**PROXY STATEMENT FOR THE
2009 ANNUAL MEETING OF STOCKHOLDERS**

GENERAL INFORMATION

The Board of Directors of NETGEAR, Inc., a Delaware corporation, has made these materials available to you on the Internet or in printed proxy materials in connection with the solicitation of proxies for use at its 2009 Annual Meeting of Stockholders, which will take place at 10:00 a.m. local time on Tuesday, June 2, 2009 at its executive offices located at 350 East Plumeria Drive, San Jose, California 95134.

This proxy statement contains important information regarding our annual meeting. Specifically, it identifies the proposals on which you are being asked to vote, provides information you may find useful in determining how to vote and describes the voting procedures.

We use several abbreviations in this proxy statement. We may refer to our Company as NETGEAR, we, us or our. The term proxy materials includes this proxy statement and our Annual Report on Form 10-K for the year ended December 31, 2008, as well as the proxy or voter instruction card if you received or requested printed proxy materials.

We are mailing the proxy materials on or about April 22, 2009 to all of our stockholders as of the record date, April 3, 2009. Stockholders who owned NETGEAR common stock at the close of business on April 3, 2009 are entitled to attend and vote at the annual meeting. On the record date, we had approximately 34,379,316 shares of our common stock issued and outstanding and no shares of our preferred stock issued and outstanding. We had 37 stockholders of record as of the record date and our common stock was held by approximately 28,056 beneficial owners.

You may also view this proxy statement, as well as our Annual Report on Form 10-K for the year ended December 31, 2008, online at the following address: <http://materials.proxyvote.com/64111Q>.

Notice Regarding the Availability of Proxy Materials

Pursuant to rules adopted by the Securities and Exchange Commission, we have elected to provide access to the proxy materials over the Internet. Accordingly, we are sending a Notice Regarding the Availability of Proxy Materials (the Notice) to some of our stockholders. All stockholders will have the ability to access the proxy materials on the website referred to in the proxy materials and on the website referred to in the Notice. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice.

Voting Procedures

As a stockholder, you have the right to vote on certain business matters affecting us. The three proposals that will be presented at the annual meeting, and upon which you are being asked to vote, are discussed in the sections entitled Proposal One, Proposal Two, and Proposal Three. Each share of NETGEAR common stock you own entitles you to one vote. You can vote by:

returning the proxy or voter instruction card in the envelope provided, if you received or requested printed proxy materials;

Table of Contents

following the instructions on the Notice and voting on the Internet, if you received the Notice; or

attending the annual meeting and voting in person at the annual meeting.

Methods of Voting

Voting by Mail. If you received or requested printed proxy materials, then by signing and returning the proxy or voter instruction card according to the enclosed instructions, you are enabling our Chairman and Chief Executive Officer, Patrick C.S. Lo, and our Chief Financial Officer, Christine M. Gorjanc, who are named on the proxy and voter instruction card as proxies and attorneys-in-fact, to vote your shares as proxy holders at the meeting in the manner you indicate. We encourage you to sign and return the proxy or voter instruction card even if you plan to attend the meeting. In this way, your shares will be voted even if you are unable to attend the meeting.

Your shares will be voted in accordance with the instructions you indicate on the proxy or voter instruction card. If you submit the proxy or voter instruction card, but do not indicate your voting instructions, your shares will be voted as follows:

FOR the election of the director nominees identified in Proposal One;

FOR the approval of an amendment to the NETGEAR, Inc. 2003 Employee Stock Purchase Plan to increase the number of shares of NETGEAR, Inc. common stock authorized for sale thereunder by 500,000 shares; and

FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2009.

Voting on the Internet. If you received the Notice (as described above), you can vote by proxy over the Internet by following the instructions provided on the Notice.

Voting in Person at the Meeting. If you plan to attend the annual meeting and vote in person, we will provide you with a ballot at the meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in your name, but if you wish to vote at the meeting, you will need to bring with you to the annual meeting a legal proxy from your broker or other nominee authorizing you to vote these shares.

To reduce the expenses of delivering duplicate voting materials to our stockholders who may have more than one NETGEAR stock account, we are delivering only one set of the voting materials to certain stockholders who share an address unless otherwise requested. For stockholders receiving printed proxy materials, a separate proxy card is included in the voting materials for each of these stockholders. If you share an address with another stockholder and have received only one set of voting materials, you may request a separate copy of these materials at no cost to you by writing our Company Secretary at NETGEAR, Inc., 350 East Plumeria Drive, San Jose, California 95134, or calling our Company Secretary at (408) 907-8000. For future annual meetings, you may request separate voting materials, or request that we send only one set of voting materials to you if you are receiving multiple copies, by writing our Company Secretary at NETGEAR, Inc., 350 East Plumeria Drive, San Jose, California 95134, or calling our Company Secretary at (408) 907-8000. **You may receive a copy of NETGEAR's Annual Report on Form 10-K for the year ended December 31, 2008, including the Consolidated Financial Statements, schedules and list of exhibits, and any particular exhibit specifically requested by sending a written request to NETGEAR, Inc., 350 East Plumeria Drive, San Jose, California 95134, Attn: Corporate Secretary.**

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the annual meeting. In order to do this, you may either:

sign and return another proxy bearing a later date;

provide written notice of the revocation to Andrew W. Kim, our Vice President, Legal and Corporate Development and Company Secretary, at NETGEAR, Inc., 350 East Plumeria Drive, San Jose, California 95134, prior to the time we take the vote at the annual meeting; or

attend the meeting and vote in person.

Quorum Requirement

A quorum, which is a majority of our outstanding shares as of the record date, must be present in order to hold the meeting and to conduct business. Your shares will be counted as being present at the meeting if you appear in person at the meeting, if you vote on the Internet, or if you submit a properly executed proxy or voter instruction card.

Votes Required for Each Proposal

The vote required and method of calculation for the proposals to be considered at the annual meeting are as follows:

Proposal One Election of Directors. The nine director nominees receiving the highest number of votes, in person or by proxy, will be elected as directors. You may vote (i) for all nominees, (ii) withhold for all nominees or (iii) withhold for certain nominees by indicating the name(s) of such nominees on your proxy or voter instruction card.

Proposal Two Approval of an amendment to the NETGEAR, Inc. 2003 Employee Stock Purchase Plan. Approval of an amendment to the NETGEAR, Inc. 2003 Employee Stock Purchase Plan will require the affirmative vote of a majority of the shares present at the annual meeting, in person or by proxy. You may vote for, against, or abstain from voting on this proposal.

Proposal Three Ratification of PricewaterhouseCoopers LLP as Independent Registered Public Accounting Firm. Ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm will require the affirmative vote of a majority of the shares present at the annual meeting, in person or by proxy. You may vote for, against, or abstain from voting on the proposal to ratify PricewaterhouseCoopers LLP as our independent registered public accounting firm.

Abstentions and Broker Non-Votes

If you return a proxy or voter instruction card that indicates an abstention from voting on all matters, the shares represented will be counted as present for the purpose of determining a quorum, but they will not be voted on any matter at the annual meeting. Consequently, if you abstain from voting on the proposal to approve an amendment to the NETGEAR, Inc. 2003 Employee Stock Purchase Plan or the proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm, your abstention will have the same effect as a vote against that proposal.

Under the rules that govern brokers who have record ownership of shares that are held in street name for their clients, who are the beneficial owners of the shares, brokers have discretion to vote these shares on routine matters but not on non-routine matters. Thus, if you do not otherwise instruct your broker, the broker may turn in a proxy or voter instruction card voting your shares FOR routine matters but expressly instructing that the broker is NOT voting on non-routine matters. A broker non-vote occurs when a broker expressly instructs on a proxy or voter instruction card that it is not voting on a matter, whether routine or non-routine. Broker non-votes

Table of Contents

are counted for the purpose of determining the presence or absence of a quorum but are not counted for determining the number of votes cast for or against a proposal. Your broker will have discretionary authority to vote your shares on Proposals One (Election of Directors) and Three (Ratification of Appointment of Independent Registered Public Accounting Firm), which are routine matters.

Proxy Solicitation Costs

We will bear the entire cost of proxy solicitation, including the preparation, assembly, printing and mailing of proxy materials. We expect our Vice President, Legal and Corporate Development and Company Secretary, Andrew W. Kim, to tabulate the proxies and act as inspector of the election.

