Item 1.01. Entry into a Material Definitive Agreement

On February 28, 2007, Greatbatch, Inc. (the "Company") issued a joint press release with St. Jude Medical, Inc. announcing that both parties have entered into an amended supplier partnering agreement. This amendment becomes effective March 1, 2007, extends the current agreement through 2013 and establishes Greatbatch as the exclusive supplier of battery technology and the critical supplier of filtered feedthrough technology to St. Jude Medical. Additionally, the amendment provides for year over year price reductions on both technologies through collaboration on manufacturing and supply chain efficiencies. The parties have also agreed to jointly develop new technologies, including the introduction of a new low cost power solution to support future market requirements with an implementation date of no later than 2009.

The Company intends to file a copy of the agreement with its Quarterly Report on Form 10-Q for the fiscal quarter ended March 30, 2007.
