PROXY STATEMENT

2006 ANNUAL MEETING OF SHAREHOLDERS

To be held on April 25, 2006

General

The following information is furnished in connection with the solicitation by and on behalf of the Board of Directors of the enclosed proxy to be used at the 2006 Annual Meeting of Shareholders (the Annual Meeting) of Old Point Financial Corporation (the Company) to be held Tuesday, April 25, 2006, at 6:00 p.m. at The Hampton Roads Convention Center, 1610 Coliseum Drive, Hampton, Virginia. The approximate mailing date of this Proxy Statement and accompanying proxy is March 24, 2006.

Revocation and Voting of Proxies

Execution of a proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person. Any shareholder who has executed and returned a proxy may revoke it by attending the Annual Meeting and requesting to vote in person. A shareholder may also revoke his proxy at any time before it is exercised by filing a written notice with the Company or by submitting a proxy bearing a later date. Proxies will extend to, and will be voted at, any properly adjourned session of the Annual Meeting. If a shareholder specifies how the proxy is to be voted with respect to any proposals for which a choice is provided, the proxy will be voted in accordance with such specifications. If a shareholder fails to specify with respect to such proposals, the proxy will be voted **FOR** the election of the director nominees in proposal 1 set forth in the accompanying notice and further described herein.

Voting Rights of Shareholders

Only those shareholders of record at the close of business on February 15, 2006, are entitled to notice of and to vote at the Annual Meeting, or any adjournments thereof. The number of shares of common stock of the Company outstanding and entitled to vote at the Annual Meeting is 3,985,655. The Company has no other class of stock outstanding. The presence of a majority of the shares entitled to be voted, represented in person or by proxy, will constitute a quorum for the transaction of business.

Each share of Company common stock entitles the record holder thereof to one vote for each matter to be voted upon at the Annual Meeting, except that in the election of directors cumulative voting entitles a shareholder to give one nominee as many votes as is equal to the number of directors to be elected, multiplied by the number of shares owned by such shareholder or to distribute his or her votes on the same principle between two or more nominees as he or she sees fit. The Board of Directors will instruct the proxies to use cumulative voting, if necessary, to elect all or as many of the nominees as possible. Shares for which the holder has elected to abstain or to withhold the proxies' authority to vote (including broker non-votes) on a matter will count toward a quorum, but will not be included in determining the number of votes cast with respect to such matter.

With regard to the election of directors, votes may be cast in favor or withheld. If a quorum is present, the nominees receiving the greatest number of votes cast at the Annual Meeting will be elected directors; therefore, votes withheld will have no effect. Approval of any other matter requires an affirmative vote of a majority of the shares cast on the matter. Thus, although abstentions and broker non-votes (shares held by customers that may not be voted on certain matters because the broker has not

received specific instructions from the customers) are counted for purposes of determining the presence or absence of a quorum, they are generally not counted for purposes of determining if a proposal has been approved, and therefore have no effect.

Solicitation of Proxies

The cost of solicitation of proxies will be borne by the Company. Solicitations will be made only by the use of the mail, except that officers and regular employees of the Company, The Old Point National Bank of Phoebus (the Bank) and Old Point Trust & Financial Services, N.A. (the Trust Company) may make solicitations of proxies in person or by telephone or mail, acting without compensation other than their regular compensation. We anticipate that brokerage houses and other nominees, custodians, and fiduciaries will be requested to forward the proxy soliciting material to the beneficial owners of the stock held of record by such persons, and the Company will reimburse them for their charges and expenses in this connection.

⁽¹⁾ Refers to the year in which the individual first became a director of the Bank, except with respect to Dr. Clark, Mr. Jordan, and Mr. Shuford, who became directors of the Company upon consummation of the Bank's reorganization on October 1, 1984. All present directors of the Company are also directors of the Bank. Dr. Clark, Dr. Greene, Mr. Ishon, Mr. Shuford and Mrs. Thacker are also directors of the Trust Company.

None of the directors serve as directors of any other company with a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934.

There are five family relationships among the directors and executive officers. Mr. Jordan is the father of Mr. Jordan, II, and the father-in-law of Mr. Ishon. Mr. Shuford, Sr. and Dr. Schappert are married to sisters. Mr. Shuford, Sr. is the father of Mr. Shuford, Jr. Dr. Clark is the father of Mrs. Thacker. The Board does not believe that these family relationships are material to an evaluation of the ability or integrity of these individuals. The Board is not aware of any involvement in legal proceedings by any of the Company's directors or executive officers that would be material to an evaluation of the ability or integrity of any director or executive officer.