Deadline for Receipt of Stockholder Proposals for 2010 Annual Meeting

As a stockholder, you may be entitled to present proposals for action at a forthcoming meeting if you comply with the requirements of the proxy rules established by the Securities and Exchange Commission. Proposals by our stockholders intended to be presented for consideration at our 2010 Annual Meeting of Stockholders must be received by us no later than December 23, 2009 (120 calendar days prior to the anniversary of the mailing date of this proxy statement), in order that they may be included in the proxy statement and form of proxy related to that meeting. The submission of the stockholder proposal does not guarantee that it will be included in our 2010 proxy statement.

The Securities and Exchange Commission rules establish a different deadline with respect to discretionary voting for stockholder proposals that are not intended to be included in a company's proxy statement. The proxy and voter instruction card grants the proxy holders discretionary authority to vote on any matter raised at the annual meeting. The discretionary vote deadline for our 2010 annual meeting is March 8, 2010, which is 45 calendar days prior to the anniversary of the mailing date of this proxy statement. If a stockholder gives notice of a proposal after the discretionary vote deadline, our proxy holders will be allowed to use their discretionary voting authority to vote against the stockholder proposal when and if the proposal is raised at our 2010 annual meeting.

In addition, our amended and restated bylaws establish an advance notice procedure with regard to specified matters, including stockholder proposals and director nominations, which are proposed to be properly brought before an Annual Meeting of Stockholders. To be timely, a stockholder's notice shall be delivered no less than 120 days prior to the date of the annual meeting specified in the proxy statement provided to stockholders in connection with the preceding year's annual meeting, which is February 2, 2010 in connection with our 2010 Annual Meeting of Stockholders. In the event that no annual meeting was held in the previous year or the date of the annual meeting is changed by more than 30 days from the date contemplated at the time of the previous year's proxy statement, notice by the stockholder must be received not later than the tenth business day following the day notice of the date of the meeting was mailed or public disclosure was made, whichever occurs first. A stockholder's notice shall include: (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (ii) the name and address of the stockholder proposing such business, (iii) the class and number of shares of our stock which are beneficially owned by the stockholder, (iv) any material interest of the stockholder in such business and (v) any other information required by the Securities Exchange Act of 1934, as amended (the "1934 Act"). In addition, if a stockholder wishes to nominate a candidate for director, the stockholder's notice shall also include the following information for the candidate: (i) name, age, business address and residence address, (ii) principal occupation or employment of such nominee, (iii) class and number of shares of our stock beneficially owned by such nominee, (iv) description of all arrangements between the stockholder and the nominee and (v) any other information required by the 1934 Act (including the candidate's written consent to being named in the proxy statement as a nominee and to serving as a director if elected). A copy of the full text of our amended and restated bylaws is available from our Corporate Secretary upon written request. Proposals should be sent to our Corporate Secretary, c/o NETGEAR, Inc., 350 East Plumeria Drive, San Jose, California 95134.

Nomination of Director Candidates

The Nominating and Corporate Governance Committee considers candidates for Board membership suggested by members of our Board of Directors, management and stockholders. It is the policy of the Nominating and Corporate Governance Committee to consider recommendations for candidates to our Board of Directors from stockholders by submitting: the candidate's name; home and business contact information; detailed biographical data and qualifications; information regarding any relationships between the candidate and NETGEAR within the last three years; and evidence of the nominating person's ownership or beneficial ownership of NETGEAR stock and amount of stock holdings. The Nominating and Corporate Governance Committee will consider persons recommended by our stockholders in the same manner as a nominee recommended by our Board of Directors, individual board members or management. See "Election of Directors Policy for Director Recommendations and Nominations" for additional information.

In addition, a stockholder may nominate a person directly for election to our Board of Directors at an annual meeting of our stockholders provided such person meets the requirements set forth in our amended and restated bylaws and the rules and regulations of the Securities and Exchange Commission related to stockholder proposals. The process for properly submitting a stockholder proposal, including a proposal to nominate a person for election to our Board of Directors at an annual meeting, is described above in the section entitled "Deadline for Receipt of Stockholder Proposals for 2010 Annual Meeting."

Stockholder Communications to Directors

Stockholders may communicate directly with our Board of Directors by writing to them c/o NETGEAR, Inc., 350 East Plumeria Drive, San Jose, California 95134. Unless the communication is marked "confidential," our Company Secretary will monitor these communications and provide appropriate summaries of all received messages to the Chairperson of our Nominating and Corporate Governance Committee. Any stockholder communication marked "confidential" will be logged as received, but will not be reviewed by the Company Secretary. Such confidential correspondence will be immediately forwarded to the Chairperson of the Nominating and Corporate Governance Committee for appropriate action. Where the nature of a communication concerns questionable accounting or auditing matters directed directly to the Audit Committee, our Company Secretary will log the date of receipt of the communication as well as (for non-confidential communications) the identity of the correspondent in the Company's stockholder communications log.

Table of Contents**PROPOSAL ONE****ELECTION OF DIRECTORS****Nominees**

In the event the nominees are unable or decline to serve as a director at the time of the annual meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. We are not aware that any nominee will be unable or will decline to serve as a director. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as to assure the election of the nominees listed above.

Vote Required

If a quorum is present and voting, the nine nominees receiving the highest number of votes will be elected to our Board of Directors. Abstentions are not counted in the election of directors. The Nominating and Corporate Governance Committee will consider persons recommended by our stockholders in the same manner as a nominee recommended by our Board of Directors, individual Board members or management.

In addition, a stockholder may nominate a person directly for election to our Board of Directors at an annual meeting of our stockholders provided they meet the requirements set forth in our amended and restated bylaws and the rules and regulations of the Securities and Exchange Commission related to stockholder proposals. of the members of the committee, the Board or management. In its evaluation of director candidates, including the members of our Board of Directors eligible for re-election, the Nominating and Corporate Governance Committee considers a number of factors, including the following:

the current size and composition of the Board of Directors and the needs of the Board of Directors and the respective committees of the Board; and

such factors as judgment, independence, character and integrity, area of expertise, diversity of experience, length of service, and potential conflicts of interest.

In connection with its evaluation, the Nominating and Corporate Governance Committee determines whether it will interview potential nominees. After completing the evaluation and review, the Nominating and Corporate Governance Committee approves the nominees for election to our Board of Directors.

In order to encourage continuing director education, the Nominating and Corporate Governance Committee has established a budget for director compensation of \$6,000 over any two-year period for each director. Directors serving on multiple boards are encouraged to obtain pro rata reimbursement of their director education expenses from each corporation that they serve.

As a result of the current global economic climate, our non-employee directors agreed not to take any cash compensation associated with their membership on the Board or any committee for the first quarter of 2009.

Directors and officers have a five year period in which to achieve the required compliance level.

PROPOSAL TWO

APPROVAL OF AN AMENDMENT TO THE NETGEAR, INC. 2003

EMPLOYEE STOCK PURCHASE PLAN

The stockholders are being asked to approve an amendment to the NETGEAR, Inc. 2003 Employee Stock Purchase Plan (the Purchase Plan). A total of 500,000 shares of our common stock were initially authorized for sale under the Purchase Plan. The Purchase Plan is a significant part of our overall equity compensation strategy, especially with respect to our non-executive employees and is one of the primary programs through which our employees may achieve ownership in the Company and thereby share in the success of our Company. Therefore, the Board has approved an amendment to the Purchase Plan to increase the number of shares of NETGEAR, Inc. common stock authorized for sale under the Purchase Plan by 500,000 shares to a total of 1,000,000 shares, subject to stockholder approval at the Annual Meeting. As of March 31, 2009, without giving effect to the proposed amendment, a total of 110,289 shares were available for sale under the Purchase Plan. The Purchase Plan is not being amended in any other material respect.

Summary of the NETGEAR, Inc. 2003 Employee Stock Purchase Plan

The following is a summary of the principal features of the Purchase Plan and its operation. The summary is qualified in its entirety by reference to the Purchase Plan as set forth in Appendix A.

General

The Purchase Plan was originally adopted by the Board in April 2003 and approved by our stockholders in July 2003. The Board approved the amendment to increase the number of shares of NETGEAR, Inc. common stock authorized for sale under the Purchase Plan by 500,000 shares on March 23, 2009, subject to stockholder approval at the Annual Meeting. The purpose of the Purchase Plan is to provide eligible employees with an opportunity to purchase shares of the Company's common stock through payroll deductions.

