Section 5 Corporate Governance and Management

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 4, 2007, the Board of Directors (the Board) of Indevus Pharmaceuticals, Inc. approved an amendment and restatement of the Company's By-laws (the By-laws), effective December 4, 2007, in connection with changes in Delaware law and Nasdaq Marketplace Rule 4350(l) regarding uncertificated shares.

The revisions contained in the By-laws are limited to only Article VII and enable the Board to issue uncertificated shares. By being able to issue uncertificated shares, Indevus may now participate in the Direct Registration System, which is currently administered by The Depository Trust Company. The Direct Registration System allows investors to have securities registered in their names without the issuance of physical certificates and allows investors to electronically transfer securities to broker-dealers in order to effect transactions without the risks and delays associated with transferring physical certificates. The By-laws continue to provide that each registered stockholder shall be entitled to a stock certificate upon written request to the transfer agent or registrar of the Company. Additional related revisions were made throughout Article VII of the By-laws in connection with the changes discussed above regarding uncertificated shares. The full text of the By-laws, as amended, are filed as Exhibit 3.1 to this Current Report and incorporated herein by reference.
