**Item 1.01. Entry into a Material Definitive Agreement.**

On September 27, 2006, we entered into a waiver agreement (the "Waiver") with RBC Centura Bank (the "Bank") with respect to a potential default under our credit facility with the Bank. The Waiver is filed as Exhibit 99.1 to this report and is incorporated herein by reference.

The necessity for the Waiver arose in connection with our entry into a letter of intent (the "Letter of Intent") with McAleer Computer Associates, Inc. ("MCAI"). Pursuant to the terms of the Letter of Intent, we have submitted an offer to purchase substantially all of the assets of the software systems and service business owned and operated by MCAI. Our entry into the Letter of Intent was previously disclosed in our Form 8-K filed on September 20, 2006. We believed that some of the terms of the Letter of Intent could potentially violate certain provisions of our credit documents with the Bank. Specifically, we have requested and were granted a waiver of certain provisions contained in the credit documents in order to allow us to use up to \$100,000 of loan proceeds from the Bank to make an earnest money deposit to MCAI, and generally to pursue an asset acquisition with MCAI under the terms set forth in the Letter of Intent.
