GOLF TWO, INC.  
(A DEVELOPMENT STAGE COMPANY)

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD FROM MARCH 15, 2001  
(INCEPTION) TO MARCH 31, 2003 AND THE THREE AND SIX MONTHS  
ENDED MARCH 31, 2003 AND 2002

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

NATURE OF BUSINESS:

Golf Two, Inc. (the "Company") is currently a development stage company under the provisions of Statement of Financial Accounting Standards ("SFAS") No. 7 and was incorporated under the laws of the State of Delaware on March 15, 2001. The

## Edgar Filing: GOLF TWO INC - Form 10QSB

Company plans to operate retail golf stores that will feature indoor golf instruction and sell custom golf clubs throughout California.

### INTERIM FINANCIAL STATEMENTS:

The accompanying unaudited financial statements for the three months ended March 31, 2003 and 2002 include all adjustments (consisting of only normal recurring accruals) which, in the opinion of management, are necessary for a fair presentation of the results of operations for the periods presented. Interim results are not necessarily indicative of the results to be expected for a full year. The unaudited financial statements should be read in conjunction with the audited financial statements included in Form SB-2/A, filed with the Securities and Exchange Commission on April 24, 2003 for the period from March 15, 2001 (inception) to December 31, 2002.

### GOING CONCERN:

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which contemplate continuation of the Company as a going concern. However, the Company has no established source of revenue. This matter raises substantial doubt about the Company's ability to continue as a going concern. These financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts, or amounts and classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

Management intends to continue to raise additional financing through joint venturing of projects, exchange of asset, debt financing, equity financing or other means and interests which it deems necessary with a view to moving forward and sustain a prolonged growth in its strategy phases.

Management believes these steps will be sufficient to provide the Company with the ability to continue in existence.

### USE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported periods.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED:

COMPREHENSIVE INCOME:

## Edgar Filing: GOLF TWO INC - Form 10QSB

For the three months ended March 31, 2003 and 2002, the Company had no items that represent other comprehensive income and, therefore, has not included a Statement of Comprehensive Income in the financial statements (unaudited).

### BASIC AND DILUTED LOSS PER SHARE:

In accordance with SFAS No. 128, "Earnings Per Share," the basic income (loss) per common share is computed by dividing net income (loss) available to common stockholders by the weighted average number of common shares outstanding. Diluted income (loss) per common share is computed similar to basic income per common share except that the denominator is increased to include the number of additional common shares that would have been outstanding if the potential common shares had been issued and if the additional common shares were dilutive. As of March 31, 2003 and 2002, the Company did not have any equity or debt instruments outstanding that can be converted into common stock (unaudited).

### (2) RELATED PARTY TRANSACTIONS:

#### NOTE PAYABLE - RELATED PARTY

In April 2001, the Company entered into a \$10,000 non interest-bearing note with a stockholder. The note was due upon demand and repaid in April 2002. The Company recorded interest expense on this note at 8% per annum as a contribution to capital.

#### OFFICE EXPENSE

An officer of the Company provided office space to the Company at \$100 per month on a month-to-month basis, which was recorded as a contribution to capital. Total office expense for the three months ended March 31, 2003 and 2002 amounted to \$300 and \$300, respectively (unaudited).

### ITEM 2. PLAN OF OPERATION

This following information specifies certain forward-looking statements of management of the company. Forward-looking statements are statements that estimate the happening of future events and are not based on historical fact. Forward-looking statements may be identified by the use of forward-looking terminology, such as "may", "shall", "could", "expect", "estimate", "anticipate", "predict", "probable", "possible", "should", "continue", or similar terms, variations of those terms or the negative of those terms. The forward-looking statements specified in the following information have been compiled by our management on the basis of assumptions made by management and considered by management to be reasonable. Our future operating results, however, are impossible to predict and no representation, guaranty, or warranty is to be inferred from those forward-looking statements.

## Edgar Filing: GOLF TWO INC - Form 10QSB

The assumptions used for purposes of the forward-looking statements specified in the following information represent estimates of future events and are subject to uncertainty as to possible changes in economic, legislative, industry, and other circumstances. As a result, the identification and interpretation of data and other information and their use in developing and selecting assumptions from and among reasonable alternatives require the exercise of judgment. To the extent that the assumed events do not occur, the outcome may vary substantially from anticipated or projected results, and, accordingly, no opinion is expressed on the achievability of those forward-looking statements. We cannot guaranty that any of the assumptions relating to the forward-looking statements specified in the following information are accurate, and we assume no obligation to update any such forward-looking statements.

