If delivery of the prospectus is expected to be made pursuant to Rule 434, please check the following box.

**EXPLANATORY NOTE**

This post-effective amendment is being filed pursuant to Rule 414 under the Securities Act of 1933, as amended (the Securities Act), to reflect the reorganization of Environmental Power Corporation, a Delaware corporation (EPC), as a holding company pursuant to Section 251(g) of the Delaware General Corporation Law (the DGCL). The holding company reorganization was effected pursuant to an Agreement and Plan of Merger (the Merger Agreement) among EPC, EPC Holdings 1, Inc., a Delaware corporation (the Registrant) and EPC Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of the Registrant (Merger Sub). The Merger Agreement provided for, among other things, the merger of Merger Sub with and into EPC, with EPC as the surviving corporation (the Merger). Pursuant to Section 251(g) of the DGCL, the approval of the Merger by the stockholders of EPC was not required. As a result of the Merger, which was consummated on June 2, 2003, EPC became a direct wholly-owned subsidiary of the Registrant, EPC was renamed EPC Corporation and the Registrant was renamed Environmental Power Corporation.

In accordance with Rule 414 under the Securities Act, the Registrant, as the successor issuer to EPC, hereby expressly adopts this registration statement as its own for all purposes of the Securities Act and the Securities Exchange Act of 1934, as amended.

The registration statement to which this amendment relates originally registered a total of 14,551,683 outstanding shares of EPC's common stock, 116,962 shares of EPC's common stock issuable upon the exercise of outstanding options and 821,170 shares of EPC's common stock issuable upon exercise of outstanding warrants. To the knowledge of the Registrant, the selling shareholders named in the prospectus to which this Registration Statement relates have sold a total of 2,591,607 shares of common stock pursuant to the Registration Statement prior to the date hereof. Another purpose of this amendment is to de-register all other shares of common stock not sold or issued hereunder prior to the date hereof. Accordingly, this amendment is also being filed for the purpose of de-registering the remaining 11,138,906 shares of common stock that have not been sold pursuant to the Registration Statement as of the date hereof.
