Current Report on Form 8-K

Item 1.01 Entry into a Material Definitive Agreement

On December 16, 2004, Knight Trading Group, Inc. (the Company) announced that Knight Securities, L.P. (KSLP) has concluded its settlement with the U.S. Securities and Exchange Commission (SEC) and NASD (the Settlement). The Settlement involves KSLP, an over-the-counter trading subsidiary renamed Knight Equity Markets, L.P., effective September 1, 2003. Knight Equity Markets, L.P. is a subsidiary of the Company.

The Settlement is related to certain institutional trade activity, conduct and supervision that occurred in 1999 through 2001. The findings concerning KSLP include violations of the antifraud provisions of the Securities Exchange Act of 1934 and associated rules and of SEC rules pertaining to supervision and books and records, and violations of NASD rules concerning supervision, the production of books and records, the use of trade modifiers and the filing of Form U5 notices concerning certain former employees. Under the terms of the Settlement, the Company will disgorge approximately \$41 million in institutional trading profits, and pay approximately \$13 million in interest and \$25 million in penalties. An independent distribution consultant will determine how the funds will be distributed, subject to the approval of the SEC. The Settlement resolves the matters for which KSLP received Wells Notices from the staffs of the SEC and the NASD.

The foregoing description of the Settlement is qualified in its entirety by the full text of the SEC s Order and the Letter of Acceptance, Waiver and Consent with the NASD, which are attached hereto and incorporated by reference herein. A copy of the press release announcing the Settlement is also attached hereto.
