You may obtain directions to the location of the annual meeting by contacting our Investor Relations Department, BJ s Wholesale Club, Inc., One Mercer Road, Natick, Massachusetts 01760, telephone (508) 651-6610.

Unless you give different instructions, shares represented by properly executed proxies will be voted FOR the election of the three director nominees set forth below, FOR the approval of an amendment to the 2007 Stock Incentive Plan, FOR the ratification of the selection of our independent registered public accounting firm and AGAINST the shareholder proposal described on pages 56 to 57 of this Proxy Statement, if presented at the Annual Meeting. You may revoke your proxy at any time before it is exercised by delivering a written revocation to the Secretary of BJ s at the address below, by delivering another proxy with a later date or by requesting at the meeting that your proxy be revoked.

Shareholders of record at the close of business on April 9, 2010, are entitled to vote at the meeting. Each share of BJ s common stock, par value \$.01 (common stock), outstanding on the record date is entitled to one vote, other than shares owned directly or indirectly by BJ s. As of the close of business on April 9, 2010, there were outstanding and entitled to vote 53,691,377 shares of common stock.

This proxy statement, the enclosed proxy card, and the Annual Report of the Company for the fiscal year ended January 30, 2010 were first mailed to shareholders on or about April 15, 2010.

A copy of the Company's Annual Report on Form 10-K for the fiscal year ended January 30, 2010, as filed with the Securities and Exchange Commission (the SEC), except for exhibits, will be furnished without charge to any shareholder upon written or oral request to the Corporate Secretary at the Company's address, which is BJ's Wholesale Club, Inc., One Mercer Road, Natick, Massachusetts 01760. Exhibits will be provided upon written request and payment of an appropriate processing fee.

Fiscal year references apply to the Company's fiscal year that ends on the Saturday closest to January 31 of the following year. For example, the fiscal year ended January 30, 2010 is referred to as 2009 or fiscal 2009.

Vote Required

The representation in person or by proxy of at least a majority of the shares of common stock issued, outstanding and entitled to vote at the annual meeting is necessary to establish a quorum for the transaction of business. If a quorum is not present, the meeting will be adjourned until a quorum is obtained. For purposes of determining the presence or absence of a quorum, abstentions and broker non-votes (where a broker or nominee does not exercise discretionary authority to vote on a proposal) will be counted as present.

If a quorum is present at the annual meeting, the vote required to adopt each of the four scheduled proposals will be as follows:

Election of Directors. Under the Company's by-laws, other than in a contested election meeting (as defined in the by-laws), a nominee for director will be elected if the votes cast for such nominee exceed the votes cast against such nominee. Abstentions and broker non-votes will not be counted as a vote for or against a nominee, and therefore, will have no effect on the outcome of the election. For additional information regarding an incumbent director failing to obtain the required vote for reelection in an uncontested election, see Policy Regarding Holdover Directors below.

Approval of an amendment to the 2007 Stock Incentive Plan. Under the Company's by-laws, the affirmative vote of the holders of a majority of the votes cast will be required for approval of this proposal. In addition, in order for this proposal to be approved, the New York Stock Exchange (NYSE) listing standards require that (1) a majority of the common stock issued, outstanding and entitled to vote at the annual meeting must actually vote on the proposal (with abstentions counting as votes and broker non-votes not counting as votes) and (2) votes in favor must constitute at least a majority of the votes cast (with abstentions counting as votes cast and broker non-votes not counting as votes cast). Shares which abstain from voting on this proposal and broker non-votes will not be counted as votes in favor of the proposal and will also not be counted as votes cast under the Company's by-laws. However, because the NYSE rules treat abstentions as votes cast, for purposes of the required NYSE vote, abstentions will have the same effect as a vote against the proposal. Failure to give your broker instructions for how to vote on this proposal could, depending on the number of votes cast as defined by the NYSE, result in the proposal not being adopted.

Ratification of Registered Public Accounting Firm and Shareholder Proposal. Under the Company's by-laws, the affirmative vote of the holders of a majority of the votes cast will be required for approval of these proposals. Shares which abstain from voting on these proposals and broker non-votes will not be counted as votes in favor of such proposals and will also not be counted as votes cast. Accordingly, abstentions and broker non-votes will have no effect on the outcome of these proposals.

Under NYSE rules, brokers do not have discretionary authority to vote on election of directors, approval of the amendment to the 2007 Stock Incentive Plan and the stockholder proposal.

Electronic Voting

Any shareholder who owns shares of common stock of record may authorize the voting of its shares over the Internet at www.eproxy.com/bj, or by telephone by calling 1-866-580-9477, 24 hours a day, 7 days a week, and by following the instructions on the enclosed proxy card. Authorizations submitted over the Internet or by telephone must be received by 5:00 p.m., Eastern Time, on May 24, 2010.

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

If a shareholder owns shares held in street name by a bank or brokerage firm, the shareholder's bank or brokerage firm will provide a voting instruction form to the shareholder with this proxy statement that may be used to direct how the shares will be voted. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by the shareholder's bank or brokerage firm on the voting instruction form.

Participants in BJ s Wholesale Club, Inc. 401(k) Savings Plans

If you participate in either the BJ s Wholesale Club, Inc. 401(k) Savings Plan for Salaried Employees or the BJ s Wholesale Club, Inc. 401(k) Savings Plan for Hourly Employees and hold Company stock in your account, you may vote an amount of shares of common stock equivalent to the interest in the Company s common stock credited to your account as of the record date. Fidelity Management Trust Company (Fidelity) will have a proxy card sent to you that you may use to direct Fidelity to vote your shares on your behalf. The proxy card should be signed and returned in the provided envelope to The Bank of New York, the Company s transfer agent and registrar, or you may authorize the voting of these shares over the Internet or by telephone by following the instructions on the provided proxy card. The Bank of New York will notify only Fidelity of the manner in which you have voted your shares. Fidelity will vote the shares in the manner directed on the proxy card (or as authorized over the Internet or by telephone). If The Bank of New York does not receive a signed proxy card or the authorization of the voting of your shares over the Internet or by telephone from you by 5:00 p.m., Eastern Time, on May 20, 2010, there can be no assurance that Fidelity will be able to follow your instructions. If you fail to timely submit your instructions to The Bank of New York, Fidelity will vote your shares of common stock held in the BJ s Common Stock Fund as of the record date in the same manner, proportionally, as it votes the other shares of common stock for which proper and timely voting instructions of other plan participants have been received by Fidelity.

PROPOSAL ONE

ELECTION OF DIRECTORS

BJ's Amended and Restated Certificate of Incorporation and by-laws provide for the classification of the Board of Directors into three classes, as nearly equal in number as possible, with the term of office of one class expiring each year. Currently, the number of directors is fixed at ten. Effective as of the date of this year's annual meeting, the number of directors will be fixed at nine. Your proxy will be voted to elect the three nominees named below, unless otherwise instructed, as directors for a term of three years expiring at the 2013 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified. S. James Coppersmith, whose term expires at this year's annual meeting, is retiring from the Board of Directors in accordance with our retirement policy and will not stand for re-election.

The three nominees, each of whom currently serves as a director of the Company, have indicated their willingness to serve, if elected. If a nominee becomes unavailable, your proxy will be voted either for another nominee proposed by the Board of Directors or a lesser number of directors as proposed by the Board of Directors. As required by our corporate governance guidelines as described under Policy Regarding Holdover Directors on pages 12 to 13, each nominee for director has tendered an irrevocable resignation that will become effective if he fails to receive the required vote in an uncontested election at the annual meeting and the Board accepts the tendered resignation.

No director or executive officer is related by blood, marriage or adoption to any other director or executive officer. No arrangements or understandings exist between any director or person nominated for election as a director and any other person pursuant to which such person is to be selected as a director or nominee for election as a director.

THE COMPANY'S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE THREE NOMINEES FOR ELECTION AS DIRECTORS

Set forth below is the principal occupation and other information about each of our directors, including the nominees for election at this year's annual meeting. The information presented includes each director's and nominee's principal occupation and business experience for the past five years and the names of other publicly-held companies of which he or she currently serves as a director or has served as a director during the past five years. The information presented below regarding the specific experience, qualifications, attributes and skills of each director and nominee led our Corporate Governance Committee and our Board to conclude that he or she should serve as a director. The Corporate Governance Committee does not have a formal policy with respect to diversity; however, the Board and the Corporate Governance Committee believe that it is essential that Board members represent diverse viewpoints. In seeking a diverse group of business leaders to serve on the Board, the Board considered the following: knowledge and understanding of the retail industry, finance and accounting experience, leadership ability, commitment to the Company and previous Board service.

Mr. Zarkin was a director, President and Chief Executive Officer of Waban from May 1993 to July 1997. Mr. Zarkin is Chair of BJ's Executive Committee and a member of the Finance Committee. The retirement policy in our corporate governance guidelines provides that directors will not be nominated for election to the Board after their 70th birthday unless the full Board, upon the recommendation of the Corporate Governance Committee, decides otherwise under special circumstances. In Mr. Zarkin's case, the Board concluded, upon the recommendation of the Corporate Governance Committee, that Mr. Zarkin is well suited to continue to serve as a director of the Company because of the extensive understanding and knowledge of BJ's business he has acquired during his long association with the Company. Mr. Zarkin has demonstrated his leadership ability and his commitment to our Company since he was elected a director in 1996.

Mr. Coppersmith will continue to serve as Chair of BJ's Executive Compensation Committee and a member of the Audit, Corporate Governance and Executive Committees until his retirement at the Annual Meeting.

CORPORATE GOVERNANCE

Our Board of Directors believes that good corporate governance practices are important to ensure that BJ's is managed for the long-term benefit of its shareholders. The Board of Directors recognizes that maintaining and ensuring good corporate governance is a continuous process and that the long-term interests of shareholders are advanced by responsibly considering the concerns of other stakeholders and interested parties, including employees/team members, members/customers, suppliers, the communities in which BJ's does business, and the public at large. This section describes key corporate governance principles and practices adopted by BJ's. Complete copies of the corporate governance principles, charters of the Audit, Corporate Governance and Executive Compensation Committees and the Statement on Commercial Bribery, Conflict of Interest and Business Ethics described below are available on the Investor Relations section of our website, www.bjsinvestor.com. The Company may also make disclosure of the following on our website, www.bjsinvestor.com:

the identity of the presiding director at meetings of non-management or independent directors;

the method for interested parties to communicate directly with the presiding director or with non-management or independent directors as a group;

the identity of any member of the issuer's audit committee who also serves on the audit committees of more than three public companies and a determination by the Board that such simultaneous service will not impair the ability of such member to effectively serve on the issuer's audit committee; and

contributions by an issuer to a tax exempt organization in which any non-management or independent director serves as an executive officer if, within the preceding three years, contributions in any single fiscal year exceeded the greater of \$1 million or 2% of such tax exempt organization's consolidated gross revenues.

Corporate Governance Principles

The Board has adopted corporate governance principles to assist the Board in the exercise of its duties and responsibilities and to serve the best interests of BJ's and its shareholders. These principles, which, along with the charters and key practices of the Board's committees, provide a

framework for the governance of BJs, include that:

the role of the Board is to oversee the management and governance of the Company;

a majority of the members of the Board shall be independent directors;

the non-management directors meet at least twice annually in executive session;

directors have complete access to management and may, at any time, hire independent advisors;

new directors participate in an orientation program and all directors are expected to participate in continuing director education on an ongoing basis; and

at least annually, the Board and its committees conduct a self-evaluation to determine whether they are functioning effectively.

Board Determination of Independence

Under applicable NYSE rules, a director of BJS will only qualify as independent if the Board of Directors affirmatively determines that he or she has no material relationship with BJS (either directly or as a partner, shareholder or officer of an organization that has a relationship with BJS). The Board of Directors has established guidelines to assist it in determining whether a director has a material relationship with BJS. Under these guidelines, a director will be considered to have a material relationship with BJS if he or she is not independent under Section 303A.02(b) of the NYSE Listed Company Manual or he or she:

is an executive officer of another company which is indebted to BJS, or to which BJS is indebted, unless the total amount of either company's indebtedness to the other is less than 1% of the total consolidated assets of the company for which he or she serves as an executive officer; or

serves as an officer, director or trustee of a tax exempt organization and BJS discretionary charitable contributions to such organization are more than the greater of \$1 million or 2% of that organization's consolidated gross revenues.

Ownership of a significant amount of BJS stock, by itself, does not constitute a material relationship.

For relationships not covered by the guidelines set forth above, the determination of whether a material relationship exists is made by the other members of the Board of Directors who are independent.

The Board of Directors has determined that none of Messrs. Coppersmith, English, Schlesinger, Sheehan, or Shields, Ms. Cournoyer or Drs. Danos or Peters has a material relationship with BJS and that each of these directors is independent as determined under Section 303A.02 of the NYSE Listed Company Manual. No transactions, relationships or arrangements, other than those disclosed in the Certain Transactions section of this proxy statement (see page 17), were considered by the Board in making its determination of director independence.

The Board of Directors has determined that all of the members of each of the Board's Audit, Corporate Governance and Executive Compensation Committees are independent as defined under the rules of the NYSE, including, in the case of all members of the Audit Committee, the independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act).

Board Leadership Structure and Board's Role in Risk Oversight

The positions of Chairman of the Board and Chief Executive Officer have historically been separated at BJs, except for a brief period of time when Mr. Zarkin held the positions of Chairman of the Board and Chief Executive Officer (from February 2007 to December 2008) and Interim Chief Executive Officer (from November 2006 to February 2007). Ms. Sen has held the position of Chief Executive Officer since February 2009. Separating these positions allows our Chief Executive Officer to focus on our day-to-day business, while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management. The Board recognizes the time, effort, and energy that the Chief Executive Officer is required to devote to her position in the current business environment, as well as the commitment required to serve as our chairman, particularly as the Board's oversight responsibilities continue to grow. While our bylaws and corporate governance guidelines do not require that our Chairman and Chief

Executive Officer positions be separate, the Board believes that having separate positions is the appropriate leadership structure for the company at this time. Our corporate governance principles require that the independent directors elect from among the independent directors a person to serve as presiding director if the Chairman of the Board is not an independent director. As Mr. Zarkin is not an independent director, Mr. Shields has been appointed the presiding director. The presiding director chairs meetings of the independent directors and undertakes such other responsibilities as the independent directors designate from time to time.

Our Board oversees our risk management processes directly and through its committees. Our management is responsible for risk management on a day-to-day basis. The role of our Board and its committees is to oversee the risk management activities of management. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and, in accordance with New York Stock Exchange requirements, discusses policies with respect to risk assessment and risk management. Risk assessment reports are regularly provided by management to the Audit Committee. The Executive Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The Corporate Governance Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure, succession planning for our directors and executive officers, and corporate governance. The Information Technology Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with overall information technology security, risk, internal controls, business continuity and disaster recovery.

The processes and procedures followed by the Corporate Governance Committee in identifying and evaluating director candidates are described below (see pages 11 to 12) under the heading Director Candidates.

Executive Compensation Committee. The Executive Compensation Committee's responsibilities include:

annually reviewing and approving corporate goals and objectives relevant to the CEO's compensation;

overseeing an evaluation of the Company's CEO;

The current members of the Executive Compensation Committee are S. James Coppersmith (Chair), Christine M. Cournoyer, Edmond J. English, Leonard A. Schlesinger and Michael J. Sheehan. The Executive Compensation Committee held seven meetings in 2009 and took action by written consent once.

Other Committees

The Board of Directors also has an Executive Committee which has authority to act for the Board on most matters during intervals between meetings of the Board. The current members of the Executive Committee are Herbert J Zarkin (Chair), S. James Coppersmith, Laura J. Sen and Thomas J. Shields. The Executive Committee did not meet during 2009.

The Board of Directors has a Finance Committee which reviews with management and advises the Board with respect to the Company's finances, including exploring methods of meeting the Company's financing requirements and planning the Company's capital structure. The current members of the Finance Committee are Helen Frame Peters (Chair), Laura J. Sen, Thomas J. Shields and Herbert J Zarkin. The Finance Committee held three meetings during 2009.

The Board of Directors has an Information Technology Committee which reviews with management and advises the Board with respect to the Company's comprehensive information technology (IT) strategic plan, related projects and technology architecture decisions; reviews the Company's IT investments and assesses whether the Company's IT programs effectively support the Company's business objectives and strategies. The current members of the Information Technology Committee are Christine M. Cournoyer (Chair), Edmond J. English, Leonard A. Schlesinger and Laura J. Sen. The Information Technology Committee held one meeting during 2009.

Board and Shareholder Meetings and Attendance

The Board of Directors held six meetings during 2009, and took action by written consent once. Each director attended at least 75% of the aggregate of the number of Board meetings and the number of meetings held by all committees on which he or she then served.

Our Corporate Governance Principles provide that directors are expected to attend the annual meeting of shareholders. All directors at the time attended the 2009 Annual Meeting of Shareholders.

Director Candidates

The process followed by the Corporate Governance Committee to identify and evaluate director candidates includes making requests to Board members and others for recommendations, retaining executive search firms to identify qualified candidates, meeting as needed to evaluate biographical information and background material relating to potential candidates and interviewing selected candidates.

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

In considering whether to recommend any particular candidate for inclusion in the Board's slate of recommended director nominees, the Corporate Governance Committee applies the criteria set forth in BJS's corporate governance principles. Under these criteria, a candidate should have substantial, relevant experience; a willingness to devote sufficient time to carrying out his or her duties and responsibilities effectively; and high personal and professional ethics, integrity and values. The Committee does not assign specific weights to particular criteria, and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

Mr. Schlesinger, who was elected to the Board effective September 21, 2009, was recommended to the Corporate Governance Committee for nomination to the Board by Ms. Sen.

Shareholders may recommend individuals to the Corporate Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials, and a statement as to whether the shareholder or group of shareholders making the recommendation has beneficially owned more than 5% of the Company's common stock for at least a year as of the date such recommendation is made, to the Corporate Governance Committee, c/o General Counsel, BJS Wholesale Club, Inc., One Mercer Road, Natick, Massachusetts 01760. Assuming that appropriate biographical and background material has been provided on a timely basis, the Committee will evaluate shareholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others. If the Board determines to nominate a shareholder-recommended candidate and recommends his or her election, then his or her name will be included in the proxy for the next annual meeting of shareholders.

Shareholders also have the right under our by-laws to directly nominate director candidates, without any action or recommendation on the part of the Corporate Governance Committee or the Board, by following the procedures set forth under Shareholder Proposals on page 59. Candidates nominated by shareholders in accordance with the procedures set forth in the Company's by-laws will not be included in the proxy solicited by the Board for the next annual meeting of shareholders.

Policy Regarding Holdover Directors

As a condition to being nominated by the Board for re-election as a director, the Company's Corporate Governance Principles require each incumbent nominee to deliver to the Company an irrevocable resignation that will become effective if: (1) in the case of an uncontested election (as defined in the Principles), such nominee does not receive a greater number of votes for his or her election than votes against (with abstentions, broker non-votes and withheld votes not counted as a vote for or against such nominee's election) and (2) the Board, in accordance with the procedures summarized below, determines to accept such resignation.

In the case of an uncontested election, if a nominee who is an incumbent director does not receive the required vote, the Corporate Governance Committee, or in specified situations another committee consisting of independent directors, will evaluate the best interests of BJS and its shareholders and recommend to the Board the action to be taken with respect to such resignation. In reaching its recommendation, the committee will consider all factors it deems relevant, which may include:

any stated reasons why shareholders voted against such director;

any alternatives for curing the underlying cause of the votes against such director;

the total number of shares voting and the number of broker non-votes;

the director's tenure;

the director's qualifications;

the director's past and expected future contributions to BJS; and

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

the overall composition of the Board, including whether accepting the resignation would cause the Company to fail to meet any applicable SEC or NYSE requirements.

The Board will act on the committee's recommendation, and in doing so, will consider all of the factors considered by the committee and such additional factors as it deems relevant. The committee and Board actions will be completed within 90 days following certification of the shareholder vote.

An incumbent director who fails to receive the required vote in an uncontested election and who has tendered his or her resignation pursuant to this provision shall remain active and engaged in Board activities while the committee and the Board decide whether to accept or reject his or her resignation. However, it is expected that such incumbent director will not participate in any proceedings by the committee or the Board regarding whether to accept or reject his or her resignation.

Following the Board's determination, the Company will promptly publicly disclose the Board's decision of whether or not to accept the resignation and an explanation of how the decision was reached, including, if applicable, the reasons for rejecting the resignation.

If the Board accepts a nominee's resignation, then the Board may fill the resulting vacancy or decrease the size of the Board.

