**Item 3.02 Unregistered Sales of Equity Securities.**

On November 18, 2007, Knight Capital Group, Inc. (the Company), Invisible Merger Sub LLC, a direct wholly-owned subsidiary of the Company (Merger Sub), EdgeTrade Inc. (EdgeTrade) and certain stockholders of EdgeTrade named therein, entered into a Merger Agreement and Plan of Reorganization (the Merger Agreement), pursuant to which EdgeTrade will be merged with and into Merger Sub, with Merger Sub continuing as the surviving entity as a direct wholly-owned subsidiary of the Company (the Merger).

Pursuant to the Merger Agreement, the Company will acquire EdgeTrade, a privately held company, for an aggregate consideration of approximately \$59.5 million comprised of cash and 2,285,296 shares of unregistered class A common stock, par value \$0.01 per share, of the Company (Company Common Stock), subject to adjustment based upon the Company's stock price prior to closing and the excess or deficit of working capital of EdgeTrade at the closing as determined in the Merger Agreement. If the weighted average trading price of the Company Common Stock for the five (5) full trading days preceding the closing date of the Merger (the Closing Price) is less than or equal to \$12.2522, then the number of shares of Company Common Stock issued by the Company shall be adjusted to equal \$28,000,000 divided by the Closing Price. If the Closing Price is equal to or greater than \$14.0026, then the number of shares of Company Common Stock issued by the Company shall be adjusted to equal \$32,000,000 divided by the Closing Price. A portion of the aggregate consideration will be placed in escrow to satisfy certain indemnification obligations of EdgeTrade and its stockholders.

The issuance of Company Common Stock to the stockholders of EdgeTrade in the Merger is expected to be exempt from the registration requirements under Section 4(2) of the Securities Act of 1933, as amended (the Securities Agreement), and the rules and regulations thereunder. Specifically, the issuance of the shares is expected to be exempt in reliance upon Rule 506 of Regulation D under the Securities Act because, among other things, the stock portion of the merger consideration will only be issued to accredited investors as defined in Rule 501 of the Securities Act.

Certain of the shares will carry certain piggyback registration rights. The transaction is intended to qualify as a tax-free reorganization for both the Company and EdgeTrade and their respective stockholders.

The Company expects the transaction to close in the first quarter of 2008, subject to the satisfaction of customary closing conditions.

**Item 7.01 Regulation FD Disclosure.**
