Information About this Proxy Statement

Edgar Filing: LEE SARA CORP - Form DEF 14A

General. We sent you these proxy materials because Sara Lee's Board of Directors is soliciting your proxy to vote your shares at the Annual Meeting. If you own Sara Lee common stock in more than one account, such as individually and also jointly with your spouse, you may receive more than one set of these proxy materials. To assist us in saving money and to serve you more efficiently, we encourage you to have all your accounts registered in the same name and address by contacting Sara Lee's Shareholder Services Department at (888) 422-9881. This proxy statement summarizes information that we are required to provide to you under the rules of the Securities and Exchange Commission and that is designed to assist you in voting your shares. On September 22, 2003, we began mailing these proxy materials to all stockholders of record as of the close of business on September 2, 2003.

Electronic Delivery. You can help us save significant printing and mailing expenses by consenting to access the proxy statement, proxy card and annual report for future meetings electronically over the Internet. If you hold shares in your name (instead of through a broker or other nominee), you can choose this option by following the instructions at the Internet voting website at www.proxyvote.com, which has been established for you to vote your shares for this year's Annual Meeting. If you hold your shares through a broker or other

Table of Contents

nominee, you should follow the instructions regarding electronic delivery, if any, provided by your broker or other nominee.

If you vote your shares for the 2003 Annual Meeting over the Internet, you will be given the opportunity to consent to future delivery of Sara Lee documents over the Internet, unless you hold your shares through a broker that is unable to accommodate your request. If you are not given an opportunity to consent to delivery over the Internet when you vote your proxy, you may contact the bank, broker or other holder of record through which you hold your shares and inquire about the availability of Internet delivery. You also can access our 2003 proxy statement and annual report via the Internet under *Reports and Documents* on the Investors page of our corporate Web site at *www.saralee.com*. If you choose to receive your proxy materials and annual report electronically, then prior to next year's Annual Meeting you will receive e-mail notification when the proxy materials and annual report are available for your on-line review. Your choice for electronic distribution will remain in effect indefinitely, unless you revoke your choice by sending written notice of revocation to: Shareholder Services Department, Sara Lee Corporation, 70 W. Madison Street, Chicago, Illinois 60602-4260.

Householding. The Securities and Exchange Commission's rules permit us to deliver a single proxy statement and annual report to one address shared by two or more of our stockholders. This delivery method is referred to as *householding* and can result in significant cost savings. In order to take advantage of this opportunity, we have delivered only one proxy statement and annual report to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We undertake to deliver promptly, upon written or oral request, a separate copy of the proxy statement or annual report, as requested, to any stockholder at the shared address to which a single copy of those documents was delivered. If you prefer to receive separate copies of a proxy statement or annual report, either now or in the future, send your request in writing to us at the following address: Shareholder Services Department, Sara Lee Corporation, 70 W. Madison Street, Chicago, Illinois 60602-4260.

If you are currently a stockholder sharing an address with another stockholder and wish to have your future proxy statements and annual reports householded (*i.e.*, receive only one copy of each document for your household), please contact us at the above address.

If you hold shares in the Sara Lee Common Stock Fund under any of Sara Lee's retirement or savings plans, your voting instructions for those shares must be received by 5:00 P.M. Edgar Filing: LEE SARA CORP - Form DEF 14A

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Telephone and Internet voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a broker's proxy card and bring it to the Annual Meeting in order to vote. You also must request an admission ticket by writing to: Sara Lee Corporation, 70 W. Madison Street, Chicago,

Table of Contents

Illinois 60602-4260, Attn: Investor Relations. Please enclose with your request written evidence of your stock ownership as of September 2, 2003, such as a brokerage statement or letter from your broker.

If you vote by proxy, the individuals named on the proxy card (your proxies) will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for director and whether your shares should be voted for or against each of the other proposals. If you sign and return the proxy card without indicating your instructions, your shares will be voted as follows:

For the election of the 12 nominees for directors;

For the ratification of the appointment of PricewaterhouseCoopers LLP as our independent accountants for fiscal year 2004; and

Against the two stockholder proposals.

You may revoke or change your proxy at any time before it is exercised by delivering to us a signed proxy card with a date later than your previously delivered proxy, by voting in person at the Annual Meeting or granting a subsequent proxy through the Internet or telephone, or by sending a written revocation to Sara Lee's Secretary, Roderick A. Palmore. Your most current proxy card or telephone or Internet proxy is the one that is counted.

Each share of Sara Lee common stock is entitled to one vote. The record date for determining stockholders entitled to notice of and to vote at the Annual Meeting is September 2, 2003. As of September 2, 2003, there were 794,468,255 shares of common stock outstanding.

Information for Sara Lee Employees Who are Stockholders

If you are a Sara Lee employee who is a stockholder, or if you hold shares in the Sara Lee Common Stock Fund under any of Sara Lee's retirement or savings plans (the Savings Plans) or participate in Sara Lee's Investment Plan, you will receive one proxy for all accounts registered in the same name. If all of your accounts are not registered in the same name, you will receive a separate proxy for each account that is registered in a different name. If you participate in the Savings Plans, your proxy card will serve as voting instructions to the trustees of those plans for shares allocated to your account, as well as a proportionate share of any unallocated shares and unvoted shares. If you fail to give voting instructions to the trustees, your shares will be voted by the trustees in the same proportion as shares held by the trustees for which voting instructions have been received. **To allow sufficient time for voting by the trustees and administrators of the Savings Plans, your voting instructions for shares held in the Savings Plans must be received by 5:00 P.M. (EST) on October 27, 2003.**

Before the September 2, 2003 record date, each share of Series A ESOP Convertible Preferred Stock that was held in the Sara Lee Employee Stock Ownership Plan was converted into eight shares of common stock. These shares of common stock will be voted in the same manner as other shares held in Sara Lee's Savings Plans, as described above.