Communicating with the Independent Directors

The Board will give appropriate attention to written communications that are submitted by shareholders and other interested parties and will respond if and as appropriate. All communications from shareholders and other interested parties will be reviewed by the Company's General Counsel and if they are relevant to the Company's operations, policies and philosophies, they will be forwarded to the Chair of the Corporate Governance Committee. The Chair of the Corporate Governance Committee, with the assistance of our General Counsel, is primarily responsible for monitoring communications from shareholders and other interested parties and for providing copies or summaries to the other directors as he considers appropriate. Mr. Shields serves as the presiding director at all executive sessions of our non-management directors.

Under procedures approved by a majority of the independent directors, communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the Chair of the Corporate Governance Committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters which are the subject of repetitive communications.

Shareholders who wish to send communications on any topic to the Board should address such communications to the Board of Directors, c/o General Counsel, BJ's Wholesale Club, Inc., One Mercer Road, Natick, Massachusetts 01760.

Compensation of Directors

Directors who are employees of BJ's receive no additional compensation for their services as directors. Non-employee directors are paid an annual retainer of \$40,000 and fees of \$2,500 for each Board meeting attended, \$1,000 for each Committee meeting attended and \$1,000 for telephone meetings. In addition, the Chair of the Audit Committee, the Chair of the Executive Compensation Committee and the Chair of the Information Technology Committee each are paid \$10,000 per annum for their services. The Chair of the Corporate Governance Committee, the Chair of the Finance Committee and the presiding director are each paid \$5,000 per annum for their services. Other members of the Audit Committee, the Corporate Governance Committee, the Executive Compensation Committee, the Finance Committee and Information Technology are paid \$2,500 per annum for their services on each committee. All directors are reimbursed for their expenses related to attendance at meetings. BJ's management and the Corporate Governance Committee periodically review the compensation of directors and recommend changes to the full Board of Directors.

BJ's 2007 Stock Incentive Plan provides for the automatic grant of options to members of the Board of Directors who are not BJ's employees. On the commencement of service on the Board, each non-employee director receives a non-statutory stock option to purchase 10,000 shares, subject to adjustment for changes in capitalization. In addition, on the date of each annual meeting of shareholders, each non-employee director who is both serving as a director immediately before and immediately after such meeting receives a non-statutory stock option to purchase 5,000 shares of common stock, subject to adjustment for changes in capitalization. The options granted to directors have an exercise price equal to the closing

price of our common stock on the date of grant. However, a non-employee director will not receive an annual option grant unless he or she has served on the Board for at least six months. Options automatically granted to non-employee directors vest on a cumulative

basis as to one-third of the shares on the first day of the month of each of the first three anniversaries of the date of grant provided the person is still serving on the Board and expire on the earlier of 10 years from the date of the grant or one year following cessation of service on the Board. However, no additional vesting will take place after the non-employee director ceases to serve as a director. The Board may provide for accelerated vesting in the case of death, disability, attainment of mandatory retirement age or retirement following at least 10 years of service on the Board. The Board can increase or decrease the number of shares subject to options granted to non-employee directors and can issue stock appreciation rights, restricted stock, restricted stock units or other stock-based awards in lieu of some or all of the options otherwise issuable, in each case subject to the overall limit on the number of shares issuable to non-employee directors that is contained in the 2007 Stock Incentive Plan.

In lieu of an annual stock option grant for 2007, 2008 and 2009, on May 24, 2007, the date of the 2007 Annual Meeting of Shareholders, each then serving non-employee director received a grant of 6,600 shares of restricted stock. The grant date value of each share was \$37.16, which was equal to the closing price of our common stock on the date of the grant. One third of such shares will vest on each of the first three anniversaries of the date of grant (or, if earlier in any year, on the date of the Company's annual meeting of shareholders for such year) provided the person is still serving on the Board. Directors who joined the Board after May 24, 2007 have received pro-rated grants. Specifically, Mr. Sheehan received a grant of 4,400 shares on May 22, 2008. The grant date value of each share was \$38.79, the closing price of our stock on that date. One half of such shares will vest on the first two anniversaries of the date of grant (or, if earlier in any year, on the date of the Company's annual meeting of shareholders for such year) provided that Mr. Sheehan is still serving on the Board. Ms. Cournoyer received a grant of 3,117 shares on May 21, 2009. The grant date value of each share was \$ 36.50, the closing price of our stock on that date. All of such shares will vest on May 24, 2010, subject to continued service as a director of the Company through the date of vesting. Mr. Schlesinger received a grant of 1,467 shares on September 17, 2009. The grant date value of each share was \$ 36.40, the closing price of our stock on that date. All of such shares will vest on May 24, 2010. The restricted stock will become fully vested upon a change of control (as defined in the 2007 Stock Incentive Plan).

DIRECTOR COMPENSATION TABLE

The table below summarizes the compensation paid by BJs to non-employee directors in fiscal 2009. See page 5 for a discussion of Mr. Zarkin's compensation in his role as non-executive chairman and consultant effective May 25, 2010.

These amounts do not reflect any estimate of forfeitures related to service-based vesting. Instead, it assumes that the director will perform requisite service to vest in the restricted stock awards. As of January 30, 2010, Mr. Coppersmith, Mr. English, Dr. Peters, Mr. Sheehan and Mr. Shields each had 2,200 restricted shares outstanding, and Dr. Danos had 6,600 shares outstanding. No other stock options were granted to non-employee directors during fiscal 2009. The value reflected in this column is the aggregate grant date fair value of option awards granted during the fiscal year, computed in accordance with FASB ASC Topic 718 (formerly FAS 123R). These amounts do not reflect any estimate of forfeitures related to service-based vesting. Instead, it assumes that the director will perform requisite service to vest in the stock options. The assumptions used in valuing the stock options we granted during 2006-2009 are described under the caption "Stock Incentive Plans" in Note 7 to our consolidated financial statements that are contained in our Annual Report on Form 10-K for the fiscal year ended January 30, 2010. Policies on Business Ethics and Conduct

All of BJs employees, including its Chief Executive Officer and Chief Financial Officer, as well as the directors, are required to abide by the Company's Statement on Commercial Bribery, Conflict of Interest and Business Ethics ("Code of Conduct"), which is intended to help ensure that BJs business is conducted in a consistently legal and ethical manner. The Company's policies and procedures cover areas of professional conduct, including relations with vendors, conflicts of interest, financial integrity and the protection of corporate assets, as well as adherence to all laws and regulations applicable to the conduct of the Company's business.

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

Employees and directors are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Conduct. In addition, as contemplated by the Sarbanes-Oxley Act of 2002, the

Company's Audit Committee has established procedures to receive, retain and treat complaints received regarding accounting, internal accounting controls or auditing matters and to allow for the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

The full text of the Company's Code of Conduct is posted on the Investor Relations section of our website, at www.bjsinvestor.com. The Company will post on its website all disclosures that are required by law or NYSE listing standards concerning any amendments to, or waivers from, any provision of the Code of Conduct.

Policies and Procedures for Related Person Transactions

Our Board has adopted written policies and procedures for the review of any transaction, arrangement or relationship in which the Company is a participant and one of our executive officers, directors, director nominees or 5% shareholders (or their immediate family members), each of whom we refer to as a related person, has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, which we refer to as a related person transaction, the related person must report the proposed related person transaction to our General Counsel. The policy provides that irrespective of the amount involved, any relationship between the Company and any of its suppliers in which a related person has a direct or indirect material interest shall be reviewed by the Audit Committee at its inception (or such later time as the Company first becomes aware of the related person's interest) and, thereafter, annually. Transactions above a certain amount must be approved by the Audit Committee. Whenever practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the Audit Committee will review, and, in its discretion, may ratify the related person transaction. The policy also permits the Chair of the Audit Committee to review and, if deemed appropriate, approve proposed related person transactions that arise between Audit Committee meetings, subject to ratification by the Audit Committee at its next meeting.

A related person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the Audit Committee after full disclosure of the related person's interest in the transaction. As appropriate for the circumstances, the Audit Committee will review and consider:

the related person's interest in the related person transaction;

the approximate dollar value of the amount involved in the related person transaction;

the approximate dollar value of the amount of the related person's interest in the transaction, without regard to the amount of any profit or loss;

whether the transaction was undertaken in the ordinary course of business;

whether the terms of the transaction are no less favorable than terms that could have been reached with an unrelated third party;

the purpose of, and the potential benefits to BJs of, the transaction; and

any other information regarding the related person transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

The Audit Committee may approve or ratify the transaction only if it determines that, under all of the circumstances, the transaction is in BJs best interests. The Audit Committee may impose any conditions on the related person transaction that it deems appropriate.

In addition to the transactions that are excluded by the instructions to the SECs related person transaction disclosure rule, the Board has determined that the following transactions do not create a material direct or indirect interest on behalf of related persons and, therefore, are not related person transactions for purposes of

this policy: interests arising solely from the related person's position as an executive officer of another entity (whether or not the person is also a director of such entity) that is a participant in the transaction, where (a) the related person and all other related persons own in the aggregate less than a 10% equity interest in such entity, (b) the related person and his or her immediate family members are not involved in the negotiation of the terms of the transaction and do not receive any special benefits as a result of the transaction, (c) the amount involved in the transaction equals less than the greater of \$1 million or 2% of the annual consolidated gross revenues of the other entity that is a party to the transaction, and (d) the amount involved in the transaction equals less than 2% of the Company's annual consolidated gross revenues.

The policy provides that transactions involving compensation of executive officers shall be reviewed and approved by the Executive Compensation Committee in the manner specified in its charter.

Certain Transactions

During fiscal 2009, Gerald and Norman Zarkin, brothers of Herbert J Zarkin, BJS Chairman of the Board had an interest in the following business transactions involving BJS.

BJS purchases merchandise from Tee's Plus Corporation (Tee's Plus), a division of Edh, Inc., where Gerald Zarkin is an employee and manages BJS business with Tee's Plus. Such purchases totaled approximately \$283,000 during fiscal 2009. In addition, BJS has an arrangement with Tee's Plus for the sale of embroidered apparel, and BJS receives a percentage of the sales made by Tee's Plus to BJS members. The total amount of sales by Tee's Plus to BJS members was approximately \$104,000 in fiscal 2009, of which BJS received approximately \$10,500 pursuant to this arrangement. Gerald Zarkin earned approximately \$75,000 in fiscal 2009 in salary and commissions from Tee's Plus with respect to these purchases by BJS, including salary of \$60,000 in fiscal 2009 as Vice President Sales of Tee's Plus. In addition, BJS has a consignment arrangement with Universal Supply MC, LLC (Universal), which operates as a division of Edh, Inc., for the sale of specialty caps, college sweatshirts, towels and blankets and also purchases certain merchandise from Universal. BJS provides space in its clubs for the display of Universal's inventory and BJS receives a percentage of the sales made by Universal to BJS members. During fiscal 2009 the total amount of such purchases was approximately \$880,000 and the total amount of consignment sales was approximately \$3.2 million, of which BJS received approximately \$742,000 from Universal. Gerald Zarkin received approximately \$98,500 in fiscal 2009 in commissions related to the Universal transactions.

Norman Zarkin is the sole shareholder of The Zarkin Group, Inc. In fiscal 2009, The Zarkin Group, Inc. received approximately \$99,100 in commissions for service as a broker in connection with sales made to BJS by Alimed, Arlee Home Fashions, Audio Technology, Cutie Pie Baby, Inc., Design & Factory, Flaghouse, Handi Foil, Inc., Harve Benard, Ltd and EB Brands, each of which is a vendor of BJS. In the aggregate, BJS purchased approximately \$4,636,764 of merchandise from these vendors.

During fiscal 2009, BJS had an agreement with Fidelity Management Trust Company (FMTC) to provide 401(k) plan administration. FMTC also serves as trustee with respect to the assets of the Company's 401(k) plans. BJS paid fees for these services totaling approximately \$307,180 in fiscal 2009. Additionally, fees are paid by plan participants in the form of investment management services fees generated on various transactions including loan setup and related fees. FMTC is a subsidiary of FMR LLC, which holds more than 5% of our stock.

BJS believes that each of the transactions described above was carried out on terms that were no less favorable to the Company than those that would have been obtained from unaffiliated third parties. Each of the above transactions was reviewed, and as necessary approved, under our related person transaction policy.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In this section, we provide an overview and analysis of BJ's executive compensation program. Our discussion is divided into four sections: an Executive Summary, a description of BJ's Compensation Program, an analysis of the Compensation Actions Related to 2009, and Closing Comments.

I. Executive Summary

BJ's priority for 2009 was to continue our growth after disappointing financial performance in 2006 and prior years. In particular, we sought to continue to increase our membership and sales in a macro-economic environment that while generally difficult, was well suited for our value proposition. A key strategic imperative for our Board of Directors and the Executive Compensation Committee (the "ECC") was incenting and retaining the management team hired during the last several years and experienced in the wholesale club business model. Employing our longstanding mix of compensation elements, our compensation program for 2009 was designed to continue this strategic imperative.

In 2009 we continued with the same mix of compensation elements as in the prior year. BJ's executive compensation program is based on a pay for performance philosophy. As such, our primary objectives are to align compensation with the annual and long-term performance of BJ's and with the creation of shareholder value, while providing compensation packages targeting the 50th to 75th percentile of a peer group. In 2009 we created target compensation packages at or below the lower end of this range, and our leadership team delivered a strong performance in a very challenging retail and macroeconomic environment, earning bonuses above target. (In addition, and explained in more detail at page 33, we paid four of our five Named Executive Officers, or "NEOs," one-time bonuses to recognize changes to the calculations under our long-term and short-term bonus plans approved by the shareholders in 2009, but not retroactively applicable to the plans payable in this year.)

Management (through the CEO) provides the ECC annually with recommendations as to the appropriate compensation for our executive officers. Those recommendations are the result of a process involving the CEO, BJ's Chief People Officer (the "CPO"), and management's compensation consultant, Watson Wyatt, and are designed to create market-based packages. The ECC reviews the recommendations put forth by the CEO and CPO with the assistance of its independent compensation consultant, at the time, Towers Perrin. The CPO and the Chairman, without input from the CEO, makes recommendations as to the CEO's compensation.

On January 1, 2010, after they had completed the work referenced in this report, Towers Perrin and Watson Wyatt combined their businesses. Towers Perrin did not perform any work for the Company on behalf of management prior to the combination on January 1, 2010, and the ECC terminated its relationship with Towers Perrin prior to January 1, 2010. The ECC selected Mercer Consulting to be its independent compensation consultant in late 2009.

As in the past, our 2009 compensation program consisted of the following three guaranteed elements and two incentive elements from which the ECC has structured the NEOs' compensation:

Guaranteed Elements

1. Base Salary;
2. Retirement Benefits (a 401(k) plan and an Executive Retirement Plan); and
3. Additional Benefits and Perquisites (auto allowance, tax preparation, financial consulting, estate planning, deferred compensation, insurance, and payments and benefits in the case of an occurrence of a change of control).

Incentive Elements

1. Annual Cash Incentives (paid under our Management Incentive Plan, which we refer to as the MIP, and which establishes a cash payout on the basis of the achievement of annual performance goals); and
2. Long-term Incentives (paid under (i) our Growth Incentive Plan, which we refer to as the GIP, and which establishes a cash payout on the basis of the achievement of three-year cumulative financial performance goals; and (ii) our Stock Incentive Plan, which provides for grants of equity awards, including options and restricted shares). As explained below, we may vary the mix of these long-term incentives from year to year, selecting the vehicles and amounts which we believe will fairly compensate and appropriately motivate and measure the success of our NEOs.

Cash payments under the MIP and the GIP are tied directly to the performance of BJs. While the size of the potential awards under those programs differs among the NEOs, reflecting both the scope of responsibility of the position and market-based compensation, there are no individual performance criteria under these plans. This structure emphasizes a team approach for our senior executives, and eliminates any individual incentive for one NEO to strive to meet an individual incentive target that is not in the overall best interest of BJs. With respect to equity awards, while the number of options or restricted shares granted may differ among the NEOs based on their position and market norms, the ultimate value of those awards is tied directly to the performance of BJs stock. We believe that this mix of elements, closely tied to the annual and long-term performance of BJs, provides management with incentives similar to those of the shareholders and as such is another manner in which we can limit to an appropriate level the risk which the executives will take as they manage the company.

The ECC believes that by using the available compensation elements and the process and benchmarks outlined above and explained in more detail below, the Board has put in place an appropriately compensated executive team, well-positioned to continue to manage BJs into the future.

II. BJs Compensation Program

This section reviews:

- A. The Parties involved in the design of our Compensation Program;
- B. The Elements of that Program;
- C. The Relationship among the Program Elements;
- D. The Competitive Frames of Reference (benchmarks) that we have reviewed in designing our Compensation Program; and
- E. The Tax and Accounting Considerations affecting our Compensation Program.

A. The Parties

During fiscal 2009, three sets of participants, the ECC, BJS management, and the outside consultants, contributed to the design of our executive compensation program. The role of each of these parties is discussed in this section:

1. BJS Executive Compensation Committee

The ECC meets regularly to address compensation matters throughout the year. BJS CEO and CPO regularly attend ECC meetings to present compensation proposals and to provide input to the ECC. The ECC meets in executive session, without management present, when reaching final decisions on the individual elements of executive compensation. A more detailed description of the responsibilities of the ECC is set forth under the caption "The Board of Directors and its Committees Executive Compensation Committee" on pages 10 to 11.

2. *BJ's Management*

On an annual or semi-annual basis, BJ's CPO commissions a competitive analysis by management's compensation consultant, at the time, Watson Wyatt, as described in more detail on pages 27 to 28. The CPO makes recommendations to BJ's CEO based on the report findings and other factors such as performance, tenure, and fairness among the NEOs. The CEO in turn makes recommendations to the ECC on specific salary levels for the NEOs (other than for the CEO).

From time to time, the CEO recommends to the ECC modifications to BJ's short-term and long-term incentive compensation programs, including recommendations relating to equity-based compensation programs for the NEOs to achieve better alignment with BJ's business goals or with BJ's peer group.

3. *Outside Compensation Consultants - Watson Wyatt and Towers Perrin*

Watson Wyatt serves as the consultant to management. In this capacity, they:

Provide management with comparable market data to assess the competitiveness of BJ's compensation program;

Apprise management of regulatory changes that may have an impact on design and/or administration of plans; and

Review management's recommendations regarding program design in the context of market practice and regulatory compliance.

The ECC retained the services of Towers Perrin as the compensation consultant to the ECC. In this capacity, they:

Assist in the compilation and interpretation of marketplace CEO and director compensation information;

Provide input to the ECC on peer group selection for compensation benchmarking purposes;

Counsel the ECC on competitive market practices with respect to senior management plan design and market trends; and

Perform analyses and provide compensation consulting advice on an as needed basis, at the request of the ECC, including for example in 2009, review of Chief Executive Officer equity awards, Chairman of the Board compensation practices and CD&A disclosure review.

B. Compensation Elements

Our NEOs are eligible to receive: a base salary; annual cash incentives under the MIP; long-term cash incentives under the GIP; long-term equity incentives, including both options and restricted shares, under our 2007 Stock Incentive Plan; retirement benefits; additional benefits and perquisites; and payments and benefits in the case of an occurrence of a change of control.

We discuss each of these components in this section, and then outline how the ECC views the interrelationship among the elements. For a discussion and analysis of how these elements of compensation were awarded to our NEOs with respect to 2009, see the section below entitled "Compensation Actions Relating to Fiscal 2009" beginning on page 29.

1. Base Salary

Each NEO receives a base salary to attract and retain management talent to BJS with the experience and skills necessary to succeed in our business model. The ECC makes the final decision as to an individual's initial salary within the competitive range based upon a variety of factors, most notably the executive's skills and experience level.

Thereafter, changes to base salary levels are driven primarily by individual performance and/or changes to the scope of the position, while remaining consistent with market peers:

Named Executive Officers (Other than the CEO): The CEO discusses the performance of each NEO with the ECC and, after consultation with the CPO, makes annual salary increase recommendations. These recommendations are at the CEO's discretion and are based on her overall subjective evaluation of the individual's performance, as well as the NEOs base pay and total compensation relative to competitive market information as provided by Watson Wyatt. The ECC considers the input from the CEO, may review relevant data from Towers Perrin on an as needed basis, and has final approval for all NEO salary increases.

Chief Executive Officer: In conjunction with the Chairman and the CPO, and with input from Towers Perrin as needed, the ECC sets the annual compensation for the CEO.

2. Annual Incentive the Management Incentive Plan

Under the MIP, NEOs and other members of management are eligible to receive annual cash awards based upon the achievement of annual financial performance goals.

At the beginning of each year, the ECC establishes the MIP performance goals and corresponding target awards. In recent years, including 2009, the ECC has established the target for NEOs based on year-over-year increases in sales and net income (adjusted for greater than historic levels of investment in the business). We believe these metrics most closely tie the compensation of our NEOs to the performance of our business on an annual basis.

There is additional flexibility to set targets under the MIP plan document. The goals may be based on one or more objective criteria: operating income, pre-tax income, net income, gross profit dollars, costs, any of the preceding measures as a percent of sales, earnings per share, sales, net assets, return on assets or net assets, return on equity, return on investment, return on invested capital, cash flow, total shareholder return, gross margin, earnings before interest, taxes, depreciation and/or amortization and market share. Targets may include or exclude income or loss from, or other effects of, sales of gasoline. Such goals, criteria and target awards may (i) be absolute or relative in their terms or measured against or in relationship to other companies or a market index, (ii) vary among participants and (iii) be particular to a participant or the department, branch, line of business, subsidiary or other unit in which the participant works. The MIP allows the ECC to determine in its sole discretion any adjustments deemed appropriate to increase or decrease the value of a payout in response to unusual and nonrecurring events. However, the ECC cannot make any adjustments for the sole purpose of increasing the incentive award payout to the CEO and other NEOs at the end of an award period, other than in the case of certain identified events. As discussed below, at page 33, the shareholders amended this list of identified events in 2009. No executive officer may receive a MIP award payout in a calendar year in excess of \$1,500,000.

There is no individual performance component of the MIP. In establishing the performance targets the ECC holds discussions with the CEO to gain her perspective on achievable goals, and reviews the previous year's performance and the reasonableness of the performance standard set for the coming year or cycle.

We seek to set the level of target award in the context of the market for our executives' services and to be competitive (generally targeted at the 50th to 75th percentile) with BJ's peer group. In the recent past, the annual target award for the CEO is 75% of base salary, with a maximum payment of 100% of salary. Other NEOs' annual target awards are 30% of base salary, with a maximum of 60% of base salary. The targets for the CEO exceeds that of the other NEOs to recognize both her leadership role at BJ's and market norms.

MIP awards at target reward the executive team for BJ s annual achievement of key strategic objectives. The ECC reviews the payout calculations after the year s financial results have been audited. Incentive award

payments above target reward the executive team for delivering results above plan. MIP payments are scaled from target down to zero when financial results are below plan.

The history of payments under the MIP for the last five years is set out in the table below.

MIP PAYMENT	
AS PERCENT OF	
YEAR	TARGET
2005	63.5%
2006	5.3%
2007	140.6%
2008	150.1%
2009	132.7%/110.7%*

(*) The 132.7% is Mr. Forward's MIP Payment as a percent of target and the 110.7% is the MIP Payment as a percent of target for our other NEOs. For a further explanation of the difference in these percentages see pages 30 to 33.

Long-term Incentives General Comments

BJ's long-term incentive program includes both equity and cash components. Long-term incentives are designed to enhance the ability of BJ's: (i) to hire and retain individuals of exceptional managerial talent necessary to manage optimally BJ's warehouse club retail format, (ii) to align rewards with shareholder gains, and (iii) to be competitive with the market benchmarks that we target. The awards to the NEOs are generally based on the level of responsibility, the contribution towards BJ's performance, and a survey of competitive compensation data provided by management's consultant, Watson Wyatt.

While our 2007 Stock Incentive Plan authorizes the grant of a range of equity awards, the ECC has made only grants of options and/or restricted shares in recent years and granted only restricted shares in 2009. In determining the size of an equity grant, normally made in May of each year, except in the case of a mid-year promotion, the ECC considers the performance of BJ's during the previous year (which by May is supported by audited financials), the plan for the current year and the competitive equity awards being granted in the marketplace. The grant price is normally the closing price on the date of grant. The ECC generally has not made equity grants during black-out periods under BJ's insider trading policy.

3. Stock Options

Stock options are primarily awarded to align executive interests with those of BJ's shareholders. The vesting of awards over time provides significant retention value, particularly when the value of the stock has increased relative to the price of the option when initially granted. Options are granted with a strike price equal to the closing price of BJ's shares as of the grant date, generally vest pro-rata over a three or four-year period and have a ten-year term. This design is common among our peer companies, as well as the broader market.

4. Restricted Stock

The ECC believes restricted stock provides a direct link to shareholder value creation, financial and operational performance, provides an appropriate balance of risk and reward, and is consistent with market best practices. Under our 2007 Stock Incentive Plan, restricted shares that vest solely based on the passage of time must vest over a period of 36 months, unless they are part of a designated and limited pool of shares. Restricted stock may contain a performance hurdle to become vested.

5. BJS Growth Incentive Plan

The GIP is intended to provide executives of BJS with cash awards based upon BJS growth and performance and to encourage retention of executives. However, as set out in more detail below, we did not make a GIP grant award in 2009 and do not anticipate making such awards in 2010.

As with the MIP, GIP awards may be based on one or more objective measures of performance. The applicable measure is selected by the ECC at the beginning of each three-year award period. The GIP allows the ECC to determine, in its sole discretion, any adjustments deemed appropriate to increase or decrease the value of a payout in response to specified events. However, the ECC cannot make any adjustments for the sole purpose of increasing the incentive award payout to the CEO and other NEOs at the end of an award period, other than in the case of certain identified events. As discussed below, at page 33, the shareholders amended this list of identified events in 2009. No individual award payment under the GIP can exceed \$2,500,000 in any calendar year.

All NEOs are eligible to participate in the GIP, and in years when awards were made, we have awarded a specific number of performance units based on the historical awards provided to our NEOs.

In each of 2006 and prior years, the ECC established new three-year GIP grants. The awards had performance targets that generally required compound annual growth in net income of 8-10%. Each award was expressed in units, with the target value of one unit ranging from .020% to .025% of the cumulative incremental income improvement for the performance period over the base year, with the base year defined as the year immediately preceding the three-year performance period. For the 2007-2009 cycle of the GIP, the ECC authorized the use of a slightly different formula, to set a high, but achievable, bar. Specifically, the target was set as a sum of net income in 2007, 2008 and 2009, where the net income for 2007 was that year's plan income and the net income for 2008 and 2009 were 8% compound increases year over year. If the target was met, the target incentive was to be paid. Payments scaled up for performance above target, and down for performance below target, reaching zero at 93.75% of target. Payments based on awards granted in 2007 under the GIP 2007-2009 cycle were paid in cash in March 2010. The target payment for each GIP point in the 2007-2009 cycle was \$20,000. The calculated value of each GIP point under the 2007-2009 cycle was \$33,832 for Mr. Forward, and as discussed in more detail below at pages 31 to 32, was \$31,789 for our other NEOs.

The ECC did not grant GIP awards for the 2008-2010 or the 2009-2011 cycle, and we do not anticipate granting GIP awards for a 2010-2012 cycle.

6. Retirement Benefits available to NEOs and other BJS employees

A. 401(k) Plan: BJS offers a 401(k) plan to all of its eligible employees through which they can defer a portion of their cash compensation. The CEO and all other NEOs who are participants in the 401(k) plan are considered highly compensated employees and are limited to deferring up to 7% of their cash compensation on a pre-tax basis, up to the annual maximum allowed under law. BJS matches the first 5% of the participant's contributions as follows: 100% on the first 1% of contributions and 50% on the next 4% of contributions. BJS contributions vest in equal annual installments over the first four years of employment. The plan provides the participants with diversified investments into which they may direct their contributions.

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

B. *Executive Retirement Plan (ERP)*: The ERP is designed to enhance our ability to hire and retain the required executive talent by providing a program through which BJS contributes amounts toward retirement over and above the matching contributions of the 401(k) plan. The ECC authorizes an annual contribution on an after-tax basis on behalf of all executives at the level of Assistant Vice President and above, and has sole discretion to determine the amount of the contribution provided that the contribution is at least 3% of the participant's eligible salary earned in the prior fiscal year. The contribution is deposited into an investment account that is part of a Group Variable Universal Life Insurance certificate. Since the ERP's inception, the ECC has voted a contribution amount equal to 5% of the base salary earned through fiscal year end. Contributions are

accumulated and held in an account and vest in full at the end of the fourth full fiscal year of employment. After the vesting criterion is met, the executive can invest the account balance among a diversified investment portfolio. Withdrawal from the executive's account during the course of an executive's employment would cause future contributions to be forfeited.

7. Additional Benefits and Perquisites

BJ's provides the NEOs with a mix of benefits and perquisites as follows:

A. Perquisites. BJ's provides its NEOs with: auto allowance, annual tax preparation and financial counseling and periodic estate planning. As set out on the table on page 37, the value of these perquisites is relatively modest.

B. Deferred Compensation. BJ's allows NEOs to defer the receipt of compensation to a later date on a tax-deferred basis. This plan is described on page 39.

C. Group Insurance Plans. BJ's provides all eligible employees with a comprehensive mix of insurance benefits which include medical, dental, basic life (to a maximum of \$100,000), supplemental life (to a maximum of \$500,000), disability, for NEOs business travel accident, and accidental death and dismemberment. NEOs also receive executive life (2x the executive's base salary, up to \$2.5 million).

8. Change of Control and Other Termination Benefits

The ECC recognizes that the possibility of a change of control or potential change of control of BJ's may result in the departure or distraction of management to the detriment of BJ's and its shareholders and wishes to assure the executive a fair compensation arrangement when the executive's employment is continued or involuntarily terminated following a change of control or potential change of control.

It is BJ's intention to provide severance and change of control benefits that are consistent with market practice. Management, with the assistance of Watson Wyatt, reviews severance and change of control program provisions against market trends from time to time to ensure continued alignment with peer companies, and makes recommendations to the ECC as necessary to maintain BJ's competitive position.

In January 2006, management's compensation consultant, Watson Wyatt, conducted a competitive review and assessment of BJ's Change of Control Severance Benefit Plan for Key Employees and Change of Control Severance Agreement based on then-current market practices. No additional review has been conducted since 2006. The 2006 review benchmarked our severance and change of control benefits against those of the following discount retail and large grocery companies that are similar in scope and size to BJ's: AutoZone, Circuit City, Costco Wholesale, Dillards, Dollar General, Family Dollar Stores, Kohl's, PetSmart, Publix Super Markets, Safeway, Staples, and Target.

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

As a result of that review, Watson Wyatt found the key program elements of our plan, including eligibility for participation, severance benefit levels and benefit continuation timeframes, to be within competitive market practice of the companies listed above. In addition, BJ's provision to cap certain change of control benefits to eliminate the potential for triggering excise tax is consistent with a trend away from 280G tax gross-ups.

The specific Employment and Severance Agreements and Change of Control Severance Benefits for our NEOs are discussed on pages 41 to 45.

C. Relationship among the Compensation Program Elements

There are three key objectives for our executive compensation program, and each component of the compensation program addresses one or more of those objectives and attributes, as follows:

Objective	Base Salary	Annual Incentive (MIP)	Long-term Incentives (GIP and Equity)	Retirement, Perquisites, and Termination/Change of Control Benefits
Hire and retain key talent	Ö	Ö	Ö	Ö
Integrate compensation with the achievement of BJ's annual and long-term goals		Ö	Ö	
Link management's interests with shareholders over the long-term			Ö	

While there is no set allocation between or among the various elements, the elements of the compensation plan are interwoven, and these inter-relationships are taken into account in establishing the target compensation for our NEOs:

Base salary is the primary vehicle for providing NEOs a source of fixed income. As discussed above, the ECC evaluates market data along with the CEO's input on individual performance to provide market competitive base salary levels (along with benefits and perquisites), which are critical in attracting, retaining and motivating talented executives.

MIP awards are set as a percentage of base pay, and as such, salary decisions impact annual incentive opportunities. Taking these annual payments together, BJ's seeks to provide meaningful levels of annual incentive opportunities that would be sufficient to drive performance. Total cash compensation levels (base + target MIP) are evaluated against market benchmarks to ensure the compensation is at an appropriate level to retain a talented executive team and at our target compensation of the 50th to 75th percentile of our peer companies.

While BJ's financial performance in any given year is used to calculate the MIP for that year, each year's performance is also used to calculate multiple awards under the GIP program. As a result, there is a relationship between MIP and GIP payment levels, versus their targets, over time. In addition, given the three-year structure of the GIP program, one weak year makes it difficult to achieve the targets set for the cycle. Similarly, one strong year increases the likelihood of an eventual payout.

Long-term incentives are not directly tied to the other elements of the compensation program, but are an important component when evaluating our compensation packages against competitive benchmarks and our desired competitive range, and most directly link NEO compensation and long-term gains for our shareholders.

D. Competitive Frames of Reference

We consider a variety of internal and external criteria and data in arriving at pay decisions. Competitive frames of reference are utilized as a tool to make the following decisions:

Competitive pay opportunities for the services of our NEOs;

Alignment of incentive targets with performance;

Appropriateness of our long-term incentives, both from a structure and competitiveness standpoint; and

Appropriateness of mix of pay in terms of fixed versus variable and short-term versus long-term incentives.

Watson Wyatt

In 2009, management engaged Watson Wyatt to provide competitive market data from the group of peer organizations set out in the following table that was used in evaluating and setting NEO compensation. Watson Wyatt's market assessment for the NEOs included base salary, total cash compensation (base + annual incentives) and total direct compensation (total cash compensation + long-term incentives). The group of peer organizations was initially established in 2006 and reevaluated for continued alignment with BJs in 2009 based on industry and financial criteria. In addition, during 2009, Watson Wyatt provided peer data related to long-term incentive practices at the peer organizations.

The peer group summary financial statistics are set out in the following table:

Peer Company	Financial Statistics (for 2008)

* Circuit City declared bankruptcy in November 2008, Dollar General was taken private by Kohlberg Kravis Roberts in July 2007 and Longs Drug Stores was acquired by CVS Caremark in October 2008.

Towers Perrin

In 2009, Towers Perrin performed analyses and provided compensation consulting advice on an as needed basis, at the request of the ECC, including for example in 2009, review of Chief Executive Officer compensation, Chairman of the Board compensation practices and CD&A disclosure review for the 2008 Proxy.

E. Tax and Accounting Considerations

Internal Revenue Code Section 162(m) (Section 162(m)). Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), places a limit of \$1,000,000 on the amount of compensation that BJs may deduct in any one year with respect to certain of the NEOs. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limit if certain requirements are met. The ECC reviews the potential effect of Section 162(m) periodically and, in general, structures and administers the

compensation for our NEOs in a manner intended to comply with the performance-based compensation exception to Section 162(m). Nevertheless, there can be no assurance that compensation attributable to awards granted under BJ's incentive plans will be treated as qualified performance-based compensation under Section 162(m). The ECC reserves the right to use its judgment to authorize compensation payments that may be subject to the limit when the ECC believes such payments are appropriate and in the best interests of BJ's and its shareholders, after taking into consideration changing business conditions, extraordinary events and the performance of its executives. For example, time-based restricted stock awards granted under the 2007 Stock Incentive Plan do not qualify as performance-based compensation.

FASC ASC Topic 718 (formerly FAS 123R). On January 29, 2006, we began accounting for share-based payments, including stock options and restricted shares, pursuant to *FASC ASC Topic 718 (formerly FAS 123R)*.

Internal Revenue Code Section 409A (Section 409A). All awards issued under the 2007 Stock Incentive Plan are intended to comply with Section 409A of the Code.

III. Compensation Actions Relating to Fiscal 2009

In 2009, the following served as BJ's NEOs:

Laura J. Sen, a 16 year veteran of BJ's, with more than 30 years experience in mass retailing, reassumed the position of Executive Vice President, Merchandising and Logistics on January 4, 2007 after a four-year absence from BJ's. She had previously served in that same role from 1997 to 2003 and prior to that time served in a number of roles in our merchandising and logistics operations. On January 15, 2008, the Board elected Ms. Sen President and Chief Operating Officer of BJ's, and effective February 1, 2009, she was promoted to President and CEO.

Frank D. Forward was a member of the team that formed BJ's Wholesale Club as a development stage business in 1984, and has been with BJ's continuously since that time. He served as Executive Vice President and Chief Financial Officer of BJ's from 1997 until May 2005, when he was named Chief Administrative Officer. As of December 2005, Mr. Forward was appointed BJ's Interim Chief Financial Officer. Effective January 8, 2007, Mr. Forward reassumed the CFO position.

Thomas F. Gallagher has more than 30 years of experience in retail operations. He began his career with BJ's in 1991 as a regional manager, advancing through positions of increasing responsibility in operations, both at BJ's and HomeBase, another warehouse merchandising business operated by Waban, Inc., BJ's parent until 1997. Prior to his promotion to Executive Vice President, Operations, on January 29, 2007, he served as BJ's Senior Vice President of Operations.

Lon F. Povich joined BJ's on February 26, 2007, as Senior Vice President, General Counsel and Secretary. For the 11 years prior to his appointment, he served as General Counsel at The Boston Consulting Group, an international strategy consulting firm. Mr. Povich was promoted to Executive Vice President on June 4, 2007.

Christina M. Neppel is BJ's Executive Vice President, Merchandising and Logistics. She has 20 years of experience in the wholesale club industry and has served BJ's Wholesale Club in a variety of roles, most recently as BJ's Senior Vice President and Controller. The Board elected her to her current role on January 12, 2008.

The following five sections outline the compensation that the ECC established for our NEOs in 2009.

1. Base Salaries in 2009

Executive and Position	Salary at Start of Fiscal Year	Salary at End of Fiscal Year	Salary as of April 1, 2010 (*)	Comments
Laura J. Sen President and Chief Executive Officer	\$ 900,000	\$ 900,000	\$ 1,000,000	Ms. Sen's salary was increased to \$900,000 upon her promotion to CEO on February 1, 2009, and increased in April 2010, after her first year as our CEO.
Frank D. Forward Executive Vice President and Chief Financial Officer	\$ 470,000	\$ 495,000	\$ 515,000	Mr. Forward received increases in May 2009 and April 2010, to bring his salary closer to the median of our peer group.
Thomas F. Gallagher Executive Vice President, Club Operations	\$ 460,000	\$ 490,000	\$ 514,500	Mr. Gallagher received an increase in May 2009 and in April 2010, to bring his salary in line with the median of our peer group.
Lon F. Povich Executive Vice President, General Counsel and Secretary	\$ 395,000	\$ 425,000	\$ 442,000	Mr. Povich received an increase in May 2009 and in April 2010, to bring his salary in line with the median of our peer group.
Christina M. Neppel Executive Vice President, Merchandising and Logistics	\$ 390,000	\$ 430,000	\$ 475,000	Ms. Neppel received an increase in May 2009 and April 2010, to bring her salary in line with the median of our peer group.

* In the past, BJS increased base salaries effective on June 1. This year we moved our review and pay increase cycles closer to the end of the prior fiscal year.

2. 2009 Management Incentive Plan

For 2009, the MIP for the NEOs was based 80% on the achievement of BJS 2009 net income goal of \$126,000,000, and 20% on achievement of the 2009 merchandise sales goal of \$9,146,106,000, for all of our club locations other than locations opened during the current fiscal year. The formulation of the 2009 MIP is consistent with the structure of past plans and is aligned with our long-term growth model of 10-15% improvement, annually, in earnings per share, adjusted for higher than historic investments in the business.

Performance against the sales and net income goals are each subject to a slope whereby executives are rewarded for outperforming the target and penalized for missing the target. With regard to the sales target, each 1 percent positive variance from the target drives a 26.3 percent increase in performance versus that target. For each 1 percent negative variance from the sales target, a 13 percent decrease in performance results. With regard to the net income target, each 1 percent positive variance from the target drives a 5 percent increase in performance versus that target. For each 1 percent negative variance from the target, an 8 percent decrease in performance results. There is a floor of zero percent performance

versus each target, and a ceiling of 200 percent.

The ECC may adjust the performance against the targets for certain events as defined in the plan, including items such as unusual or extraordinary items, club closures, changes in accounting principles or settlements and judgments. In 2009, the ECC approved adjustments to the net income performance for all participants in the plan,

including all of the NEOs, for two settlements of state tax audits for which FASB ASC Topic 740 (formerly FIN 48) reserves had been provided upon adoption of that accounting standard, and for the reversal of a reserve related to an alleged breach of our IT systems in 2004. In addition, with respect to Mr. Forward (and all other BJS employees who participate in the MIP other than the four other NEOs), the ECC approved an adjustment for the charge recorded to resolve a pending class action lawsuit and related wage and hour matters. No adjustments were made to the sales performance target. The difference between the calculation of Mr. Forward's percentage and that of the other NEOs is explained below in the discussion of One-time Bonus Awards, at page 33.

In 2009, the Company underperformed the sales target by 1.11 percent and, after taking into account the adjustments described above, outperformed the net income target by 8.89 percent, for Mr. Forward. The following equation results in the 132.7 percent of target achieved for Mr. Forward.

$$[20\% (100\% - (1.11 * 13\%))] + [80\% (100\% + (8.89 * 5\%))] = 17.1\% + 115.6\% = 132.7\% \text{ of target}$$

Relative Performance	+	Relative Performance	=	Simplification	= Sum
of Sales Goal		of Net Income Goal		of Each Term	

For our other NEOs, the Company underperformed the sales target by 1.11 percent and, after taking into account the adjustments described above, outperformed the net income target by 3.38 percent. The following equation results in the 110.6 percent of target achieved for our other NEOs.

$$[20\% (100\% - (1.11 * 13\%))] + [80\% (100\% + (3.38 * 5\%))] = 17.1\% + 93.5\% = 110.6\% \text{ of target}$$

Relative Performance	+	Relative Performance	=	Simplification	= Sum
of Sales Goal		of Net Income Goal		of Each Term	

The table below indicates each NEO's 2009 target award and the actual award paid under the MIP:

Executive and Position	Target Award (% of Salary)	Target Award	Actual Incentive Award Paid (Paid in March 2010)	Actual Award As a % of Target Award
Laura J. Sen	75%	\$ 675,000	\$ 746,698	110.7%
President and Chief Executive Officer				
Frank D. Forward	30%	\$ 145,904	\$ 193,588	132.7%
Executive Vice President and Chief Financial Officer				
Thomas F. Gallagher	30%	\$ 143,885	\$ 159,168	110.7%

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

Executive Vice President, Club Operations				
Lon F. Povich	30%	\$ 124,385	\$ 137,597	110.7%
Executive Vice President, General Counsel and Secretary				
Christina M. Nepl	30%	\$ 124,846	\$ 138,107	110.7%
Executive Vice President, Merchandising and Logistics				

3. Growth Incentive Plan

The net income profit improvement target for the GIP 2007-2009 performance cycle was \$340,000,000. The actual net profit improvement for the period was \$387,030,000 for Mr. Forward and \$380,081,000 for the other NEOs. Performance against the target is subject to a slope whereby executives are rewarded for outperforming the target and penalized for missing the target. With regard to the net income target, each 1 percent positive

variance from the target drives a 5 percent increase in performance versus that target. For each 1 percent shortfall below the target, an 8 percent decrease in performance results. There is a floor of zero percent performance versus each target, and a \$2.5 million ceiling.

In 2009, the ECC made the same adjustments to the performance against targets as described above with respect to the MIP, related to the two settlements of state tax audits, the reversal of a reserve related to an alleged breach of our systems in 2004 and, with respect to Mr. Forward (but not the other NEOs), an adjustment for the charge recorded to resolve a pending class action lawsuit and related wage and hour matters.

With regard to the 2007–2009 performance cycle, after taking into account the adjustments discussed above, the Company outperformed the target by 13.8 percent for Mr. Forward and by 11.8 percent for our other NEOs. Therefore, using the 5 percent up slope, Mr. Forward's performance versus target was 169.2 percent, and our other NEO's performance versus target was 158.9%.

The GIP award is calculated at a value per point. The table below indicates the payout for each NEOs GIP awards for the 2007-2009 performance cycle. The target value per point was \$20,000. The actual value of the award is the product of the number of GIP points awarded under the plan times the calculated value of each point.

Executive and Position	Number of Points	Target Award	Actual Incentive Award Paid (Paid in March 2010)	Actual Award as of Target Award
Laura J. Sen	15.096(1)	\$ 301,923	\$ 479,885	158.9%
President and Chief Executive Officer				
Frank D. Forward	10	\$ 200,000	\$ 338,324	169.2%
Executive Vice President and Chief Financial Officer				
Thomas F. Gallagher.	10	\$ 200,000	\$ 317,885	158.9%
Executive Vice President, Club Operations				
Lon F. Povich	9.538(2)	\$ 190,769	\$ 303,214	158.9%
Executive Vice President, General Counsel and Secretary				
Christina M. Neppel	9.058(3)	\$ 181,154	\$ 287,931	158.9%
Executive Vice President, Merchandising and Logistics				

- (1) Ms. Sen was awarded 10 GIP points for 49 weeks when she served as an Executive Vice President, and 15 points for the 55 weeks she served as President and Chief Operating Officer. Upon her promotion to CEO in 2009, the ECC awarded her 20 points (for 52 weeks). When prorated, this calculates to 15.096 points.
- (2) Mr. Povich was hired in the fourth week of the 2007–2009 plan period, and was promoted from Senior Vice President to Executive Vice President in the eighteenth week of the 2007–2009 plan period. Consistent with these events, Mr. Povich was entitled to no points for the first three weeks, seven points for the next fourteen weeks (as a Senior Vice President) and ten points (as an Executive Vice President) for the remainder of the plan period. When prorated, this calculates to 9.538 points.

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

- (3) Ms. Neopl was promoted from Senior Vice President to Executive Vice President in the fiftieth week of the 2007-2009 plan period. Consistent with this event, Ms. Neopl was entitled to seven points as a Senior Vice President and ten points as an Executive Vice President. When prorated, this calculates to 9.058 points.

4. One-time Bonus Awards

On March 25, 2010, the Executive Compensation Committee of the Company's Board of Directors (ECC) approved grants of discretionary cash bonuses to the following persons who are named executive officers of the Company for the year ended January 30, 2010. These one-time bonuses were granted in recognition of the levels of net income achieved by the company for the year and three-year periods ended January 30, 2010, as adjusted to exclude the impact of an accounting reserve established to pay for the settlement of a wage and hour class action lawsuit brought by several of the Company's team members on behalf of a class of mid-managers. As a result of the reserve, under the Company's Management Incentive Plan (MIP) and Growth Incentive Plan (GIP), the amounts paid to the NEOs other than Mr. Forward (but not to the other participants in the plan) were reduced by an aggregate amount equal to the one-time bonuses.

In May 2009, the Company's shareholders amended the list of items for which the ECC could adjust future awards in calculating payments under the MIP and GIP to allow adjustments for events resulting in gains or losses as a result of claims, litigation, lawsuit settlement or settlement of potential claims. The ECC determined that given the change approved by the shareholders, it was appropriate to pay the discretionary one-time bonuses. These awards are:

Executive and Position	Total One-Time Bonus Award	Amount Attributable to MIP	Amount Attributable to GIP
Laura J. Sen	\$ 179,783	\$ 148,929	\$ 30,854
President and Chief Executive Officer			
Thomas F. Gallagher	\$ 52,184	\$ 31,746	\$ 20,438
Executive Vice President, Club Operations			
Lon F. Povich	\$ 46,939	\$ 27,444	\$ 19,495
Executive Vice President, General Counsel and Secretary			
Christina M. Neppl	\$ 46,057	\$ 27,545	\$ 18,512
Executive Vice President, Merchandising and Logistics			

5. 2009 Equity-based Compensation

In designing the equity compensation program for 2009, the ECC was cognizant of several factors within our recent history and overall strategy of providing market-based compensation to our management team:

long-term incentives are the best way to align management performance and shareholder value,

in 2007, we had made both one-time grants and annual grants of a size necessary to attract and/or retain the management team necessary to lead the turnaround at BJ's,

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

the GIP plan had paid out a long-term incentive for our executive team only once in the last five years, and thus served as a very weak incentive,

a grant of restricted stock will always have some value, and thus grants of restricted shares need not replace a full GIP payment at target, and

in 2008 we had settled on a market-based, dollar value for grants of time based and performance based restricted shares which had served as our long-term compensation vehicle, replacing the prior GIP and restricted stock grants.

On May 21, 2009, we granted Ms. Sen 32,876 restricted shares subject to three years of continued service with a value on the date of grant of \$1,200,000. We believe that this award, which represented a 20% increase over the award we granted in 2008 when she served as President (but not CEO), was appropriate given her new role as President and CEO. For our other four NEOs, the ECC approved share grants with the same dollar value on the date of grant as the restricted shares granted to those individuals in May 2008, which continued to place

their total direct compensation appropriately close to the 50th percentile of the peer group, as explained on page 35. Accordingly, each NEO was granted 18,034 restricted shares, vesting after three years of continued service, with a value on the grant date of \$658,241.

While restricted shares may increase or decrease in value as a result of market performance of our stock, the ECC believed that it was important to add, as we had in 2008, an additional performance hurdle of a cumulative three-year net income or cumulative earnings per share improvement as to one-half of the May 2009 restricted share grants to our NEOs. There is a down slope on the vesting such that if BJS fails to meet the total dollar amount of the three-year net income improvement or earnings per share improvement, fewer shares will vest. No performance shares will vest if BJS falls short of the total three-year net income improvement by approximately 3.85% or short of the earnings per share improvement by approximately 9.0%. Given BJS performance in the first year of the three-year cycle, we believe that it is probable that the target three-year net income improvement will be met.

Earlier in the year, at the time of Ms. Sen's promotion, after an analysis by Towers Perrin we awarded Ms. Sen 42,962 restricted shares with a market value of \$1,300,000. The grant will vest after three years of service. The grant is an appropriate market-based recognition of Ms. Sen's promotion to Chief Executive Officer, and as set out on page 35 still brings her total direct compensation well below our range of target compensation.

Displayed in tabular form, in 2009 BJS NEOs received the following restricted stock awards:

Executive and Position	Grant Subject to Performance Hurdle	Grant Subject to Continued Service	Total Grant
Laura J. Sen, President and Chief Executive Officer	16,438	59,400	75,838
Frank D. Forward, Executive Vice President and Chief Financial Officer	9,017	9,017	18,034
Thomas F. Gallagher, Executive Vice President, Club Operations	9,017	9,017	18,034
Lon F. Povich, Executive Vice President, General Counsel and Secretary	9,017	9,017	18,034
Christine M. Neppl, Executive Vice President, Merchandising and Logistics	9,017	9,017	18,034

6. Executive Retirement Plan

On February 3, 2010, the ECC approved retirement contributions for fiscal 2009 of five percent (net of taxes) of base salary for executive officers of the Company under the ERP.

7. 2010 Target Compensation

The following table outlines each NEO's position versus market median. The relationship to market outlined below was estimated based on a competitive assessment conducted as of April 2009 for NEOs other than the CEO. The CEO's position versus market median is based on market data provided by Watson Wyatt as of November 2008. Market data for the assessments reflect compensation data obtained from proxy filings for the peer group disclosed on page 28. For BJS incumbents, the table below includes information for base salary (representing actual base salary for 2009), total target cash compensation (2009 base + target MIP opportunity) and total direct compensation (base + target MIP + actual 2009 annual equity awards and special equity awards granted in 2009 for NEOs other than the President and CEO). Ms. Sen was promoted to President and CEO effective February 1, 2009. Compensation for Ms. Sen reflects her compensation package as President and CEO, and is comprised of base salary (\$900,000), annual incentive opportunity (75% of base salary), 32,876 restricted shares and 42,962 additional restricted shares granted in conjunction with her promotion.

Position vs. Peer Group Median (50th Percentile, i.e. 100% is equal to Peer Group Median)

Executive and Position	Base Salary	Total Cash Compensation	Total Direct Compensation
Laura J. Sen President and Chief Executive Officer	97%	79%	85%
Frank D. Forward Executive Vice President and Chief Financial Officer	94%	72%	86%
Thomas G. Gallagher Executive Vice President, Club Operations	100%	88%	92%
Lon F. Povich Executive Vice President, General Counsel and Secretary	104%	85%	95%
Christina M. Nepl Executive Vice President, Merchandising and Logistics	77%	61%	88%

In general, BJ's base salaries align with market median for all NEOs and are consistent with BJ's compensation philosophy targeting compensation between the 50th and 75th percentile of the peer group. Only Ms. Nepl's salary is significantly below peer market median, which reflects her relatively recent promotion to her position.

BJ's target total cash compensation is 12% to 39% below market median. Target opportunity is below median but payout range allows for increased payout for superior performance to support the pay-for-performance intent of the MIP plan.

BJ's total direct compensation is generally competitive with median market practice for all NEOs. Ms. Sen's below median positioning reflects the fact that she was promoted into the role of President and CEO during 2009.

IV. Closing Comments

Taken as a whole, BJ's believes that it has put in place a management team to continue to lead BJ's for the future. Using our traditional compensation elements, the ECC has created an incentive package for BJ's NEOs that the ECC believes is in the best interest of our shareholders and consistent with market practices of peer companies.

Executive Compensation Committee Report

The Executive Compensation Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis with BJ's management. (2) For a discussion of this one-time bonus see page 33.

(3) The amount in this column is the aggregate grant date fair value computed in accordance with FASC ASC Topic 718 (formerly FAS 123R) for grants made in the applicable year. The assumptions used in valuing restricted stock awards are described under the caption "Stock Incentive Plans" in note 7 to our consolidated financial statements contained in our Annual Report on Form 10-K for the fiscal year ended January 30, 2010. For awards with performance conditions, the amount in the table is the grant date fair value based upon the probable outcome of such conditions. For 16,438 and 9,017 shares granted in 2009 to Ms. Sen and to each executive officer, respectively, the value of the award at the grant date assuming the highest level of performance conditions would be achieved was \$599,987 and \$329,120. For 11,937 and 8,485 shares granted in 2008 to Ms. Sen and to each executive officer, respectively, the value of the award at grant date, assuming the highest level of performance conditions would be achieved was \$463,036 and \$329,133. For 20,000, 20,000, 20,000 and 12,500 shares granted in 2007 to Ms. Sen, Mr. Forward, Mr. Gallagher and Mr. Povich, respectively, the value of the award at grant date assuming the highest level of performance conditions would be achieved was \$743,200, \$743,200, \$743,200 and \$464,500.

(4) The amount in this column is the aggregate grant date fair value computed in accordance with FASC ASC Topic 718 (formerly FAS 123R) for grants made in the applicable year. (5) The amounts in the "Non-Equity Incentive Plan Compensation" column represent amounts paid under the MIP in April of 2008, 2009 and 2010 based on the performance of the Company in fiscal 2007, 2008 and 2009, respectively, and the amounts paid under the GIP in April 2010.

(6) The amounts in the All Other Compensation column for fiscal 2009 consist of the following:

General Deferred Compensation Plan

BJ's maintains the General Deferred Compensation Plan to provide our non-employee directors and selected employees the opportunity to defer receipt of certain compensation in order to build savings. Under this plan, eligible employees may elect to defer all or any part of (a) base salary, (b) payments under the MIP or the GIP, (c) in the case of non-employee directors, any annual retainer, meeting fees or equity awards, and (d) subject to exceptions as the ECC may provide, other compensation payable to a participant.

Under the plan, eligible participants make deferral elections which will include (a) the amount or percentage of the eligible compensation to be deferred, (b) the date on which, or the event following which payment of such deferred compensation is to commence, (c) the payment period and schedule, and (d) any designated beneficiaries. Deferred amounts earn interest compounded monthly at a rate equal to the yield quoted in the Wall Street Journal for twelve months prior to the start of the fiscal year on United States Treasury Notes with periods of remaining maturity of not less than, but closest to, ten years. The rate in 2009 was 3.54%. In the case of hardship or unusual circumstance, the ECC may upon request

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

modify any deferral election previously made under the plan. Among the NEOs and directors, only Dr. Danos and Mr. Sheehan deferred amounts under this plan in 2009. Mr. Forward's Aggregate Earnings reflect interest on his aggregate balance, at market rates. He made no additional deferrals in 2009.

Management Incentive Plan

Officers and other key employees, as designated by the ECC, are eligible to receive incentive cash awards under the Management Incentive Plan (MIP) based upon the level of achievement of performance goals for the Company 's fiscal year. All executive officers, other than Mr. Zarkin, our Chairman, as well as approximately 3,000 other employees of the Company, currently participate in the MIP.

During the time period prescribed by Section 162(m) of the Code with respect to each annual performance period, the ECC establishes the MIP performance goals and corresponding target awards based on one or more of the following objective performance criteria and measurements: operating income, pre-tax income, net income, gross profit dollars, costs, any of the preceding measures as a percent of sales, earnings per share, sales, net assets, return on assets or net assets, return on equity, return on investment, return on invested capital, cash flow, total shareholder return, gross margin, earnings before interest, taxes, depreciation and/or amortization and market share. Such goals, criteria and target awards may (i) be absolute or relative in their terms or measured against or in relationship to other companies or a market index, (ii) vary among participants; and (iii) be particular to a participant or the department, branch, line of business, subsidiary or other unit in which the participant works. Such performance criteria may include or exclude (in whole or in part) income or loss from, or other effects of, sales of gasoline.

Awards are based upon the level of achievement of the established performance goals. The ECC reviews the payout calculations after the year 's financial results have been audited and certifies the amount of any awards to be paid. Awards are paid in cash as soon as practicable after the performance period, but no later than the last day of the calendar year in which occurs the end of the performance period, except to the extent deferred under the Company 's General Deferred Compensation Plan. Achievement of all of the performance goals results in the payment of a participant 's target award. Failure to achieve the performance goals results in a decrease or elimination of the participant 's award. Exceeding the performance goals results in an award greater than the target award, up to the maximum award. The ECC may exercise its discretion to reduce an award and may provide for automatic modifications in the minimum, target and maximum award opportunities in the event of a change in the participant 's position.

No participant may receive a MIP award in excess of \$1,500,000 in any calendar year. Under the MIP, the ECC may not make any adjustments to the performance criteria to increase the incentive payment to executive officers subject to Section 162(m) of the Code, except to make appropriate adjustments in the event of certain specified types of transactions; provided that in no case shall any such adjustment be made if it would cause an award to no longer qualify as performance-based compensation under Section 162(m) of the Code.

The ECC has full power to administer and interpret the MIP and to establish rules for its administration. The ECC or the Company 's Board of Directors may amend, suspend or terminate the MIP at any time.

Growth Incentive Plan

Employees in management positions in the Company, as selected by the ECC, are eligible to receive cash awards under the Growth Incentive Plan (GIP). All executive officers, except Mr. Zarkin, as well as approximately 50 other employees of the Company, participated in the FYE07-09 cycle of the GIP.

Each participant in the GIP is eligible to receive a cash award for each award period, which consists of a certain number of fiscal years. Each participant 's cash award corresponds to the Company 's level of performance or growth of the change metric during such award period. Such

growth is determined using the same objective measures set forth above for the MIP.

Awards are based upon the level of achievement of the established performance goals. The ECC reviews the payout calculations after the financial results for the award period have been audited and certifies the amount of any awards to be paid. Awards are paid in cash as soon as practicable after the award period, but no later than the

last day of the calendar year in which the end of the award period occurs, except to the extent deferred under the Company's General Deferred Compensation Plan. The ECC may exercise its discretion to reduce an award and may provide for automatic modifications of the incentive units granted to a participant in the event of a change in the participant's position.

No participant may receive a GIP award in excess of \$2,500,000 in any calendar year. Under the GIP, the ECC may not make any adjustments to the performance criteria to increase the incentive payment to executive officers subject to Section 162(m) of the Code, except to make appropriate adjustments in the event of certain specified types of transactions; provided that in no case shall any such adjustment be made if it would cause an award to no longer qualify as performance-based compensation under Section 162(m) of the Code.

In the event of a change of control, GIP participants are entitled to a cash award based on the Company's performance for that portion of the award period immediately preceding the change of control.

The ECC has full power to administer and interpret the GIP and to establish rules for its administration. The ECC or the Company's Board of Directors may amend, suspend or terminate the GIP at any time.

Severance Benefits under Employment Agreements

The Company recognizes that from time-to-time circumstances may result in the involuntary termination of a key executive's employment with BJS. If this occurs, the Company wishes to assure the executive that he or she will receive a fair severance pay and benefit arrangement. Such assurance is required to hire the executive talent required by the organization and to maintain executive management continuity.

We have entered into employment agreements with each of our NEOs with the following dates:

Executive and Position	Date of Agreement (1)
Laura J. Sen President and Chief Executive Officer	January 15, 2008
Frank D. Forward Executive Vice President and Chief Financial Officer	April 3, 2007
Thomas F. Gallagher	April 3, 2007

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

Executive Vice President, Club Operations

Lon F. Povich

June 3, 2007

Executive Vice President, General Counsel and Secretary

Christina M. Neppel

January 15, 2008

Executive Vice President, Merchandising and Logistics

- (1) On December 18, 2009, each of these agreements, except Mr. Gallagher's, was amended to remove the termination date. Mr. Gallagher's agreement never contained a termination date.

Pursuant to these employment agreements, our NEOs are entitled to receive the following severance pay and benefit arrangements, subject to the executive entering into a binding and irrevocable release of claims and separation agreement prepared by the Company:

Two years of salary, auto allowance and medical, dental, and life insurance in effect immediately prior to the termination of employment for reasons other than voluntary, for cause or disability for all NEOs.

MIP payments: Termination of employment for any reason, other than cause, prior to the last day of the performance period will entitle a participant to pro-rata payments for the term of service.

Under the plans and plan documents governing our compensation plans, upon termination of employment our NEOs are also entitled to receive:

GIP payments: Termination of employment for any reasons other than death, disability or retirement prior to the end of the award period will not entitle the participant to any rights under the GIP, and the participant will not be entitled to receive payment with respect to any incentive unit.

Restricted Shares:

As part of his grants, issued in conjunction with the entering into of their employment agreements, in April 2007, the ECC agreed with Mr. Forward that all outstanding shares of restricted stock granted prior to June 1, 2008 would vest in full at the time of his termination, unless he was terminated for cause.

As to the other NEOs, and as to all other grants to Mr. Forward, all outstanding shares of restricted stock are forfeited upon termination of employment.

Stock Options: All vested and unexercised stock options are exercisable up to 90 days after termination of employment; and all unvested shares of a stock option grant will continue to vest for a period of one year after the date of termination of employment due to death, disability or normal retirement, but in no event may the stock options be exercised after the expiration date.

ERP: All eligible participants are entitled to receive an annual contribution if employed through the last day of the plan year or if termination of employment occurred during the plan year due to retirement on or after the attainment of age 55 or disability or other than for cause.

Benefits under Change of Control Severance Agreements

As part of a comprehensive package to attract and retain a talented executive team, and consistent with market practices, we have also entered into change of control severance agreements with each of our NEOs that provide benefits upon a change of control or potential change of control, including severance benefits if the executive officer is terminated following such event. A change of control means, in summary: (i) the acquisition by a party or a group of 20% or more of the outstanding stock of the Company; (ii) a change, without Board of Directors approval, of a majority of the Board of Directors; (iii) the acquisition of the Company by means of a reorganization, merger, consolidation or asset sale, unless the holders of our common securities continue to own at least 60% of the surviving entity, no party or group owns 20% or more of the surviving entity and a majority of the Board of the surviving entity are BJS directors; or (iv) the approval of a liquidation or dissolution of the Company. A potential change of control means, in summary: (i) the Company enters into an agreement that would result in a change of control;

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

or (ii) the Board of Directors adopts a resolution that a potential change of control has occurred. The change of control severance agreements with our NEOs generally provide as follows:

Within 30 days after the earlier of a change of control or a potential change of control, all NEOs who are participating in the GIP or MIP will receive payment of the MIP prorated at target for the performance period and payment of the GIP prorated based on actual results for the performance period to the date of the change of control or potential change of control, whichever is earlier.

Within 30 days following a qualified termination of employment, which is generally defined as termination by the Company other than for cause, by the executive for good reason (as described in

further detail below) or by reason of death, incapacity or disability, after a change of control, and only if there is such a qualified termination of employment, all NEOs are entitled to receive, to the extent not already received as severance benefits under their employment agreements, three times the following salary, auto allowance and MIP payments:

Salary: the highest of the executive's base salary in effect immediately prior to the date of termination, immediately prior to the change of control, or in effect within 180 days before the change of control, offset by any payments made under any long-term disability plan for the three years following the termination of employment.

Auto Allowance: the highest of the executive's auto allowance in effect immediately prior to the date of termination, immediately prior to the change of control, or in effect within 180 days before the change of control.

MIP: the executive's target payment under the MIP.

Following a qualified termination of employment, all NEOs are entitled to receive three years of medical and life insurance at the highest level provided to the executive either immediately prior to the change of control or within 180 days before the change of control. In addition, all NEOs will continue to receive insurance at the same level that they received prior to termination of employment.

In addition, in the case of a change of control:

Stock options can be substituted with shares of the acquiring company or become fully exercisable, and all outstanding shares of restricted stock become free of all restrictions. In addition, upon a change of control all stock options become immediately exercisable, and at the discretion of the BJS Board of Directors, all restrictions are waived on outstanding restricted shares.

The ERP account balance will become fully vested without regard to years of service. The fiscal base earnings will be annualized for the year in which the change of control occurs, and the contribution percent will be based on the lesser of the average contribution percent for the preceding three years or the NEOs years of service.

Termination for good reason means, in summary, the voluntary termination by the executive officer of his or her employment within 120 days after (a) a diminution in the executive's position, authority or responsibilities, (b) a reduction in his or her compensation or benefits, (c) any purported termination for cause in which the Company does not follow the procedure set forth in the change of control severance agreement, (d) a relocation of the executive, and (e) any breach by the Company of the change of control severance agreement.

Notwithstanding any of the provisions described above, BJS is not obligated to provide to any executive any portion of any payments that the executive would otherwise be entitled to receive to the extent necessary to eliminate any excess parachute payments (as defined in Section 280G(b)(1) of the Code) for the executive.

- (1) As of January 30, 2010, the number of securities remaining for future issuance consists of 983,150 shares issuable under the Company's 2007 Stock Incentive Plan, which was approved by the Company's shareholders. Awards under the 2007 Stock Incentive Plan may include restricted stock, unrestricted stock, stock appreciation rights, performance shares or other equity-based awards, as the Board of Directors may determine.
- (2) The Company has no equity compensation plans not approved by security holders.

Indemnification Agreements

The Company has entered into agreements with each of its directors and executive officers indemnifying them against expenses, settlements, judgments and fines incurred in connection with any threatened, pending or completed action, suit, arbitration or proceeding, where the individual's involvement is by reason of the fact that he or she is or was a director or officer of the Company or served at the Company's request as a director of another organization (except that indemnification is not provided against judgments and fines in a derivative suit unless permitted by Delaware law). An individual may not be indemnified if he or she is found not to have acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Company, except to the extent Delaware law permits broader contractual indemnification. The indemnification agreements provide procedures, presumptions and remedies designed to substantially strengthen the indemnity rights beyond those provided by the Company's Amended and Restated Certificate of Incorporation and by Delaware law.

PROPOSAL TWO

AMENDMENT AND RESTATEMENT OF THE 2007 STOCK INCENTIVE PLAN

Shareholders are being asked to approve amendments to, and a restatement of, the 2007 Stock Incentive Plan, which we refer to as the 2007 Plan. The 2007 Plan is intended to advance the interests of BJs by enhancing BJs ability to attract, retain and motivate persons who make, or are expected to make, important contributions to BJs. The 2007 Plan was first approved by shareholders in May 2007, and an amendment relating to the definition of performance goals was approved by shareholders in May 2009. 4,000,000 shares of common stock were originally reserved for issuance under the 2007 Plan. As of April 9, 2010, an aggregate of 996,590 shares of BJs Common Stock remained available for future grants under the 2007 Plan. The Board believes it is important to the continued success of the Company that we have available an adequate reserve of shares under the 2007 Plan for use in attracting, retaining and rewarding the high caliber employees and directors essential to our success and in motivating these individuals to strive to enhance our growth and profitability.

At the Annual Meeting, our shareholders will be asked to approve an amendment and restatement of the 2007 Plan in order to increase, by 3,500,000 shares, the number of shares that may be issued under the 2007 Plan and to make the other changes described below. If the shareholders do not approve the amendment and restatement of the 2007 Plan, the 2007 Plan will not be amended and restated, but will instead continue in effect in accordance with its existing terms.

Summary of Principal Proposed Changes

Increasing by 3,500,000 the number of shares available under the 2007 Plan from 4,000,000 to 7,500,000.

Revising the existing provisions regarding payment of dividends on restricted stock to explicitly confirm that, unless otherwise provided in a specific grant of restricted stock, any dividends on restricted stock will only be paid when the underlying restricted stock vests. (Please note that the Company has never declared or paid any cash dividends on its common stock and has no present plans to do so.)

Revising various plan provisions to better reflect the Company's practices for compliance with Section 409 of the Internal Revenue Code.

Explicitly confirming that the objective performance measures underlying performance awards may be determined on either a GAAP or non-GAAP basis, as determined by the ECC.

Adding the write down of assets to the list of items for which adjustments to performance goals may be made for awards intended to qualify as performance-based compensation under Section 162(m).

Description of the 2007 Plan (as Proposed to be Amended)

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

The following is a summary of the material terms of the 2007 Plan as proposed to be amended. A copy of the 2007 Plan, which is marked to show the changes implemented by the amendment, is attached as *Appendix A* to this Proxy Statement.

Shares Issuable under the 2007 Plan

Awards may be made under the 2007 Plan for up to 7,500,000 shares of common stock (subject to adjustment for changes in capitalization, including stock splits and other similar events).

The 2007 Plan provides that all full value awards, which generally means awards other than stock options and stock appreciation rights (SARs), will count against the 7,500,000 maximum shares issuable under the 2007 Plan at a ratio of two to one. Accordingly, if all awards were granted as full value awards, the maximum

number of shares of common stock that could be granted would be 3,750,000. If all or a portion of the shares subject to a full value award are returned to the pool of shares available for future grant in accordance with the share counting rules described in the next paragraph, the returned shares would be credited back using the same two-to-one ratio.

If an award expires, terminates, is cancelled or otherwise results in shares not being issued, the unused shares covered by such award will generally become available for future grant under the 2007 Plan. However, any shares tendered to pay the exercise price of an award or to satisfy a tax withholding obligation and any shares repurchased on the open market using the proceeds from the exercise of an award shall not become available for future grant under the 2007 Plan. In addition, the full number of shares subject to any stock-settled SARs will count against the shares available for issuance under the 2007 Plan, regardless of the number of shares actually issued to settle such SAR upon exercise.

Types of Awards

The 2007 Plan provides for the grant of incentive stock options intended to qualify under Section 422 of the Code, non-statutory stock options, SARs, restricted stock, restricted stock units (RSUs), other stock-based awards and performance awards, as described below and collectively referred to as awards.

Incentive Stock Options and Non-statutory Stock Options. Optionees receive the right to purchase a specified number of shares of common stock at a specified option price and subject to such other terms and conditions as are specified in connection with the option grant. Options must be granted at an exercise price equal to or greater than the closing price of BJS common stock on the date of grant. Options may not be granted for a term in excess of ten years. The 2007 Plan permits the following forms of payment of the exercise price of options: payment by cash, check or in connection with a cashless exercise through a broker; subject to certain conditions and if permitted by the Board, surrender of shares of BJS common stock, delivery of a promissory note or any other lawful means; or any combination of these forms of payment. No option may provide for the payment of dividend equivalents or for the automatic grant of a reload option.

Director Options. The 2007 Plan provides for the automatic grant of options to members of the Board of Directors who are not BJS employees. On the commencement of service on the Board, each non-employee director will automatically receive a non-statutory stock option to purchase 10,000 shares, subject to adjustment for changes in capitalization. In addition, on the date of each annual meeting of stockholders, each non-employee director who is both serving as a director immediately before and immediately after such meeting will automatically receive a non-statutory stock option to purchase 5,000 shares of common stock, subject to adjustment for changes in capitalization. However, a non-employee director will not receive an annual option grant unless he or she has served on the Board for at least six months. Options automatically granted to non-employee directors will vest on a cumulative basis as to one-third of the shares on the first day of the month of each of the first three anniversaries of the date of grant provided the person is still serving on the Board and expire on the earlier of 10 years from the date of grant or one year following cessation of service on the Board. However, no additional vesting will take place after the non-employee director ceases to serve as a director. The Board may provide for accelerated vesting in the case of the death, disability, attainment of mandatory retirement age or retirement following at least 10 years of service. The Board can increase or decrease the number of shares subject to options granted to non-employee directors and can issue SARs, restricted stock or RSU awards or other stock-based awards in lieu of some or all of the options otherwise issuable, in each case subject to the limitation that the maximum number of shares issued to directors cannot exceed 1,125,000 shares in the aggregate. Any full value awards will count against this sublimit using the two-to-one fungible share ratio described above.

Stock Appreciation Rights. A Stock Appreciation Right (SAR) is an award entitling the holder, upon exercise, to receive an amount in common stock or cash or a combination thereof determined by reference to appreciation, from and after the date of grant, in the fair market value of a share of common stock. SARs may be

granted independently or in tandem with an option. No SAR will be granted with a term in excess of 10 years. No SAR may provide for the payment of dividend equivalents.

Restricted Stock Awards. Restricted stock awards entitle recipients to acquire shares of common stock, subject to BJS's right to repurchase all or part of such shares if the conditions specified in the award are not satisfied prior to the end of the applicable restriction period established for the award. The Board of Directors will determine the terms and conditions of the applicable Award, including the conditions for vesting (subject to the minimum vesting requirements described below) and repurchase and the issue price, if any.

Restricted Stock Unit Awards. Instead of granting restricted stock awards, the Board may grant RSUs, which entitle the recipient to receive shares of common stock or cash to be delivered at the time the award vests.

Other Stock-Based Awards. Under the 2007 Plan, the Board of Directors has the right to grant other awards based upon the common stock having such terms and conditions as the Board of Directors may determine, including the grant of shares based upon certain conditions, the grant of awards that are valued in whole or in part by reference to, or otherwise based on, shares of Common Stock, and the grant of awards entitling recipients to receive shares of Common Stock to be delivered in the future.

Performance Awards. Restricted stock and RSU awards and other stock-based awards that are intended to qualify as performance-based compensation under Section 162(m) will be made subject to the achievement of performance goals. We refer to these awards as performance awards. Performance awards will vest solely upon the achievement of specified performance criteria designed to qualify for deduction under Section 162(m). The performance criteria for each performance award will be based on one or more of the following measures: operating income, pre-tax income, net income, gross profit dollars, costs, any of the preceding measures as a percent of sales, earnings per share, sales, return on equity and return on investment. These performance measures may be absolute in their terms or measured against or in relationship to other companies comparably, similarly or otherwise situated. The performance measure may be determined pursuant to GAAP or on a non-GAAP basis. The performance goals may exclude the impact of charges for restructurings, discontinued operations, the write down of any asset, extraordinary items, other unusual or non-recurring items and the cumulative effect of accounting changes. The performance goals may also include or exclude (in whole or in part) income or loss from, or other effects of, sales of gasoline. These performance goals:

may vary by participant and may be different for different awards;

may be particular to a participant or the department, branch, line of business, subsidiary or other unit in which the participant works and may cover such period as may be specified by a committee of the Board of Directors; and

will be set by the committee within the time period prescribed by, and will otherwise comply with the requirements of, Section 162(m).

The maximum cash payment that can be made in connection with a performance award is \$1,000,000 per fiscal year per participant. Under the 2007 Plan, the committee may not make any adjustments to the performance criteria to increase the incentive payment to executive officers subject to Section 162(m), except to make appropriate adjustments in the event of certain specified types of transactions; provided that in no case shall any such adjustment be made if it would cause an award to no longer qualify as performance-based compensation under Section 162(m).

Minimum Vesting Periods

The 2007 Plan generally requires that all options have a minimum one year vesting period, unless the option is granted in lieu of salary, bonus or other earned compensation.

In general, any restricted stock and RSU awards and other stock-based awards will be subject to the following minimum vesting provisions:

awards that vest solely based on the passage of time may not vest sooner than ratably over three years; and

awards that do not vest based solely on the passage of time may not vest prior to the first anniversary of their grant.

The Board may waive these minimum vesting requirements in extraordinary circumstances, including death, disability or retirement, estate planning needs, or the occurrence of a business combination, recapitalization or change of control. In addition, restricted stock and RSU awards and other stock-based awards for up to an aggregate of 187,500 shares of Common Stock may be granted without satisfying the minimum vesting requirements. The 187,500 number already reflects application of the two-to-one fungible share ratio described above.

Restrictions on Repricing

Unless approved by BJS stockholders:

no outstanding option or SAR granted under the 2007 Plan may be amended to provide an exercise price that is lower than its then-current exercise price (other than adjustments for changes in capitalization); and

the Board may not cancel any outstanding option or SAR and grant in substitution new awards under the 2007 Plan covering the same or a different number of shares of Common Stock and having an exercise price lower than the then-current exercise price of the cancelled option or SAR.

Eligibility to Receive Awards

Employees, officers and directors of BJS are eligible to be granted awards under the 2007 Plan. Under present law, however, incentive stock options may only be granted to employees of BJS and its subsidiaries.

The maximum number of shares with respect to which awards may be granted to any participant under the 2007 Plan is 1,000,000 shares per fiscal year. This sublimit is included in the 2007 Plan in order to comply with Section 162(m). The two-to-one fungible share ratio described above does not apply to this sublimit.

Plan Benefits

As of April 9, 2010, approximately 780 persons were eligible to receive awards under the 2007 Plan, including BJS six executive officers and eight non-employee directors. Other than the automatic grants of options to non-employee directors, the granting of awards under the 2007 Plan

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

is discretionary, and other than the grant of annual options to purchase 35,000 shares of Common Stock to be made to the non-employee director group, BJs cannot now determine the number or type of awards to be granted in the future to any particular person or group.

Since the 2007 Plan was adopted through April 9, 2010, BJs has granted the following number of options and shares of restricted stock to the individuals and groups listed below: Laura J. Sen, 144,713 shares of restricted stock; Frank D. Forward, 55,004 shares of restricted stock; Thomas F. Gallagher, 55,004 shares of restricted stock; Christina M. Nepl, 50,004 shares of restricted stock; Lon F. Povich, 47,504 shares of restricted stock; all current executive officers as group, 352,229 shares of restricted stock; all current directors who are not executive officers as a group, 30,000 options and 41,984 shares of restricted stock; each nominee for election as a director at the 2010 Annual Meeting as follows: Leonard A. Schlesinger, 10,000 options and 1,467 shares of restricted stock, and Thomas J. Shields, 6,600 shares of restricted stock; and all employees, including all current officers who are not executive officers, as a group, 42,000 options and 1,294,559 shares of restricted stock.

On April 9, 2010, the last reported sale price of BJs Common Stock on the New York Stock Exchange was \$37.72.

Transferability of Awards

Awards may not be sold, assigned, transferred, pledged or otherwise encumbered by the person to whom they are granted, either voluntarily or by operation of law, except by will or the laws of descent and distribution or, other than in the case of an incentive stock option, pursuant to a qualified domestic relations order. During the life of the participant, awards are exercisable only by the participant. The Board may permit the gratuitous transfer of an award by the participant to or for the benefit of any immediate family member, family trust or other entity established for the benefit of the participant or an immediate family member if, with respect to such transferee, BJs would be eligible to use a Form S-8 for the registration of the sale of the Common Stock subject to such award.

Administration

The 2007 Plan is administered by the Board of Directors. The Board has the authority to adopt, amend and repeal the administrative rules, guidelines and practices relating to the 2007 Plan and to interpret the provisions of the 2007 Plan. Pursuant to the terms of the 2007 Plan, the Board may delegate authority under the 2007 Plan to one or more committees or subcommittees of the Board. The Board has delegated authority under the 2007 Plan to the ECC.

Subject to any applicable limitations contained in the 2007 Plan, the Board or any committee to whom the Board delegates authority selects the recipients of awards and determines the terms of awards. Discretionary awards to non-employee directors must be granted and administered by a committee of independent directors.

The Board is required to make equitable adjustments in connection with the 2007 Plan and any outstanding awards to reflect stock splits, reverse stock splits, stock dividends, recapitalizations, combination of shares, reclassification of shares, spin-offs, other similar changes in capitalization, and any other dividend or distribution other than an ordinary cash dividend. The 2007 Plan also contains provisions addressing the consequences of any reorganization event, which is defined as:

any merger or consolidation of BJs with or into another entity as a result of which all of BJs Common Stock is converted into or exchanged for the right to receive cash, securities or other property, or is cancelled;

any transfer or disposition of all of BJs Common Stock for cash, securities or other property pursuant to a share exchange or other transaction; or

any liquidation or dissolution of BJs.

In connection with a reorganization event, except as otherwise provided in a specific award agreement, the Board of Directors will take any one or more of the following actions as to all or any outstanding awards (other than restricted stock) on such terms as the Board determines:

provide that awards will be assumed, or substantially equivalent awards will be substituted, by the acquiring or succeeding corporation;

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

upon written notice, provide that all unexercised awards will terminate immediately prior to the consummation of the reorganization event unless exercised (to the extent then exercisable) within a specified period following the date of such notice;

provide that outstanding awards will become exercisable, realizable or deliverable, or restrictions applicable to an award will lapse, in whole or in part prior to or upon the reorganization event;

in the event of a reorganization event under the terms of which holders of Common Stock will receive upon consummation thereof a cash payment, referred to as the acquisition price, for each share surrendered in the reorganization event, make or provide for a cash payment to an award holder with respect to each award held equal to (A) the number of shares of Common Stock subject to the vested

portion of the award multiplied by (B) the excess, if any, of the acquisition price over the exercise or purchase price of the award and any applicable tax withholdings, in exchange for the termination of the award.

provide that, in connection with a liquidation or dissolution, awards will convert into the right to receive liquidation proceeds; and

any combination of the foregoing.

With respect to restricted stock, the 2007 Plan generally provides that BJS's repurchase and other rights under such awards will inure to the benefit of BJS's successor and will apply to the cash, securities or other property into which BJS's Common Stock is converted.

The 2007 Plan also contains provisions addressing the consequences of any change of control (as defined in the 2007 Plan). Except to the extent otherwise provided in the instrument evidencing an award or in any other agreement, upon the occurrence of a change in control event:

all options and SARs then outstanding shall automatically become immediately exercisable in full; and

the restrictions and conditions on all other awards then outstanding will be deemed waived only if and to the extent specified by the Board of Directors.

Substitute Awards

In connection with a merger or consolidation of an entity with BJS or the acquisition by BJS of property or stock of an entity, the Board may grant awards in substitution for any options or other stock or stock-based awards granted by such entity or an affiliate thereof. Substitute awards may be granted on such terms as the Board deems appropriate in the circumstances, notwithstanding any limitations on awards contained in the 2007 Plan. Substitute awards will not count against the 2007 Plan's overall share limit, except as may be required by the Code.

Term; Amendment or Termination

No new awards may be made under the 2007 Plan after May 24, 2017, but awards previously granted may extend beyond that date. The Board of Directors may at any time amend, suspend or terminate the 2007 Plan, provided that stockholder approval will be required to the extent required by Section 162(m), the New York Stock Exchange or tax laws relating to incentive stock options. In addition, if the New York Stock Exchange amends its corporate governance rules so that they no longer require stockholder approval of material revisions of equity-compensation plans, stockholder approval would nevertheless be required for any amendment that materially increases benefits to participants, materially increases the number of securities issuable under the plan (other than to reflect changes in capitalization) or materially expands the eligible participants.

Federal Income Tax Consequences

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

The following is a summary of the United States federal income tax consequences that generally will arise with respect to awards granted under the 2007 Plan. This summary is based on the federal tax laws in effect as of the date of this proxy statement. In addition, this summary assumes that all awards are exempt from, or comply with, the rules under Section 409A regarding nonqualified deferred compensation. Changes to these laws could alter the tax consequences described below.

Incentive Stock Options

A participant will not have income upon the grant of an incentive stock option. Also, except as described below, a participant will not have income upon exercise of an incentive stock option if the participant has been employed by BJS or its corporate parent or 50% or more-owned corporate subsidiary at all times beginning with

the option grant date and ending three months before the date the participant exercises the option. If the participant has not been so employed during that time, then the participant will be taxed as described below under Non-statutory Stock Options. The exercise of an incentive stock option may subject the participant to the alternative minimum tax.

A participant will have income upon the sale of the stock acquired under an incentive stock option at a profit (if sales proceeds exceed the exercise price). The type of income will depend on when the participant sells the stock. If a participant sells the stock more than two years after the option was granted and more than one year after the option was exercised, then all of the profit will be long-term capital gain. If a participant sells the stock prior to satisfying these waiting periods, then the participant will have engaged in a disqualifying disposition and a portion of the profit will be ordinary income and a portion may be capital gain. This capital gain will be long term if the participant has held the stock for more than one year and otherwise will be short term. If a participant sells the stock at a loss (sales proceeds are less than the exercise price), then the loss will be a capital loss. This capital loss will be long term if the participant held the stock for more than one year and otherwise will be short term.

Non-statutory Stock Options

A participant will not have income upon the grant of a non-statutory stock option. A participant will have compensation income upon the exercise of a non-statutory stock option equal to the value of the stock on the day the participant exercised the option less the exercise price. Upon sale of the stock, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the day the option was exercised. This capital gain or loss will be long term if the participant has held the stock for more than one year and otherwise will be short term.

Stock Appreciation Rights

A participant will not have income upon the grant of an SAR. A participant generally will recognize compensation income upon the exercise of an SAR equal to the amount of the cash and the fair market value of any stock received. Upon the sale of the stock, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the day the SAR was exercised. This capital gain or loss will be long term if the participant held the stock for more than one year and otherwise will be short term.

Restricted Stock Awards

A participant will not have income upon the grant of restricted stock unless an election under Section 83(b) of the Code is made within 30 days of the date of grant. If a timely 83(b) election is made, then a participant will have compensation income equal to the value of the stock less the purchase price. When the stock is sold, the participant will have capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the date of grant. If the participant does not make an 83(b) election, then when the stock vests the participant will have compensation income equal to the value of the stock on the vesting date less the purchase price. When the stock is sold, the participant will have capital gain or loss equal to the sales proceeds less the value of the stock on the vesting date. Any capital gain or loss will be long term if the participant held the stock for more than one year and otherwise will be short term.

Restricted Stock Units

A participant will not have income upon the grant of an RSU. A participant is not permitted to make a Section 83(b) election with respect to an RSU. When the RSU vests or when the shares are delivered if a proper deferral is effected, the participant will have income in an amount equal to the fair market value of the stock on the vesting date or delivery date as applicable, less the purchase price, if any. When the stock is sold, the

participant will have capital gain or loss equal to the sales proceeds less the value of the stock on the vesting date or delivery date as applicable. Any capital gain or loss will be long term if the participant held the stock for more than one year and otherwise will be short term.

Other Stock-Based Awards

The tax consequences associated with any other stock-based award granted under the 2007 Plan will vary depending on the specific terms of such award. Among the relevant factors are whether or not the award has a readily ascertainable fair market value, whether or not the award is subject to forfeiture provisions or restrictions on transfer, the nature of the property to be received by the participant under the award and the participant's holding period and tax basis for the award or underlying Common Stock.

Tax Consequences to BJs

There will be no tax consequences to BJs, except that BJs will be entitled to a deduction when a participant has compensation income. Any such deduction will be subject to the limitations of Section 162(m) of the Code.

Equity Grants in the Last Three Years

The following table sets forth information regarding awards granted and earned for each of the last three fiscal years:

Equity Grants	2009	2008	2007
Stock options granted	10,000	20,000	426,000
Service-based restricted stock granted	521,000	489,000	736,000
Performance-based restricted stock earned(1)	93,000		

- (1) Represents performance-based shares, originally granted during 2007, which have been earned based upon the achievement of performance goals for the period 2007-2009. These shares vest on the later of the release of the Company's first quarter fiscal 2010 earnings, or May 24, 2010, subject to continued employment. Performance based shares granted during 2008 and 2009 are each subject to a three-year performance period which has not yet ended.

Recommendation of the Board of Directors

The Board of Directors believes that the Company's future success depends, in large part, upon its ability to maintain a competitive position in attracting, retaining and motivating employees, officers and directors and, consequently, believes the approval of an amendment and restatement of the 2007 Plan is in the Company's best interests and the best interests of its shareholders.

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

ACCORDINGLY, THE COMPANY S BOARD OF DIRECTORS RECOMMENDS

A VOTE FOR THE APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE 2007 PLAN.

PROPOSAL THREE

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for fiscal 2010. Although shareholder approval of the selection of PricewaterhouseCoopers LLP is not required by law, the Company's Board of Directors believes that it is advisable to give shareholders an opportunity to ratify this selection. If this proposal is not approved by the Company's shareholders at the annual meeting, the Audit Committee will reconsider its selection of PricewaterhouseCoopers LLP. Even if the selection of PricewaterhouseCoopers LLP is ratified, the Audit Committee, in its discretion, may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the annual meeting. They will have the opportunity to make a statement if they desire to do so and will also be available to respond to appropriate questions from shareholders.

**THE COMPANY'S BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF
PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S**

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2010.

PROPOSAL FOUR

SHAREHOLDER PROPOSAL REGARDING BIRD WELFARE

People for the Ethical Treatment of Animals (PETA), 501 Front Street, Norfolk, Virginia 23510, beneficial owner of 100 shares of common stock, has notified us that they intend to present a resolution at the annual meeting. **Your Board of Directors recommends a vote AGAINST this shareholder proposal.** As required by federal regulations, the resolution is included below exactly as submitted:

RESOLVED, that to advance the company's financial interests and the welfare of chickens and turkeys killed for its stores, shareholders encourage the Board to purchase 100 percent of turkey from suppliers that use controlled-atmosphere killing (CAK), a less cruel method of slaughter, by the end of 2010, and to require the company's chicken suppliers to switch to CAK within five years.

Supporting Statement

BJS Wholesale Club's suppliers' current slaughter method is cruel and inefficient. Consider the following:

BJS Wholesale Club's poultry suppliers use electric immobilization in their slaughterhouses. This involves shackling live birds, shocking them with electrified water in a stun bath, cutting their throats, and removing their feathers in tanks of scalding hot water.

Birds often suffer broken bones, bruising, and hemorrhaging during the shackling process, which lowers product quality and yield. They also peck and scratch at each other, which increases carcass contamination.

Because the electric current in the stun bath is kept too low to effectively render birds unconscious, many have their throats cut while they are still able to feel pain.

Birds are often scalded to death in defeathering tanks. When this happens, they often defecate, further decreasing yield and increasing the likelihood of contamination.

Frenzied birds flap their wings, kick workers, and vomit and defecate on them, leading to increased worker injuries and illness and poor overall ergonomics.

CAK is better for the birds' welfare and more efficient. Consider the following benefits:

With CAK, birds who are still in their transport crates are placed in chambers, where their oxygen is replaced with nonpoisonous gasses, putting them to sleep.

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

Every published report on CAK and numerous meat-industry scientific advisors including Drs. Temple Grandin, Mohan Raj, and Ian Duncan have concluded that it is superior to electric immobilization with regard to animal welfare.

Because there is no live shackling or live scalding, product quality and yield are greatly improved and contamination is drastically decreased. The manager of a CAK turkey plant in Ohio told *Poultry USA* that since switching to CAK, his company is starting to quantify the improvements in yield and labor, [and] see the benefits in wings, wing meat, and breast meat .

Because workers never handle live birds, ergonomics improve, injury and illness rates decrease, and the opportunities for workers to abuse live birds are eliminated. The turnover rate at a Nebraska poultry plant dropped by 75 percent after it installed a CAK system.

The following BJ s Wholesale Club s competitors are moving toward CAK:

Burger King, Popeye s, Wendy s, Hardee s and Carl s Jr. give purchasing preference or consideration to chicken suppliers that use CAK.

KFCs in Canada, Ruby Tuesday, Quiznos, Kroger, A&P, Harris Teeter and Winn-Dixie are already sourcing chickens or turkeys killed by CAK.

We urge shareholders to support this socially and ethically responsible resolution.

Management's Statement in Opposition to the Proposal

The safety and quality of the products we sell in our warehouse clubs is, and has always been, a top priority for us. BJ's does not own, raise, transport or process poultry. We sell poultry that we purchase from our suppliers, which are primarily two of the three largest poultry processors in the United States (specifically, Perdue Incorporated, the third largest poultry processor in the United States, and Tyson Foods, Inc., the world's largest processor of chicken, beef and pork). As a purchaser, but not a processor, of poultry, we require that the livestock used to produce products sold in our BJ's clubs be raised, handled, transported and processed using procedures that are consistent with industry best practices and that comply with all applicable laws and all animal handling/animal welfare guidelines as established by applicable industry associations.

Different humane methods exist for harvesting poultry, including the method of controlled-atmosphere killing referenced in the proposal. However, the research remains inconclusive as to whether controlled atmosphere killing is truly a better alternative to conventional stunning methods. The National Chicken Council released a statement on February 16, 2009 that said "According to scientists, there is no advantage in terms of animal welfare for gas killing systems for poultry compared to the conventional stunning systems used by the United States chicken industry. The industry feels that while gas systems are worthy of further study, there is no proven reason yet to move away from conventional stunning systems." The American Humane Society released a statement on April 9, 2008 that said "Based on input from animal-science veterinary and ethics professionals, American Humane Certified says that research is not conclusive or complete at this time to support Controlled Atmosphere Stunning (CAS) as the preferred method of poultry slaughter."

In light of the current state of the research in this area, we do not believe at this time that it is appropriate to give preference to suppliers that use controlled atmosphere killing as opposed to conventional stunning methods.

Accordingly, our Board recommends a vote AGAINST this proposal.

AUDIT COMMITTEE REPORT

The Audit Committee consists of five directors, each of whom is independent as defined by the applicable standards of the NYSE. A description of the responsibilities of the Audit Committee is set forth above under the caption "The Board of Directors and its Committees" Audit Committee on pages 9 to 10.

The Audit Committee has reviewed and discussed the Company's audited financial statements for fiscal 2009 with the management of the Company. The Audit Committee has discussed with PricewaterhouseCoopers LLP, the Company's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees), as amended, as adopted by the PCAOB. The Audit Committee also has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by applicable requirements of the PCAOB regarding PricewaterhouseCoopers LLP's communications with the Audit Committee concerning independence, and has discussed with PricewaterhouseCoopers LLP its independence from the Company. The Audit Committee also considered whether the independent registered public accounting firm's provision of the other, non-audit related services to the Company which are referred to in "All Other Fees" on page 58 is compatible with maintaining such firm's independence.

Based on the review and the discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended January 30, 2010, for filing

with the SEC.

The Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by the Company's independent registered public accounting firm. This policy generally provides that the Company will not engage its independent registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by the Audit Committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

The Audit Committee has also delegated to the Chair of the Audit Committee the authority to approve any audit or non-audit services to be provided to the Company by its independent registered public accounting firm. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers and persons who own more than ten percent of a registered class of the Company's equity securities to file with the SEC and the NYSE initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Executive officers, directors and greater-than-ten-percent beneficial owners are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations regarding the filing of required reports, all Section 16(a) filing requirements applicable to its directors, executive officers and greater-than-ten-percent beneficial owners with respect to fiscal 2009 were met, other than a late filing for Christine M. Cournoyer to report a grant of restricted shares that was fixed by a Form 4 filed on May 29, 2009.

The cost of solicitation of proxies will be borne by the Company. The Company has retained Georgeson Shareholder Communications Inc. to assist in soliciting proxies by mail, e-mail, telephone and personal interview for a fee of \$8,500, plus expenses. Officers and employees of the Company may, without additional remuneration, also assist in soliciting proxies in the same manner. A-1

4. *Stock Available for Awards*

(a) *Number of Shares; Share Counting.*

(1) *Authorized Number of Shares.* Subject to adjustment under Section 4(c), Awards may be made under the Plan for up to ~~4,000,000~~ 7,500,000 shares of common stock, \$0.01 par value per share, of the Company (the *Common Stock*). Shares issued under the Plan may consist in whole or in part of authorized but unissued shares or treasury shares as determined from time to time by the Board.

(2) *Fungible Share Counting.* Subject to adjustment under Section 4(c), an Option or SAR shall be counted against the share limits specified in Sections 4(a)(1) and 4(b)(2) as one share for each share of common stock subject to the Option or SAR, and any Restricted Stock Awards or Other Stock-Based Awards with a per share or per unit purchase price lower than 100% of Fair Market Value (as defined below) on the date of grant (a *Full Value Award*) shall be counted against the share limits specified in Sections 4(a)(1), 4(b)(2), 8(b) and 9(b) as two shares for each one share of Common Stock subject to such Full Value Award. To the extent that a share that was subject to an Award that counted as one share is returned to the Plan pursuant to Section 4(a)(3), each applicable share reserve will be credited with one share. To the extent that a share that was subject to an Award that counted as two shares is returned to the Plan pursuant to Section 4(a)(3), each applicable share reserve will be credited with two shares.

(3) *Other Share Counting Rules.* For purposes of counting the number of shares available for the grant of Awards under the Plan and under the sublimits contained in Sections 4(b)(2), 8(b) and 9(b), (i) all shares of Common Stock covered by independent SARs (as defined in Section 7(b)) shall be counted against the number of shares available for the grant of Awards under the Plan; provided, however, that independent SARs that may be settled in cash only shall not be so counted; (ii) if any Award (A) expires or is terminated, surrendered or canceled without having been fully exercised or is forfeited in whole or in part (including as the result of shares of Common Stock subject to such Award being repurchased by the Company at the original issuance price pursuant to a contractual repurchase right) or (B) results in any Common Stock not being issued (including as a result of an independent SAR that was settleable either in cash or in stock actually being settled in cash), the unused Common Stock covered by such Award shall again be available for the grant of Awards; provided, however, in the case of Incentive Stock Options (as hereinafter defined), the foregoing shall be subject to any limitations under the Code; and provided further, in the case of independent SARs, that the full number of shares subject to any stock-settled SAR shall be counted against the shares available under the Plan regardless of the number of shares actually used to settle such SAR upon exercise; (iii) shares of Common Stock tendered to the Company by a Participant to (A) purchase shares of Common Stock upon the exercise of an Award or (B) satisfy tax withholding obligations (including shares retained from the Award creating the tax obligation) shall not be added back to the number of shares available for the future grant of Awards; and (iv) shares of Common Stock repurchased by the Company on the open market using the proceeds from the exercise of an Award shall not increase the number of shares available for future grant of Awards.

(b) *Sub-limits.* Subject to adjustment under Section 4(c), the following sub-limits on the number of shares subject to Awards shall apply:

(1) *Section 162(m) Per-Participant Limit.* The maximum number of shares with respect to which Awards may be granted to any Participant under the Plan shall be 1,000,000 per fiscal year. For purposes of the foregoing limit, the combination of an Option in tandem with an SAR (as each is hereafter defined) shall be treated as a single Award. The per-Participant limit described in this Section 4(b)(1) shall be construed and applied consistently with Section 162(m) of the Code or any successor provision thereto, and the regulations thereunder (*Section 162(m)*).

(2) *Limit on Awards to Directors.* The maximum number of shares with respect to which Awards may be granted to directors who are not employees of the Company at the time of grant shall be 15% of the maximum number of authorized shares set forth in Section 4(a)(1).

A-2

(c) *Adjustment to Common Stock.* In the event of any stock split, reverse stock split, stock dividend, recapitalization, combination of shares, reclassification of shares, spin-off or other similar change in capitalization or event, or any dividend or distribution to holders of Common Stock other than an ordinary cash dividend, (i) the number and class of securities available under this Plan, (ii) the sub-limits and share counting rules set forth in Sections 4(a), 4(b), 8(b) and 9(b), (iii) the number and class of securities and exercise price per share of each outstanding Option and each Option issuable under Section 6, (iv) the share- and per-share provisions and the exercise price of each SAR, (v) the number of shares subject to and the repurchase price per share subject to each outstanding Restricted Stock Award and (vi) the share- and per-share provisions and the purchase price, if any, of each outstanding Other Stock-Based Award, shall be equitably adjusted by the Board (or substituted Awards may be made, if applicable).

(d) *Substitute Awards.* In connection with a merger or consolidation of an entity with the Company or the acquisition by the Company of property or stock of an entity, the Board may grant Awards in substitution for any options or other stock or stock-based awards granted by such entity or an affiliate thereof. Substitute Awards may be granted on such terms as the Board deems appropriate in the circumstances, notwithstanding any limitations on Awards contained in the Plan. Substitute Awards shall not count against the overall share limit set forth in Section 4(a)(1), except as may be required by reason of Section 422 and related provisions of the Code.

5. *Stock Options*

(a) *General.* The Board may grant options to purchase Common Stock (each, an Option) and determine the number of shares of Common Stock to be covered by each Option, the exercise price of each Option and the conditions and limitations applicable to the exercise of each Option, including conditions relating to applicable federal or state securities laws, as it considers necessary or advisable. An Option that is not intended to be an Incentive Stock Option (as hereinafter defined) shall be designated a Nonstatutory Stock Option .

(b) *Incentive Stock Options.* An Option that the Board intends to be an incentive stock option as defined in Section 422 of the Code (an Incentive Stock Option) shall only be granted to employees of the Company and shall be subject to and shall be construed consistently with the requirements of Section 422 of the Code. The Company shall have no liability to a Participant, or any other party, if an Option (or any part thereof) that is intended to be an Incentive Stock Option is not an Incentive Stock Option, or for any action taken by the Board, including without limitation the conversion of an Incentive Stock Option to a Nonstatutory Stock Option.

(c) *Exercise Price.* The Board shall establish the exercise price of each Option and specify it in the applicable option agreement. Each Option shall have an exercise price of not less than the closing sale price (for the primary trading session) of the Common Stock on The New York Stock Exchange (or on the other national securities exchange on which the Common Stock is then traded) on its date of grant (and if the Common Stock is not then traded on a national securities exchange, the fair market value of the Common Stock on such date as determined by the Board).

(d) *Duration of Options.* Each Option shall be exercisable at such times and subject to such terms and conditions as the Board may specify in the applicable option agreement; provided, however, that no Option will be granted with a term in excess of 10 years.

(e) *Exercise of Option.* Options may be exercised by delivery to the Company of a written notice of exercise signed by the proper person or by any other form of notice (including electronic notice) approved by the Board, together with payment in full as specified in Section 5(f) for the number of shares for which the Option is exercised. Shares of Common Stock subject to the Option will be delivered by the Company as soon as practicable following exercise.

(f) *Payment Upon Exercise.* Common Stock purchased upon the exercise of an Option granted under the Plan shall be paid for as follows:

(1) in cash or by check, payable to the order of the Company;

(2) except as may otherwise be provided in the applicable option agreement, by (i) delivery of an irrevocable and unconditional undertaking by a creditworthy broker to deliver promptly to the Company sufficient funds to pay the exercise price and any required tax withholding or (ii) delivery by the Participant to the Company of a copy of irrevocable and unconditional instructions to a creditworthy broker to deliver promptly to the Company cash or a check sufficient to pay the exercise price and any required tax withholding;

(3) to the extent provided for in the applicable option agreement or approved by the Board, in its sole discretion, by delivery (either by actual delivery or attestation) of shares of Common Stock owned by the Participant valued at their fair market value as determined by (or in a manner approved by) the Board (Fair Market Value), provided (i) such method of payment is then permitted under applicable law, (ii) such Common Stock, if acquired directly from the Company, was owned by the Participant for such minimum period of time, if any, as may be established by the Board in its discretion and (iii) such Common Stock is not subject to any repurchase, forfeiture, unfulfilled vesting or other similar requirements;

(4) to the extent permitted by applicable law and provided for in the applicable option agreement or approved by the Board, in its sole discretion, by (i) delivery of a promissory note of the Participant to the Company on terms determined by the Board or (ii) payment of such other lawful consideration as the Board may determine; or

(5) by any combination of the above permitted forms of payment.

(g) *Minimum Vesting.* Other than as provided in Section 6 with respect to Options granted to non-employee directors, no Option shall vest earlier than the first anniversary of its date of grant, unless the Option is issued in lieu of salary, bonus or other compensation otherwise earned by or payable to the Participant. Notwithstanding the foregoing, the Board may allow an Option to accelerate and become vested, in whole or in part, prior to the first anniversary of its date of grant, provided that the Board may only exercise such right in extraordinary circumstances which shall include, without limitation, death or disability of the Participant; estate planning needs of the Participant; a merger, consolidation, sale, reorganization, recapitalization, or Change of Control of the Company; or any other nonrecurring significant event affecting the Company, a Participant or the Plan.

(h) *Limitation on Repricing.* Unless such action is approved by the Company's stockholders: (1) no outstanding Option granted under the Plan may be amended to provide an exercise price per share that is lower than the then-current exercise price per share of such outstanding Option (other than adjustments pursuant to Section 4(c)) and (2) the Board may not cancel any outstanding option (whether or not granted under the Plan) and grant in substitution therefor new Awards under the Plan covering the same or a different number of shares of Common Stock and having an exercise price per share lower than the then-current exercise price per share of the cancelled option.

(i) *No Reload Options.* No Option granted under the Plan shall contain any provision entitling the Participant to the automatic grant of additional Options in connection with any exercise of the original Option.

(j) *No Dividend Equivalents.* No Option shall provide for the payment or accrual of dividend equivalents.

6. Director Options

(a) *Initial Grant.* Upon the commencement of service on the Board by any individual who is not then an employee of the Company or any subsidiary of the Company, ~~the Company shall grant to~~ such person shall automatically be granted a Nonstatutory Stock Option to purchase 10,000 shares of Common Stock (subject to adjustment under Section 4(c)).

(b) *Annual Grant.* On the date of each annual meeting of stockholders of the Company, ~~the Company shall grant to~~ each member of the Board of Directors of the Company who is both serving as a director of the Company immediately prior to and immediately following such annual meeting and who is not then an employee of the Company or any of its subsidiaries, shall automatically be granted a Nonstatutory Stock Option to purchase 5,000 shares of Common Stock (subject to adjustment under Section 4(c)); provided, however, that a director shall not be eligible to receive an option grant under this Section 6(b) until such director has served on the Board for at least six months.

(c) *Terms of Director Options.* Options granted under this Section 6 shall (i) have an exercise price equal to the closing sale price (for the primary trading session) of the Common Stock on The New York Stock Exchange or on the other national securities exchange on which the Common Stock is then traded on the date of grant (and if the Common Stock is not then traded on a national securities exchange, the fair market value of the Common Stock on such date as determined by the Board), (ii) vest on a cumulative basis as to one-third of the shares subject to the Option on the first day of the month of each of the first three anniversaries of the date of grant of such Option (provided that no additional vesting shall take place after the Participant ceases to serve as a director and further provided that the Board may provide for accelerated vesting in the case of death, disability, attainment of mandatory retirement age or retirement following at least 10 years of service), (iii) expire on the earlier of 10 years from the date of grant or one year following cessation of service on the Board and (iv) contain such other terms and conditions as the Board shall determine.

(d) *Board Discretion.* The Board retains the specific authority to from time to time increase or decrease the number of shares subject to Options granted under this Section 6, subject to the limitation of the aggregate number of shares issuable to non-employee directors contained in Section 4(b)(2). The Board also retains the specific authority to issue SARs, Restricted Stock Awards or Other Stock-Based Awards in lieu of some or all of the Options otherwise issuable under this Section 6, subject to the limitation of the aggregate number of shares issuable to non-employee directors contained in Section 4(b)(2).

7. Stock Appreciation Rights

(a) *General.* The Board may grant Awards consisting of a SAR entitling the holder, upon exercise, to receive an amount in cash or Common Stock or a combination thereof (such form to be determined by the Board) determined in whole or in part by reference to appreciation, from and after the date of grant, in the fair market value of a share of Common Stock over the exercise price established pursuant to Section 7(c). SARs may be based solely on appreciation in the fair market value of Common Stock or on a comparison of such appreciation with some other measure of market growth such as (but not limited to) appreciation in a recognized market index. The date as of which such appreciation or other measure is determined shall be the exercise date unless another date is specified by the Board in the SAR Award.

(b) *Grants.* SARs may be granted in tandem with, or independently of, Options granted under the Plan.

(1) *Tandem Awards.* When SARs are expressly granted in tandem with Options, (i) the SAR will be exercisable only at such time or times, and to the extent, that the related Option is exercisable (except to the extent designated by the Board in connection with a Reorganization Event or a Change of Control) and will be exercisable in accordance with the procedure required for exercise of the related Option; (ii) the SAR will terminate and no longer be exercisable upon the termination or exercise of the related Option, except to the extent designated by the Board in connection with a Reorganization Event or a Change of Control and except that a SAR granted with respect to less than the full number of shares covered by an Option will not be reduced until the number of shares as to which the related Option has been exercised or has terminated exceeds the number of shares not covered by the SAR; (iii) the Option will terminate and no longer be exercisable upon the exercise of the related SAR; and (iv) the SAR will be transferable only with the related Option.

(2) *Independent SARs*. A SAR not expressly granted in tandem with an Option will become exercisable at such time or times, and on such conditions, as the Board, subject to the other terms of the Plan, may specify in the SAR Award.

A-5

(c) *Exercise Price.* The Board shall establish the exercise price of each SAR and specify it in the applicable SAR agreement. Each SAR shall have a exercise price of not less than the closing sale price (for the primary trading session) of the Common Stock on The New York Stock Exchange (or on the other national securities exchange on which the Common Stock is then traded) on its date of grant (and if the Common Stock is not then traded on a national securities exchange, the fair market value of the Common Stock on such date as determined by the Board).

(d) *Duration of SARs.* Each SAR shall be exercisable at such times and subject to such terms and conditions as the Board may specify in the applicable SAR agreement; provided, however, that no SAR will be granted with a term in excess of 10 years.

(e) *Exercise of SARs.* SARs may be exercised by delivery to the Company of a written notice of exercise signed by the proper person or by any other form of notice (including electronic notice) approved by the Board, together with any other documents required by the Board.

(f) *Limitation on Repricing.* Unless such action is approved by the Company's stockholders: (1) no outstanding SAR granted under the Plan may be amended to provide a exercise price per share that is lower than the then-current exercise price per share of such outstanding SAR (other than adjustments pursuant to Section 4(c)) and (2) the Board may not cancel any outstanding SAR (whether or not granted under the Plan) and grant in substitution therefor new Awards under the Plan covering the same or a different number of shares of Common Stock and having a exercise price per share lower than the then-current exercise price per share of the cancelled SAR.

(g) *No Dividend Equivalents.* No SAR shall provide for the payment or accrual of dividend equivalents.

8. Restricted Stock; Restricted Stock Units

(a) *General.* The Board may grant Awards entitling recipients to acquire shares of Common Stock (Restricted Stock), subject to the right of the Company to repurchase all or part of such shares at their issue price or other stated or formula price (or to require forfeiture of such shares if issued at no cost) from the recipient in the event that conditions specified by the Board in the applicable Award are not satisfied prior to the end of the applicable restriction period or periods established by the Board for such Award. Instead of granting Awards for Restricted Stock, the Board may grant Awards entitling the recipient to receive shares of Common Stock or cash to be delivered at the time such Award vests (Restricted Stock Units) (Restricted Stock and Restricted Stock Units are each referred to herein as a Restricted Stock Award).

(b) *Terms and Conditions for all Restricted Stock Awards.* The Board shall determine the terms and conditions of a Restricted Stock Award, including the conditions for vesting and repurchase (or forfeiture) and the issue price, if any. Restricted Stock Awards that vest solely based on the passage of time shall be zero percent vested prior to the first anniversary of the date of grant (or, in the case of Awards to non-employee directors, if earlier, the date of the first annual meeting held after the date of grant), no more than one-third vested prior to the second anniversary of the date of grant (or, in the case of Awards to non-employee directors, if earlier, the date of the second annual meeting held after the date of grant), and no more than two-thirds vested prior to the third anniversary of the date of grant (or, in the case of Awards to non-employee directors, if earlier, the date of the third annual meeting held after the date of grant). Restricted Stock Awards that do not vest solely based on the passage of time shall not vest prior to the first anniversary of the date of grant (or, in the case of Awards to non-employee directors, if earlier, the date of the first annual meeting held after the date of grant). The two foregoing sentences shall not apply to Restricted Stock Awards and Other Stock-Based Awards granted, in the aggregate, for up to 5% of the maximum number of authorized shares set forth in Section 4(a)(1). Notwithstanding any other provision of this Plan (other than Section 10(i), if applicable), the Board may, in its discretion, either at the time a Restricted Stock Award is made or at any time thereafter, waive its right to repurchase shares of Common Stock (or waive the forfeiture thereof) or remove or modify any part or all of the

restrictions applicable to the Restricted Stock Award, provided that the Board may only exercise such rights in extraordinary circumstances which shall include, without limitation, death or disability of the Participant; estate planning needs of the Participant; a merger, consolidation, sale, reorganization, recapitalization, or Change of Control of the Company; or retirement of the Participant.

(c) *Additional Provisions Relating to Restricted Stock.*

~~(1) *Dividends.* Participants holding shares of Restricted Stock will be entitled to all ordinary cash dividends paid with respect to such shares, unless otherwise provided by the Board. Unless otherwise provided by the Board, if any dividends or distributions are paid in shares, or consist of a dividend or distribution to holders of Common Stock other than an ordinary cash dividend, the shares, cash or other property will be subject to the same in the applicable Award agreement, any dividends (whether paid in cash, stock or property) declared and paid by the Company with respect to shares of Restricted Stock (Accrued Dividends) shall be paid to the Participant only if and when such shares become free from the restrictions on transferability and forfeitability as the shares of Restricted Stock with respect to which they were paid that apply to such shares. Each payment of Accrued Dividends will be made no later than the end of the calendar year in which the dividends are paid to stockholders of that class of stock or, if later, the 15th day of the third month following the lapsing of the restrictions on transferability and the forfeitability provisions applicable to the underlying shares of Restricted Stock.~~

(2) *Stock Certificates.* The Company may require that any stock certificates issued in respect of shares of Restricted Stock, as well as dividends or distributions paid on such Restricted Stock, shall be deposited in escrow by the Participant, together with a stock power endorsed in blank, with the Company (or its designee). At the expiration of the applicable restriction periods, the Company (or such designee) shall deliver the certificates no longer subject to such restrictions to the Participant or if the Participant has died, to the beneficiary designated, in a manner determined by the Board, by a Participant to receive amounts due or exercise rights of the Participant in the event of the Participant's death (the Designated Beneficiary). In the absence of an effective designation by a Participant, Designated Beneficiary shall mean the Participant's estate.

(d) *Additional Provisions Relating to Restricted Stock Units.*

(1) *Settlement.* Upon the vesting of and/or lapsing of any other restrictions (i.e., settlement) with respect to each Restricted Stock Unit, the Participant shall be entitled to receive from the Company one share of Common Stock or an amount of cash equal to the Fair Market Value of one share of Common Stock, as provided in the applicable Award agreement. The Board may, in its discretion, provide that settlement of Restricted Stock Units shall be deferred, on a mandatory basis or at the election of the Participant in a manner that complies with Section 409A of the Code.

(2) *Voting Rights.* A Participant shall have no voting rights with respect to any Restricted Stock Units.

(3) *Dividend Equivalents.* To the extent provided by the Board, in its sole discretion, a grant of Restricted Stock Units may provide Participants with the right to receive an amount equal to any dividends or other distributions declared and paid on an equal number of outstanding shares of Common Stock (Dividend Equivalents). Dividend Equivalents may be paid currently or credited to an account for the Participants, may be settled in cash and/or shares of Common Stock and may be subject to the same restrictions on transfer and forfeitability as the Restricted Stock Units with respect to which paid, as determined by the Board in its sole discretion, subject in each case to such terms and conditions as the Board shall establish, in each case to be set forth in the applicable Award agreement.

9. Other Stock-Based Awards

(a) *General.* Other Awards of shares of Common Stock, and other Awards that are valued in whole or in part by reference to, or are otherwise based on, shares of Common Stock or other property, may be granted

A-7

hereunder to Participants (Other Stock-Based Awards), including without limitation Awards entitling recipients to receive shares of Common Stock to be delivered in the future. Such Other Stock-Based Awards shall also be available as a form of payment in the settlement of other Awards granted under the Plan or as payment in lieu of compensation to which a Participant is otherwise entitled. Other Stock-Based Awards may be paid in shares of Common Stock or cash, as the Board shall determine.

(b) *Terms and Conditions.* Subject to the provisions of the Plan, the Board shall determine the terms and conditions of each Other Stock-Based Award, including any purchase price applicable thereto. Other Stock-Based Awards that vest solely based on the passage of time shall be zero percent vested prior to the first anniversary of the date of grant (or, in the case of Awards to non-employee directors, if earlier, the date of the first annual meeting held after the date of grant), no more than one-third vested prior to the second anniversary of the date of grant (or, in the case of Awards to non-employee directors, if earlier, the date of the second annual meeting held after the date of grant), and no more than two-thirds vested prior to the third anniversary of the date of grant (or, in the case of Awards to non-employee directors, if earlier, the date of the third annual meeting held after the date of grant). Other Stock-Based Awards that do not vest solely based on the passage of time shall not vest prior to the first anniversary of the date of grant (or, in the case of Awards to non-employee directors, if earlier, the date of the first annual meeting held after the date of grant). The two foregoing sentences shall not apply to Restricted Stock Awards and Other Stock-Based Awards granted, in the aggregate, for up to 5% of the maximum number of authorized shares set forth in Section 4(a)(1). Notwithstanding any other provision of this Plan (other than Section 10(i), if applicable), the Board may, in its discretion, either at the time a Other Stock-Based Award is made or at any time thereafter, waive its right to repurchase shares of Common Stock (or waive the forfeiture thereof) or remove or modify any part or all of the restrictions applicable to the Other Stock-Based Award, provided that the Board may only exercise such rights in extraordinary circumstances which shall include, without limitation, death or disability of the Participant; estate planning needs of the Participant; a merger, consolidation, sale, reorganization, recapitalization, or Change of Control of the Company; or retirement of the Participant.

10. General Provisions Applicable to Awards

(a) *Transferability of Awards.* Awards shall not be sold, assigned, transferred, pledged or otherwise encumbered by the person to whom they are granted, either voluntarily or by operation of law, except by will or the laws of descent and distribution or, other than in the case of an Incentive Stock Option, pursuant to a qualified domestic relations order, and, during the life of the Participant, shall be exercisable only by the Participant; provided, however, that the Board may permit or provide in an Award for the gratuitous transfer of the Award by the Participant to or for the benefit of any immediate family member, family trust or other entity established for the benefit of the Participant and/or an immediate family member thereof if, with respect to such proposed transferee, the Company would be eligible to use a Form S-8 for the registration of the sale of the Common Stock subject to such Award under the Securities Act of 1933, as amended; provided, further, that the Company shall not be required to recognize any such transfer until such time as the Participant and such permitted transferee shall, as a condition to such transfer, deliver to the Company a written instrument in form and substance satisfactory to the Company confirming that such transferee shall be bound by all of the terms and conditions of the Award. References to a Participant, to the extent relevant in the context, shall include references to authorized transferees.

(b) *Documentation.* Each Award shall be evidenced in such form (written, electronic or otherwise) as the Board shall determine. Each Award may contain terms and conditions in addition to those set forth in the Plan.

(c) *Board Discretion.* Except as otherwise provided by the Plan, each Award may be made alone or in addition or in relation to any other Award. The terms of each Award need not be identical, and the Board need not treat Participants uniformly.

(d) *Termination of Status.* The Board shall determine the effect on an Award of the disability, death, termination of employment, retirement, authorized leave of absence or other change in the employment or other

status of a Participant and the extent to which, and the period during which, the Participant, or the Participant's legal representative, conservator, guardian or Designated Beneficiary, may exercise rights under the Award.

(e) *Reorganization Events; Change of Control.*

(1) *Definitions.* A Reorganization Event shall mean (a) any merger or consolidation of the Company with or into another entity as a result of which all of the Common Stock of the Company is converted into or exchanged for the right to receive cash, securities or other property or is cancelled, (b) any ~~exchange transfer or disposition~~ of all of the Common Stock of the Company for cash, securities or other property pursuant to a share exchange ~~or other~~ transaction or (c) any liquidation or dissolution of the Company. A Change of Control shall have the meaning set forth on Annex A hereto.

(2) *Consequences of a Reorganization Event on Awards Other than Restricted Stock Awards.*

(A) Subject to Section 10(e)(4), in connection with a Reorganization Event, the Board ~~shall~~ may take any one or more of the following actions as to all or any ~~(or any portion of)~~ outstanding Awards other than Restricted Stock Awards on such terms as the Board determines: ~~(except to the extent specifically provided otherwise in an applicable Award agreement or another agreement between the Company and the Participant):~~ (i) provide that Awards shall be assumed, or substantially equivalent Awards shall be substituted, by the acquiring or succeeding corporation (or an affiliate thereof), (ii) upon written notice to a Participant, provide that all of the Participant's unexercised ~~Options or other unexercised~~ Awards will terminate immediately prior to the consummation of such Reorganization Event unless exercised by the Participant ~~(to the extent then exercisable)~~ within a specified period following the date of such notice, (iii) provide that outstanding Awards shall become exercisable, realizable, or deliverable, or restrictions applicable to an Award shall lapse, in whole or in part prior to or upon such Reorganization Event, (iv) in the event of a Reorganization Event under the terms of which holders of Common Stock will receive upon consummation thereof a cash payment for each share surrendered in the Reorganization Event (the Acquisition Price), make or provide for a cash payment to Participants with respect to each Award held by a Participant equal to ~~the excess, if any, of (A) the Acquisition Price times (A) the number of shares of Common Stock subject to the Participant's Options or other Awards (to the extent the exercise price does not exceed the Acquisition Price) over (B) the aggregate vested portion of the Award (after giving effect to any acceleration of vesting that occurs upon or immediately prior to such Reorganization Event) multiplied by (B) the excess, if any, of (I) the Acquisition Price over (II) the exercise or purchase price of all such outstanding Options or other Awards~~ Award and any applicable tax ~~withholding~~ withholdings, in exchange for the termination of such ~~Options or other Awards~~ Award, (v) provide that, in connection with a liquidation or dissolution of the Company, Awards shall convert into the right to receive liquidation proceeds (if applicable, net of the exercise or purchase price thereof and any applicable tax withholdings) and (vi) any combination of the foregoing. In taking any of the actions permitted under this Section 10(e)(2)(A), the Board shall not be obligated by the Plan to treat all Awards, all Awards held by a Participant, or all Awards of the same type, identically.

