Item 1.01. Entry into a Material Definitive Agreement.

On December 22, 2004, the Compensation Committee of the Board of Directors of the Registrant established a performance-based cash bonus program for Charles C. Stephenson, Jr., the Chairman of the Board, President and Chief Executive Officer of the Registrant (the Bonus Program). The purpose of the Bonus Program is to provide Mr. Stephenson with added incentive to enhance stockholder value by achieving certain specific performance goals.

The Bonus Program establishes a base cash bonus amount of \$1,200,000 (the Base Amount). Under the Bonus Program, Mr. Stephenson has the ability to earn a cash bonus in the amount of 0% to 200% of the Base Amount (or \$0 to \$2,400,000), based upon the Registrant's total stockholder return as compared to the total stockholder return of each company in a peer group of companies selected by the Compensation Committee during a performance period commencing on January 1, 2004, and ending on December 31, 2006 (the Performance Period). The amount of the cash bonus earned, if any, will depend on the Registrant's rank among the peer group of companies.

In the event of Mr. Stephenson's death, disability or termination of employment by the Registrant without cause prior to the date of determination of whether he is entitled to a bonus, he will receive a cash bonus, if any, in the amount that he would be entitled to as of the date of occurrence of such event under the performance criteria described above if the Performance Period ended as of the date of the occurrence of such event. In the event of a change in control of the Registrant (as defined in the Registrant's 1990 Stock Plan, as amended) prior to the date of determination of whether he is entitled to a bonus, Mr. Stephenson will receive the Base Amount. In the event of Mr. Stephenson's voluntary termination of employment prior to the date of determination of whether he is entitled to a bonus, he will receive no cash bonus.