Information Regarding Tabulation of the Vote

Sara Lee has a policy that all proxies, ballots and votes tabulated at a meeting of stockholders are confidential, and the votes will not be revealed to any Sara Lee employee or anyone else, other than to the non-employee tabulator of votes or an independent election inspector, except (1) as necessary to meet applicable legal requirements, (2) if a stockholder writes comments on the proxy card directed to Sara Lee's Board or management, or (3) in the event a proxy solicitation in opposition to the election of the Board of Directors is initiated. Representatives of ADP Investor Communication Services will tabulate votes and act as Inspectors of Election at this year's Annual Meeting.

Quorum Requirement

A quorum is necessary to hold a valid meeting. If stockholders entitled to cast a majority of all the votes entitled to be cast at the meeting are present in person or by proxy, a quorum will exist. Abstentions and broker

Table of Contents

non-votes are counted as present for establishing a quorum. A broker non-vote occurs when a broker does not vote on some matter on the proxy card because the broker does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Information About Votes Necessary for Action to be Taken

Twelve directors will be elected at the Annual Meeting by a plurality of all the votes cast at the Annual Meeting, meaning that the 12 nominees for director who receive the most votes will be elected. Other matters to be considered at the Annual Meeting require an affirmative vote of the majority of all votes cast on the matter. Abstentions and broker non-votes will have no effect on any of the items to be presented at the Annual Meeting.

Other Matters

The Board of Directors does not intend to present any business at the Annual Meeting other than the proposals discussed in this proxy statement. Under our Bylaws, generally no business other than the four proposals described in this proxy statement may be transacted at the Annual Meeting. However, if any other matter properly comes before the Annual Meeting, including any properly submitted stockholder proposal omitted from the proxy statement and form of proxy pursuant to the rules of the Securities and Exchange Commission, your proxies will act on such matter in their discretion.

ELECTION OF DIRECTORS

Sara Lee's directors are elected each year by the stockholders at the Annual Meeting. We do not have a staggered board. Twelve directors will be elected at this year's Annual Meeting. Each director's term lasts until the 2004 Annual Meeting of Stockholders and until he or she is succeeded by another qualified director who has been elected. All the nominees currently are directors. Steven McMillan and Cary McMillan are not related.

We note the retirement of three directors since last year's Annual Meeting. James L. Ketelsen, who has served as a director for 21 years, and Hans B. van Liemt, who has served as a director for nine years, are retiring from the Board at this year's meeting. In addition, Frank L. Meysman retired from the Board in June 2003, after providing valuable counsel to Sara Lee as both an executive officer and director for many years. We thank Messrs. Ketelsen, van Liemt and Meysman for their faithful service and valuable contributions to the corporation, and we wish them well in their future endeavors.

Sara Lee's Bylaws provide that the size of the Board of Directors shall be fixed, and may be modified, from time to time by resolution of the Board. The directors have adopted a resolution reducing the size of the Board from 15 members to 12 members, effective as of the Annual Meeting. Accordingly, proxies cannot be voted for more than 12 nominees.

Edgar Filing: LEE SARA CORP - Form DEF 14A

If a nominee is unavailable to serve as a director, the proxy holders may vote for another nominee proposed by the Board, or the Board may reduce the number of directors to be elected at the Annual Meeting. The following information is furnished with respect to each nominee for election as a director. The ages of the nominees are as of October 30, 2003.

EXECUTIVE COMPENSATION

Report of the Compensation and Employee Benefits Committee on Executive Compensation

The Compensation and Employee Benefits Committee is comprised of directors who are not employees or former employees of Sara Lee. Our responsibilities as committee members include the approval and administration of the compensation and benefit programs for Sara Lee's named executive officers whose compensation is shown in this proxy statement. To assist us in this process, we use the services of independent executive compensation consulting firms.

Guiding Compensation Principles:

Sara Lee's executive compensation program is based upon the following principles. The program will:

support the attainment of Sara Lee's short and long-term strategic and financial objectives;

align executives' goals with our stockholders' best interests;

reward executives for continuous improvement in earnings per share and growth in stockholder value;

be competitive with Sara Lee's peer companies relative to our performance;

encourage significant ownership of Sara Lee stock; and

provide performance-based incentive pay opportunities that constitute a significant portion of total compensation.

Types of Compensation:

Sara Lee's executive compensation program consists of two main types of compensation:

1. ***Annual compensation*** includes base salary and annual incentives. The amounts of any annual incentives paid are based upon the degree to which specific financial, strategic and non-financial objectives are accomplished.
2. ***Long-term compensation*** includes stock options and restricted stock units. The value of stock options and restricted stock units depends significantly upon the future value of Sara Lee's stock.

Table of Contents

Peer Group:

The companies used by Sara Lee for compensation comparisons are a select group of many of the largest global consumer products companies. Many of these companies are represented in the Peer Composite index shown in the Performance Graph on page 16. This peer group is used for comparisons of all components of the compensation and benefits package.

Annual Compensation:

Base Salary: We determine the appropriateness of executives' salaries by considering the responsibilities of their positions, their individual performance and by reference to the median salary levels paid by the peer group to executives in positions of similar responsibility. Salary increases are considered annually and are based on both financial and non-financial results achieved by the executive during the preceding fiscal year.

Annual Incentives: The annual incentive for the executive officers is the lesser of:

1. An incentive pool which is 1.5% of the net income in excess of that necessary to achieve a 10% return on average total common stockholders' equity, with 30% of the incentive pool allocated to the chief executive officer and the remainder divided equally among the other named executive officers; or
2. An amount which is based upon the achievement of performance goals set at the beginning of each fiscal year, including financial objectives, such as earnings per share, operating profit, increased sales, other measures of economic profit and non-financial objectives such as management succession planning and diversity initiatives. Target and maximum awards are established as a percentage of salary, which if earned, would result in competitive pay for competitive performance.

Beginning in fiscal year 2002, Sara Lee eliminated one of its long-term incentive plans, the Long-Term Performance Incentive Plan (LTPIP), in which the named executive officers and certain other executives participated. The potential value of that plan was shifted into the annual incentive plan. Twenty-five percent of any award earned by a named executive officer under the annual incentive plan is paid in the form of stock. The value of that stock is not considered compensation for purposes of calculating benefits payable under pension and other employee benefit plans.