The Board of Directors recommends that shareholders vote FOR the individuals nominated above to serve as Directors.

Corporate Governance

The Board of Directors is elected by the Company's shareholders; the Board, in turn, is the Company's governing body, responsible for hiring, overseeing and evaluating management; management is charged with the day to day operations of the Company and its affiliates.

The Board's primary responsibility is to provide oversight, counseling and direction to management in their efforts to fulfill the corporate strategy in maximizing opportunities, while addressing related business risks. The Board has delegated various responsibilities and authority to different board committees, which include the Audit Committee, Directors Loan Committee, and Directors Loan Review Committee.

Management has been delegated the authority and responsibility for managing the Company's lines of businesses in a manner consistent with the Company's Strategic Plan and Code of Ethics, and in accordance with any specific plan, instructions or direction of the Board of Directors or one of the Board's committees. The Chief Executive Officer and management are required to seek the advice and, in appropriate situations, the approval of the Board with respect to extraordinary actions to be undertaken by the Company.

Board Committees and Attendance

The Board of Directors is comprised of a majority of independent directors, as defined by the listing standards of the NASDAQ Global Market. Independent directors do not receive consulting, legal or other fees from the Company other than Board and committee compensation. Although companies affiliated with certain of these directors provide goods and services to the Company, the Board of Directors has determined in accordance with the NASDAQ listing standards that these independent directors have no relationships with the Company that would interfere with the exercise of their independent judgment in carrying out the responsibilities of a director. The independent directors are Messrs. Chisman, Clark, Evans, Greene, Hansen, Harris, Morgan, Riddle, Zimm and Mrs. Thacker.

The Board reviews each director's independence status on an annual basis to ensure compliance with NASDAQ listing standards.

The Board of Directors of the Company has adopted an Insider Policy: Conflict of Interest/Code of Ethics (Code of Ethics) which details principles and responsibilities governing ethical conduct for all Company directors, officers, employees and principal shareholders. The Code of Ethics was filed as Exhibit 14 to the Company's Annual Report on Form 10-K for the year ended December 31, 2004.

During 2005, there were 13 meetings of the Board of Directors of the Company. Each director attended at least 75% of all meetings of the Board and committees on which he/she served.

The independent directors also met in regularly scheduled executive sessions in March, June, September and December of 2005.

The Company has not adopted a formal policy on Board members' attendance at its annual meetings of shareholders, although all Board members are invited and encouraged to attend and, historically, most have done so. All Board members attended the Company's 2005 Annual Meeting of Shareholders.

The Board of Directors of the Company has standing Executive, Audit and Compensation Committees.

Executive Committee. Current members of the Executive Committee are Messrs. Shuford (Chairman), Hansen, Harris, Morris, and Clark. The Executive Committee serves in an advisory capacity, reviewing matters and making recommendations to the Board of Directors. The Executive Committee met 4 times in 2005.

Compensation Committee. The Compensation Committee is described under Compensation Committee Report on Executive Compensation below.

Audit Committee. Current members of the Audit Committee are Messrs. Hansen (Chairman), Evans, Greene, Harris and Mrs. Thacker. The Board of Directors has determined that all of the members of the Audit Committee satisfy the independence and financial literacy requirements for audit committee members under the NASDAQ listing standards and applicable SEC regulations. In addition, at least one member of the Audit Committee has past employment experience in finance or accounting or comparable experience which results in the individual's financial sophistication. The Board of Directors has also

determined that Mr. Evans qualifies as an audit committee financial expert within the meaning of applicable regulations of the SEC, promulgated pursuant to the Sarbanes-Oxley Act of 2002.

The Audit Committee assists the board in its financial reporting oversight duties, internal controls, audit function, whistleblower policy, approval of related party transactions, and other matters relating to corporate governance. The Audit Committee is responsible for the appointment, compensation, and oversight of the work of the Company's independent accountants. The Audit Committee reviews on a regular basis the work of the Company's internal audit department. It also reviews and approves the scope and detail of the continuous audit program, which is conducted by the internal audit staff to protect against improper and unsound practices and to furnish adequate protection for all assets and records. During 2005, the Audit Committee met 4 times.

