Description of Debt Securities

The Debt Securities offered hereby will be issuable in one or more series under an indenture dated as of September 16, 2005 (the **Indenture**) between us and Citibank, N.A., as Trustee (the **Trustee**). The following statements are subject to the detailed provisions of the Indenture, which is filed as an exhibit to the Registration Statement of which this Prospectus forms a part. Wherever references are made to particular provisions of the Indenture or terms defined therein are referred to, such provisions or definitions are incorporated by reference as a part of the statements made and such statements are qualified in their entirety by such references.

General

The Indenture does not limit the amount of Debt Securities which may be issued thereunder. Except as described in **Covenants** below and as otherwise provided in the Prospectus Supplement relating to a particular series of Debt Securities, the Indenture does not limit the amount of other debt, secured or unsecured, which we may issue. We may issue the Debt Securities in one or more series, as we may authorize from time to time (Section 2.5).

Reference is made to the Prospectus Supplement relating to the Offered Securities for the following terms, where applicable, of the Offered Securities: (1) the designation, the aggregate principal amount and the authorized denominations of the Offered Securities; (2) the percentage of their principal amount at which the Offered Securities will be issued; (3) the currency or currencies (including composite currencies) in which the principal of and interest, if any, on the Offered Securities will be payable; (4) the date or dates on which the Offered Securities will mature; (5) the rate or rates at which the Offered Securities will bear interest, if any, or the method by which such rate or rates will be determined and the date or dates from which such interest will accrue; (6) the dates on which and places at which interest, if any, will be payable and the record dates for payment of such interest; (7) the terms of any mandatory or optional repayment or redemption (including any sinking fund); and (8) any other terms of the Offered Securities (Section 2.5). The Indenture provides that Debt Securities of a single series may be issued at various times, with different maturity dates and may bear interest at different rates (Section 2.5).

The Offered Securities will be our unsecured, unsubordinated indebtedness and will rank on parity with all of our other unsecured, unsubordinated indebtedness.

Debt Securities of a series may be issued in fully registered form or in the form of one or more Global Securities and, with regard to each series of Debt Securities in respect of which this Prospectus is being delivered, in the denominations set forth in the Prospectus Supplement relating to such series. With regard to each series of Debt Securities, we will maintain in the Borough of Manhattan, The City of New York and in such other place or places, if any, specified in the Prospectus Supplement relating to such series, an office or agency where the Debt Securities of such series may be transferred or exchanged and may be presented for payment of principal, premium, if any, and interest; provided that if such securities are not Global Securities, at our option, payment of interest may be made by check mailed to the address of the person entitled thereto as it appears in the register for the Debt Securities (Section 3.2). No service charge will be made for any transfer or exchange of the Debt Securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith (Section 2.10).

Some of the Debt Securities may be issued as discounted Debt Securities (bearing no interest or interest at a rate which at the time of issuance is below market rates) to be sold at a substantial discount below their stated principal amount. Federal income tax consequences and other special considerations applicable to any such discounted Debt Securities will be described in the Prospectus Supplement relating thereto.

Definitions

Attributable Debt is defined, in brief, to mean, as to any lease under which any person is at the time liable, at any date as of which the amount thereof is to be determined, the total net amount of rent required to be paid by such person under such lease during the remaining term thereof (including in respect of contingent rents, amounts based on the amount thereof, if any, being paid on the date of determination and excluding amounts on account of maintenance and repairs, insurance, taxes, assessments, water rates and similar charges), discounted from the respective due dates thereof at the weighted average of the rates of interest (and Yields to Maturity, in the case of Original Issue Discount Securities) borne by the Debt Securities then Outstanding, compounded annually (Section 1.1).

Consolidated Net Tangible Assets is defined to mean the aggregate amount of assets (less applicable reserves and other properly deductible items) after deducting therefrom (a) all current liabilities (excluding any portion thereof constituting Funded Debt by reason of being renewable or extendible) and (b) all goodwill, trade names, trademarks, patents, unamortized debt discount and expense and other like intangibles, all as set forth on our and our Domestic Subsidiaries' most recent consolidated balance sheet, prepared in accordance with U.S. generally accepted accounting principles (Section 1.1).