Long-Term Compensation:

Under Sara Lee's long-term incentive stock plans, we annually review and approve awards to Sara Lee's executives in the form of stock options and restricted stock units. These awards provide a strong incentive for the executives to maximize long-term stockholder value. In fiscal year 2003, Sara Lee began shifting the mix of its long-term incentive compensation program from stock options to restricted stock units. In fiscal year 2003, approximately one-half of target long-term incentive compensation value was delivered in the form of stock options and the other one-half in restricted stock units. It is likely that Sara Lee will continue to reduce its use of stock options in the future and shift to restricted stock units.

Stock Options: All stock options must have an option price equal to the market value of Sara Lee's common stock on the grant date and the plan does not permit the repricing of stock options. The maximum term of each grant is typically ten years with vesting occurring over a three-year period. The terms and conditions, including expiration dates, of awards may vary based upon the country in which an employee lives, due to local tax or legal requirements. We establish grant guidelines by executive level as the basis for providing a competitive grant opportunity to executives.

Restricted Stock Units: As previously mentioned, Sara Lee has begun to shift away from stock options and now issues restricted stock units to the named executive officers and other executives. Restricted stock units generally vest one to five years after the grant date and, upon vesting, are convertible into shares of Sara Lee

Table of Contents

common stock on a one-for-one basis. Vesting of restricted stock units granted to named executive officers for fiscal year 2003 is contingent upon the executive's continued employment for five years following the grant date.

Stock Ownership:

We believe it is important to align executives' interests with those of our stockholders. Sara Lee's executives have a substantial portion of their incentive compensation paid in the form of Sara Lee stock. Because we strongly believe that our executives should have a meaningful ownership interest in Sara Lee, stock ownership guidelines now apply to approximately 1,500 of Sara Lee's executives. The ownership requirements range from a minimum of 2,000 to a high of 300,000 shares. Expressed as a percentage of salary, the ownership requirements range from a low of about 30% to a high of approximately 500% of salary for these executives. Executives are expected to meet their ownership requirements within five years after appointment to their position.

Chief Executive Officer's Compensation:

Mr. C. Steven McMillan's salary was increased by 3.2% from \$1,100,000 to \$1,135,000 effective on September 1, 2002 and is competitive based upon company size and performance.

We set specific financial and non-financial performance goals for Mr. McMillan at the beginning of fiscal year 2003 for annual incentive purposes. Diluted earnings per share and sales accounted for 58% of his fiscal year 2003 incentive opportunity. The remaining 42% was related to other financial, strategic and individual performance goals. Sara Lee's fiscal year 2003 diluted earnings per share results of \$1.50 reflect a 22% increase over the prior year's results of \$1.23 and exceeded Sara Lee's stated earnings per share growth target of 8% to 10%. Sara Lee's fiscal year 2003 diluted earnings per share results also were above the maximum performance goal set under the annual incentive plan. Sales increased by 4% to \$18.3 billion, which is at the upper end of Sara Lee's stated sales growth target of 2% to 4%. Other projects for which Mr. McMillan was responsible included key management succession actions in several Sara Lee businesses, increasing Sara Lee's brand building efforts and several diversity and employee communication initiatives.

Based upon our assessment of his performance and Sara Lee's financial results for fiscal year 2003, Mr. McMillan earned an annual incentive payment of \$2,765,047 in cash and \$921,682 in the form of common stock. His total annual incentive represents 326.5% of his fiscal year 2003 base salary earnings. This amount was below the maximum award possible under the Performance-Based Annual Incentive Plan.

On August 29, 2002, Mr. McMillan received a stock option to purchase 250,000 shares of Sara Lee common stock with an exercise price, equal to the fair market value of \$18.54 and 83,500 restricted stock units that vest on August 29, 2007. The stock option grant is subject to vesting over a three-year period of time. These awards are competitive with the level of long-term incentive compensation provided by Sara Lee's peer companies to their top executives.

At the end of fiscal year 2003, a total of 31,250 performance-based restricted stock units were earned by Mr. McMillan under the Fiscal Year 2001-2003 Long-Term Performance Incentive Plan (LTPIP). This represented 62.5% of the performance-based restricted stock units originally granted to Mr. McMillan in April 2000 under that Plan. As previously mentioned, beginning in fiscal year 2002 the LTPIP was eliminated and its target value was shifted into the annual incentive plan.

Tax Deductibility of Compensation:

The Internal Revenue Code contains a provision that limits the tax deductibility of certain compensation paid to named executive officers. This provision disallows the deductibility of certain compensation in excess of \$1.0 million per year unless it is considered performance-based compensation under the tax code. We have

Table of Contents

adopted policies and practices that should ensure the maximum tax deduction possible of Sara Lee's incentive compensation programs under Section 162(m) of the tax code. However, we reserve the right to forgo any or all of the tax deduction if we believe it to be in the best long-term interests of our stockholders.

Summary:

We believe the compensation programs of Sara Lee remain strategically integrated with Sara Lee's business plan and are properly aligned with our stockholders' best interests. The programs over the past year have continued to emphasize the retention of key executives and rewarding them appropriately for their results. We continually monitor these programs and change them in recognition of the dynamic, global marketplace in which Sara Lee competes for talent. Sara Lee will continue to emphasize performance and equity-based incentive plans that reward increased stockholder returns.

Sara Lee has elected to utilize a weighted composite of the S&P Packaged Foods & Meats, Household Products (Non-Durables) and Apparel, Accessories and Luxury Goods Indices because no single standardized industry index represents a comparable peer group. As of June 30, 2003, the three indices are comprised of the following companies: the S&P Packaged Foods & Meats Index - Campbell Soup Company, ConAgra Foods Inc., General Mills, Inc., Hershey Foods Corporation, H.J. Heinz Company, Kellogg Company, McCormick & Company Inc., Sara Lee Corporation and Wm. Wrigley Jr. Company; the S&P Household Products Index - The Clorox Company, Colgate-Palmolive Company, Kimberly-Clark Corporation, and The Procter & Gamble Company; and the S&P Apparel, Accessories and Luxury Goods Index - Jones Apparel Group Inc., Liz Claiborne, Inc. and VF Corporation. The returns on the Peer Composite index were calculated as follows: at the beginning of each fiscal year the amount invested in each S&P industry sector index was equivalent to the percentage of Sara Lee's operating profits in its food and beverage, household products and intimates and underwear businesses, respectively, for the preceding year. As a result, the investment allocation was re-weighted each year to reflect the profit percentage change that occurred in Sara Lee's business mix during the prior year.

