Attendance at Annual Meetings

Members of the Board are encouraged to attend our Annual Meeting; attendance is not mandatory.

Board Meetings

Our Board of Directors held three (3) meetings during fiscal year 2014, which does not include actions taken by written consent or committee meetings. With the exception of Mr. Wang, each director attended at 100% of the meetings of the Board of Directors held during the period for which he has been a director and the meetings of the Board committees on which he served during the periods that he served in fiscal year 2014. Under our Corporate Governance Guidelines, directors are expected to attend either in person or by telecommunication, all meetings of our Board of Directors, all meetings of any committee of which he is a member and the annual meeting of stockholders, in addition to spending the time necessary to discharge properly his respective duties and responsibilities. One member of the Board of Director was in attendance at the Company's 2014 Annual Meeting of Stockholders.

Board Leadership Structure and Role in Risk Oversight

Since filing our Form 10-Q for the quarter ended March 31, 2012, we significantly restructured our Board of Directors and management. Two directors, Jun Wang and Arnold Staloff, resigned, and two new directors, Oliver Bialowons and Kenneth Scipta, were appointed to our Board of Directors. Oliver Bialowons is the principal executive officer and Chairman of our Board of Directors which is a typical leadership structure for a smaller reporting company. Jun Wang resigned as Chairman and Chief Executive Officer of the parent company in order to focus his time and attention on our operations in China. He retained his positions as General Manager of several of our operating subsidiaries. Mr. Wen Sha and Xudong Wang also resigned from their respective positions with the parent company in order to focus their time and attention to their roles with our operating subsidiaries. Oliver Bialowons assumed the duties of President of the parent company on May 25, 2012, and Michael Wilhelm assumed the duties of Chief Financial Officer and Treasurer on July 10, 2012, following the end of our second quarter.

On February 23, 2013, Michael Wilhelm resigned from his position as our Chief Financial Officer due to being "named personally in a groundless stockholder suit, where the alleged (unproven) actions in question are alleged to have taken place long before his involvement with the company." Mr. Wilhelm was added as a defendant to the class action lawsuit filed against the Company, its directors, and certain of its former officers, originally captioned Steven Leshinsky v. James Wang, et. al, now captioned Stream Sicav, Dharanendra Rai et al. v. James Jun Wang, Smartheat Inc. et al., in an amended complaint filed by the Rosen Law Firm on January 28, 2012. We have had difficulty in retaining a suitable replacement for Mr. Wilhelm due to this class action lawsuit.

In the interim, and so as to have a principal accounting officer that could sign the certifications under Sections 302(a) and 906 of the Sarbanes Oxley Act of 2002 necessary to complete and file our period reports with the Securities and Exchange Commission, we appointed Yangkai Wang as our Acting Chief Accountant on June 7, 2013. While Mr. Yingkai Wang has served as a financial manager to our subsidiaries since 2007, he has limited relevant education and training in U.S. GAAP and related SEC rules and regulations.

As part of its oversight functions, the Board of Directors is responsible for the oversight of risk management at the Company. Our Board of Directors delegates risk oversight to our Audit Committee, which considers and addresses risk assessment and risk management issues and concerns, and reviews with management the Company's major risk exposures and the steps management has taken to monitor and control such exposures.

Director Independence

Our Board of Directors has determined that each of Messrs. Scripta, Wang, Li, and Kong are independent directors. We have established the following standing committees of the Board of Directors: Audit, Compensation and Nominating and Corporate Governance. All members of the Audit, Compensation and Nominating and Corporate Governance Committees satisfy the “independence” standards applicable to members of each such committee. The Board of Directors made this affirmative determination regarding these directors’ independence based on discussions with the directors and on its review of the directors’ responses to a standard questionnaire regarding employment and compensation history; affiliations, family and other relationships; and, on transactions by the directors with the Company, if any. The Board of Directors considered relationships and transactions between each director, or any member of his immediate family, and the Company, its subsidiaries and its affiliates. The purpose of the Board of Directors’ review with respect to each director was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent under the NASDAQ rules.

Nominating and Corporate Governance Committee

We established our Nominating and Corporate Governance Committee (the “Nominating Committee”) in April 2009. The Nominating Committee consists of Messrs. Wang, Li, Kong, and Scripta each of whom is an independent director. Mr. Li is the Chairman of the Nominating Committee. The Nominating Committee assists in the selection of director nominees, approves director nominations to be presented for stockholder approval at our annual meeting and fills any vacancies on our Board of Directors, considers any nominations of director candidates validly made by stockholders (the process for which is set forth herein under the section entitled “Stockholder Nominations for Directors”), and reviews and considers developments in corporate governance practices. The Nominating Committee held no meetings during fiscal year 2014, which does not include actions taken by written consent. The Board of Directors has adopted a written charter for the Nominating Committee, the current copy of which is available on our website at www.smartheatinc.com.

Consideration of Director Nominees

The policy of our Nominating and Corporate Governance Committee is to consider properly submitted recommendations for candidates to the Board of Directors from stockholders. In evaluating such recommendations, the Nominating and Corporate Governance Committee seeks to achieve a balance of experience, knowledge, integrity, and capability on the Board of Directors and to address the membership criteria set forth under “Director Qualifications” below. Any stockholder recommendations for consideration by the Nominating and Corporate Governance Committee should include the candidate’s name, biographical information, information regarding any relationships between the candidate and SmartHeat within the last three years, at least three personal references, a statement of recommendation of the candidate from the stockholder, a description of our shares beneficially owned by the stockholder, a description of all arrangements between the candidate and the recommending stockholder and any other person pursuant to which the candidate is being recommended, a written indication of the candidate’s willingness to serve on the Board of Directors, any other information required to be provided under securities laws and regulations, and a written indication to provide such other information as the Nominating and Corporate Governance Committee may reasonably request. There are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for director based on whether the nominee is recommended by a stockholder or otherwise. Stockholder recommendations to the Board of Directors should be sent to:

SmartHeat Inc.