Debt is defined to mean any notes, bonds, debentures or other similar evidences of indebtedness for money borrowed and does not include Attributable Debt (Section 1.1).

Domestic Subsidiary is defined to mean a subsidiary of ours except a subsidiary (a) which neither transacts any substantial portion of its business nor regularly maintains any substantial portion of its fixed assets within the States of the United States, or (b) the principal purpose of which is to engage in financing our operations or the operations of our subsidiaries, or both, outside the States of the United States (Section 1.1).

Funded Debt is defined to mean all indebtedness for money borrowed having a maturity of more than 12 months from the date as of which the amount thereof is to be determined or having a maturity of less than 12 months but by its terms being renewable or extendible beyond 12 months from such date at the option of the borrower (Section 1.1).

Government Obligations is defined to mean either (i) direct obligations of the United States of America for the payment of which its full faith and credit is pledged or (ii) obligations of a person controlled or supervised by and acting as an agency or instrumentality of the United States of America, the payment of which is unconditionally guaranteed as a full faith and credit obligation of the United States of America, which, in either case, are not callable or redeemable at the option of the issuer thereof (Section 13.1).

Table of Contents

Mortgage is defined to mean any pledge, mortgage, lien, encumbrance or security interest (Section 1.1).

Principal Domestic Operating Property is defined, in brief, to mean any land or any facility (together with the land on which it is erected and fixtures comprising a part thereof) located in the United States used primarily for manufacturing, processing or production, owned or leased by us or any of our subsidiaries and having a gross book value in excess of 2% of Consolidated Net Tangible Assets other than any such land, facility or portion thereof which in the opinion of our Board of Directors, is not of material importance to the total business conducted by us and our subsidiaries as an entity (Section 1.1).

Subsidiary of the Corporation is defined to mean a corporation a majority of the outstanding voting stock of which is owned, directly or indirectly, by us or by one or more of our subsidiaries (Section 1.1).

Other capitalized terms used in this **Description of Debt Securities** have the meanings given them in the Indenture, unless otherwise indicated or unless the context otherwise requires.

Covenants

Limitation on Liens

If we or any Domestic Subsidiary shall incur, issue, assume or guarantee any Debt secured by a Mortgage on any Principal Domestic Operating Property or on any shares of stock or Debt, held by us or any Domestic Subsidiary, of any Domestic Subsidiary, we will secure, or cause such Domestic Subsidiary to secure, the Debt Securities equally and ratably with (or prior to) such Debt, unless after giving effect thereto the aggregate amount of all such Debt so secured together with all Attributable Debt in respect of sale and leaseback transactions involving Principal Domestic Operating Properties would not exceed 15% of our and our Domestic Subsidiaries' Consolidated Net Tangible Assets. This restriction will not apply to, and there shall be excluded in computing secured Debt for the purpose of such restriction, Debt secured by (a) Mortgages on property of, or on any shares of stock or Debt of, any corporation existing at the time such corporation becomes a Domestic Subsidiary, (b) Mortgages in our favor or in favor of any Domestic Subsidiary, (c) Mortgages in favor of U.S. governmental bodies to secure progress, advance or other payments pursuant to any contract or provision of any statute, (d) Mortgages on property, shares of stock or Debt existing at the time of acquisition thereof (including acquisition through merger or consolidation), purchase money Mortgages and construction cost Mortgages, and (e) any extension, renewal or refunding of any Mortgage referred to in the foregoing clauses (a) through (d), inclusive (Section 3.4). The Indenture will not restrict our or our subsidiaries' ability to incur unsecured debt.