(1) As described in the Report of the Compensation and Employee Benefits Committee on Executive Compensation, 25% of the bonus paid to each named executive officer under Sara Lee's annual incentive plan for fiscal 2003 was paid in shares of common stock. This column includes the \$18.505 per share fair market value of such common stock on the date the shares were issued.

(2) This column includes the aggregate incremental costs to Sara Lee of providing certain non-cash compensation to the named executive officers. Included in fiscal 2003 are amounts for: Mr. Steve McMillan, personal use of corporate aircraft (\$130,397); Mr. de Kool, moving and relocation expenses, housing

- provided by Sara Lee and cost of living adjustments paid in accordance with Sara Lee policies applicable generally to employees assigned outside their home countries (\$195,780); Mr. Cary McMillan, financial advisory services (\$31,869) and imputed income for corporate transportation (\$19,802); and Mr. Meysman, reimbursed housing costs related to his residence in the Netherlands (Euro 127,625, or approximately \$145,160).
- (3) Amounts represent the market value of restricted stock units based on the closing price per share of Sara Lee common stock on the date of grant. The restricted stock units vest if and only to the extent that the executive officer continues to be employed by Sara Lee or, for performance-based units, the performance goals are achieved. Upon vesting, each restricted stock unit will be converted into one share of Sara Lee common stock. The restricted stock units granted for fiscal year 2003 will vest in full on August 29, 2007 based on continued employment by Sara Lee. The market value of the restricted stock units is based on the \$18.50 closing price per share of Sara Lee common stock on August 29, 2002, the date of grant. Dividend equivalents granted on the restricted stock units during the vesting period are escrowed and the dividend equivalents, plus interest on the escrowed dividend equivalents, are distributed at the end of the vesting period in the same proportion as the restricted stock units vest. To the extent an executive officer terminates employment with Sara Lee or the applicable performance goals, if any, are not attained, the restricted stock units and the escrowed dividend equivalents and interest are forfeited. In the event of a change of control, the restricted stock units held by the executive officers will vest in full. The market value and the aggregate number of all restricted stock units held by each officer named above as of June 27, 2003, the last business day of the fiscal year (based on the \$18.44 closing price per share of Sara Lee common stock on that day), were as follows: Mr. Steve McMillan, \$3,778,338 (204,899); Mr. de Kool, \$598,857 (32,476); Mr. Cary McMillan, \$2,331,166 (126,419); Mr. Chaden, \$805,717 (43,694); and Mr. Meysman, \$1,303,634 (70,696).
- (4) The amounts reported in this column for fiscal year 2003 include: (i) amounts allocated to the following officers under Sara Lee's Employee Stock Ownership Plan and a supplemental benefit plan: Mr. Steve McMillan, \$147,210; Mr. de Kool, \$21,551; Mr. Cary McMillan, \$50,379; and Mr. Chaden, \$46,036; (ii) \$4,955 of interest accrued at above-market rates (as defined by the rules of the Securities and Exchange Commission) on compensation for prior periods deferred by Mr. Steve McMillan; and (iii) premiums paid by Sara Lee in connection with universal life insurance policies which are owned by the following officers: Mr. Steve McMillan, \$71,283; Mr. Cary McMillan, \$4,851; and Mr. Chaden, \$30,759.
- (5) Mr. de Kool became an executive officer of Sara Lee in fiscal 2002, so no compensation is required to be disclosed for 2001.

Table of Contents

- (1) The table includes both new options granted during the year and restoration stock options granted upon the exercise of existing options. The grant of a restoration stock option upon the exercise of an existing option is intended to promote increased employee share ownership by encouraging the early exercise of existing options. The grant of a restoration stock option does not result in an increase in the total combined number of shares and options held by an employee. Restoration stock options are subject to the same terms and conditions, including the expiration dates, as the original stock options they replace, except that the restoration option's exercise price equals 100% of the fair market value of the common stock on the date of grant of the restoration option. The options shown in the table are generally not transferable, except for transfers to immediate family members.
- (2) The exercise price equals 100% of the fair market value of the common stock on the date of grant, and the option may be exercised for 10 years. As noted in the report of the Compensation and Employee Benefits Committee of the Board of Directors, the options generally become exercisable in three equal annual installments, on the first three anniversary dates of the date of grant. No option may be exercised until the expiration of one year from the date of grant, except for restoration options, which are exercisable six months after the date of grant. In the event of a change of control of Sara Lee, options held by executive officers of Sara Lee will vest in full pursuant to the Severance Plans for Corporate Officers.
- (3) The potential realizable value assumes that the fair market value of Sara Lee common stock on the date the option was granted appreciates at the indicated annual growth rate (which is set by the rules of the Securities and Exchange Commission), compounded annually, for the option term. These growth rates are not intended by Sara Lee to forecast future appreciation, if any, of the price of common stock, and Sara Lee expressly disclaims any representation to that effect.
- (4) Prior to changes in applicable tax laws, Sara Lee employees resident in the Netherlands were granted stock options with a five-year term, rather than the 10-year term of options granted to Sara Lee employees resident in other countries. To provide Dutch employees with substantially similar economic value as non-Dutch employees, Sara Lee has provided that upon the expiration of a five-year Dutch option that has not yet been exercised or was exercised within six months of expiration for less than the Dutch tax paid at grant, either (i) the term of the five-year option automatically is extended by no more than five years, so that the total term of the option is 10 years, or (ii) the Dutch employee automatically is granted a new five-year option at the then current market price and with the same terms and conditions as the expiring five-year option. These options were extended or granted under this Dutch option program.

The following table shows the number and value of stock options (exercised and unexercised) for Messrs. Steve McMillan, Cary McMillan, de Kool, Chaden and Meysman during fiscal year 2003.