Shares Available for Issuance

If our stockholders approve this proposal, a total of 1,000,000 shares of our common stock will be authorized for sale under the Purchase Plan.

Administration

The Board or a committee appointed by the Board (referred to herein as the Administrator) administers the Purchase Plan. All questions of interpretation or application of the Purchase Plan are determined by the Administrator and its decisions are final and binding upon all participants.

Eligibility

Each of the Company's (or the Company's designated subsidiaries) common law employees whose customary employment with the Company or one of the Company's designated subsidiaries is at least twenty hours per week and more than five months in a calendar year is eligible to participate in the Purchase Plan; except that no employee will be granted an option under the Purchase Plan (i) to the extent that, immediately after the grant, such employee would own 5% or more of the total combined voting power of all classes of the Company's capital stock or the capital stock of any parent or subsidiary of the Company, or (ii) to the extent that his or her rights to purchase stock under all of the Company's employee stock purchase plans accrues at a rate which exceeds \$25,000 worth of stock (determined at the fair market value of the shares at the time such option is granted) for each calendar year. As of March 31, 2009, approximately 561 employees, including all of our executive officers, would be eligible to participate in the Purchase Plan.

Table of Contents

The Administrator, in its sole discretion and prior to an offering date, may determine that an individual will not be eligible to participate if he or she: (i) has not completed at least two years of service since his or her last hire date, (ii) customarily works not more than twenty hours per week (or such lesser period of time as determined by the Administrator in its discretion), (iii) customarily works not more than five months per calendar year (or such lesser period of time as may be determined by the Administrator in its sole discretion), (iv) is an executive, officer or other manager, or (v) is a highly compensated employee, as determined under Section 414(q) of the Internal Revenue Code of 1986, as amended (the Code). In addition, the Administrator, in its discretion, may from time to time exclude certain employees of designated subsidiaries of the Company who participate in the non-423(b) component of the Purchase Plan from being eligible to participate in the Purchase Plan.

Offering Period

Unless the Administrator determines otherwise, each offering period under the Purchase Plan will have a duration of approximately six (6) months, commencing on February 1 and August 1 of each year and terminating on the following January 31 and July 31, or the immediately preceding trading day if January 31 or July 31 is not a trading day.

To participate in the Purchase Plan, an eligible employee must authorize payroll deductions pursuant to the Purchase Plan, which may not exceed 10% of a participant's eligible compensation during the offering period, unless the Administrator provides otherwise. During an offering period, a participant may increase or decrease the rate of payroll deductions in an offering period within limits set by the Administrator.

Once an employee becomes a participant in the Purchase Plan, the employee continues to participate in each successive offering period until the employee withdraws from the Purchase Plan or the employee's employment with the Company or one of the Company's designated subsidiaries terminates. On the first trading day of each offering period, each participant is granted an option to purchase shares of the Company's common stock. The option expires at the end of the offering period, or potentially earlier in connection with an employee's termination (described below), but is exercised on the last trading day of the offering period to the extent of the payroll deductions accumulated during such offering period.

Purchase Price

Unless and until the Administrator determines otherwise, the purchase price for shares is 85% of the fair market value of the common stock on the last trading day of the offering period. The fair market value of common stock on any relevant date generally will be the closing price per share as reported on any established stock exchange or a national market system, as quoted on such exchange or reported in The Wall Street Journal.

Payment of Purchase Price; Payroll Deductions

The number of whole shares of common stock that a participant may purchase in each offering period is determined by dividing the total amount of payroll deductions withheld from the participant's compensation during that offering period by the purchase price; provided, however, that a participant may not purchase more than 10,000 shares each offering period.

Withdrawal

Generally, a participant may withdraw all but not less than all of his or her payroll deductions from an offering period at any time by written notice prior to the last trading day of the offering period without affecting his or her eligibility to participate in future offering periods. Once a participant withdraws from a particular offering period, however, that participant may not participate again in the same offering period. To participate in a subsequent offering period, the participant must deliver a new subscription agreement to the Company.

Table of Contents

Termination of Employment

Upon termination of a participant's employment for any reason, including death or disability, he or she will be deemed to have elected to withdraw from the Purchase Plan and any payroll deductions credited to the participant's account (to the extent not used to make a purchase of the Company's common stock) will be returned to him or her or, in the case of death, to the person or persons entitled thereto as provided in the Purchase Plan, and such participant's option will automatically be terminated.

Adjustments upon Changes in Capitalization, Dissolution or Liquidation, or Change of Control

Changes in Capitalization. Subject to any required action by our stockholders, in the event of any stock split, reverse stock split, stock dividend, combination or reclassification of our common stock, or any other change in the number of shares of common stock effected without receipt of consideration by the Company (provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration), appropriate adjustments will be made in the purchase price per share and the number of shares of common stock covered by each option under the Purchase Plan (which has not yet been exercised), as well as to the number of the shares available for purchase under the Purchase Plan and the per-person numerical limits on the number of shares that may be purchased under the Purchase Plan.

Dissolution or Liquidation. In the event of the Company's proposed dissolution or liquidation, the offering period then in progress will be shortened by setting a new exercise date on which such offering periods will end, unless provided otherwise by the Administrator. The new exercise date will be prior to the dissolution or liquidation. If the Administrator shortens any offering periods then in progress, the Administrator will notify each participant in writing, at least ten business days prior to the new exercise date, that the exercise date has been changed to the new exercise date and that the participant's option will be exercised automatically on the new exercise date, unless the participant has already withdrawn from the offering period.

Change of Control. In the event of a change of control, as defined in the Purchase Plan, each option under the Purchase Plan will be assumed or an equivalent option will be substituted by the successor corporation or a parent or subsidiary of such successor corporation. In the event the successor corporation refuses to assume or substitute for the options, any offering periods then in progress will be shortened by setting a new exercise date on which such offering periods will end. The new exercise date will be prior to the change of control. Further, the Administrator will notify each participant in writing, at least ten business days prior to the new exercise date, that the exercise date has been changed to the new exercise date and that the participant's option will be exercised automatically on the new exercise date, unless the participant has already withdrawn from the offering period.

Amendment and Termination of the Purchase Plan. The Administrator may, at any time and for any reason, terminate, amend or suspend the Purchase Plan, including the term of any offering period then outstanding. Generally, no such termination can adversely affect options previously granted and stockholder approval will be sought for certain changes as required by applicable law.

Table of Contents**Participation in Plan Benefits**

Participation in the Purchase Plan is voluntary and is dependent on each eligible employee's election to participate and his or her determination as to the level of payroll deductions. Accordingly, future purchases under the Purchase Plan are not determinable. Non-employee directors are not eligible to participate in the Purchase Plan. No purchases have been made under the amended Purchase Plan since its adoption by the Board. For illustrative purposes, the following table sets forth (i) the number of shares of our common stock that were purchased during the last fiscal year under the Purchase Plan, (ii) the average price per share paid for such shares, and (iii) the fair market value at the date of purchase.

Certain Federal Income Tax Information

The following brief summary of the effect of federal income taxation upon the participant and the Company with respect to the shares purchased under the Purchase Plan does not purport to be complete, and does not discuss the tax consequences of a participant's death or the income tax laws of any state or foreign country in which the participant may reside.

The Purchase Plan, and the right of participants to make purchases thereunder, is intended to qualify under the provisions of Sections 421 and 423 of the Code. Under these provisions, no income will be taxable to a participant until the shares purchased under the Purchase Plan are sold or otherwise disposed of. Upon sale or other disposition of the shares, the participant will generally be subject to tax in an amount that depends upon the holding period. If the shares are sold or otherwise disposed of more than two years from the first day of the applicable offering period and one year from the applicable date of purchase, the participant will recognize ordinary income measured as the lesser of (a) the excess of the fair market value of the shares at the time of such sale or disposition over the purchase price, or (b) an amount equal to 15% of the fair market value of the shares as of the first day of the applicable offering period. Any additional gain will be treated as long-term capital gain. If the shares are sold or otherwise disposed of before the expiration of these holding periods, the participant will recognize ordinary income generally measured as the excess of the fair market value of the shares on the date the shares are purchased over the purchase price. Any additional gain or loss on such sale or disposition will be long-term or short-term capital gain or loss, depending on how long the shares have been held from the date of purchase. The Company generally is not entitled to a deduction for amounts taxed as ordinary income or capital gain to a participant except to the extent of ordinary income recognized by participants upon a sale or disposition of shares prior to the expiration of the holding periods described above.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON PARTICIPANTS AND THE COMPANY UNDER THE PURCHASE PLAN. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF A PARTICIPANT'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT MAY RESIDE.