Merger and Consolidation

The Indenture will provide that no consolidation or merger of our company with or into any other corporation and no sale or conveyance of its property as an entirety, or substantially as an entirety, may be made to another corporation if, as a result thereof, any Principal Domestic Operating Property or any shares of stock or Debt, held by us or any Domestic Subsidiary, of a Domestic Subsidiary would become subject to a Mortgage, unless either (i) the Debt Securities shall be equally and ratably secured with (or prior to) the Debt secured by such Mortgage or (ii) such Mortgage could be created pursuant to Section 3.4 (See **Limitation on Liens** above) without equally and ratably securing the Debt Securities (Section 9.3). In addition, as a result of the consolidation, merger or conveyance, either we shall be the continuing corporation or the successor corporation shall be a corporation organized and existing under the laws of the United States or a state thereof and the successor

Edgar Filing: HERSHEY CO - Form S-3

corporation shall expressly assume the due and punctual payment of principal of (and premium, if any) and interest on all Debt Securities and our obligations under the Indenture in a supplemental indenture satisfactory to the Trustee (Section 9.1).

Table of Contents

Limitations on Sales and Leasebacks

Neither we nor any Domestic Subsidiary may enter into any sale and leaseback transaction involving any Principal Domestic Operating Property, completion of construction and commencement of full operation of which has occurred more than 120 days prior thereto, unless (a) we or such Domestic Subsidiary could mortgage such property pursuant to Section 3.4 (see "Limitation on Liens" above) in an amount equal to the Attributable Debt with respect to the sale and leaseback transaction without equally and ratably securing the Debt Securities or (b) we, within 120 days after completion of the sale and leaseback transaction, apply to the retirement of our Funded Debt an amount (subject to credits for certain voluntary retirements of Funded Debt) not less than the greater of (i) the net proceeds of the sale of the Principal Domestic Operating Property so leased or (ii) the fair market value of the Principal Domestic Operating Property so leased. This restriction will not apply to any sale and leaseback transaction (a) between us and a Domestic Subsidiary or between Domestic Subsidiaries or (b) involving the taking back of a lease for a period of not more than three years (Section 3.5).

Unless otherwise indicated in a Prospectus Supplement, certain of the covenants described above would not necessarily afford holders of the Debt Securities protection in the event of a highly leveraged transaction involving us, such as a leveraged buyout. In this regard, however, it should be noted that voting control of our company is held by Hershey Trust Company, as Trustee for the benefit of Milton Hershey School (the "Milton Hershey School Trust"), which as of December 31, 2004 held approximately 78.1% of the combined voting power of both classes of our outstanding Common Stock. The Milton Hershey School Trust maintains voting control of our company and must approve the issuance of shares of Common Stock or any other action that would result in the Milton Hershey School Trust not continuing to have voting control of our company. On July 25, 2002, we confirmed that the Milton Hershey School Trust, which at that time controlled 77.6% of the combined voting power of both classes of our outstanding Common Stock, had informed us that it had decided to diversify its holdings and in this regard wanted us to explore a sale of the entire company. On September 17, 2002, the Milton Hershey School Trust informed us that it had elected not to sell its controlling interest and requested that the process to explore a sale be terminated.

Events of Default, Waiver and Notice

Except as may otherwise be provided in the Prospectus Supplement, as to any series of Debt Securities, an Event of Default is defined in the Indenture as (a) default in the payment of any installment of interest, if any, on the Debt Securities of such series when due and the continuance of such default for a period of 30 days; (b) default in payment of the principal of (and premium, if any, on) any of the Debt Securities of such series when due, whether at maturity, upon redemption, by declaration or otherwise; (c) default in the payment of a sinking fund installment, if any, on the Debt Securities of such series when due; (d) default by us in the performance of any other covenant or agreement contained in the Indenture, other than a covenant expressly included in the Indenture solely for the benefit of series of Debt Securities other than such series, and the continuance of such default for a period of 90 days after appropriate notice; (e) certain events of bankruptcy, insolvency and reorganization of our company; and (f) any other Event of Default established with respect to Debt Securities of that series (Sections 2.5 and 5.1).