- (1) Represents the number of shares of common stock underlying options held by each named executive officer.
- (2) Calculated based on the closing price of Sara Lee common stock on June 27, 2003 (the last business day of the fiscal year) of \$18.44 less the option exercise price. An option is in-the-money if the market value of the common stock subject to the option is greater than the exercise price.

Retirement Agreements

On June 30, 2003, Frank L. Meysman retired as Executive Vice President of Sara Lee and Chairman of the Board of Management and Chief Executive Officer of Sara Lee/DE, a Dutch subsidiary of Sara Lee. In connection with his retirement, Mr. Meysman entered into a Retirement Agreement dated February 13, 2003 with Sara Lee and Sara Lee/DE N.V. Under the Agreement, Mr. Meysman worked for Sara Lee on a full-time basis until April 1, 2003, and he devoted 50% of his working time to Sara Lee from April until June 30, 2003. Until June 30, 2006, Mr. Meysman will continue to receive his monthly salary in effect on June 30, 2003. Mr. Meysman also received a bonus for fiscal 2003 under Sara

Lee's annual incentive plan, which bonus was equal to 150% of his base salary for fiscal 2003 and was paid in lieu of all other bonuses for which Mr. Meysman would have been eligible. Mr. Meysman's outstanding stock options and restricted stock units will continue to

vest in accordance with their existing vesting schedules, and Sara Lee/DE will continue to provide Mr. Meysman with life and health insurance benefits, until June 30, 2006. The Retirement Agreement also contains standard non-competition, non-solicitation and confidentiality provisions.

Severance Plans

Sara Lee's Severance Plans for Corporate Officers provide that, if an officer's employment is terminated without cause, the officer will receive between 12 and 24 months of salary as severance payments. The actual amount of severance payments is determined based upon the officer's position, length of service and age. A terminated officer also would receive partial payment under any incentive plans applicable to the fiscal year in which the termination occurs. The terminated officer's participation in Sara Lee's medical, dental and Executive Life Insurance plans and Supplemental Benefit plans (which provides non-qualified retirement benefits) would continue for the same number of months for which he or she is receiving severance payments. The terminated officer's participation in all other benefit plans ceases as of the date of termination of employment. At the discretion of Sara Lee's Chief Executive Officer, the severance payments may (i) be increased by up to six months' salary, if the terminated officer is 50 years of age or older, or up to three months' salary, if the terminated officer is 40 to 49 years of age, and (ii) include an additional prorated portion of the terminated officer's target annual incentive bonus for the severance period, provided that such payments do not exceed 50% of the maximum target annual incentive bonus. Severance payments terminate if the terminated officer becomes employed by a competitor of Sara Lee.

The Plan also provides for severance pay and continuation of certain benefits if an officer's employment is terminated involuntarily within two years following a change in control, or within six months prior to a change in control. The Plan provides that terminated officers, including the executive officers named in the Summary Compensation Table, will receive two or three times their base pay (including salary and bonus), a pro-rated portion of their annual bonus based upon the target bonus rate in effect on the date of termination, and continuation of existing employee benefits during the severance period. Payments would be made within 20 business days after a change in control occurs. In the event that any payments made in connection with a change in control would be subjected to the excise tax imposed by Section 4999 of the Internal Revenue Code, Sara Lee will make tax equalization payments with respect to the officer's compensation for all federal, state and local income and excise taxes, and any penalties and interest. In addition, all of the terminated officer's options and restricted stock units would vest on the date the change of control is consummated. Generally, a change in control will be deemed to occur in the event of (i) certain acquisitions of 20% or more of the voting power of the then outstanding capital stock of Sara Lee, (ii) the consummation of a reorganization, merger or consolidation of Sara Lee or a sale or other disposition of all or substantially all of Sara Lee's assets (unless, among other conditions, the stockholders of Sara Lee immediately prior to the transaction hold in substantially the same proportion, immediately after the transaction, more than 50% of the combined voting power of the entity resulting from the transaction), (iii) the consummation of a plan of complete liquidation or dissolution of Sara Lee, or (iv) a change in the Board such that the Continuing Directors (as defined below) cease to constitute at least a majority of the Board. The term Continuing Director is defined to mean (i) any member of the Board who is a member of the Board immediately after the 2002 Annual Meeting and (ii) any individual who becomes a director of Sara Lee after the 2002 Annual Meeting whose election or nomination for election was approved by the vote of at least a majority of the Continuing Directors then comprising the Board.

The following table shows the approximate annual pension benefits payable under Sara Lee's qualified pension plan, as well as a nonqualified supplemental benefit plan. The compensation covered by the pension program is based on an employee's annual salary and cash bonus. The amounts payable under the pension program are computed on the basis of a straight-life annuity and are not subject to deduction for Social Security benefits or other amounts. Benefits accrued under a defined benefit supplemental plan with present values exceeding \$100,000 for participants age 55 and older and \$300,000 for participants who have not yet attained the age of 55 are funded with periodic payments by Sara Lee to individual trusts established by the participants.

Meysman and de Kool do not participate in Sara Lee's U.S. pension plans; however Mr. Meysman has 13 years of credited service and Mr. de Kool has eight years of credited service under the pension plans of Sara Lee/DE N.V., a Dutch subsidiary of Sara Lee. Pension benefits payable under the pension plans of Sara Lee/DE N.V. also are based on an employee's annual salary and cash bonus, and are computed on the basis of a straight-life annuity.

Section 16(a) Beneficial Ownership Reporting Compliance

Due to an administrative oversight by Sara Lee, Mr. Richard L. Thomas failed to timely file one Form 4 with respect to one transaction in Sara Lee common stock completed during fiscal year 2002. The transaction was reported promptly upon discovery of the oversight.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of Sara Lee's Board of Directors is composed of eight independent directors and operates under a written Charter adopted by the Board of Directors. A copy of the Audit Committee Charter is attached as Annex A to this Proxy Statement. The Committee held six meetings during the last fiscal year. The Audit Committee has selected, subject to stockholder ratification, PricewaterhouseCoopers LLP (PricewaterhouseCoopers) as Sara Lee's independent accountants for the 2004 fiscal year. The Committee discussed its selection with the Board of Directors and the Board unanimously expressed its approval of the selection of PricewaterhouseCoopers.