Nominations. The Board of Directors does not have a standing nominating committee or nominating committee charter because it believes it can have an independent nominating process without a separate nominating committee. Pursuant to a resolution passed by the Board of Directors and consistent with NASDAQ Marketplace Rules, director nominees are selected and recommended for consideration to the full Board of Directors by a majority of the directors who are independent according to the NASDAQ listing standards. For this purpose, the following directors are independent: Messrs. Chisman, Clark, Evans, Greene, Hansen, Harris, Morgan, Riddle, Zimm and Mrs. Thacker.

In addition to recommending to the full board whether or not current directors should be nominated for reelection, the independent directors also identify new candidates in the event of a vacancy on the board. The independent directors identify potential director candidates from a variety of sources, including management, consultants and other individuals likely to possess an understanding of the Company's business and knowledge of suitable candidates. The independent directors evaluate the qualifications of candidates for membership to the Board of Directors. Following this evaluation process, candidates are selected by a majority of the independent directors to be recommended for nomination by the full Board of Directors. The full board then selects nominees to recommend to the Company's shareholders in the annual election process or appoints new directors to serve until the next annual election.

Qualifications for consideration as a Board nominee may vary according to the particular areas of expertise being sought to complement the existing Board composition. However, in making their nomination recommendations to the Board of Directors, the independent directors consider, among other things, an individual's business experience, industry experience, financial background, geographic representation, breadth of knowledge about issues affecting the Company, time available for meetings and consultation regarding Company matters and other particular skills and experience possessed by the individual. In addition, the independent directors seek director candidates that will result in the Board of Directors consisting of more than a majority of independent directors at all times.

The independent directors will accept for consideration shareholders' nominations for directors if made in writing by a shareholder entitled to vote in the election of directors. In accordance with the Company's bylaws, any such shareholder nomination must include sufficient background information with respect to the nominee, sufficient identification of the nominating shareholder and a representation by the shareholder of his or her eligibility and intention to appear at the annual meeting (in person or by proxy) to nominate the individual specified in the notice, a description of any arrangements or understandings between the shareholder and the nominee or others regarding the nomination, an indication of the total number of shares expected to be voted for the nominee, and the nominee's written consent to the nomination. Shareholder nominations must be received by the Company's President at the Company's principal office in Hampton, Virginia, not more than 50 days and not less than 14 days prior to the date of the 2007 Annual Meeting in order to be considered for the 2007 annual election of directors, provided that if less than 21 days' notice of the meeting is given, such nominations must be mailed or delivered to the President not later than the seventh day following the date notice of the meeting was mailed. Any director candidate submitted by a shareholder will be reviewed and considered by the independent directors in the same manner as all other candidates based on the qualifications described above.

Compensation Committee Interlocks and Insider Participation

Current members of the Compensation Committee are Messrs. Morgan (Chairman), Clark, Evans and Zimm. No member of the Compensation Committee is or has been an officer or employee of the Company or any of its affiliates. Furthermore, none of the Company's executive officers has served on the board of directors of any company of which a Compensation Committee member is an employee.

During 2005 and through the present time, there have been transactions between the Company's banking subsidiary and certain members of the Compensation Committee or their associates, all consisting of extensions of credit by the Bank in the ordinary course of business. Each transaction was made on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with the general public. In the opinion of management, none of the transactions involved more than the normal risk of collectibility or presented other unfavorable features.

Shareholder Communications with the Board of Directors

The Company provides an informal process for shareholders to send communications to the Board of Directors. Shareholders who wish to contact the Board of Directors or any of its members may do so by addressing their written correspondence to Old Point Financial Corporation, Board of Directors, c/o Corporate Secretary, P.O. Box 3392, Hampton, Virginia 23663 or lmorris@oldpoint.com. Correspondence directed to an individual Board member will be referred, unopened, to that member. Correspondence not directed to a particular Board member will be referred, unopened, to the Chairman of the Board.

Directors Compensation

From May 11, 2004 through May 10, 2005, all directors of the Bank and Trust Company received \$400 and \$250, respectively, for each board meeting they attended. The non-employee directors of the Bank and Trust Company received \$150 for each committee meeting they attended. In addition, non-employee directors of the Bank and Trust Company were paid an annual retainer fee of \$7,000 and \$2,500, respectively, except that directors serving on the Bank board who also served on the Trust Company board received an additional \$1,000 instead of \$2,500 annual retainer for serving on the Trust Company board. No additional fees were paid for being a Company director.

