Item 1.01 Entry into a Material Definitive Agreement.

Amendment to Senior Secured Credit Facilities

As previously disclosed in the Form 8-K filed by CommScope, Inc. (CommScope) on May 20, 2009, CommScope received consents from the requisite lenders under its senior credit agreement, dated as of December 27, 2007, as amended (the Senior Credit Agreement) among CommScope and the lenders named therein to amend the Senior Credit Agreement. This amendment (the Second Amendment) to the Senior Credit Agreement took effect on May 28, 2009, upon the repayment of \$400 million aggregate principal amount of term loans under the Senior Credit Agreement and the satisfaction of the other conditions to effectiveness contemplated by the Second Amendment.

The Second Amendment amends the Senior Credit Agreement by, among other things:

postponing by a year the increase in the minimum interest coverage ratio and decrease in the maximum leverage ratio, which adjustments will now take effect beginning with the quarter ending September 30, 2010 instead of the quarter ending September 30, 2009. The subsequent adjustment to each ratio is also postponed by a year;

increasing the letter of credit sublimit to \$125 million from \$85 million;

increasing the basket for letters of credit for a term of more than one year to \$25 million from \$15 million;

increasing the annual limit on asset sales to \$45 million from \$20 million;

eliminating the requirement that 75% of the proceeds from each asset sale be in the form of cash; and

permitting up to \$15 million of yearly asset sale proceeds to be in the form of non-cash proceeds.

The foregoing summary of certain provisions of the Second Amendment is qualified in its entirety by reference to the text of the Second Amendment, a copy of which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Senior Subordinated Convertible Notes due 2015

On May 28, 2009, in connection with the closing of CommScope's previously announced public offering of \$287.5 million aggregate principal amount of 3.25% Senior Subordinated Convertible Notes due 2015 (including \$37.5 million aggregate principal amount of notes sold pursuant to the exercise of the underwriters' over-allotment option) (the Convertible Notes), CommScope entered into a Subordinated Indenture dated as of May 28, 2009 (the Indenture) between CommScope and U.S. Bank National Association, as trustee (the Trustee), and a First Supplemental Indenture thereto, also dated as of May 28, 2009 (the Supplemental Indenture). The Indenture and Supplemental Indenture provide for the issuance and set forth the terms of the Convertible Notes. The net proceeds from this Convertible Notes offering, together with net proceeds from the concurrent Common Stock offering described below, were used to repay \$400 million of the term loans under our Senior Credit Agreement. The remainder of the proceeds from the offerings are expected to be used for general corporate purposes, including the potential repayment of additional indebtedness under the Senior Credit Agreement.

A copy of the Indenture is attached as Exhibit 4.1 to this Form 8-K. A copy of the Supplemental Indenture is attached as Exhibit 4.2 to this Form 8-K. A copy of the form of the Convertible Notes is attached as Exhibit 4.3 to this Form 8-K. Reference is made to each of the Indenture, Supplemental Indenture and the form of the Convertible Notes, the text of each of which is incorporated herein by reference, for the complete terms of the Convertible Notes.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On May 28, 2009, CommScope consummated the issuance and sale of \$287.5 million aggregate principal amount of the Convertible Notes (including \$37.5 million aggregate principal amount of notes sold pursuant to the exercise of the underwriters' over-allotment option) pursuant to

Item 8.01 Other Events.

On May 28, 2009, CommScope completed its issuance and sale of 10,465,000 shares of its common stock, par value \$0.01 per share (including 1,365,000 shares sold pursuant to the exercise of the underwriters' over-allotment option) (the Common Stock) in connection with its previously announced public offering pursuant to a registration statement and a related prospectus, including the related prospectus supplement, filed with the Securities and Exchange Commission. The public offering price of the shares of Common Stock was \$22.00 per share. Net proceeds from this Common Stock offering, together with the net proceeds from the concurrent Convertible Notes offering described above, were used to repay \$400 million of the term loans under our Senior Credit Agreement. The remainder of the proceeds from the offerings are expected to be used for general corporate purposes, including the potential repayment of additional indebtedness under the Senior Credit Agreement.

On May 28, 2009, CommScope issued a press release announcing the closing of the public offerings of the Convertible Notes and the Common Stock. A copy of that press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
