Item 8.01 Other Events.

On May 5, 2008, in response to a recommendation by Institutional Shareholder Services, Inc., a shareholder advisory service, Infinity Property and Casualty Corporation (the Company) confirmed that management of the Company will make a presentation to its Board of Directors at its next meeting to be held on May 20, 2008, recommending amendment of (i) the 2002 Stock Option Plan (the SOP) to limit the aggregate number of additional shares that may be issued under the SOP to 354,960 shares (which is equivalent to the number of outstanding, unexercised stock options previously granted under the SOP), subject to pro rata adjustment for any future stock splits or stock dividends, and (ii) the 2008 Performance Share Plan (the Performance Plan) to limit the aggregate number of shares that may be issued under the Performance Plan to 500,000 shares, subject to pro rata adjustment for any future stock splits or stock dividends. The Company has not granted any stock options under the SOP since 2004. The Company acknowledges that the Performance Plan was submitted to its stockholders in its most recent proxy statement, dated April 14, 2008, for approval at the 2008 Annual Meeting of Shareholders to be held on May 20, 2008. The Performance Plan that was included with this proxy statement would have authorized the issuance of 1,000,000 shares but will instead be modified to limit the authorized number of shares to 500,000, effective immediately upon approval of such modification by the Board of Directors.