Director Qualifications

Our Nominating and Corporate Governance Committee will evaluate and recommend candidates for membership on the Board of Directors consistent with criteria established by our Board of Directors. While our Board of Directors has not adopted a formal diversity policy or specific standards with regard to the selection of director nominees, due to the global and complex nature of our business, the Board of Directors believes it is important to consider diversity of race, ethnicity, gender, age, education, cultural background, and professional experiences in evaluating board candidates.

Although our Board of Directors has not formally established any specific, minimum qualifications that must be met by each candidate for the Board of Directors or specific qualities or skills that are necessary for one or more of the members of the Board of Directors to possess, when considering a potential non-incumbent candidate, the Nominating and Corporate Governance Committee will factor into its determination the following qualities of a candidate:

educational background, diversity of professional experience, including whether the person is a current or former chief executive officer or chief financial officer of a public company or the head of a division of a large international organization, knowledge of our business, integrity, professional reputation, independence, and ability to represent the best interests of our stockholders.

Our Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating nominees for directors. Our Nominating and Corporate Governance Committee regularly assesses the appropriate size and composition of the Board of Directors, the needs of the Board of Directors and the respective committees of the Board of Directors, and the qualifications of candidates in light of these needs. Candidates may come to the attention of the Nominating and Corporate Governance Committee through stockholders, management, current members of the Board of Directors, or search firms. The evaluation of these candidates may be based solely upon information provided to the committee or may also include discussions with persons familiar with the candidate, an interview of the candidate or other actions the committee deems appropriate, including the use of third parties to review candidates.

Audit Committee and Audit Committee Financial Expert

We have established a separately-designated standing audit committee in accordance with Section 3(a)(58)(A) of the Exchange Act. Our Audit Committee consists of Messrs. Scipta, Wang, Li, and Kong, each of whom is an independent director. Mr. Scipta, Chairman of the Audit Committee, is an “audit committee financial expert” as defined under Item 407(d)(5) of Regulation S-K. The purpose of the Audit Committee is to represent and assist our Board of Directors in its general oversight of our accounting and financial reporting processes, audits of the financial statements and internal control and audit functions. The Audit Committee held four meetings during fiscal year 2014, which does not include actions taken by written consent. As more fully described in its charter, a copy of which is available on our website at www.smartheatinc.com, the functions of the Audit Committee include the following:

- appointment of independent auditors, determination of their compensation and oversight of their work;
- review the arrangements for and scope of the audit by independent auditors;
- review the independence of the independent auditors;
- consider the adequacy and effectiveness of the internal controls over financial reporting;
- pre-approve audit and non-audit services;
- establish procedures regarding complaints relating to accounting, internal accounting controls, or auditing matters;
- review and approve any related party transactions;
- discuss with management our major financial risk exposures and our risk assessment and risk management policies; and
- discuss with management and the independent auditors our draft quarterly interim and annual financial statements and key accounting and reporting matters.

Compensation Committee

We established our Compensation Committee in April 2009. The Compensation Committee consists of Messrs. Wang, Li, Kong and Scipta each of whom is an independent director. Dr. Wang is the Chairman of the Compensation Committee. The Compensation Committee is responsible for the design, review, recommendation and approval of compensation arrangements for our directors, executive officers and key personnel, and for the administration of our equity incentive plan, including the approval of grants under such plan to our directors, personnel and consultants. The Compensation Committee also reviews and determines compensation of our executive officers. The Compensation Committee may delegate its authority to subcommittees, but may not delegate its responsibilities for any matters involving executive compensation unless all members of such subcommittee qualify as independent directors. The Compensation Committee may consult with the members of management in the exercise of its duties. Notwithstanding such consultation, the Compensation Committee retains absolute discretion over all compensation decisions with respect to the executive officers. The Compensation Committee held no meetings during fiscal year 2014, which does not include actions taken by written consent. The Board of Directors has adopted a written charter for the Compensation Committee, the current copy of which is available on our website at

www.smartheatinc.com.

The compensation of our executive officers and other personnel is composed of base compensation and equity compensation. The Compensation Committee has determined the compensation of all executive officers appointed subsequent to the establishment of our Compensation Committee in April 2009. The Compensation Committee will review base compensation of the executive officers, taking into consideration the Company's overall financial position and the state of its business. The Compensation Committee will determine any increase in compensation, with respect to each officer, based on individual performance, level of responsibility, and skills and experience, taking into account the anticipated level of difficulty in replacing such officers with persons of comparable experience, skill and knowledge.

The Committee has the exclusive authority to hire compensation, accounting, legal or other advisors. In connection with any such hiring, the Committee can determine the scope of the consultant's assignments and their fees. The scope of a consultant's services may include providing the Committee with data regarding compensation trends, assisting the Committee in the preparation of market surveys or tally sheets or otherwise helping it evaluate compensation decisions. The Committee did not retain an outside compensation consultant in 2014.
