On May 4, 2007, our board of directors authorized the issuance of a total of 17,500,000 shares of Series A Convertible Preferred Stock (the Series A Preferred ) as part of our previously reported recapitalization plan approved by our board on October 14, 2005. Shares of the Series A Preferred are convertible into shares of common stock at a conversion ratio of 65.191890 shares of common stock for each share of Series A Preferred. Holders of Series A Preferred are entitled to vote their shares on an as converted basis with the outstanding common stock and, as a result, represented approximately 70% of the total number of shares outstanding at the time their issuance was approved. The Series A Preferred conversion ratio is subject to adjustment as a result of stock splits or combinations involving the common stock, reclassifications, exchanges, substitutions or reorganizations. Shares of Series A Preferred are entitled to receive any dividend made on the common stock on an as converted basis. In the event of a voluntary or involuntary liquidation, dissolution or winding up of the company, the holders of the Series A Preferred will be entitled to receive their pro rata share of the assets of the company legally available for distribution determined on an as converted basis based on the conversion in effect at the time of liquidation.

The Series A Preferred were issued pursuant to an Extinguishment of Indebtedness and Stock Purchase Agreement dated October 14, 2005, with IVI Technologies, Inc., which beneficially owns approximately 61% of our outstanding common stock taking into account the Series A Preferred on an as converted basis.

Under our Articles of Incorporation, our board of directors approved the rights and preferences of the Series A Preferred on February 29, 2008. The Certificate of Designation of the Series A Preferred was filed with the Secretary of State of Nevada in May 2008.