Critical Accounting Policy and Estimates. Our Management's Discussion and Analysis of Financial Condition and Results of Operations section discusses our financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America. The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of expenses during the reporting period. On an on-going basis, management evaluates its estimates and judgments, including those related to accrued expenses, financing operations, and contingencies and litigation. Management bases its estimates and judgments on historical experience and on various other factors that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying value of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions or conditions. The most significant accounting estimates inherent in the preparation of our financial statements include estimates as to the appropriate carrying value of certain assets and liabilities which are not readily apparent from other sources. These accounting policies are described at relevant sections in this discussion and analysis and in the notes to them consolidated financial statements included in our Quarterly Report on Form 10-QSB for the three months ended March 31, 2003.

We incorporated in Delaware on March 15, 2001. We are a development stage company and we plan to initiate, establish and operate retail golf stores which will feature indoor golf instruction and custom golf clubs. Each retail location will offer custom-fitted golf clubs, individualized to our customers' needs and marketed under the Golf Two brand name. Golf instruction and training will be conducted on-site by in-store staff under the direction of a professional at each store.

8

We anticipate that our retail stores will be approximately 5,000 square feet and will include two virtual reality golf simulators, two computer swing analysis systems and a club fitting analysis system. Private label and brand name golf merchandise and related products will also be available for sale at each retail store. We seek to promote the enjoyment of the game of golf by helping golfing enthusiasts of all levels play better. Accordingly, we intend to offer indoor golf training available and individualized, quality golf clubs and related products to our clientele.

FOR THE THREE MONTHS ENDED MARCH 31, 2003 AND 2002.

Liquidity and Capital Resources. We have total assets (consisting of cash only)

## Edgar Filing: GOLF TWO INC - Form 10QSB

of \$20,715 as of March 31, 2003. Our total liabilities were \$2,590 as of March 31, 2003. In April 2002, we sold 2,093,336 shares of our common stock for \$0.03 per share. The net proceeds from the sale of those shares were \$62,800. Those proceeds were used to provide us with additional working capital.

### RESULTS OF OPERATIONS.

**Revenues.** We have realized no revenues from our inception on March 15, 2001 through the three months ended March 31, 2003. We anticipate that we will generate revenues as we commence operations and build our customer base.

**Operating Expenses.** For the three months ended March 31, 2003, our total expenses were \$2,360, which were represented by general and administrative expenses. We also had \$35 in interest income. Therefore, for the three months ended March 31, 2003, we experienced a net loss of \$2,325. This is in comparison to the period from our inception on March 15, 2001 through March 31, 2003, where we had accumulated expenses and loss from operations totaling \$139,677. Of that amount, \$90,000 was represented by stock issued in exchange for services. For the period from our inception on March 15, 2001 to March 31, 2003, we had \$277 in interest income and \$800 in interest expense, so that our net loss totaled \$140,200.

**Our Plan of Operation for the Next Twelve Months.** To effectuate our business plan during the next twelve months, we plan to begin marketing our products and services by means of our website and develop our brand image. Our operations to date have been focused on developing our brand name and attempting to establish strategic relationships with providers of golf products. In the next twelve months, we hope to accomplish the steps listed below to implement our business plan.

Milestones	Steps Needed	Estimated Time
Complete development website to promote our brand name and services and take product orders	<ol style="list-style-type: none"> <li>1. Engage webmaster</li> <li>2. Design webpage contents</li> <li>3. Deploy developed website</li> </ol>	within next months

We have cash of \$18,413 as of May 1, 2003. In the opinion of management,

## Edgar Filing: GOLF TWO INC - Form 10QSB

available funds will satisfy our working capital requirements through the next twelve months. For the next twelve months, we anticipate that our day-to-day expenses will be approximately \$1,000 per month until and unless we secure our first location. We believe that our expenses will significantly increase once we begin renovating and developing our first location. Our forecast for the period for which our financial resources will be adequate to support our operations involves risks and uncertainties and actual results could fail as a result of a number of factors.

9

We are not currently conducting any research and development activities and do not anticipate conducting such activities in the near future. Unless we raise funds to accommodate additional expenditures, we do not anticipate that we will purchase any significant equipment. In the event that we generate significant revenues and expand our operations, then we may need to hire additional employees or independent contractors as well as purchase or lease additional equipment. We do not anticipate incurring expenses to hire a golf pro or instructor staff, at least initially, in that we hope to engage such individuals on a fee-splitting or commission basis.

### ITEM 3. CONTROLS AND PROCEDURES

(a) Evaluation of disclosure controls and procedures. We maintain controls and procedures designed to ensure that information required to be disclosed in the reports that we file or submit under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the Securities and Exchange Commission. Based upon their evaluation of those controls and procedures performed within 90 days of the filing date of this report, our chief executive officer and the principal financial officer concluded that our disclosure controls and procedures were adequate.

(b) Changes in internal controls. There were no significant changes in our internal controls or in other factors that could significantly affect these controls subsequent to the date of the evaluation of those controls by the chief executive officer and principal financial officer.
