**PROXY STATEMENT**

**INTRODUCTION**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The China Fund, Inc. (the Fund) for use at the Annual Meeting of Stockholders, to be held at the offices of Clifford Chance US LLP, 31 West 52<sup>nd</sup> Street, New York, New York 10019, on Thursday, March 6, 2008, at 9:00 A.M., local time, and at any adjournments thereof.

This Proxy Statement and the form of proxy are being mailed to stockholders on or about January 28, 2008. Any stockholder giving a proxy has the power to revoke it by mail (addressed to the Secretary, The China Fund, Inc., c/o State Street Bank and Trust Company, P.O. Box 5049, 2 Avenue de Lafayette, 6<sup>th</sup> Floor, Boston, Massachusetts 02206-5049), or in person at the meeting, by executing a superseding proxy or by submitting a notice of revocation to the Fund. All properly executed proxies received in time for the meeting will be voted as specified in the proxy or, if no specification is made, for the election of the directors described in this Proxy Statement and for the approval of elimination investment policy of the Fund with respect to investments in China companies. Abstentions are included in the determination of the number of shares present and voting at the meeting.

For purposes of determining the presence of a quorum for transacting business at the Meeting, executed proxies marked as abstentions will be treated as shares that are present for quorum purposes but which have not been voted. **Accordingly, abstentions will have no effect on Proposal 1, for which the required vote is a majority of the votes cast, but will effectively be no votes on Proposal 2 for which the required vote is either more than 50% of the outstanding shares or 67% of the shares present at the meeting provided that more than 50% of the outstanding shares are present.**

The Board of Directors has fixed the close of business on January 4, 2008 as the record date for the determination of stockholders entitled to notice of and to vote at the meeting and at any adjournments thereof. Stockholders on the record date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the record date, the Fund had outstanding 14,575,961 shares of common stock.

Management of the Fund knows of no item of business other than those mentioned in Proposals 1 and 2 of the Notice of Meeting that will be presented for consideration at the meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

**The Fund will furnish, without charge, a copy of its annual report for its fiscal year ended October 31, 2007 to any stockholder requesting such report. Requests for the annual report should be made by writing to The China Fund, Inc., c/o The Altman Group, Inc., 1275 Valley Brook Avenue, Lyndhurst, New Jersey 07071, Attention: Sylvia Hermina, by accessing the Fund's website at [www.chinafundinc.com](http://www.chinafundinc.com) or, or by calling (800) 249-7105.**

**PROPOSAL 1****ELECTION OF DIRECTORS**

The Fund's By-Laws provide that the Board shall be divided into three classes: Class I, Class II and Class III. The terms of office of the present directors in each class expire at the Annual Meeting in the year indicated or thereafter in each case when their respective successors are elected and qualified: Class III, 2008, Class I, 2009 and Class II, 2010. At each subsequent annual election, directors that are chosen to succeed those whose terms are expiring will be identified as being in the same class and will be elected for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors.

The terms of Messrs. Nigel Tulloch and Alan Tremain will expire at the 2008 Annual Meeting of Stockholders. Mr. Tremain, who has reached the Fund's mandatory retirement age, will not stand for election. Mr. William Kirby was elected as a Director by the Board as a Class III Director in September 2007 in anticipation of Mr. Tremain's retirement. Persons named in the accompanying form of proxy intend in the absence of contrary instructions to vote all proxies for the election of Messrs. Tulloch and Kirby to serve for a term expiring on the date on which the Annual Meeting of Stockholders is held in 2011, or until his successor is elected and qualified. Each nominee has indicated that he will serve if elected. If a nominee should be unable to serve, an event not now anticipated, the proxies will be voted for such person, if any, as is designated by the Board of Directors to replace the nominee. The election of a Director will require the affirmative vote of a majority of the votes cast at the meeting. For this purpose, abstentions will have no effect on the outcome of the election.

**Information Concerning the Nominee and Members of the Board of Directors**

The following table provides information concerning each of the Directors and the nominee of the Board of Directors of the Fund each of whom is not an interested person of the Fund, as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended ( 1940 Act ), and therefore is deemed to be independent. The nominees are listed first in the table. The terms of the Class I and Class II Directors do not expire this year.