Beginning May 11, 2005, all directors of the Bank and Trust Company receive \$400 and \$250, respectively, for each board meeting they attend. The non-employee directors of the Bank and Trust Company receive \$150 for each committee meeting they attend. In addition, non-employee directors of the Bank and Trust Company are paid an annual retainer fee of \$8,000 and \$3,000, respectively, except that directors serving on the Bank board who also serve on the Trust Company board receive an additional \$1,000 instead of \$3,000 annual retainer for serving on the Trust Company board. All Company directors have been elected as directors of the Bank, but there is no assurance that this practice will continue. However, not all Company directors serve as directors of the Trust Company. There are no additional fees paid for being a Company director, except that the Chairman of the Audit Committee of the Company Board is paid an additional \$2,000 retainer fee.

The Company also pays for all directors and their spouses to attend regular director seminars.

Directors who are employees of the Company and its subsidiaries receive the stated fees for attendance at Board meetings, but do not receive any fees for committee meetings and are not paid annual retainer fees.

Non-employee directors are eligible to receive awards of non-qualified stock options under the Company's 1998 Stock Option Plan. In 2004, each non-employee director was granted options for 1,000 shares of Company stock that became exercisable August 10, 2005. Company directors were not granted any options in 2005.

Interest of Management in Certain Transactions

Some of the Company's directors, executive officers, and members of their immediate families, and corporations, partnerships and other entities of which such persons are officers, directors, partners, trustees, executors or beneficiaries, are customers of the Bank. All loans and commitments to lend to such individuals were made in the ordinary course of business, upon substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than normal risk of collectibility or present other unfavorable features.

Stock Option Plans

The Company has two stock option plans: the 1989 Stock Option Plan and the 1998 Stock Option Plan (the Plans). The Plans provide for the award of non-qualified stock options and incentive stock options to directors and employees of the Company and its subsidiaries selected by the Board of Directors to participate in the Plans. The Board of Directors makes awards under the Plans and establishes the terms and conditions of each award in the option agreement entered into with each optionee. The price of shares of stock to be issued upon the exercise of options will be at least 100% of the fair market value on the date of award. Options may not be granted more than ten years after the adoption of the Plans by the Board and are exercisable only during the term specified in the option agreement, which in the case of incentive stock options shall not exceed ten years. The options are not transferable other than by will or the laws of descent and distribution. The 1989 Plan did not permit grants of options to non-employees, whereas the 1998 Plan permits grants of options to non-employee directors.

No Employment Agreements

The Company has not entered into employment or change-in-control agreements with any of its executive officers.

Retirement Benefits

Pension Plan. The Company has a noncontributory defined benefit pension plan, which covers substantially all full-time employees of the Company and its subsidiaries who have completed one year of service. A participant's monthly retirement benefit (if he or she has 25 years of benefit service at his normal

retirement date) is 20% of his final five-year s average salary plus 15% of final five-year s average salary in excess of the participant s Social Security Covered Pay. The Social Security Covered Pay is the average pay of the calendar year prior to the year the participant attains his Social Security Retirement Age. If the participant has less than 25 years of benefit service at his Normal Retirement Date, the participant s monthly retirement benefit will be actuarially reduced by 1/25 for each year of benefit service less than 25 years. Cash benefits under the plan generally commence on retirement, death or other termination of employment and are payable in various forms at the election of the participant.

The following table shows the estimated annual retirement benefits payable to employees in the average annual salary and years of service classifications set forth below assuming retirement at the normal retirement age of 65.

PENSION PLAN TABLE

\$ 250,000	\$ 48,334	\$ 64,445	\$ 80,557	\$ 80,557	\$ 80,557

Benefits under the pension plan are based on a straight life annuity assuming full benefit at age 65, no offsets, and covered compensation of \$46,284 for a person age 65 in 2004. Compensation taken into account under the pension plan is limited by the Internal Revenue Code s compensation limit, which is \$205,000 for the plan year 2004 and which is adjusted periodically for inflation. The estimated annual benefit payable under the pension plan upon retirement is \$58,168, \$47,585, \$28,264, \$34,797 and \$24,059 for Messrs. Shuford, Morris, Epes, Mrs. Causby, and Mrs. Grabow, respectively, credited with 40, 37, 20, 47 and 36 years of service, respectively. Benefits are estimated on the basis that they will continue to receive, until age 65, covered salary in the same amount paid in 2004.