An Event of Default with respect to a particular series of Debt Securities issued under the Indenture does not necessarily constitute an Event of Default with respect to any other series of Debt Securities issued thereunder.

The Indenture provides that the Trustee shall, within 90 days after the occurrence of a default with respect to Debt Securities of any series, give all the holders of Debt Securities of such series then outstanding notice of all uncured defaults known to it (the term default to mean the events specified above, not including grace periods); provided that, except in the case of a default in the payment of principal of (and premium, if any) or interest, if any, on any Debt Security of any series, or in the payment of any sinking fund installment with respect to Debt Securities of any series, the Trustee shall be protected in withholding such notice if it in good faith determines that the withholding of such notice is in the interest of all the holders of Debt Securities of such series then outstanding (Section 5.11).

The Indenture provides that if an Event of Default with respect to any series of Debt Securities shall have occurred and be continuing, either the Trustee or the holders of at least 25% in principal amount (calculated as provided in the Indenture) of the Debt Securities of such series then outstanding may declare the principal (or, in the case of Original Issue Discount Securities, the portion thereof as may be specified in the Prospectus Supplement relating to such series) of all of the Debt Securities of such series and the interest accrued thereon, if any, to be due and payable immediately (Section 5.1).

Table of Contents

Upon certain conditions such declarations of acceleration with respect to Debt Securities of any series may be annulled and past defaults (except for defaults in the payment of principal (or premium, if any) or interest, if any, on such Debt Securities not theretofore cured or in respect of a covenant or provision of the Indenture which cannot be amended or modified without the consent of the holder of each outstanding Debt Security of that series affected) may be waived with respect to such series by the holders of not less than a majority in principal amount (calculated as provided in the Indenture) of the Debt Securities of such series then outstanding (Section 5.10).

The Indenture requires that we file with the Trustee annually a written statement as to the presence or absence of certain defaults under the terms thereof and as to performance and fulfillment of certain covenants or agreements therein (Section 3.6).

The Indenture provides that the holders of not less than a majority in principal amount (calculated as provided in the Indenture) of the Debt Securities of any series then outstanding shall have the right to direct the time, method and place of conducting any proceeding or remedy available to the Trustee, or exercising any trust or power conferred on the Trustee by the Indenture with respect to defaults or Events of Default with respect to Debt Securities of such series (Section 5.9).

The Indenture provides that the Trustee shall be under no obligation, subject to the duty of the Trustee during default to act with the required standard of care, to exercise any of the rights or powers vested in it by the Indenture at the direction of the holders of Debt Securities unless such holders shall have offered to the Trustee reasonable security or indemnity against expenses and liabilities (Section 6.2).

Defeasance

The Indenture provides that we may terminate our obligations under Sections 3.4, 3.5 and 9.3 of the Indenture (being the restrictions described under Covenants Limitation on Liens and Covenants Limitations on Sales and Leasebacks and the first sentence under Covenants Merger and Consolidation above) with respect to the Debt Securities of any series, on the terms and subject to the conditions contained in the Indenture, by depositing in trust with the Trustee money or Government Obligations sufficient to pay the principal of (and premium, if any) and interest on the Debt Securities of such series and any mandatory sinking fund or analogous payments thereon, on the scheduled due dates therefor. Such deposit and termination is conditioned upon, among other things, our delivery of an opinion of counsel that the holders of the Debt Securities of such series will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and termination and will be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case had such deposit and termination not occurred. Such termination will not relieve us of our obligation to pay when due the principal of or interest on the Debt Securities of such series if the Debt Securities of such series are not paid from the money or Government Obligations held by the Trustee for the payment thereof (Section 13.1).

