Information Required in the Registration Statement

Item 3. Incorporation of Certain Documents by Reference

The following documents heretofore filed with the Securities and Exchange Commission (the "Commission") by Tupperware Brands Corporation (the "Company") (Commission File No. 1-11657) are incorporated herein by reference:

- (a) The Company's Annual Report on Form 10-K for the year ended December 31, 2005;
- (b) The Company's Quarterly Reports on Form 10-Q for the quarters ended April 1, 2006 and July 1, 2006; and
- (c) The description of the Company's Common Stock, \$.01 par value per share (the "Common Stock"), is contained in the information statement filed with the Commission under Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), including any subsequent amendment or report filed for the purpose of updating such descriptions.

All documents subsequently filed by the Company with the Commission pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the respective dates of filing of such documents (such documents, and the documents enumerated above, being hereinafter referred to as "Incorporated Documents").

Any statement contained in an Incorporated Document shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed Incorporated Document modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

In accordance with Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL"), the Company's Restated Certificate of Incorporation provides that directors will not be personally liable to the Company or its stockholders for monetary damages for breaches of their fiduciary duty as directors except for (i) breaches of their duty of loyalty to the Company or its stockholders, (ii) acts of omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) certain transactions under Section 174 of the DGCL (which concerns unlawful payments of dividends, stock purchases or redemptions) or (iv) transactions from which a director derives an improper personal benefit.

While the Company's Restated Certificate of Incorporation provides directors with protection from awards for monetary damages for breaches of their duty of care, it does not eliminate their duty of care. Accordingly, the Restated Certificate of Incorporation will have no effect on the availability of equitable remedies such as an injunction or rescission based on a director's breach of his or her duty of care. The provisions of the Restated Certificate of Incorporation described above apply to an officer of the Company only if he or she is a director of the Company and is acting in his or her capacity as director, and do not apply to the Company's officers who are not directors.

The Company's Restated Certificate of Incorporation provides that each person who is or was, or has agreed to become, a director or officer of the Company, or each such person who is or was serving or who had agreed to serve at the request of the Board or an officer of the Company as an employee or agent of the Company or as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, will be indemnified and held harmless by the Company, in accordance with the Company's Amended and Restated By-laws, to the fullest extent authorized by the DGCL as currently in effect (or, to the extent indemnification is broadened, as it may be amended). In addition, the Company may enter into one or more agreements with any person providing for indemnification greater or different than that provided in the Restated Certificate of Incorporation.

The Company's Amended and Restated By-laws provide that each person who is or was made a party to, or is threatened to be made a party to, any action, suit or proceeding by reason of the fact that he or she is or was a director, officer or employee of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another entity, will be indemnified and held harmless by the Company to the fullest extent authorized by the DGCL as currently in effect (or, to the extent indemnification is broadened, as it may be amended), against all expense, liability or loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred by such person in connection therewith. The Company's Amended and Restated By-laws also provide that the right to indemnification conferred thereby is a contract right and will include the right to be paid by the Company for the expenses incurred in defending the proceedings specified above, in advance of their final disposition, except that, if the DGCL so requires, the payment of such expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person while a director or officer) will be made only upon delivery to the Company by the director or officer of an undertaking to repay all amounts so advanced if it is ultimately

determined that such director or officer is not entitled to be indemnified under such provision or otherwise. The Company's Amended and Restated By-laws further provide that the Company may, by action of its Board, provide indemnification to its agents with the same scope and effect as the foregoing indemnification of directors, officers and employees.

The Company's Amended and Restated By-laws provide that persons indemnified thereunder may bring suit against the Company to recover unpaid amounts claimed thereunder, and that if such suit is successful, the expense of bringing such a suit will be reimbursed by the Company. It further provides that while it is a defense to such an action that the person claiming indemnification has not met the applicable standards of conduct making indemnification permissible under the DGCL, the burden of proving such defense will be on the Company and neither the failure of the Company's Board to have made a determination prior to the commencement of such action that indemnification is proper, nor an actual determination by the Company that the claimant has not met the applicable standard of conduct, will be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

The Company's Amended and Restated By-laws provide that the right to indemnification and payment of expenses incurred in defending a proceeding in advance of its final disposition conferred therein will not be exclusive of any other right that any person may have or may in the future acquire under any statute, provision of the Company's Restated Certificate of Incorporation and Amended and Restated By-laws, agreement, vote of stockholders, vote of disinterested directors or otherwise. The Amended and Restated By-laws permit the Company to maintain insurance, at its expense, on behalf of any person who is or was a director, officer, employee or agent of the Company, or is serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any expense, liability or loss, whether or not the Company would have the power to indemnify such person against such expense, liability or loss under the DGCL.

The Company also maintains a standard policy of officers' and directors' liability insurance providing coverage to its officers and directors.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

See the accompanying Exhibit Index for a list of Exhibits to this Registration Statement.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling

person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