- (1) The information as to beneficial ownership is based on statements furnished to the Fund by the nominee and other current Directors. The dollar value of the shares is based upon the market price on January 3, 2008.
- (2) The term "Family of Investment Companies" means two or more registered investment companies that share the same investment adviser or principal underwriter and hold themselves out to investors as related companies for the purposes of investment and investor services. There is one fund in the fund complex overseen by the Directors.

The Fund's Board of Directors has an Audit Committee, which is responsible for reviewing financial and accounting matters. The Fund's Audit Committee is comprised of Directors who are not interested persons of the Fund, and its actions are governed by the Fund's written Audit Committee Charter. The current members of the Audit Committee are Messrs. Holland, Kirby, Lightburn, Rogers, Tremain (who is retiring) and Tulloch. All members of the Audit Committee are independent as independence is defined in the New York Stock Exchange, Inc.'s listing standards, as may be modified or supplemented. The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "1934 Act"). The Audit Committee met four times during the fiscal year ended October 31, 2007. The Audit Committee has a charter which is available on the Fund's website ([www.chinafundinc.com](http://www.chinafundinc.com)).

The Fund's Board has a Nominating and Compensation Committee, comprised of the current members of the Audit Committee, which is responsible for nominating candidates to fill any vacancies on the Board. All of the members of the Nominating Committee are independent as independence is defined in the New York Stock Exchange, Inc.'s listing standards, as may be modified or supplemented and are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act). Currently, the Nominating and Compensation Committee does not consider nominees recommended by stockholders. The Nominating and Compensation Committee believes that it is not necessary to have such a policy because the Board consists entirely of Directors who are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act). The Nominating and Compensation Committee has a charter which is available on the Fund's website ([www.chinafundinc.com](http://www.chinafundinc.com)). The Nominating and Compensation Committee evaluates candidate's qualifications for Board membership and their independence from the Fund's managers and other principal service providers. The Nominating and Compensation Committee does not have specific minimum qualifications that must be met by a Nominating and Compensation Committee-recommended candidate and there is not a specific process for identifying such candidates. The Nominating Committee met once during the fiscal year ended October 31, 2007. The Nominating and Compensation Committee has a charter which is available on the Fund's website ([www.chinafundinc.com](http://www.chinafundinc.com)).

The Fund does not have a specified process for stockholders to send communications to the Board because stockholders are able to communicate directly with the Board at the Annual Meeting of Stockholders and the Fund's reports to stockholders disclose contact information which may be used to direct communications to the Board.

## Edgar Filing: CHINA FUND INC - Form DEF 14A

The Fund does not have a policy regarding Board member's attendance at the Annual Meeting of Stockholders. However, four Directors attended the 2007 Annual Meeting of Stockholders.

The Fund's Board of Directors held four regular meetings and four special meetings during the fiscal year ended October 31, 2007. Each Director attended at least seventy-five percent of the aggregate number of meetings of the Board and of any committee on which he served.

### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act requires the Fund's officers and Directors, and beneficial owners of more than ten percent of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange, Inc. The Fund believes that its officers and Directors have complied with all applicable filing requirements for the fiscal year ended October 31, 2006. Section 30(h) of the 1940 Act extends the reporting requirements under Section 16(a) of the 1934 Act to the investment advisers of the Fund and the officers and directors of such investment advisers. The Fund believes that its investment advisers and the officers and directors of such investment advisers have complied with all applicable filing requirements for the fiscal year ended October 31, 2007.

The following table sets forth in US dollars the aggregate compensation from the Fund paid to each Director during the fiscal year ended October 31, 2007.

## Stockholder Approval

Election of each listed nominee for Director requires the affirmative vote of the holders of a majority of the shares of common stock of the Fund voted at the Annual Meeting. **THE BOARD OF DIRECTORS OF THE FUND RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR EACH NOMINEE FOR DIRECTOR.**

### PROPOSAL 2

#### APPROVAL OF THE ELIMINATION OF

#### THE FUND'S FUNDAMENTAL INVESTMENT POLICY

#### REQUIRING AT LEAST 65% OF THE FUND'S ASSETS

#### TO BE INVESTED IN THE EQUITY SECURITIES OF CHINA COMPANIES (AS DEFINED)

At a meeting of the Fund's Board of Directors held on December 7, 2007, the Directors unanimously voted to approve, and to recommend that stockholders of the Fund approve, a change to the Fund's investment policies with respect to investments in China companies (defined below) to eliminate the current fundamental investment policy requiring the Fund to invest at least 65% of its assets in equity securities of China companies (as defined for purposes of this policy) (the "Proposed Change").