The Company owns life insurance policies on the above executive officers, in which their beneficiaries will receive three times their annual salary upon death, except that Mr. Shuford s beneficiary will receive 50% of three times his annual salary.

Compensation Committee Report on Executive Compensation

Compensation for the CEO and other executive officers is administered by the Compensation Committee (the Committee). The Committee is comprised of four non-employee directors, Messrs. Morgan (Chairman), Clark, Evans, and Zimm, each of whom is independent under the NASDAQ listing standards. The Committee met once in 2005. All decisions of the Committee are recommended to the entire Board of Directors, which makes the final decisions, except that Mr. Shuford, Sr. and Mr. Morris are not present during deliberations or voting with respect to their compensation.

In an environment characterized by change, regulatory oversight and increased competition, total executive compensation is designed to attract and retain qualified personnel by providing competitive levels of compensation as compared to similarly sized financial institutions. Executive compensation consists of the several elements specified in the Summary Compensation Table under Executive Compensation, namely,

base salary and annual and long-term incentive compensation. Base salaries generally represent a large portion of the executive officers' total cash compensation and are considered to be average relative to comparably sized financial institutions. Bonuses make up a smaller portion of the executive officers' total cash compensation. The Committee believes that basing a portion of an executive officer's compensation on both the Company's performance and that of the individual motivates the executive to perform at the highest possible level. Bonuses are determined based upon the Company's performance and that of the individual executive during the fiscal year. In evaluating performance, financial, non-financial and long-term strategic objectives are considered.

As a component of our executive officers' compensation program, the Committee annually considers awarding executive officers options to acquire shares of the Company's common stock. The Committee believes that stock options provide a highly efficient form of compensation from both a cost and an accounting perspective, and that such awards provide an incentive to achieve the Company's longer-term strategic goals by aligning the long-term financial interests of the executive officers with those of our shareholders. The Committee also believes that significant levels of stock ownership and ownership potential will assist in retaining the qualified and motivated executive officers.

In making its recommendation to the Board, the Committee obtains from market and economic research companies information pertaining to CEO and other executives' salary levels at comparable financial institutions that are available. Additionally, annual compensation is determined by evaluating several factors. The primary factors considered in evaluating the level of CEO and other executive compensation is the progress the Company made during the year in achieving performance goals. The performance goals evaluated include, but are not limited to, return on average assets, return on average equity, net income, asset quality, and deposit and loan growth. Secondary factors considered by the Committee include comparing the Company's performance with other local institutions and comparable executive compensation packages. Lastly, the Committee gives consideration to the expected future contributions of the executive, the executive's length of service and standing within the local banking communities, general economic conditions, and other factors. Bonuses are awarded based on evaluation of the foregoing factors relating to the Company's financial performance. There are no specific formulas used to calculate an executive's compensation.

An independent executive session is held by the Compensation Committee to specifically discuss the CEO's level of compensation. The level of achievements made by the CEO as they relate to Company performance and shareholder returns, achieving business and financial goals, and the review of available peer group compensation information significantly impact the CEO's compensation.

The asset growth, loan growth and earnings increase resulted in an overall positive financial performance of the Company and its subsidiaries in fiscal year 2005. In addition, the Company attained the majority of its 2005 non-financial objectives and made significant strides towards its long-term strategic goals.

For 2005, the Committee recommended, and the Board approved 2005 compensation of Mr. Shuford, Chairman, CEO and President of the Company, pursuant to the policies described above for executive officers. The base salaries effective March 2005 were as follows: Mr. Shuford, \$225,000; Mr. Morris, \$190,000; Mr. Epes, \$136,000; Mrs. Causby, \$136,000; and Mrs. Grabow, \$115,000.

For 2005, the Committee recommended and the Board approved bonuses be granted to Mr. Shuford in the amount of \$33,000, to Mr. Morris in the amount of \$28,000, to Mr. Epes in the amount of \$20,250, to Mrs. Causby in the amount of \$20,250 and to Mrs. Grabow in the amount of \$17,225.

