**Item 1.01 Entry into a Material Definitive Agreement.**

On December 23, 2005, Spansion LLC ( Spansion LLC ), an indirect wholly owned subsidiary of Spansion Inc. (the Company ), amended the leasing facility, dated as of September 30, 2005, by and between Spansion LLC and Banc of America Leasing & Capital, LLC ( BALC ), which provided for sale and lease-back financing transactions for certain semiconductor manufacturing equipment in the aggregate amount of approximately \$75 million. The primary purposes of the amendment were to extend the terms of existing sale and lease-back transactions under the leasing facility from 42 to 46 months, and to provide for additional sale and lease-back financing transactions in the amount of approximately \$26 million. BALC acted as the arranger for the transactions under the leasing facility.

Pursuant to the terms of the leasing facility, Spansion LLC will sell equipment to lessors and simultaneously lease the same equipment back from such lessors. The lease rental fees under the leasing facility are paid in consecutive monthly installments over the term of each sale and lease-back financing transaction. Also, pursuant to the terms of the leasing facility, Spansion LLC can extend individual leases or purchase the lessors' respective rights, title and interest in the equipment if the lessor and Spansion LLC agree upon the extension or purchase terms not later than three months prior to the expiration of the lease term.
