services in Hungary. Pointer signed an agreement to loan a certain amount to the Hungarian company and will have an option to become a shareholder in the company in accordance with the terms of the agreement.

Danny Stern, Pointer's CEO, said: Pointer Telocation continues to expand its global presence with its broad offering of technology, products and services. Operating in Romania is a step in Shagrir's strategic growth plan to duplicate its vast knowledge and experience in service providing. Following this contract, S.C. Pointer S.R.L will approach insurance companies, car leasing companies and large car fleets with large service offering in order to duplicate its economies-of-scale business-model, concluded Mr. Stern.

About Pointer Telocation:
