**Item 1.01. Entry into a Material Definitive Agreement.**

On May 26, 1999, Repligen Corporation (the Company) entered into a Supply Agreement with Amersham Biosciences AB, a GE Healthcare company (the Original Agreement). The Original Agreement governed the manufacturing of Amersham Biosciences AB's recombinant Protein A (Protein A). On February 3, 2005, the Company entered into Amendment No. 1 to the Original Agreement which extended the term of the Original Agreement through the end of 2010 and expanded the manufacturing to include an additional Amersham Biosciences AB recombinant Protein A.

The Company entered into the Strategic Supplier Alliance Agreement with GE Healthcare Bio-Sciences AB, a GE Healthcare company (GEHC), on January 28, 2010 (the Supply Agreement) and the Original Agreements were simultaneously terminated. GEHC sells chromatography products, which incorporate Protein A, to the biopharmaceutical industry for the manufacture of monoclonal antibodies. Pursuant to the terms of the Supply Agreement, the Company has agreed to manufacture and sell to GEHC and GEHC has agreed to purchase two forms of GEHC proprietary recombinant Protein A (the Products) from the Company. The average price charged by the Company for the Products is subject to volume-based decreases, as set forth in the Supply Agreement.

In connection with the Products sold by the Company pursuant to the Supply Agreement, the Company provides a warranty to GEHC that the Products will conform strictly to and be manufactured in accordance with the specifications set forth in the Supply Agreement and shall be free from defects for a period of time as specified in the Supply Agreement. In the event that GEHC exercises any rights in connection with this warranty, the Company will replace the returned Product within 30 days of receipt of the non-conforming or defective Product by the Company or promptly thereafter provide GEHC a refund.

The term of the Supply Agreement commenced on January 1, 2010 and continues for a period of five years. The Company and GEHC will start negotiations 18 months prior to the expiration of the term to decide whether to renew the Supply Agreement.

The foregoing description of the Supply Agreement is qualified in its entirety by reference to the full Supply Agreement, which will be filed as an exhibit to the Company's Annual Report on Form 10-K for the year ending March 31, 2010. The Company intends to submit a FOIA Confidential Treatment Request to the Securities and Exchange Commission pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended (the Exchange Act), requesting that it be permitted to redact certain portions of the Supply Agreement. The omitted material will be included in the request for confidential treatment.