Management is responsible for Sara Lee's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of Sara Lee's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. As provided in its Charter, the Committee's responsibilities include oversight of these processes.

In this context, and in accordance with its Charter, the Committee has met and held discussions with management and the independent auditors. The Committee meets separately at each meeting with Sara Lee's internal and independent auditors. Management represented to the Committee that Sara Lee's audited consolidated financial statements for the fiscal year ended June 28, 2003 (the Financial Statements), were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the Financial Statements with management and the independent auditors. The Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees) and the matters required by Regulation S-X of the Securities and Exchange Commission.

In addition, the Committee has received from the independent auditors the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with the independent auditors the auditors' independence from Sara Lee and its management. The Committee considered the non-audit services that the independent auditors provided in fiscal year 2003 and determined that the provision of those services is compatible with and does not impair the auditors' independence. In accordance with the Sarbanes-Oxley Act of 2002, the Committee pre-approves all audit and non-audit services performed by the independent auditors.

In fulfilling its oversight responsibility of reviewing the services performed by Sara Lee's independent auditors, the Committee carefully reviews its policies and procedures for the engagement of the independent auditor. The Committee also discussed with Sara Lee's internal and independent auditors the overall scope and plans for their respective audits. The Committee met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of Sara Lee's internal controls, and the overall quality of Sara Lee's financial reporting. The Committee also reviewed and discussed with the independent auditors the fees paid to the independent auditors; these fees are described following this report.

Based on the Committee's review and discussions of the matters referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the Financial Statements be included in Sara Lee's Annual Report on Form 10-K for the fiscal year ended June 28, 2003, for filing with the Securities and Exchange Commission.

Table of Contents***Change in Auditors in Fiscal 2002***

On March 14, 2002, Sara Lee dismissed its independent public accountants, Arthur Andersen LLP and, on March 18, 2002, Sara Lee retained PricewaterhouseCoopers LLP as its new independent public accountants. The change in accountants was ratified and approved by Sara Lee's Board of Directors, upon the recommendation of the Audit Committee of the Board of Directors. PricewaterhouseCoopers LLP reviewed Sara Lee's financial statements for its fiscal quarter ended March 30, 2002 and audited Sara Lee's financial statements for the fiscal years ended June 29, 2002 and June 28, 2003.

During Sara Lee's 2000 and 2001 fiscal years, and the subsequent interim periods through March 14, 2002, there were no disagreements between Sara Lee and Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Arthur Andersen LLP's satisfaction, would have caused Arthur Andersen LLP to make reference to the subject matter of the disagreement in connection with its reports on Sara Lee's financial statements for such periods. None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred during Sara Lee's two fiscal years ended June 30, 2001, or during any subsequent interim period through March 14, 2002. The audit reports issued by Arthur Andersen LLP on Sara Lee's consolidated financial statements as of and for the fiscal years ended July 1, 2000 and June 30, 2001 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During Sara Lee's two fiscal years ended June 30, 2001 and through March 14, 2002, Sara Lee did not consult with PricewaterhouseCoopers LLP with respect to the application of accounting principles to a specified transaction or regarding any of the other matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Audit Fees

PricewaterhouseCoopers LLP (PricewaterhouseCoopers) was Sara Lee's principal auditor for fiscal year 2003. Aggregate fees for professional services rendered for Sara Lee by PricewaterhouseCoopers for the fiscal years ended June 28, 2003 and June 29, 2002 were as follows (in millions):

	Fiscal Year Ended	Fiscal Year Ended
	June 28, 2003	June 29, 2002
	<u> </u>	<u> </u>
Audit Fees	\$ 8.9	\$ 6.2
Audit Related Fees	1.0	0.2
Tax Fees	1.2	1.0
All Other Fees	2.5	0.2
	<u> </u>	<u> </u>

	<u> </u>	<u> </u>

Audit Fees were for professional services rendered for the audits of the consolidated financial statements of Sara Lee and the issuance of comfort letters, consents, income tax provision procedures, the review of documents filed by Sara Lee with the Securities and Exchange Commission, and specific procedures related to adjustments made to financial statements audited by other independent auditors.

Edgar Filing: LEE SARA CORP - Form DEF 14A

Audit Related Fees were for accounting consultations and the assessment of risk management controls in connection with the implementation of Section 404 of the Sarbanes-Oxley Act of 2002.

Tax Fees were related to tax compliance, tax planning and tax advice related to a number of projects. The more significant projects involved the review of plans to reduce taxes in certain foreign jurisdictions, state income tax consulting services for the investment tax credit, the termination of an intellectual property company, advice on consolidated loss issues, and advice on the preparation of statements related to controlled foreign corporations for the fiscal 2002 tax return.

All Other Fees for the fiscal year ended June 28, 2003 includes \$2,359,000 of fees related to the installation of information technology systems at Sara Lee's U.S. Meats business. In fiscal 2000, Sara Lee initiated a significant project to improve the information technology systems in its U.S. Meats business and engaged Arthur

Andersen LLP (Andersen) to assist in the implementation of this project. When the project was close to completion, Andersen sold the area of its consulting practice working on this project to PricewaterhouseCoopers and Sara Lee made a decision to continue working with the personnel who had been engaged on the project since its inception. PricewaterhouseCoopers subsequently sold this area of practice; however, during the period of time it owned this business, \$2,359,000 of fees were incurred on the U.S. Meats project. The remaining \$157,000 of fees for the fiscal year ended June 28, 2003 and the \$210,000 of fees for the fiscal year ended June 29, 2002 relate to assistance on certain benchmarking studies, consulting on certain customer bankruptcy matters and the completion of projects initiated prior to Sara Lee s acquisition of The Earthgrains Company.

Representatives of PricewaterhouseCoopers will be present at the Annual Meeting to make a statement, if they desire to do so, and to respond to appropriate questions.

