Item 1.01. Entry into a Material Definitive Agreement.

On October 28, 2004, Riverstone Networks, Inc. ( Riverstone or the Registrant ), along with certain current and former directors and officers of Registrant, entered into an agreement with A I Management and Professional Liability Claim Adjusters (as agent for New Hampshire Insurance Company and AIG Europe (UK) Limited) and AIG Europe (UK) Limited (collectively, AIG ). Under the terms of the settlement, AIG agreed to pay Registrant approximately \$6.5 million in cash, constituting the proceeds of directors and officers liability insurance policies covering Registrant and its directors and officers. The payments are to be used to fund, in part, the \$20.25 million class action and derivative litigation settlements announced by Registrant earlier this year. In exchange for the payment by AIG, the parties agreed to mutual releases of all claims with respect to the insurance policies.

Riverstone has received payment of the \$6.5 million. The class action settlement will be funded upon preliminary court approval of the settlement. Fee and expense payments in the derivative litigation will be paid upon the court s final approval of the settlement in that case.
