**Item 1.01 Entry into a Material Definitive Agreement.**

Leggett & Platt, Incorporated (the *Company*) has a deferred compensation plan, the Director Stock Option Plan (the *Plan*), that allows non-management directors to defer cash compensation into discount stock options. Under the Plan, directors may elect to forego receipt of all or a portion of their cash compensation in exchange for the grant of a non-qualified stock option with a 15-year term and an exercise price equal to 50% of the fair market value of the Company's common stock on the grant date. The number of options received by the director is determined by i) the compensation foregone, divided by ii) the fair market value of the common stock on the grant date multiplied by 0.5. The options vest one year after the date of grant. The Plan is incorporated herein by reference as Exhibit 10.1.

Directors Raymond F. Bentele, Ralph W. Clark, Judy C. Odom and Maurice E. Purnell Jr. made elections for the current service year beginning with their election at the annual meeting of shareholders in May 2004 and ending with the next annual meeting in May 2005 to defer all or a portion of their cash compensation in exchange for stock options under the Plan. In accordance with the Plan, the grant date of the options for the current service year is June 1, 2004. The closing price of the Company's common stock on this date was \$25.37, and therefore, the exercise price for the options granted for the current service year is \$12.69.

The deferred compensation provisions of the recently-enacted American Jobs Creation Act, as set forth in Internal Revenue Code Section 409A, impose restrictions on discount stock options. Without amendment, the Plan would subject the Company's directors to certain tax penalties. Section 409A is effective for compensation deferred after December 31, 2004. However, transition guidance issued by the Treasury Department provides for the cancellation of agreements in 2005 that are not compliant with Section 409A. To avoid adverse tax consequences imposed by the new rules, the above affected directors requested the cancellation of their current elections with respect to compensation earned after December 31, 2004. The Board approved the cancellations on December 31, 2004.

In addition, on December 31, 2004, the Board resolved to discontinue offering participation in the Plan after December 31, 2004. This action prohibits any new grants from being made under the Plan but does not alter or impair any rights or obligations of any option previously granted under the Plan, to the extent such option was earned and vested as of December 31, 2004.

**Item 1.02 Termination of a Material Definitive Agreement.**

The information provided in Item 1.01 above is incorporated herein by reference.

**Item 9.01 Financial Statements and Exhibits.**

<u>Exhibit No.</u>	<u>Description</u>
10.1	The Director Stock Option Plan, as amended and restated November 13, 2002, filed March 18, 2003 as Exhibit 10.13(1) to the Company's Form 10-K for the year ended December 31, 2002, is incorporated herein by reference.