(B) Notwithstanding the terms of Section 10(e)(2)(A), in the case of outstanding Restricted Stock Units that are subject to Section 409A of the Code: (i) if the applicable Restricted Stock Unit agreement provides that the Restricted Stock Units shall be settled upon a change in control event within the meaning of Treasury Regulation Section 1.409A-3(i)(5)(i), and the Reorganization Event constitutes such a change in control event, then no assumption or substitution shall be permitted pursuant to Section 10(e)(2)(A)(i) and the Restricted Stock Units shall instead be settled in accordance with the terms of the applicable Restricted Stock Unit agreement; and (ii) the Board may only undertake the actions set forth in clauses (iii), (iv) or (v) of Section 10(e)(2)(A) if the Reorganization Event constitutes a change in control event as defined under Treasury Regulation Section 1.409A-3(i)(5)(i) and such action is permitted or required by Section 409A of the Code; if the Reorganization Event is not a change in control event as so defined or such action is not permitted or required by Section 409A of the Code, and the acquiring or succeeding corporation does not assume or substitute

the Restricted Stock Units pursuant to clause (i) of Section 10(e)(2)(A), then the unvested Restricted Stock Units shall terminate immediately prior to the consummation of the Reorganization Event without any payment in exchange therefor.

(C) For purposes of ~~clause (i) above~~ Section 10(e)(2)(A)(i), an ~~Option Award (other than Restricted Stock)~~ shall be considered assumed if, following consummation of the Reorganization Event, ~~the Option~~ such Award confers the right to purchase or receive pursuant to the terms of such Award, for each share of Common Stock subject to the ~~Option Award~~ immediately prior to the consummation of the Reorganization Event, the consideration (whether cash, securities or other property) received as a result of the Reorganization Event by holders of Common Stock for each share of Common Stock held immediately prior to the consummation of the Reorganization Event (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares of Common Stock); provided, however, that if the consideration received as a result of the Reorganization Event is not solely common stock of the acquiring or succeeding corporation (or an affiliate thereof), the Company may, with the consent of the acquiring or succeeding corporation, provide for the consideration to be received upon the exercise ~~of Options~~ or settlement of the Award to consist solely of such number of shares of common stock of the acquiring or succeeding corporation (or an affiliate thereof) equivalent in value (as determined by the Board, and as of the date of such determination or another date specified by the Board) to the per share consideration received by holders of outstanding shares of Common Stock as a result of the Reorganization Event.

(3) ~~Consequences of a Reorganization Event on Restricted Stock Awards.~~ Subject to Section 10(e)(4), upon the occurrence of a Reorganization Event other than a liquidation or dissolution of the Company, the repurchase and other rights of the Company ~~under each~~ with respect to outstanding Restricted Stock ~~Award~~ shall inure to the benefit of the Company's successor and shall, unless the Board determines otherwise, apply to the cash, securities or other property which the Common Stock was converted into or exchanged for pursuant to such Reorganization Event in the same manner and to the same extent as they applied to ~~the Common Stock subject to such Restricted Stock Award.~~ such Restricted Stock; provided, however, that, to the extent permitted by Section 8(b), the Board may provide for termination or deemed satisfaction of such repurchase or other rights under the instrument evidencing any Restricted Stock or any other agreement between a Participant and the Company, either initially or by amendment. Upon the occurrence of a Reorganization Event involving the liquidation or dissolution of the Company, except to the extent specifically provided to the contrary in the instrument evidencing any Restricted Stock ~~Award~~ or any other agreement between a Participant and the Company, all restrictions and conditions on all Restricted Stock ~~Awards~~ then outstanding shall automatically be deemed terminated or satisfied.

(4) ~~Consequences of Change of Control.~~ Except to the extent otherwise provided in the instrument evidencing an Award or in any other agreement between a Participant and the Company, upon the occurrence of a Change of Control (i) all Options and SARs then outstanding shall automatically become immediately exercisable in full and (ii) the restrictions and conditions on all other Awards then outstanding shall be deemed waived only if and to the extent specified (whether at the time of grant or otherwise) by the Board; provided, however, that for any Restricted Stock Units or other Awards that are subject to Section 409A of the Code (collectively, "Section 409A Awards"), if the Change of Control does not also constitute a "change in control event" within the meaning of Treasury Regulation Section 1.409A-3(i)(5)(i) (or any successor provision), and the acquiring or succeeding corporation does not agree to assume to substitute the Section 409A Awards, then such Awards shall terminate upon the Change of Control without any payment in exchange therefor.

(f) Withholding. Each Participant shall pay to the Company, or make provision satisfactory to the Company for payment of, any taxes required by law to be withheld in connection with Awards granted to such Participant. The Board may allow Participants to The Participant must satisfy all applicable federal, state, and local or other income and employment tax withholding obligations before the Company will deliver stock certificates or otherwise recognize ownership of Common Stock under an Award. The Company may decide to satisfy the

~~withholding obligations through additional withholding on salary or wages. If the Company elects not to or cannot withhold from other compensation, the Participant must pay the Company the full amount, if any, required for withholding or have a broker tender to the Company cash equal to the withholding obligations. Payment of withholding obligations is due before the Company will issue any shares on exercise, vesting or release from forfeiture of an Award or at the same time as payment of the exercise or purchase price, unless the Company determines otherwise. If provided for in an Award or approved by the Board in its sole discretion, a Participant may satisfy such tax obligations in whole or in part by delivery (either by actual delivery or attestation) of shares of Common Stock, including shares retained from the Award creating the tax obligation, valued at their Fair Market Value; provided, however, that, except as otherwise provided by the Board, that the total tax withholding where stock is being used to satisfy such tax obligations cannot exceed the Company's minimum statutory withholding obligations (based on minimum statutory withholding rates for federal and state tax purposes, including payroll taxes, that are applicable to such supplemental taxable income). Shares surrendered used to satisfy tax withholding requirements cannot be subject to any repurchase, forfeiture, unfulfilled vesting or other similar requirements. The Company may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to a Participant.~~

(g) *Amendment of Award.* Except as otherwise provided in Section 5(g) with respect to vesting of Options, Section 5(h) with respect to option repricing, Section 7(f) with respect to SAR repricing, Sections 8(b) or 9(b) with respect to the vesting of Restricted Stock Awards and Other Stock-Based Awards, Section 10(i) with respect to Performance Awards or Section 11(d) with respect to actions requiring shareholder approval, the Board may amend, modify or terminate any outstanding Award, including but not limited to, substituting therefor another Award of the same or a different type, changing the date of exercise or realization, and converting an Incentive Stock Option to a Nonstatutory Stock Option. The Participant's consent to such action shall be required unless (i) the Board determines that the action, taking into account any related action, would not materially and adversely affect the Participant, (ii) the change is permitted under Section 4(c) or 10(e) hereof or (iii) the Board determines that the change is necessary to make the Award comply with Section 409A of the Code (provided that this clause (iii) shall not be deemed to create a duty on the Board to make such changes).

(h) *Conditions on Delivery of Stock.* The Company will not be obligated to deliver any shares of Common Stock pursuant to the Plan or to remove restrictions from shares previously issued or delivered under the Plan until (i) all conditions of the Award have been met or removed to the satisfaction of the Company, (ii) in the opinion of the Company's counsel, all other legal matters in connection with the issuance and delivery of such shares have been satisfied, including any applicable securities laws and any applicable stock exchange or stock market rules and regulations, and (iii) the Participant has executed and delivered to the Company such representations or agreements as the Company may consider appropriate to satisfy the requirements of any applicable laws, rules or regulations.

(i) *Performance Awards.*

(1) *Grants.* Restricted Stock Awards and Other Stock-Based Awards under the Plan may be made subject to the achievement of performance goals pursuant to this Section 10(i) (Performance Awards), subject to the limits in Section 4(b)(1) on shares covered by such grants. Subject to Section 10(i)(4), no Performance Awards shall vest prior to the first anniversary of the date of grant. Performance Awards can also provide for cash payments of up to \$1,000,000 per fiscal year per individual.

(2) *Committee.* Grants of Performance Awards to any Covered Employee intended to qualify as performance-based compensation under Section 162(m) (Performance-Based Compensation) shall be made only by a Committee (or subcommittee of a Committee) comprised solely of two or more directors eligible to serve on a Committee making Awards qualifying as performance-based compensation under Section 162(m). In the case of such Awards granted to Covered Employees, references to the Board or to a Committee shall be deemed to be references to such Committee or subcommittee. Covered Employee shall mean any person who is, or who the Committee, in its discretion, determines may be, a covered employee under Section 162(m)(3) of the Code.

(3) *Performance Measures.* For any Award that is intended to qualify as Performance-Based Compensation, the Committee shall specify that the degree of granting, vesting and/or payout shall be subject to the achievement of one or more objective performance measures established by the Committee, which shall be based on the relative or absolute attainment of specified levels of one or any combination of the following, which may be determined pursuant to generally accepted accounting principles (GAAP) or on a non-GAAP basis, as determined by the Committee: operating income, pre-tax income, net income, gross profit dollars, costs, any of the preceding measures as a percent of sales, earnings per share, sales, return on equity, and return on investment. The Committee may specify that such performance measures shall be applied by excluding the impact of charges for restructurings, discontinued operations, the write down of any asset, extraordinary items, and other unusual or non-recurring items, and the cumulative effects of accounting changes, each as defined by generally accepted accounting principles, subject to paragraph (6) below. Such performance measures may include or exclude (in whole or in part) income or loss from, or other effects of, sales of gasoline. Such performance measures: (i) may vary by Participant and may be different for different Awards, (ii) may be particular to a Participant or the department, branch, line of business, subsidiary or other unit in which the Participant works and may cover such period as may be specified by the Committee; and (iii) shall be set by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m).

(4) *Adjustments.* Notwithstanding any provision of the Plan, with respect to any Performance Award that is intended to qualify as Performance-Based Compensation, the Committee may adjust downwards, but not upwards, the cash or number of Shares payable pursuant to such Award, and the Committee may not waive the achievement of the applicable performance measures except in the case of the death or disability of the Participant or a Change of Control.

(5) *Other Restrictions.* The Committee shall have the power to impose such other restrictions on Performance Awards as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements for Performance-Based Compensation.

(6) *Limitations on Adjustments.* The Committee shall make no adjustments to the performance measures included in an outstanding Performance Award, the effect of which is to increase the incentive payment to a Covered Employee, except for the following:

(A) Events classified as extraordinary items, unusual or infrequently occurring items, or discontinued operations or presented as special nonrecurring charges (or income) in accordance with generally accepted accounting principles.

(B) Disposal of a business segment or a group of one or more warehouse stores, a major administrative unit, or major assets, or impairment of assets (whether tangible or intangible), if quantified and disclosed in the Company's Annual Report on Form 10-K.

(C) Conversion of convertible bonds or preferred stock convertible into Common Stock; a repurchase by the Company of outstanding shares of stock, if such a repurchase has a material impact on the performance that is being measured; or an increase in the number of shares of Common Stock for earnings per share calculation purposes due to a new equity or convertible debenture offering, but not by exercise of Awards under this Plan or any similar plan.

(D) Balance sheet recapitalization or restructuring that materially alters the allocation between debt and equity for the Company.

(E) Changes in accounting practice to comply with new legislation or with rules promulgated by the Securities and Exchange Commission, the Financial Accounting Standards Board or the Public Company Accounting Oversight Board and changes in tax laws that affect tax rates, credits,

or the definition of taxable income, if material.

(F) Unusual and material losses beyond the Company's control, such as acts of God (e.g., earthquake or widespread hurricane damage).

A-12

(G) Reserves for future period events which will not occur until after the performance measurement period.

(H) Adjustments attributable to prior periods in the case of a newly acquired business.

(I) Adjustments of goals made immediately after completion by the Company's independent public accountants of the audit of the Company's financial statements for the fiscal year immediately preceding the performance period, made solely to true-up goals that were based on estimated results for said preceding year.

(J) Gains and losses from sales of a minority interest in a subsidiary.

(K) Net incremental expense incurred by the Company as a result of opening new warehouse stores in excess of the number incorporated in the performance goals. The amount of the adjustment shall be equal to the average operating loss incurred by new warehouse stores opened by the Company in the same fiscal year.

(L) Any expense, gain or loss (including, but not limited to judgments, interest on judgments, settlement amounts, tax settlements, attorneys' fees and costs, filing fees, experts' fees, and damages sustained as a result of the imposition of injunctive relief) as a result of claims, litigation, lawsuit settlement (including collective actions or class action lawsuits) or settlement of potential claims.

In no event, however, shall the Committee make any adjustment which would cause a Performance Award to not qualify as Performance-Based Compensation.

11. *Miscellaneous*

(a) *No Right To Employment or Other Status.* No person shall have any claim or right to be granted an Award, and the grant of an Award shall not be construed as giving a Participant the right to continued employment or any other relationship with the Company. The Company expressly reserves the right at any time to dismiss or otherwise terminate its relationship with a Participant free from any liability or claim under the Plan, except as expressly provided in the applicable Award.

(b) *No Rights As Stockholder.* Subject to the provisions of the applicable Award, no Participant or Designated Beneficiary shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed with respect to an Award until becoming the record holder of such shares. Notwithstanding the foregoing and Section 5(j), in the event the Company effects a split of the Common Stock by means of a stock dividend and the exercise price of and the number of shares subject to an Option are adjusted as of the date of the distribution of the dividend (rather than as of the record date for such dividend), then an optionee who exercises an Option between the record date and the distribution date for such stock dividend shall be entitled to receive, on the distribution date, the stock dividend with respect to the shares of Common Stock acquired upon such Option exercise, notwithstanding the fact that such shares were not outstanding as of the close of business on the record date for such stock dividend.

Edgar Filing: BJS WHOLESALE CLUB INC - Form DEF 14A

(c) *Effective Date and Term of Plan; Effect on 1997 Plan.* The Plan shall become effective on the date the Plan is approved by the Company's stockholders (the Effective Date). No Awards shall be granted under the Plan after the completion of 10 years from the Effective Date, but Awards previously granted may extend beyond that date. From and after the Effective Date, no new awards shall be granted under the Company's 1997 Stock Incentive Plan.

(d) *Amendment of Plan.* The Board may amend, suspend or terminate the Plan or any portion thereof at any time, provided that (1) to the extent required by Section 162(m), no Award granted to a Participant that is intended to comply with Section 162(m) after the date of such amendment shall become exercisable, realizable or vested, as applicable to such Award, unless and until such amendment shall have been approved by the Company's stockholders if required by Section 162(m) (including the vote required under Section 162(m));

(2) no amendment that would require stockholder approval under the rules of the New York Stock Exchange (NYSE) may be made effective unless and until such stockholder approval is obtained; and (3) if the NYSE amends its corporate governance rules so that such rules no longer require stockholder approval of material revisions of equity-compensation plans, then, from and after the effective date of such amendment to the NYSE rules, no amendment of the Plan which (i) materially increases the benefits accruing to Participants under the Plan, (ii) materially increases the number of securities which may be issued under the Plan (other than pursuant to Section 4(c) , 4(d) or 10(e)) or (iii) materially expands the requirements as to eligibility for participation in the Plan shall become effective unless stockholder approval is obtained. In addition, if at any time the approval of the Company's stockholders is required as to any other modification or amendment under Section 422 of the Code or any successor provision with respect to Incentive Stock Options, the Board may not effect such modification or amendment without such approval. Unless otherwise specified in the amendment, any amendment to the Plan adopted in accordance with this Section 11(d) shall apply to, and be binding on the holders of, all Awards outstanding under the Plan at the time the amendment is adopted, provided the Board determines that such amendment, taking into account any related action, does not materially and adversely affect the rights of Participants under the Plan.

~~(e) Compliance With Code Section 409A. No Award shall provide for deferral of compensation that does not comply with~~ Except as provided in individual Award agreements initially or by amendment, if and to the extent any portion of any payment, compensation or other benefit provided to a Participant pursuant to the Plan in connection with his or her employment termination (i) constitutes nonqualified deferred compensation within the meaning of Section 409A of the Code, unless the Board, at the time of grant, specifically provides that the Award is not intended to comply with Section 409A of the Code. The Company shall have no liability to a Participant, or any other party, if an Award that is intended to be exempt from, or compliant with, Section 409A is not so exempt or compliant or for any action taken by the Board and (ii) the Participant is a specified employee as defined in Section 409A(a)(2)(B)(i) of the Code, in each case, as determined by the Company in accordance with its procedures, by which determinations the Participant (through accepting the Award) agrees that he or she is bound, such portion of the payment, compensation or other benefit shall not be paid before the day that is six months plus one day after the date of separation from service (as determined under Section 409A of the Code) (the New Payment Date), except as Section 409A of the Code may then permit. The aggregate of any payments that otherwise would have been paid to the Participant during the period between the date of separation from service and the New Payment Date shall be paid to the Participant in a lump sum on such New Payment Date, and any remaining payments will be paid on their original schedule.

The Company makes no representations or warranty and shall have no liability to the Participant or any other person if any provisions of or payments, compensation or other benefits under the Plan are determined to constitute nonqualified deferred compensation subject to Section 409A of the Code but do not to satisfy the conditions of that section.

(f) *Governing Law.* The provisions of the Plan and all Awards made hereunder shall be governed by and interpreted in accordance with the laws of the State of Delaware, excluding choice-of-law principles of the law of such state that would require the application of the laws of a jurisdiction other than such state.

ANNEX A

DEFINITION OF CHANGE OF CONTROL

For the purpose of this Plan, a **Change of Control** shall mean:

(a) The acquisition by an individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Securities Exchange Act of 1934, as amended (the **Exchange Act**))(a **Person**) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 20% or more of either (i) the then-outstanding shares of common stock of the Company (the **Outstanding Company Common Stock**) or (ii) the combined voting power of the then-outstanding voting securities of the Company entitled to vote generally in the election of directors (the **Outstanding Company Voting Securities**); provided, however, that for purposes of this subsection (a), the following acquisitions shall not constitute a Change of Control: (i) any acquisition directly from the Company, (ii) any acquisition by the Company, (iii) any acquisition by any employee benefit plan (or related trust) sponsored or maintained by the Company or any corporation controlled by the Company, or (iv) any acquisition by any corporation pursuant to a transaction which satisfies the criteria set forth in clauses (i), (ii) and (iii) of subsection (c) of this definition; or

(b) Individuals who, as of the date hereof, constitute the Board (the **Incumbent Board**) cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequently to the date hereof whose election, or nomination for election by the Company's stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board (except that this proviso shall not apply to any individual whose initial assumption of office as a director occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board); or

(c) Consummation of a reorganization, merger or consolidation involving the Company or a sale or other disposition of all or substantially all of the assets of the Company (a **Business Combination**), in each case, unless, immediately following such Business Combination, (i) all or substantially all of the individuals and entities who were the beneficial owners, respectively, of the Outstanding Company Common Stock and Outstanding Company Voting Securities immediately prior to such Business Combination beneficially own, directly or indirectly, more than 60% of, respectively, the then-outstanding shares of common stock and the combined voting power of the then-outstanding voting securities entitled to vote generally in the election of directors, of the corporation resulting from such Business Combination (which as used in section (c) of this definition shall include, without limitation, a corporation which as a result of such transaction owns the Company or all or substantially all of the Company's assets either directly or through one or more subsidiaries) in substantially the same proportions as their ownership, immediately prior to such Business Combination, of the Outstanding Company Common Stock and Outstanding Company Voting Securities, as the case may be, (ii) no Person (excluding any corporation resulting from such Business Combination or any employee benefit plan (or related trust) of the Company or such corporation resulting from such Business Combination) beneficially owns, directly or indirectly, 20% or more of, respectively, the then outstanding shares of common stock of the corporation resulting from such Business Combination, or the combined voting power of the then-outstanding voting securities of such corporation and (iii) at least half of the members of the board of directors of the corporation resulting from such Business Combination were members of the Incumbent Board at the time of the execution of the initial agreement, or of the action of the Board, providing for such Business Combination; or