#### Investment Policies

The Fund's investment objective is long-term capital appreciation. The Fund seeks to achieve its objective by investing primarily in equity securities (i) of companies for which the principal securities trading market is in China, (ii) of companies for which the principal securities trading market is outside of China, or constituting direct equity investments in companies organized outside of China, that in both cases derive at least 50% of their revenues from goods or services sold or produced, or have at least 50% of their assets, in China or (iii) constituting direct equity investments in companies organized in China (collectively, "China companies").

The Fund currently has two investment policies setting forth minimum the percentages of its assets that are to be invested in the equity securities of companies in China and different approaches to what constitutes China for purposes of those policies.

The first policy was adopted when the Fund was established in 1992. This policy states that under normal market conditions, it is the policy of the Fund to invest substantially all, but not less than 65%, of its assets in equity securities of China companies (the "65% Policy"). The 65% Policy met regulatory policy requirements under the Investment Company Act of 1940, as amended (the "1940 Act"), until a regulatory change with respect to fund names became effective in 2001.

The second policy was adopted to comply with a new rule, Rule 35d-1 (the "Name Rule"), adopted by the SEC under the 1940 Act and which became effective March 31, 2001. The Name Rule requires mutual funds with a name suggesting that they focus their investments in a particular country, like the Fund, to meet an 80% investment requirement. In order to comply with the Name Rule, the Fund was required to adopt a policy that it would invest at least 80% of its assets in investments that are tied economically to the particular country suggested by its name. This policy states that the Fund will invest at least 80% of its assets in China and Taiwan companies (the "80% Policy").

For the purposes of both the 65% Policy and the 80% Policy China means the Peoples Republic of China, including Hong Kong. The 80% Policy also permits investment in Taiwan, which is formally known as the Republic of China.

### Reasons for the Proposed Change

As explained above, there are two investment policies that set forth percentages of the Fund's assets that are required to be invested in the equity securities of China companies – a 65% Policy and an 80% Policy. The 65% Policy was the Fund's original policy with respect to investments in China companies. The 80% Policy was added in response to regulatory changes and overlaps the 65% Policy. The Proposed Change will eliminate the requirement that not less than 65% of the Fund's assets be invested in China (including Hong Kong), but leave in place the requirement that the Fund invest at least 80% of its assets in China (including Hong Kong) and Taiwan. It is anticipated that the Proposed Change will provide the Fund additional flexibility to pursue investment opportunities in China companies in Taiwan. For example, since the Fund was established in 1992, Taiwan has undergone significant economic development, including a lessening of state involvement in investment and foreign trade and the privatization of some large government-owned industrial firms and banks. Taiwan's economy is now a dynamic capitalist and export-driven economy. Further, although certain trade restrictions still apply, China has become a major export market for Taiwan and a primary destination for Taiwan's foreign direct investments. Thus, Taiwan currently represents a major investment opportunity for the Fund.

In approving the Proposed Change, subject to the approval of the stockholders, the Board considered several factors. The Board considered that the Proposed Change is expected to permit the Fund the flexibility to pursue additional investment opportunities in Taiwan. In addition, the Board considered that the elimination of the 65% Policy would simplify and modernize the Fund's investment policies, making them more consistent with the types of investment policies adopted by newer funds. Further, the Board considered that the 65% Policy is a fundamental investment policy, as that term is defined by the 1940 Act and that the 80% Policy is not a fundamental policy. As a fundamental policy, any change to or the elimination of the 65% Policy requires the approval of both the Fund's Board and the Fund's stockholders. The 80% Policy may be changed with the approval of the Fund's Board provided, however, that the Fund must provide stockholders with at least 60 days' notice prior to any such change. The Board found that the elimination of the 65% Policy was reasonable on the basis that any changes to the 80% Policy would require Board approval and advance notice to stockholders.

### Directors' Recommendation

After considering the matters discussed above and other matters deemed relevant, the Directors determined that the Proposed Change is fair and in the best interests of the Fund and its stockholders. At the December 6, 2007 meeting, the Directors unanimously voted to recommend to stockholders that they approve the Proposed Change.

### Stockholder Approval

The approval of Proposal 2 requires a vote of either more than 50% of the outstanding shares or 67% of the shares present at the meeting provided that more than 50% of the outstanding shares are present. **THE BOARD OF DIRECTORS OF THE FUND RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL OF PROPOSAL 2.**