Before selecting and prior to determining to continue its engagement for 2009 with PricewaterhouseCoopers LLP, the Audit Committee carefully considered PricewaterhouseCoopers LLP's qualifications as independent registered public accounting firm. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee's review also included matters required to be considered under the Securities and Exchange Commission's rules on auditor independence, including the nature and extent of non-audit services, to ensure that the auditors' independence will not be impaired. The Audit Committee pre-approves all audit and non-audit services provided by PricewaterhouseCoopers LLP, or subsequently approves non-audit services in those circumstances where a subsequent approval is necessary and permissible. All of the services provided by PricewaterhouseCoopers LLP described under Audit-Related Fees, Tax Fees, and All Other Fees were pre-approved by the Audit Committee. The Audit Committee of our Board of Directors has determined that the provision of non-audit related services by PricewaterhouseCoopers LLP is compatible with maintaining the independence of PricewaterhouseCoopers LLP as our independent registered public accounting firm.

Such shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

Unless otherwise indicated below, the address of each beneficial owner listed in the table is c/o NETGEAR, Inc., 350 East Plumeria Drive, San Jose, California 95134. The percentages in the table below are based on 34,379,316 shares of our common stock outstanding as of March 13, 2009. COMPENSATION DISCUSSION AND ANALYSIS

General Compensation Philosophy

We compete in an aggressive and dynamic industry and, as a result, our Board of Directors believes that finding, motivating and retaining quality employees, particularly senior managers, sales personnel and technical personnel, are important factors to our future success.

Our compensation programs aim to address a number of objectives, including attracting and retaining highly qualified executive officers, rewarding individual contribution, loyalty, teamwork and integrity, and motivating management to achieve returns for our stockholders. Our programs are geared for short and long-term performance with the goal of increasing stockholder value over the long term. Executive compensation programs impact all employees by setting general levels of compensation and helping to create an environment of goals, rewards and expectations. Because we believe the performance of every employee is important to our success, we are mindful of the effect executive compensation and incentive programs have on all of our employees.

We believe that the compensation of our executives should reflect their success as a management team in attaining key operating objectives, such as growth of sales, growth of operating earnings and earnings per share, growth or maintenance of market share, long-term competitive advantage, and ultimately, in attaining an increased market price for our common stock. We believe that the performance of our executives in managing the Company, considered in light of general economic conditions, our company and industry, and competitive conditions, should be the basis for determining their overall compensation. We also believe that their compensation should not be based on the short-term performance of our stock, whether favorable or unfavorable, as we expect the price of our stock will, in the long-term, reflect our operating performance, and ultimately, the management of the Company by our executives.

Designing a Competitive Compensation Package

Recruitment and retention of our executive management require a competitive compensation package. Our Compensation Committee has the responsibility for evaluating the executive compensation plans, policies, and programs of the Company and making such recommendations or changes as it deems appropriate. Our Compensation Committee's approach emphasizes fixing total compensation for executives, which consists of base salary and benefits, annual cash incentive and long-term incentive awards, at approximately the median of our peer group (the Peer Group). The Peer Group consists of 13 publicly traded companies from the computer peripheral and communications equipment industries and of comparable size to us: 3Com Corp., Avocent Corp., Brocade Communications Systems, Inc., Digi International, Inc., Emulex Corp., Extreme Networks, Inc., Foundry Networks, Inc., Juniper Networks, Inc., Keytronic Corp., McData Corp., MRV Communications, Inc., Network Equipment Technologies, Inc. and Radisys Corp. Statistical analysis is used to adjust all market compensation data to reflect the current annual revenues of the Company given the variation in size of the companies from which compensation data is collected. Each element of compensation as well as total compensation are quantified and reviewed to determine the Company's competitiveness compared to the market. Precise comparisons of some forms of compensation are not possible due to lack of data or different valuation approaches for compensation that is contingent, of uncertain duration or not dollar or share-based. Therefore, certain comparisons are based on observations generally rather than comparison survey data. When data is not current through the most recent year, estimates are made to update values.

The Compensation Committee engages Compensation Strategies, Inc., an independent third party compensation consulting firm, to assist in selecting the Peer Group and gathering general industry compensation data. The consultant reports directly to the Compensation Committee but has been authorized by the Compensation Committee to work with certain executive officers of the Company. The consultant conducts regular reviews of total compensation of the Company's executive group. The consultant also provides advice with respect to other executive and Board compensation issues that might arise during the year.

Table of Contents

In determining the appropriate individual compensation levels for executives, the Compensation Committee considers the Peer Group compensation data as well as the individual's tenure, experience, skills, and individual and Company performance. Compensation levels for all executives, except our CEO, are developed by the Compensation Committee in consultation with our CEO and the compensation consultant. The Compensation Committee engages in an active dialogue with our CEO concerning the Company's strategic objectives and performance targets. The Compensation Committee reviews the appropriateness of the financial measures used in the incentive plans and the degree of difficulty in achieving specific performance targets. The Compensation Committee also reviews with our CEO the individual responsibilities, abilities and objectives achieved in the prior year for each of the executive officers. In the case of the CEO, the Compensation Committee develops its own recommendation in executive session without the CEO, or any other member of management, present. The Compensation Committee then presents its recommendation for executive compensation to the independent members of the Board for final review and approval.

Fixed Compensation

Principal elements of fixed compensation consist of base salary and benefits (e.g., 401(k) plan, health, life and disability insurance and employee stock purchase plan). We target the value of fixed compensation generally at the median of the Peer Group to facilitate a competitive recruitment and retention strategy. As a result, base salary for senior executives is generally set at approximately the 50th percentile of the Peer Group with individual variations based on job scope, tenure, retention risk and other factors relevant to the Compensation Committee. Increases in base salary reflect assessed performance, providing a performance link to this element of fixed compensation. Base salaries are generally reviewed by the Compensation Committee and approved annually by the independent members of the Board in the first quarter of the year. For 2008, base salary for the named executive officers were set at approximately the median of the Peer Group, resulting in percentage salary increases for the Company's named executive officers ranging from 4.4% to 29.0% effective as of January 1, 2008. Ms. Gorjanc's base salary increase for 2008 reflects her promotion from Chief Accounting Officer to Chief Financial Officer. As a group, the named executive officers' base salaries were slightly below the 50th percentile of the Peer Group for 2008. For 2009, as a result of the current global economic climate, base salary for the named executive officers was frozen at 2008 levels. Also, as a result of the current global economic climate, in the first quarter of 2009 our Board approved a temporary 10% reduction in the base salary of all full time senior managers at the vice president level or above including the CEO, CFO and other named executive officers.

We provide various employee benefit programs to our executive officers, including health, life and disability insurance, a 401(k) plan and the opportunity to purchase our common stock through payroll deductions at a discounted price through our 2003 Employee Stock Purchase Plan. These benefit programs are generally available to all our employees.

Incentive Compensation

Our executive incentive compensation is linked directly to our sales and earnings growth and long-term total return to stockholders. Our incentive compensation awards include annual cash incentives tied to the current year's performance and equity awards that generally vest over four years to reward long-term performance.

Annual Incentive Plan. All of our employees, including our executive officers, participate in an annual incentive plan. Each commissioned employee, including certain of our sales executives, participates under an annual sales commission plan and is eligible to receive a cash commission based upon the achievement of certain quarterly sales goals and objectives and of individual objectives, in each case established at the beginning of the calendar year. Each non-commissioned employee, including certain of our executives, participates under our annual bonus plan and is eligible to receive a cash bonus primarily based upon the level of annual operating income achieved by the Company and the achievement of individual objectives, in each case established at the beginning of the calendar year. Bonuses under the annual bonus plan are generally paid after the filing of our Annual Report on Form 10-K for that calendar year is completed, which is generally in the first quarter of the following year, or earlier at the discretion of the Board.

