This Amendment No. 2 to Statement of Beneficial Ownership on Schedule 13D/A (this Statement) is being filed to amend the information under Item 4. None of the other information in the Reporting Persons' original Statement of Beneficial Ownership on Schedule 13D, as amended by the Reporting Persons' Amendment No. 1 thereto, filed with the Securities and Exchange Commission (the Commission) on February 14, 2003 and March 29, 2005, respectively, is being amended.

Item 4. Purpose of Transaction

Northrop Grumman Space & Mission Systems Corp, an Ohio corporation (NGS&MS), is a wholly owned subsidiary of Northrop Grumman Corporation, a Delaware corporation (Northrop Grumman) and together with NGS&MS, the Reporting Persons). NGS&MS is the record owner of the Common Stock of Endwave Corp. (Endwave) covered by this Statement (the Shares) and thus, has the direct power to vote and direct the disposition of the Shares. As the sole parent of NGS&MS, Northrop Grumman has the indirect power to vote and dispose of the Shares.

On March 23, 2005, NGS&MS entered into a Registration Rights Agreement with Endwave (the Registration Rights Agreement), pursuant to which Endwave agreed to use its best efforts to publicly offer for resale 3,000,000 of the Shares in a firmly underwritten offering of Endwave's Common Stock. On March 25, 2005, Endwave filed a Registration Statement on Form S-3 (the Registration Statement) with the Commission, providing for the offer and sale of 5,000,000 shares of Endwave's Common Stock, plus an additional 750,000 shares to cover over-allotments, if any (the Offering), of which 3,000,000 of the offered shares were to be sold for the account of the NGS&MS and the remainder were to be sold for the account of Endwave. Accordingly, on the effectiveness of the Registration Statement, the Reporting Persons intended to dispose of 3,000,000 Shares by selling them to the underwriters of the Offering, who would distribute the Shares in the manner to be described in the final prospectus to be filed as part of the Registration Statement. The foregoing description of the Registration Rights Agreement is only a summary, and is qualified in its entirety by reference to the full text of the Registration Rights Agreement, a copy of which was filed as Exhibit 4.2 to Endwave's Current Report on Form 8-K filed with the Commission on March 25, 2005.

On June 15, 2005, Endwave applied for an order granting the withdrawal of the Registration Statement. On July 7, 2005, Endwave received confirmation from the Commission that consent to Endwave's withdrawal of the Registration Statement has been granted. At the time of filing this Statement, the Reporting Persons have no plans to purchase additional shares of Endwave Common Stock in the open market or in privately negotiated transactions, but the Reporting Persons may dispose of shares of Endwave Common Stock by selling them, subject to any limitations, (a) through privately negotiated transactions, (b) through registered offerings pursuant to registration rights provided to NGS&MS under the Amended and Restated Investors' Rights Agreement dated as of March 31, 2000, among Endwave, NGS&MS and certain other parties (the Investors Rights Agreement) and the Registration Rights Agreement, or (c) under Rule 144 promulgated pursuant to the Securities Act of 1933 (the Act). A copy of the Investors Rights Agreement was filed as Exhibit 4.2 to Endwave's Registration Statement on Form S-1 (Registration No. 333-41302) filed with the Commission on July 12, 2000.

The Reporting Persons intend to review their investment in Endwave on a continuing basis. Depending on various factors including, without limitation, Endwave's business prospects, other developments concerning Endwave, general economic conditions and stock market conditions, and any other facts and circumstances which may become known to the Reporting Persons, the Reporting Persons may in the future take such actions with respect to their investment in Endwave as they deem appropriate.

The Reporting Persons have no present plans or proposals which relate to or would result in (i) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Endwave or any of its subsidiaries, (ii) a sale or transfer of a material amount of assets of Endwave or any of its subsidiaries, (iii) any change in the board of directors or management of Endwave or any of its subsidiaries, (iv) any material change in the present capitalization or dividend policy of Endwave, (v) any other material change in Endwave's business or corporate structure, (vi) changes in Endwave's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of Endwave by any person, (vii) causing a class of securities of Endwave to be delisted from a national securities exchange or cease to be

quoted in an inter-dealer quotation system of a registered national securities association, (viii) a class of equity securities of Endwave becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act, or (ix) any action similar to any of those described above.

In connection with the Registration Rights Agreement, NGS&MS had entered into a letter agreement dated March 24, 2005 (the Lock-Up Agreement) with the representatives of the underwriters of the Offering restricting the Reporting Persons sale of Shares until a date 90 days after the filing of the final prospectus for the Offering. The Reporting Persons were automatically released from their obligations under the Lock-Up Agreement on June 15, 2005, upon the application by Endwave for an order granting withdrawal of the Registration Statement. The foregoing description of the Lock-Up Agreement is only a summary, and is qualified in its entirety by reference to the full text of the Lock-Up Agreement, a copy of which was filed as Exhibit 5 to Amendment No. 1 to the Reporting Persons Statement of Beneficial Ownership on Schedule 13D/A, filed with the Commission on March 29, 2005.