Report of the Audit Committee

The Audit Committee of the Board of Directors (the "Committee") is composed of four non-employee directors, each of whom satisfies the requirements of FDICIA for Audit Committee members and the independence requirements of the SEC and the NASDAQ Stock Market's listing standards. In addition, the Board of Directors has also determined that Mr. Evans qualifies as an "audit committee financial expert" within the meaning of applicable regulations of the SEC, promulgated pursuant to the Sarbanes-Oxley Act of 2002.

The Committee operates under a written charter adopted by the Board of Directors. The Committee reviews and reassesses the charter annually and recommends any changes to the Board for approval. The Audit Committee Charter is attached as Appendix A to the Company's 2004 proxy statement.

The Committee oversees the Company's financial reporting process on behalf of the Board. Management is responsible for the Company's internal controls, financial reporting process and compliance with the laws and regulations and ethical business standards. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and for issuing a report thereon. The Committee monitors and oversees these processes and has sole responsibility for the appointment, compensation and evaluation of the Company's independent accountants.

In this context, the Committee met and held discussions with management and the independent accountants. Management represented to the Committee that the Company's audited consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the audited consolidated financial statements with management and the independent accountants. The Committee also discussed with management, the independent accountants and the Company's internal auditors the adequacy of the Company's system of internal controls.

The Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended, including their judgments about the quality, not just the acceptability, of the Company's accounting principles and underlying estimates in the Company's consolidated financial statements; all critical accounting policies and practices to be used; all alternative treatments within generally accepted accounting principles for policies and practices related to material terms that have been discussed with management of the Company; and other material written communication between the independent accountants and the management of the Company, such as any management letter or schedule of unadjusted differences.

The Company's independent accountants also provided to the Committee the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with the independent accountants that firm's independence.

The Committee also discussed with the Company's internal and independent accountants the overall scope and plans for their respective audits. The Committee met with the internal and independent accountants, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based upon the Committee's discussions with management and the independent accountants and the Committee's review of the representation of management and the written disclosures and report of the independent accountants to the Committee, the Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission.

Change in Independent Registered Public Accountant

On June 22, 2004, based upon the determination of its Audit Committee and approval by its Board of Directors, the Company terminated the engagement of Witt Mares Eggleston Smith, PLC (Witt Mares) as its independent auditors and engaged Yount, Hyde & Barbour, PC (YHB) as its principal accountants for the fiscal year ending December 31, 2004.

During Old Point's two fiscal years ended December 31, 2003, and during the subsequent interim period through June 30, 2004, there was no disagreement between the Company and Witt Mares (or its predecessor, Eggleston Smith, P.C.) on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Witt Mares' satisfaction, would have caused them to make reference to the subject matter of the disagreement in connection with its reports on the Company's consolidated financial statements for 2002 or 2003. The audit reports of Witt Mares on the Company's consolidated financial statements as of and for the two fiscal years ended December 31, 2003 did not contain any adverse opinion or disclaimer of opinion, nor were these opinions qualified or modified as to uncertainty, audit scope or accounting principles. There were no reportable events (as defined in Item 304(a)(1)(iv) of Regulation S-K) during the two fiscal years ended December 31, 2003 or subsequent interim period through June 30, 2004.

The Company provided Witt Mares with a copy of the above disclosures, also set forth in the Company's current reports on Form 8-K and 8-K/A filed with the SEC on June 29, 2003 and October 29, 2004, and requested that they furnish us with letters addressed to the SEC stating whether they agreed with the above statements and, if not, stating the respects in which they did not agree. Witt Mares' letters stating its agreement with the above statements were filed as exhibits to the Form 8-K and 8-K/A.

During the Company's two fiscal years ended December 31, 2003, and during the subsequent interim period through June 30, 2004, the Company did not consult with YHB regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements.

Independent Registered Public Accountants

Yount, Hyde & Barbour, P.C. rendered audit services to the Company during the fiscal year ended December 31, 2005. The Audit Committee has selected Yount, Hyde & Barbour, P.C. as the Company's independent registered public accountants for the current fiscal year ending December 31, 2006. A representative of Yount, Hyde & Barbour, P.C. will be present at the Annual Meeting and will be given the opportunity to make a statement and respond to appropriate questions from the shareholders.

Principal Accountant Fees

The following table presents the fees for professional audit services rendered by Yount, Hyde & Barbour, P.C., as well as for the audit of the Company's annual financial statements for the years ended December 31, 2005 and 2004 fees billed for other services rendered by Yount, Hyde & Barbour, P.C.