Audit Committee Pre-Approval Policies and Procedures

On an ongoing basis, management of Sara Lee defines and communicates specific projects and categories of service for which the advance approval of the Audit Committee is requested. The Audit Committee reviews these requests and advises management if the Committee approves the engagement of PricewaterhouseCoopers. On a periodic basis, Sara Lee s management reports to the Audit Committee regarding the actual spending for such projects and services compared to the approved amounts. The projects and categories of service are as follows:

Audit These fees include the cost of professional services to audit Sara Lee s financial statements in accordance with Generally Accepted Auditing Standards (GAAS). The cost of the annual audit in accordance with GAAS includes costs associated with the quarterly review of financial statements, information system reviews performed in connection with the audit and scope modifications initiated during the course of the audit

work. The Committee separately pre-approves a budget for services related to the issuance of comfort letters, consents, the review of documents filed with the Securities and Exchange Commission and the review of unique transactions that may arise during the course of the year.

Audit Related Services The Committee separately pre-approves budgets for services related to accounting consultations and the assessment of risk management controls in connection with the implementation of Section 404 of the Sarbanes-Oxley Act of 2002.

Tax The Committee separately pre-approves a budget for services related to tax compliance, and planning issues. The specific types of tax services approved include (a) the review of tax returns; (b) assistance with tax examinations and elections; and (c) advice regarding tax codes including interpretations, procedures and private letter rulings thereof, or their equivalent in applicable jurisdictions in the following areas: income tax; value added tax; sales and use tax; excise taxes.

Other Services Other services are pre-approved on an engagement-by-engagement basis.

RATIFICATION OF INDEPENDENT ACCOUNTANTS

The Board of Directors seeks to have the stockholders ratify the Audit Committee's appointment of PricewaterhouseCoopers, which has served as Sara Lee's independent accountants since 2002. Representatives of PricewaterhouseCoopers will be present at the Annual Meeting to make a statement, if they desire to do so, and to respond to appropriate questions. If the appointment of PricewaterhouseCoopers is not ratified by the stockholders, the Audit Committee may appoint other independent accountants or may decide to maintain its appointment of PricewaterhouseCoopers.

**STOCKHOLDER PROPOSAL REQUESTING A REPORT REGARDING
SARA LEE S CHARITABLE CONTRIBUTIONS**

John Jennings Crapo, P.O. Box 400151, Cambridge, Massachusetts 02140-0002, advised Sara Lee that he owns 128 shares of Sara Lee common stock and that he intends to present the following proposal for consideration at the Annual Meeting. The proposal set forth below has been reproduced verbatim in the form in which it was received by Sara Lee, except that spelling errors have been corrected and the format has been conformed to the general format of this proxy statement. Text in brackets represents conforming modifications made by Sara Lee.

Stockholder Proposal

Sara Lee Corporation ([Sara] Lee) stockholders recommend our Board (Directors) publish in the proxy statement of each stockholders annual meeting a report an item [sic] concerning [Sara] Lee charitable donations program for the immediate past calendar year with the following information:

(i) An explanation of at least five hundred words explaining [Sara] Lee s governance of its donations program to the Hon. United States Internal Revenue Service (IRS) approved private foundations to include standards of denial of such help to the foundations and to other persons.

(ii) An enumeration of IRS qualifying charities and IRS foundations which our honorable Directors plan to help in the ensuing calendar year included with each charity and foundation and elucidation of at least twenty-five words how it has complied with the standards and procedures enunciated in (i).

If the Directors prefer Mr. John Jennings (Jackie) Crapo says it may use fiscal year instead of calendar year.

Board of Directors Statement in Opposition to the Stockholder Proposal

Sara Lee believes that sufficient information about its charitable contributions already is publicly available, and that the proposal would require Sara Lee to incur undue expense without providing any meaningful additional information to our stockholders. Information about Sara Lee s charitable programs and information about the Sara Lee Foundation, including the eligibility criteria for grants and the Foundation s grant-making policies and application procedures, is available on the Our Company Communities page of Sara Lee s corporate Web site at www.saralee.com, on the Sara Lee Foundation Web site at www.saraleefoundation.org, in the Foundation s annual Form 990-PF that it files with the IRS and by contacting the Foundation at 70 W. Madison Street, Chicago, Illinois 60602-4260. The organizations funded by the Foundation are listed on the Most Recent Annual Report page of the Foundation s Web site, and the Foundation s biennial reports for 1998-1999 and 2000-2001 also are available on the Foundation s Web site.

Edgar Filing: LEE SARA CORP - Form DEF 14A

Sara Lee has a long history of charitable giving, devoting resources to volunteerism, product donations, and cash contributions. We believe that the quality of life in the communities in which we operate directly affects the success of our business, and so we dedicate a portion of our corporate resources every year to improving community life. Sara Lee's long-standing policy is to contribute at least 2% of its U.S. pretax income to nonprofit organizations in the form of cash contributions and product donations. Sara Lee contributes a large amount of its charitable gifts to the Sara Lee Foundation, which was formed in 1981 as the philanthropic arm of Sara Lee. The Foundation directs its grants to organizations focusing on five primary areas: women, hunger, homelessness and affordable housing, job training and arts and culture. In addition, the Foundation maintains an employee Matching Grants Program, through which the Foundation matches personal, financial contributions made by Sara Lee's directors and full-time employees to eligible nonprofit organizations in the following categories: cultural, environmental, health and welfare, higher education, hospitals and youth groups. We believe that sufficient information regarding these programs already is publicly available and, as a result, that implementation of the proposal would not be in the best interests of Sara Lee stockholders.

**STOCKHOLDER PROPOSAL REGARDING SARA LEE S ADOPTION OF A CODE OF CONDUCT
BASED ON INTERNATIONAL LABOR ORGANIZATION CONVENTIONS**

The Comptroller of the City of New York, as trustee of the New York City Employees Retirement System, 1 Centre Street, New York, NY 10007-2341, has advised Sara Lee that it owns more than 1.2 million shares of Sara Lee common stock and that it intends to present the following proposal for consideration at the Annual Meeting.