Table of Contents

Under their 2008 annual sales commission plans, Messrs. Soares and Werdann each were eligible to receive a sales commission based upon a modified measure of profit contribution achieved by the Company as measured on a quarterly basis, with a target objective in part derived from the Company's 2008 annual operating plan that is approved by our Board at the beginning of 2008. The commission plan also provides for the ability of Messrs. Soares and Werdann to earn up to three times the commission rate for overachieving above the target measure of profit contribution. There is no cap on the amount of commission that may be earned under these plans. The amount of the earned commission is calculated and paid on a quarterly basis. Based on the Company's performance in 2008, Mr. Werdann received an earned commission of approximately \$162,000. Mr. Soares only participated in his commission plan in the first quarter of 2008, as he was transferred to the 2008 executive bonus plan following the first quarter of 2008. Based on the Company's performance in the first quarter of 2008, Mr. Soares received an earned commission of approximately \$73,000.

Under the 2008 executive bonus plan, our Chief Executive Officer was eligible to receive an incentive bonus of between 50% to 200% of his base salary, and each other participating executive officer was eligible to receive an incentive bonus of between 25% to 75% of his or her base salary, in each case based upon the level of annual operating income achieved by the Company, provided however, that a minimum operating income threshold must be achieved before any bonus is earned. The target bonus for our Chief Executive Officer was 100% of base salary and the target bonus for each other participating executive officer was 50% of base salary, and such target bonus was based upon us achieving the annual operating income target under our 2008 annual operating plan reviewed and approved by our Board of Directors at the beginning of 2008. Our Board of Directors also had the authority to increase or decrease the bonus achievement threshold of our Chief Executive Officer by up to 20% based upon his personal job performance over the course of 2008. The Company believes that the target performance goal was set at an appropriate level based on market and industry expectations at that time and that it was realistic and achievable. In addition, once the eligible bonus is determined based upon the level of annual operating income achieved, 40% of such bonus is then conditional upon the executive's achievement of his or her individual annual objectives. Based on our 2008 annual operating income falling below the minimum threshold set forth in the 2008 executive bonus plan, no bonuses were paid to the Chief Executive Officer or participating executive officers. In addition, as a result of the current global economic climate, the Company temporarily suspended the annual bonus plan for all non-commissioned employees, including the named executive officers, for 2009.

Equity Awards. We provide long-term incentives through our 2003 Stock Plan (2003 Plan) and our Amended and Restated 2006 Long-Term Incentive Plan (2006 Plan). Equity grants are periodically granted under the 2003 Plan and the 2006 Plan to provide additional incentive to executives and other employees to maximize long-term total return to our stockholders. We generally provide an initial grant upon employment commencement and subsequent smaller annual refresh grants. We may grant a mixture of equity grants, including stock options, restricted stock and restricted stock units. We believe that equity grants are a particularly strong incentive, because they increase in value to our employees as the fair market value of our common stock increases. In the case of restricted stock and restricted stock units which have immediate underlying value, such awards also provide a retention benefit over the vesting period of the awards.

With respect to the size of the equity awards granted to our executive officers, the Compensation Committee considers the executive's position, the executive's individual performance, the number of equity awards held (if any), the extent to which those equity awards are vested and any other factors that our Board of Directors may deem relevant. The Compensation Committee makes a formal recommendation to the independent members of the Board of Directors of any proposed awards for their review and approval. Equity awards for our executive officers are only granted during a Board meeting, which meetings are scheduled a year in advance to minimize the discretionary selection of grant dates.

As part of the annual compensation review in the first quarter, we generally provide annual refresh equity awards to our executive officers for that year. The named executive officers received a combination of option and restricted stock unit awards, as detailed in the Grants of Plan-Based Awards table below. In the first quarter of

Table of Contents

2009, we provided annual refresh option and restricted stock unit awards to our named executive officers at a level that targeted their total compensation to be at the median of the Peer Group.

We have also adopted stock ownership guidelines for our executive officers to own and hold common stock of the Company to further align their interests and actions with the interests of our stockholders. Under the guidelines, our Chief Executive Officer is expected to eventually own approximately five times his annual base salary. Other executive officers are expected to achieve ownership levels equal to approximately one to three times base salary. Executive officers have a five year period in which to achieve the required compliance level. Shares owned directly by the executive, unvested restricted stock units, and shares held in a Section 401(k) or deferred compensation account are counted toward the guidelines. All of our current named executive officers are in compliance with the guidelines.

Setting the Pay Mix

The Compensation Committee emphasizes performance-based compensation, at risk and dependent directly on results, for our executive team. Comparing the major elements of total compensation, on average base salary comprises approximately 35%, annual incentive compensation approximately 15%, and long-term incentive compensation approximately 50% of the pay mix. Total cash compensation (i.e., base salary and annual cash incentive) is targeted at the 50th percentile of the Peer Group for the executive population. Cash above this percentile will generally result from above-target performance in the annual incentive plan or a special bonus for extraordinary performance or for retention purposes. The value of long-term incentive compensation is also targeted at the 50th percentile of the Peer Group, resulting in a total compensation package at the median level.

Executive Severance and Change of Control Benefits

The Company does not have a formal executive severance or change in control plan. The severance and change of control benefits that each named executive officer is eligible for is governed by his or her employment agreement with us. For a more detailed description of these severance and change of control benefits, please see [Executive Compensation Potential Payments Upon Termination or Change In Control](#).

Tax Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the federal income tax deductibility of compensation paid to our Chief Executive Officer and to each of the other four most highly-compensated executive officers. NETGEAR may deduct such compensation only to the extent that during any fiscal year the compensation paid to such individual does not exceed \$1 million or meet certain specified conditions (including stockholder approval). NETGEAR has adopted a policy that, where reasonably practicable, NETGEAR will seek to qualify variable compensation paid to its executive officers for an exemption from the deductibility limitations of Section 162(m).

Grants of Plan-Based Awards

The following table provides certain information relating to stock awards granted to, and the range of payouts that were achievable for, each of our executive officers named in the summary compensation table above during the fiscal year ended December 31, 2008. All of the equity awards were granted under our 2006 Plan and have a term of ten years, subject to earlier termination in the event that the optionee's services to us cease. A description of our 2006 Plan follows the table below. Cash awards under our annual incentive plan are reflected in the Summary Compensation Table under Non-Equity Incentive Plan Compensation for each of our named executive officers. A description of the incentive plans can be found in Compensation Discussion and Analysis Incentive Compensation Annual Incentive Plan.

- (2) These restricted stock unit awards will vest in four equal annual installments on the first four anniversaries of the grant date, subject to the recipient continuing to be a service provider on such dates. Upon vesting, each restricted stock unit will entitle the recipient to receive one share of common stock of the Company.
- (3) These estimated future payouts are pursuant to Mr. Werdann's annual sales commission plan.
- (4) These estimated future payouts are pursuant to the terms of the Company's 2008 annual bonus plan. The maximum payout that may be earned is dependent upon the Company's level of operating income achieved during 2008. In addition, once the eligible payout is determined, 40% of such payout is then conditional upon the executive's achievement of his or her individual objectives. As a result, the payout under the bonus plan may be \$0.
- (5) These amounts represent the full grant date value calculated utilizing the provisions of SFAS 123R without regard to vesting. See Note 9 of the consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2008 regarding assumptions underlying the valuation of equity awards. Regardless of the value placed on a stock option by SFAS 123R on the grant date, the actual value of the option will depend on the market value of the Company's common stock at the date in the future when the option is exercised.
- (6) These estimated future payouts are pursuant to Mr. Soares' annual sales commission plan, which was in effect during the first quarter of 2008.
- (7) These estimated future payouts are pursuant to the terms of the Company's 2008 annual bonus plan, which Mr. Soares began participating in at the beginning of the second quarter of 2008.

Amended and Restated 2006 Long-Term Incentive Plan

The 2006 Plan provides for the granting of stock options, stock appreciation rights, restricted stock awards, performance awards and other stock awards, to eligible directors, employees and consultants of the Company. Upon the adoption of the 2006 Plan, the Company reserved 2,500,000 shares of common stock for issuance under the 2006 Plan. In June 2008, the Company adopted amendments to the 2006 Plan which among other things increased the number of shares of the Company's common stock that may be issued under the 2006 plan by an additional 2,500,000 shares. As of March 29, 2009, 1,489,539 shares were reserved for future grants under the 2006 Plan.

