**Item 1.01. Entry into a Material Definitive Agreement**

The Board of Directors of Encorium Group, Inc.(the "Company") has approved amended terms to the previously announced letter of intent with Pierrel SpA, an international contract research organization listed on Milano's Stock Exchange, for the sale of its U.S. business. The sale is expected to close on June 30, 2009.

Subject to the negotiation of a definitive agreement, pursuant to the letter of intent, Pierrel has the right to purchase the Company's U.S. Line of Business for a purchase price equal to 17% of the Company's U.S. backlog at closing, less the amount that assumed current liabilities exceed acquired current assets by more than \$500,000, as opposed to \$350,000 as was provided for in the original letter of intent. The Company anticipates that backlog as of June 30, 2009 will be approximately \$11.5 million. It is estimated that at closing, the liabilities assumed by Pierrel will exceed the assets transferred by the Company by more than the \$500,000 deficiency allowance. As a result, the Company does not anticipate it will receive cash from Pierrel at closing.

It is not currently expected that distributions to stockholders in connection with the sale of the U.S. business and the previously announced transaction to sell Encorium Oy, the Company's wholly-owned subsidiary, will result in a premium to the current stock price. Based on the facts known to the Company at present, it is anticipated that any distributions to stockholders in connection with the transactions will be significantly less than market.

A copy of the Company's press release relating thereto is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