Stockholder Proposal

Whereas, Sara Lee currently has extensive overseas operations, and

Whereas, reports of human rights abuses in the overseas subsidiaries and suppliers of U.S.-based corporations has led to an increased public awareness of the problems of child labor, sweatshop conditions, and the denial of labor rights in U.S. corporate overseas operations, and

Whereas, corporate violations of human rights in these overseas operations can lead to negative publicity, public protests, and a loss of consumer confidence which can have a negative impact on shareholder value, and

Whereas, a number of corporations have implemented independent monitoring programs with respected human rights and religious organizations to strengthen compliance with international human rights norms in subsidiary and supplier factories, and

Whereas, many of these programs incorporate the conventions of the International Labor Organization (ILO) on workplace human rights which include the following principles:

1. All workers have the right to form and join trade unions and to bargain collectively. (ILO Conventions 87 and 98).
2. Workers representatives shall not be the subject of discrimination and shall have access to all workplaces necessary to enable them to carry out their representation functions. (ILO Convention 135)
3. There shall be no discrimination or intimidation in employment. Equality of opportunity and treatment shall be provided regardless of race, color, sex, religion, political opinion, age, nationality, social origin or other distinguishing characteristics. (ILO Conventions 100 and 111).
4. Employment shall be freely chosen. There shall be no use of force, including bonded or prison labor. (ILO Conventions 29 and 105).

Edgar Filing: LEE SARA CORP - Form DEF 14A

5. There shall be no use of child labor. (ILO Convention 138), and,

Whereas, independent monitoring of corporate adherence to these internationally recognized principles is essential if consumer and investor confidence in our company's commitment to human rights is to be maintained,

Therefore, be it resolved that the shareholders request that the company commit itself to the implementation of a code of conduct based on the aforementioned human rights standards by its international suppliers and in its own international production facilities and commit to a program of outside, independent monitoring of compliance with these standards.

Board of Directors Statement in Opposition to the Stockholder Proposal

Sara Lee fully supports the ethical business principles and human rights standards advocated by the proposal. Sara Lee has a long-standing history of promoting workplace human rights and requiring its employees and its business partners to observe high standards of ethical conduct and business practices. Sara Lee developed and implemented its *Global Business Standards* code of conduct, as the proposal recommends, long before many other global manufacturers. We believe that our Global Business Practices program incorporates the standards contained in the proposal, and that our existing training and monitoring practices are effective in ensuring compliance with the program. For these reasons, we believe that modifying Sara Lee's program to incorporate the specific standards and practices referenced in the proposal would not provide any added benefit beyond that already achieved by our existing Global Business Practices program.

Sara Lee's *Global Business Standards*, which were adopted in 1997 and most recently updated in 2002, form the core of our Global Business Practices program. The *Global Business Standards* demonstrate Sara Lee's unequivocal commitment to the prohibition of discrimination, harassment, intimidation and abuse in the work place; the fair treatment and compensation of all employees; the prohibition against the employment of children or forced labor; respect for employees' rights to freely associate; and the protection of employees' health and the environment. All Sara Lee employees receive a copy of the *Global Business Standards*, which have been translated into a variety of languages. The *Global Business Standards* also are available on Sara Lee's employee intranet and under "Our Company" on its Web site at www.saralee.com. Sara Lee employees are required to comply with and report violations of the *Global Business Standards*, and are expressly prohibited from using a contractor or other third party to perform any act that is prohibited by the *Global Business Standards* or by law. Additionally, approximately 2,000 key employees are required to annually certify that they are in compliance with the *Global Business Standards* and that they have reported all or are not aware of any violations.

Sara Lee maintains a rigorous training and monitoring program to ensure that all employees are aware both that the *Global Business Standards* must be complied with and that the *Global Business Standards* exist for their protection. Sara Lee's Global Business Practices Officer, supported by approximately 100 business practices officers located around the world, conducts regular employee training in the *Global Business Standards*. Numerous Division Business Practices Committees monitor compliance within their respective businesses and report to a company-wide Business Practices Committee, comprised of senior management. Reports regarding compliance with the program are provided to the Audit Committee of Sara Lee's Board of Directors. Additionally, Sara Lee maintains telephone hot lines, staffed by independent, third party firms, through which employees can report suspected violations of the *Global Business Standards* on a confidential basis. These lines can be accessed worldwide on a toll-free basis and are staffed 24 hours a day, seven days a week, 365 days a year by trained third-party representatives.

Sara Lee's commitment to promoting workplace human rights and compliance with applicable laws extends to its relationships with its business partners. Sara Lee strives to do business with those suppliers and subcontractors who embrace and demonstrate high standards of ethical business behavior. In addition, Sara Lee will not knowingly use suppliers who violate applicable laws or who engage in workplace abuse, such as child or forced labor, discrimination or use of corporal punishment. Sara Lee provides a copy of its *Global Business Standards* and its *Supplier Selection Guidelines*, which amplify the principles set forth in the *Global Business Standards*, to all suppliers who have an ongoing or material business relationship with Sara Lee. Compliance with the *Supplier Selection Guidelines* is ensured through Sara Lee's monitoring program, which includes pre-production compliance audits and periodic facility inspections, performed by Sara Lee employees or independent monitoring firms. In its apparel operations, Sara Lee requires its facilities and the facilities of its strategic sewing contractors to be certified under the Worldwide Responsible Apparel Production (WRAP) standards. WRAP is an independent factory certification program that utilizes only accredited, external monitors to ensure compliance with their standards. Among other things, the WRAP standards prohibit child and forced labor, discrimination and harassment or abuse, and require that employees' right to freedom of association and collective bargaining be recognized.

Table of Contents

We believe that Sara Lee's comprehensive Global Business Practices program covers each of the substantive areas covered by the proposal, and that our existing monitoring practices are effective in ensuring compliance with the goals advanced by the proposal. We also believe that modifying Sara Lee's program to incorporate the specific standards and practices contained in the proposal would not provide any added benefit beyond that already achieved by our existing Global Business Practices program. In fact, adoption of the proposal would be duplicative of Sara Lee's existing compliance and monitoring efforts and would divert management's focus away from our existing compliance program. Accordingly, we do not believe that implementation of the proposal would be in the best interests of Sara Lee stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE AGAINST THE STOCKHOLDER PROPOSAL.