Options granted under the 2006 Plan may be either ISOs or NSOs. ISOs may be granted only to Company employees (including officers and directors who are also employees). NSOs may be granted to Company employees, directors and consultants. Options may be granted for periods of up to ten years, provided, however, that (i) the exercise price of an ISO and NSO shall not be less than the estimated fair value of the underlying stock on the date of grant and (ii) the exercise price of an ISO and NSO granted to a 10% shareholder shall not be less than 110% of the estimated fair value of the underlying stock on the date of grant. Options granted under the 2006 Plan generally vest over four years, with the first tranche vesting at the end of twelve months and the remaining shares underlying the option vesting monthly over the remaining three years.

Stock appreciation rights may be granted under the 2006 Plan subject to the terms specified by the plan administrator, provided that the term of any such right may not exceed ten (10) years from the date of grant. The exercise price generally cannot be less than the fair market value of the Company's common stock on the date the stock appreciation right is granted.

Restricted stock awards may be granted under the 2006 Plan subject to the terms specified by the plan administrator. The period over which any restricted award may fully vest is generally no less than three (3) years. Restricted stock awards are nonvested stock awards that may include grants of restricted stock or grants of restricted stock units. Restricted stock awards are independent of option grants and are generally subject to forfeiture if employment terminates prior to the release of the restrictions. During that period, ownership of the shares cannot be transferred. Restricted stock has the same voting rights as other common stock and is considered to be currently issued and outstanding. Restricted stock units do not have the voting rights of common stock, and

Table of Contents

the shares underlying the restricted stock units are not considered issued and outstanding. The Company expenses the cost of the restricted stock awards, which is determined to be the fair market value of the shares at the date of grant, ratably over the period during which the restrictions lapse.

Performance awards may be in the form of performance shares or performance units. A performance share means an award denominated in shares of Company common stock and a performance unit means an award denominated in units having a dollar value or other currency, as determined by the plan administrator. The plan administrator will determine the number of performance awards that will be granted and will establish the performance goals and other conditions for payment of such performance awards. The period of measuring the achievement of performance goals will be a minimum of twelve (12) months.

Other stock-based awards may be granted under the 2006 Plan subject to the terms specified by the plan administrator. Other stock-based awards may include dividend equivalents or amounts which are equivalent to all or a portion of any federal, state, local, domestic or foreign taxes relating to an award, and may be payable in shares, cash, other securities or any other form of property as the plan administrator may determine.

In the event of a change in control of the Company, all awards under the 2006 Plan vest in full and all outstanding performance shares and performance units will be paid out upon transfer.

Any shares of common stock subject to an award that is forfeited, settled in cash, expires or is otherwise settled without the issuance of shares shall again be available for awards under the 2006 Plan. Additionally, any shares that are tendered by a participant of the 2006 Plan or retained by the Company as full or partial payment to the Company for the purchase of an award or to satisfy tax withholding obligations in connection with an award shall no longer again be made available for issuance under the 2006 Plan.

The number of full value equity awards (as defined below) that may be granted will be limited to no more than ten percent (10%) of the shares issuable under the 2006 Plan. For these purposes, a full value equity award is any award pursuant to the 2006 Plan, other than options, stock appreciation rights or other awards which are based solely on an increase in value of the Company's common stock following the date of grant.

Potential Payments Upon Termination or Change in Control

We have entered into employment agreements with the following of our current named executive officers. Each agreement may be terminated by either us or the executive officer at any time with or without cause. In addition, the employment agreements provide for annual salary and bonus amounts and severance benefits, as may be adjusted from time to time by our Board of Directors. In the event of a change of control, all equity awards issued under our 2006 Plan, including those issued to our executive officers, will become fully vested and exercisable. We have no tax gross-up agreements with any executive for change in control arrangements.

On December 3, 1999, we entered into an employment agreement with Patrick C.S. Lo, our Chairman and Chief Executive Officer. This agreement provides that if within one year following a change of control of NETGEAR, Mr. Lo is terminated without cause or resigns for good reason, he is entitled to full acceleration of any unvested portion of his stock options, and severance payments at his final base salary rate for a period of one year after his termination or resignation. If Mr. Lo is terminated without cause, he is entitled to receive severance payments at his final base salary rate for a period of one year and will continue to have his equity awards vest for one year after such termination.

On November 16, 2005, we entered into an employment agreement with Christine M. Gorjanc, our Chief Financial Officer. This agreement provides that if within one year following a change of control of NETGEAR, Ms. Gorjanc is terminated without cause or resigns for good

entitled to receive severance payments at her final base salary rate for a period of 13 weeks and will continue to have her equity awards vest for three months after such termination.

On November 4, 2002, we entered into an employment agreement with Michael F. Falcon, our Senior Vice President of Operations. This agreement provides that if within one year following a change of control of NETGEAR, Mr. Falcon is terminated without cause or resigns for good reason, he is entitled to receive two years acceleration of any unvested portion of his stock options. This agreement provides that if within one year following a change of control of NETGEAR, Mr. Werdann is terminated without cause or resigns for good reason, he is entitled to receive two years acceleration of any unvested portion of his stock options. If the officer is terminated without cause, he is entitled to receive severance payments at his final base salary rate plus base incentive compensation, less applicable withholding, for a period of 26 weeks and will continue to have his equity awards vest for one year after such termination.

Payments Upon Termination Without Cause and Not As a Result of a Change in Control of the Company

The following table summarizes the amount that each of our named executive officers would receive in the event his or her employment with the Company is terminated without cause and not as a result of a change in control of the Company:

Name	Cash Severance (\$)	Value Realized from Equity Options and Awards (\$)(1)	Total (\$)
Patrick C.S. Lo	\$ 600,000	\$ 148,300	\$ 748,300

Michael A. Werdann	\$ 188,185	\$ 37,083	\$ 225,268

- (1) The value realized equals the difference between the closing price of our common stock on the NASDAQ Global Select Market on December 31, 2008, which was \$11.41, and the exercise price of the applicable award, multiplied by the number of shares that would vest under the terms of each employment agreement.

Payments Upon a Change in Control of the Company

Pursuant to the terms of our 2006 Plan, all outstanding options under the 2006 Plan vest immediately upon a change in control. Our named executive officers would realize the following value on equity options and awards granted under the 2006 Plan in the event of a change in control: Patrick C.S. Lo, \$467,810; Christine M. Gorjanc, \$256,725; David S. Soares, \$178,281; Michael F. Falcon, \$183,986; and Michael A. Werdann, \$116,953. The value realized equals the difference between \$11.41 (the closing price of our common stock on the NASDAQ Global Select Market on December 31, 2008) and the option or award exercise price per share, multiplied by the number of shares that would immediately vest upon a change in control.

To protect the interests of NETGEAR, all of our employment agreements provide for covenants strictly limiting proprietary information disclosure, competitive activities and solicitation of our employees by a terminated executive officer for specified periods of time.

Notwithstanding any statement to the contrary in any of our previous or future filings with the Securities and Exchange Commission, this report of the Audit Committee of our Board of Directors shall not be deemed filed with the Commission or soliciting material under the 1934 Act, and shall not be incorporated by reference into any such filings.

The Audit Committee, which currently consists of A. Timothy Godwin, Linwood A. Lacy, Jr., George G. C. Parker and Jocelyn E. Carter-Miller, evaluates audit performance, manages relations with our independent registered public accounting firm and evaluates policies and procedures relating to internal accounting functions and controls. Our Board of Directors first adopted a written charter for the Audit Committee in September 2000 and most recently amended it in February 2004, which details the responsibilities of the Audit Committee. This report relates to the activities undertaken by the Audit Committee in fulfilling such responsibilities.

The Audit Committee members are not professional auditors or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent registered public accounting firm. The Audit Committee oversees NETGEAR's financial reporting process on behalf of our Board of Directors. NETGEAR's management has the primary responsibility for the financial statements and reporting process, including NETGEAR's systems of internal controls over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements included in the Annual Report on Form 10-K for the year ended December 31, 2008. This review included a discussion of the quality and the acceptability of NETGEAR's financial reporting and internal control over financial reporting, including the clarity of disclosures in the financial statements.