	Year Ended December 31,	
	2004¹	2005¹

Tax fees ⁴	6,000	6,500
All other fees	0	0
	\$ 89,730	\$ 118,975

- (1) For 2005, includes amounts billed through December 31, 2005 and additional amounts estimated to be billed for 2005.
- (2) For 2005, includes audit of consolidated financial statements, attestation report on management's assessment of internal control over financial reporting, review of consents and documents filed with the Securities and Exchange Commission. For 2004, includes audit of consolidated financial statements and consents and documents filed with the Securities and Exchange Commission.
- (3) For 2005, includes pre-approved consultation regarding accounting and financial reporting matters. For 2004, includes attestation report on internal controls under FDICIA and consultation regarding accounting and financial reporting matters.
- (4) Tax fees consist of the fees billed for the preparation of federal and state income tax returns and consultation regarding tax compliance issues.

The Audit Committee considers the provision of all of the above services to be compatible with maintaining the independence of the Company's principal accountants, Yount, Hyde & Barbour, P.C.

Audit Committee Pre-Approval Policy

Pursuant to the terms of the Company's Audit Committee Charter, the Audit Committee is responsible for the appointment, compensation and oversight of the work performed by the Company's independent accountants. As part of this responsibility, the Audit Committee, or a designated member of the Audit Committee, must pre-approve all audit (including audit-related) and non-audit services performed by the independent accountants in order to assure that the provisions of such services does not impair the accountants' independence. The Audit Committee has adopted, and the Board of Directors has ratified an Audit Committee Pre-Approval Policy, which sets forth the procedures and the conditions pursuant to which services proposed to be performed by the independent auditors maybe pre-approved. The Audit Committee has delegated interim pre-approval authority to Mr. Hansen, Chairman of the Audit Committee. Any interim pre-approval of permitted non-audit services is required to be reported to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

FIVE YEAR STOCK PERFORMANCE

The line graph below compares the Company's shareholder return with the return of the NASDAQ Bank Index and the Russell 2000 Index.

This performance graph was created by comparing the percentage change in stock prices for the Company and the indices on a year to year basis, factoring in dividend payments, and looking only at the closing price of the stock as of December 31 of each year surveyed. This graph may be affected by unusually high or low prices at December 31, 2000 or by temporary swings in stock price at December 31 of any given year. Accordingly, this is not necessarily the best measure of the Company's performance.

The index reflects the total return on the stock that is shown, including price appreciation, all stock splits and stock dividends, and reinvestment of cash dividends at time of payment, relative to the value of the stock at the beginning of the time period. Thus a move from 100 to 150 on the index scale indicates a 50% increase in the value of the investment. The NASDAQ Bank Index contains all non-holding company banking institutions traded on the NASDAQ exchange. In addition to traditional banks this includes thrifts but does not include other non-regulated finance companies. The Russell 2000 index is comprised of the smallest 2000 companies in the Russell 3000 Index, which tracks almost 99 percent of the stocks included in portfolios of institutional investors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires directors, executive officers, and 10% beneficial owners of the Company's common stock to file reports concerning their ownership of common stock. The Company believes that its officers, directors and 10% beneficial owners during 2005 complied with all filing requirements under Section 16(a), with the exception of one late filing of Form 4 by Eugene M. Jordan to report the transfer of shares from a family trust to Mr. Jordan individually.

SHAREHOLDER PROPOSALS FOR 2007 ANNUAL MEETING

In accordance with the bylaws of the Company as currently in effect, the 2007 Annual Meeting of Shareholders will be held on April 24, 2007.

If any shareholder intends to propose a matter for consideration at the Company's 2007 Annual Meeting (other than a director nomination), notice of the proposal must be received in writing by the Company's Secretary by February 7, 2007. If any shareholder intends to present a proposal to be considered for inclusion in the Company's proxy materials in connection with the 2007 Annual Meeting, the proposal must be in proper form and must be received by the Company at its main office in Hampton, Virginia, on or before November 24, 2006.

In addition, the proxy solicited by the Board of Directors for the 2007 Annual Meeting will confer discretionary authority to vote on any shareholder proposal presented at the meeting if the Company has not received notice of such proposal by February 7, 2007, in writing delivered to the Company's Secretary.