Modification of the Indenture

The Indenture contains provisions permitting us and the Trustee, with the consent of the holders of not less than a majority in principal amount (calculated as provided in the Indenture) of the outstanding Debt Securities of each series affected by such modification, to modify the Indenture or any supplemental indenture or the rights of the holders of the Debt Securities of any series; provided that no such modification shall, without the consent of the holders of each Debt Security affected thereby, extend the maturity of any Debt Security, or reduce the principal amount thereof, or reduce the rate or extend the time of payment of interest thereon, or reduce the portion of the principal amount of an Original Issue Discount Security due and payable upon acceleration of the maturity thereof or the portion of the principal amount thereof provable in bankruptcy, or reduce any amount payable upon redemption of any Debt Security, or reduce the overdue rate thereof, or impair any right of repayment at the option of the holder of any Debt Security or change the currency of payment of principal or interest on any Debt Security or

Edgar Filing: HERSHEY CO - Form S-3

reduce the percentage in principal amount of Outstanding Debt Securities of any series the consent of the holders of which is required for modification or amendment of the Indenture or for waiver of compliance with certain provisions of the Indenture or for waiver of certain defaults (Section 8.2).

Table of Contents

The holders of not less than a majority in principal amount of the Outstanding Debt Securities of any series may on behalf of the holders of all Debt Securities of such series waive, insofar as that series is concerned, our compliance with certain restrictive provisions (Limitation on Liens and Limitations on Sales and Leasebacks) of the Indenture (Section 3.8).

The Indenture also permits us and the Trustee to amend the Indenture in certain circumstances without the consent of the holders of any Debt Securities to evidence the merger of our company or the replacement of the Trustee and for certain other purposes (Section 8.1).

Regarding the Trustee

The Trustee extends credit facilities to us and we maintain bank accounts, borrow money and have other customary banking relationships with the Trustee, all in the ordinary course of business.

Table of Contents

Plan of Distribution

We may sell Debt Securities to or through underwriters or dealers and also may sell Debt Securities directly to one or more other purchasers or through agents. The Prospectus Supplement sets forth the names of any underwriters or agents involved in the sale of the Offered Securities and any applicable commission or discounts.

The distribution of Debt Securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, or at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

In connection with the sale of Debt Securities, underwriters may receive compensation from us or from purchasers of Debt Securities for whom they may act as agents in the form of discounts, concessions or commissions. Underwriters may sell Debt Securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. Underwriters, dealers and agents that participate in the distribution of Debt Securities may be deemed to be underwriters, and any discounts or commissions received by them from us and any profit on the resale of Debt Securities by them may be deemed to be underwriting discounts and commissions under the Securities Act. Any such underwriter or agent will be identified, and any such compensation received from us will be described in the Prospectus Supplement.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the Delaware General Corporation Law (the "DGCL") grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of a corporation or enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of being or having been in any such capacity, if such person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the person's conduct was unlawful.

Section 102(b)(7) of the DGCL enables a corporation in its certificate of incorporation or an amendment thereto to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which the director derived an improper personal benefit.

The Sixth Article of the registrant's Restated Certificate of Incorporation provides that to the fullest extent permitted by the DGCL, no director of the registrant shall be personally liable to the registrant or its stockholders for monetary damages for breach of fiduciary duty as a director and that the registrant may indemnify directors and officers of the registrant.

Edgar Filing: HERSHEY CO - Form S-3

Article VI of the By-Laws of the registrant provides that the registrant shall indemnify, in the manner and to the fullest extent permitted by the DGCL, any person who is, was or is threatened to be made a defending party to any proceeding (including any pending or threatened civil or criminal action, suit, arbitration, alternate dispute resolution mechanism, investigation or administrative hearing) by reason of the fact that such person is or was a director or officer of the registrant or is or was serving, at the request of the registrant, in such capacity for another enterprise. The registrant will pay in advance of final disposition all expenses incurred by a director or officer in defending a proceeding which is subject to indemnification. The registrant has the burden of proving that a director or officer was not entitled to indemnification.

The registrant's directors and officers are insured against losses arising from any claim against them as such for wrongful acts or omissions, subject to certain limitations.

ITEM 17. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