The Audit Committee also reviewed with NETGEAR's independent registered public accounting firm, who are responsible for expressing an opinion on the conformity of NETGEAR's audited financial statements with generally accepted accounting principles, their judgments as to the quality and the acceptability of NETGEAR's financial reporting and such other matters required to be discussed with the Audit Committee under generally accepted auditing standards in the United States including Statement on Auditing Standards No. 61, as amended. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1. The Audit Committee discussed with the independent registered public accounting firm such auditors' independence from management and NETGEAR, including the matters in such written disclosures required by Independence Standards Board Standard No. 1.

The Audit Committee further discussed with NETGEAR's independent registered public accounting firm the overall scope and plans for their audits. The Audit Committee meets periodically with the independent registered public accounting firm, with and without management present, to discuss any significant matters regarding internal control over financial reporting that have come to their attention during the audit, and to discuss the overall quality of NETGEAR's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to our Board of Directors and our Board of Directors approved that the audited financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations be included in the Annual Report on Form 10-K for the year ended December 31, 2008, as filed with the Securities and Exchange Commission on March 4, 2009.

NETGEAR, INC.

2003 EMPLOYEE STOCK PURCHASE PLAN

(amended March 23, 2009)

The following constitute the provisions of the Employee Stock Purchase Plan of NETGEAR, Inc.

1. *Purpose.* The purpose of the Plan is to provide employees of the Company and its Designated Subsidiaries with an opportunity to purchase Common Stock of the Company through accumulated payroll deductions. It is the intention of the Company to have the Plan qualify as an Employee Stock Purchase Plan under Section 423 of the Code, although the Company makes no undertaking or representation to maintain such qualification. In addition, this Plan document authorizes the grant of options under a non-423(b) Plan (Non-423(b) Component) which do not qualify under Section 423(b) of the Code. The provisions of the Plan, accordingly, shall be construed so as to extend and limit participation in a uniform and nondiscriminatory basis consistent with the requirements of Section 423 unless the offering is made under the Non-423(b) Component of the Plan.

2. *Definitions.*

(a) *Administrator* shall mean the Board or any Committee designated by the Board to administer the Plan pursuant to Section 14.

(b) *Board* shall mean the Board of Directors of the Company.

(c) *Change of Control* shall mean the occurrence of any of the following events:

(i) Any person (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) becomes the beneficial owner (as defined in Rule 13d-3 of the Exchange Act), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the total voting power represented by the Company's then outstanding voting securities;

(ii) The consummation of the sale or disposition by the Company of all or substantially all of the Company's assets;

(iii) The consummation of a merger or consolidation of the Company, with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or its parent) at least fifty percent (50%) of the total voting power represented by the voting securities of the Company, or such surviving entity or its parent outstanding immediately after such merger or consolidation; or

(iv) A change in the composition of the Board, as a result of which fewer than a majority of the Directors are Incumbent Directors. Incumbent Directors shall mean Directors who either (A) are Directors of the Company, as applicable, as of the date hereof, or (B) are elected, or nominated for election, to the Board with the affirmative votes of at least a majority of those Directors whose election or nomination was not in connection with any transaction described in subsections (i), (ii) or (iii) or in connection with an actual or threatened proxy contest relating to the election of Directors of the Company.

(d) *Code* shall mean the Internal Revenue Code of 1986, as amended.

(e) *Code Section 423(b) Plan* shall mean an employee stock purchase plan which is designed to meet the requirements set forth in Section 423(b) of the Code, as amended. The provisions of the Code Section 423(b) Plan should be construed, administered and enforced in accordance with Section 423(b).

4. *Offering Periods.* The Plan shall be implemented by consecutive Offering Periods with a new Offering Period commencing on February 1 and August 1 of each year, or on such other date as the Board shall determine, and continuing thereafter until terminated in accordance with Section 20 hereof. The Board shall have the power to change the duration of Offering Periods (including the commencement dates thereof) with respect to future offerings without shareholder approval if such change is announced prior to the scheduled beginning of the first Offering Period to be affected thereafter.

5. *Participation.* An Eligible Employee may become a participant in the Plan by completing a subscription agreement authorizing payroll deductions in the form of *Exhibit A* to this Plan and filing it with the Company's payroll office prior to the applicable Offering Date.

6. *Payroll Deductions.*

(a) At the time a participant files his or her subscription agreement, he or she shall elect to have payroll deductions made on each pay day during the Offering Period in an amount not exceeding 10% of the Compensation which he or she receives on each pay day during the Offering Period; provided, however, that should a pay day occur on an Exercise Date, a participant shall have the payroll deductions made on such day applied to his or her account under the new Offering Period. A participant's subscription agreement shall remain in effect for successive Offering Periods unless terminated as provided in Section 10 hereof.

(b) Payroll deductions for a participant shall commence on the first payday following the Offering Date and shall end on the last payday in the Offering Period to which such authorization is applicable, unless sooner terminated by the participant as provided in Section 10 hereof.

(c) All payroll deductions made for a participant shall be credited to his or her account under the Plan and shall be withheld in whole percentages only. A participant may not make any additional payments into such account.

Table of Contents

(d) A participant may discontinue his or her participation in the Plan as provided in Section 10 hereof, or may increase or decrease the rate of his or her payroll deductions during the Offering Period by completing or filing with the Company a new subscription agreement authorizing a change in payroll deduction rate. The Administrator may, in its discretion, limit the nature and/or number of participation rate changes during any Offering Period. The change in rate shall be effective with the first full payroll period following five (5) business days after the Company's receipt of the new subscription agreement unless the Company elects to process a given change in participation more quickly.

(e) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b) hereof, a participant's payroll deductions may be decreased to zero percent (0%) at any time during an Offering Period. Payroll deductions shall recommence at the rate originally elected by the participant effective as of the beginning of the first Offering Period which is scheduled to end in the following calendar year, unless terminated by the participant as provided in Section 10 hereof.

(f) At the time the option is exercised, in whole or in part, or at the time some or all of the Company's Common Stock issued under the Plan is disposed of, the participant must make adequate provision for the Company's federal, state, or other tax liability payable to any authority, national insurance, social security or other tax withholding obligations, if any, which arise upon the exercise of the option or the disposition of the Common Stock. At any time, the Company or the employing Designated Subsidiary, as applicable, may, but shall not be obligated to, withhold from the participant's compensation the amount necessary for the Company to meet applicable withholding obligations, including any withholding required to make available to the Company or the employing Designated Subsidiary, as applicable, any tax deductions or benefits attributable to sale or early disposition of Common Stock by the Eligible Employee.

7. Grant of Option. On the Offering Date of each Offering Period, each Eligible Employee participating in such Offering Period shall be granted an option to purchase on each Exercise Date during such Offering Period (at the applicable Purchase Price) up to a number of shares of the Company's Common Stock determined by dividing such Eligible Employee's payroll deductions accumulated prior to such Exercise Date and retained in the participant's account as of the Exercise Date by the applicable Purchase Price; provided that in no event shall an Eligible Employee be permitted to purchase during each Offering Period more than 10,000 shares of the Company's Common Stock (subject to any adjustment pursuant to Section 19), and provided further that such purchase shall be subject to the limitations set forth in Sections 3(b) and 13 hereof. The Eligible Employee may accept the grant of such option by turning in a completed Subscription Agreement (attached hereto as *Exhibit A*) to the Company on or prior to an Offering Date. The Administrator may, for future Offering Periods, increase or decrease, in its absolute discretion, the maximum number of shares of the Company's Common Stock an Eligible Employee may purchase during each Offering Period. Exercise of the option shall occur as provided in Section 8 hereof, unless the participant has withdrawn pursuant to Section 10 hereof. The option shall expire on the last day of the Offering Period.

8. Exercise of Option.

(a) Unless a participant withdraws from the Plan as provided in Section 10 hereof, his or her option for the purchase of shares shall be exercised automatically on the Exercise Date, and the maximum number of full shares subject to the option shall be purchased for such participant at the applicable Purchase Price with the accumulated payroll deductions in his or her account. No fractional shares shall be purchased; any payroll deductions accumulated in a participant's account which are not sufficient to purchase a full share shall be retained in the participant's account for the subsequent Offering Period, subject to earlier withdrawal by the participant as provided in Section 10 hereof. Any other funds left over in a participant's account after the Exercise Date shall be returned to the participant. During a participant's lifetime, a participant's option to purchase shares hereunder is exercisable only by him or her.

(b) If the Administrator determines that, on a given Exercise Date, the number of shares with respect to which options are to be exercised may exceed (i) the number of shares of Common Stock that were available for sale under the Plan on the Offering Date of the applicable Offering Period, or (ii) the number

of shares available for sale under the Plan on such Exercise Date, the Administrator may in its sole discretion (x) provide that the Company shall make a pro rata allocation of the shares of Common Stock available for purchase on such Offering Date or Exercise Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Exercise Date, and continue all Offering Periods then in effect, or (y) provide that the Company shall make a pro rata allocation of the shares available for purchase on such Offering Date or Exercise Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Exercise Date, and terminate any or all Offering Periods then in effect pursuant to Section 20 hereof. The Company may make a pro rata allocation of the shares available on the Offering Date of any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional shares for issuance under the Plan by the Company's shareholders subsequent to such Offering Date.

9. *Delivery.* As soon as reasonably practicable after each Exercise Date on which a purchase of shares occurs, the Company shall arrange the delivery to each participant the shares purchased upon exercise of his or her option in a form determined by the Administrator, including by means of electronic notice.

10. *Withdrawal.*

(a) A participant may withdraw all but not less than all the payroll deductions credited to his or her account and not yet used to exercise his or her option under the Plan at any time prior to the Exercise Date for an Offering Period by giving written notice to the Company in the form of *Exhibit B* to this Plan. All of the participant's payroll deductions credited to his or her account shall be paid to such participant promptly after receipt of notice of withdrawal and such participant's option for the Offering Period shall be automatically terminated, and no further payroll deductions for the purchase of shares shall be made for such Offering Period. If a participant withdraws from an Offering Period, payroll deductions shall not resume at the beginning of the succeeding Offering Period unless the participant delivers to the Company a new subscription agreement.

(b) A participant's withdrawal from an Offering Period shall not have any effect upon his or her eligibility to participate in any similar plan which may hereafter be adopted by the Company or in succeeding Offering Periods which commence after the termination of the Offering Period from which the participant withdraws.

11. *Termination of Employment.* Upon a participant ceasing to be an Eligible Employee, for any reason, he or she shall be deemed to have elected to withdraw from the Plan and the payroll deductions credited to such participant's account during the Offering Period but not yet used to purchase shares of Common Stock under the Plan shall be returned to such participant or, in the case of his or her death, to the person or persons entitled thereto under Section 15 hereof, and such participant's option shall be automatically terminated.

12. *Interest.* No interest shall accrue on the payroll deductions of a participant in the Plan.

13. *Stock.*

(a) Subject to adjustment upon changes in capitalization of the Company as provided in Section 19 hereof, the maximum number of shares of the Company's Common Stock which shall be made available for sale under the Plan shall be 1,000,000 shares of Common Stock.

(b) Until the shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), a participant shall only have the rights of an unsecured creditor with respect to such shares, and no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to such shares.

Table of Contents

(c) Shares of Common Stock to be delivered to a participant under the Plan shall be registered in the name of the participant or in the name of the participant and his or her spouse.

14. *Administration.* The Administrator shall administer the Plan and shall have full and exclusive discretionary authority to construe, interpret and apply the terms of the Plan, to determine eligibility and to adjudicate all disputed claims filed under the Plan. Every finding, decision and determination made by the Administrator shall, to the full extent permitted by law, be final and binding upon all parties.

15. *Designation of Beneficiary.*

(a) A participant may file a written designation of a beneficiary who is to receive any shares and cash, if any, from the participant's account under the Plan in the event of such participant's death subsequent to an Exercise Date on which the option is exercised but prior to delivery to such participant of such shares and cash. In addition, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's account under the Plan in the event of such participant's death prior to exercise of the option. If a participant is married and the designated beneficiary is not the spouse, spousal consent shall be required for such designation to be effective.

(b) Such designation of beneficiary may be changed by the participant at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

(c) All beneficiary designations shall be in such form and manner as the Administrator may designate from time to time.

16. *Transferability.* Neither payroll deductions credited to a participant's account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 15 hereof) by the participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 10 hereof.

17. *Use of Funds.* All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions. Until shares are issued, participants shall only have the rights of an unsecured creditor.

18. *Reports.* Individual accounts shall be maintained for each participant in the Plan. Statements of account shall be given to participating Eligible Employees at least annually, which statements shall set forth the amounts of payroll deductions, the Purchase Price, the number of shares purchased and the remaining cash balance, if any.

19. *Adjustments Upon Changes in Capitalization, Dissolution, Liquidation or Change of Control.*

(a) *Changes in Capitalization.* Subject to any required action by the shareholders of the Company, the maximum number of shares of the Company's Common Stock which shall be made available for sale under the Plan, the maximum number of shares each participant may purchase each Offering Period (pursuant to Section 7), as well as the price per share and the number of shares of Common Stock covered by each option under the Plan which has not yet been exercised shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other change in the number of shares of Common Stock effected without receipt of consideration by the Company; provided, however, that

Table of Contents

conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustment shall be made by the Administrator, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an option.

(b) *Dissolution or Liquidation.* In the event of the proposed dissolution or liquidation of the Company, the Offering Period then in progress shall be shortened by setting a new Exercise Date (the New Exercise Date), and shall terminate immediately prior to the consummation of such proposed dissolution or liquidation, unless provided otherwise by the Administrator. The New Exercise Date shall be before the date of the Company's proposed dissolution or liquidation. The Administrator shall notify each participant in writing, at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for the participant's option has been changed to the New Exercise Date and that the participant's option shall be exercised automatically on the New Exercise Date, unless prior to such date the participant has withdrawn from the Offering Period as provided in Section 10 hereof.

(c) *Change of Control.* In the event of a Change of Control, each outstanding option shall be assumed or an equivalent option substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the option, any Offering Periods then in progress shall be shortened by setting a New Exercise Date and any Offering Periods then in progress shall end on the New Exercise Date. The New Exercise Date shall occur before the date of the Company's proposed Change of Control. The Administrator shall notify each participant in writing, at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for the participant's option has been changed to the New Exercise Date and that the participant's option shall be exercised automatically on the New Exercise Date, unless prior to such date the participant has withdrawn from the Offering Period as provided in Section 10 hereof.

20. Amendment or Termination.

(a) The Administrator may at any time and for any reason terminate, amend or suspend the Plan. Except as otherwise provided in the Plan, no such termination can affect options previously granted, provided that an Offering Period may be terminated by the Administrator on any Exercise Date if the Administrator determines that the termination of the Offering Period or the Plan is in the best interests of the Company and its shareholders. Except as provided in Section 19 and this Section 20 hereof, no amendment may make any change in any option theretofore granted which adversely affects the rights of any participant. To the extent necessary to comply with Section 423 of the Code (or any successor rule or provision or any other applicable law, regulation or stock exchange rule), the Company shall obtain shareholder approval in such a manner and to such a degree as required.

(b) Without shareholder consent and without regard to whether any participant rights may be considered to have been adversely affected, the Administrator shall be entitled to change the Offering Periods, limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each participant properly correspond with amounts withheld from the participant's Compensation, and establish such other limitations or procedures as the Administrator determines in its sole discretion advisable which are consistent with the Plan.

Table of Contents

(c) In the event the Administrator determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Board may, in its discretion and, to the extent necessary or desirable, modify, amend or terminate the Plan to reduce or eliminate such accounting consequence including, but not limited to:

(i) increasing the Purchase Price for any Offering Period including an Offering Period underway at the time of the change in Purchase Price;

(ii) shortening any Offering Period so that the Offering Period ends on a new Exercise Date, including an Offering Period underway at the time of the Board action; and

(iii) allocating shares.

Such modifications or amendments shall not require stockholder approval or the consent of any Plan participants.

21. *Notices.* All notices or other communications by a participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form and manner specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

22. *Conditions Upon Issuance of Shares.* Shares of Common Stock shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, and the requirements of any stock exchange upon which the shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

23. *Term of Plan.* The Plan shall become effective upon the earlier to occur of its adoption by the Board of Directors or its approval by the shareholders of the Company. It shall continue in effect until terminated under Section 20 hereof.
