Item 1.01 Entry into a Material Definitive Agreement.

On August 2, 2010, PPG Industries, Inc. (the Company) entered into a Three-Year Credit Agreement among the Company; the several banks and financial institutions party thereto; JPMorgan Chase Bank, N.A., as administrative agent; J.P. Morgan Securities, Inc., The Bank of Tokyo-Mitsubishi UFJ, Ltd. and BNP Paribas Securities Corp., as co-lead arrangers and co-bookrunners; and The Bank of Tokyo-Mitsubishi UFJ, Ltd. and BNP Paribas, as co-syndication agents (the Credit Agreement). The Credit Agreement provides for a \$1.2 billion unsecured revolving credit facility. The Company has the ability to increase the size of the Credit Agreement by up to an additional \$300 million, subject to the receipt of lender commitments and other conditions precedent. The Credit Agreement will terminate and all amounts outstanding thereunder will be due and payable on August 5, 2013.

The Credit Agreement provides that loans will bear interest at rates based, at the Company's option, on either (a) the Eurocurrency Rate, as defined in the Credit Agreement, plus a margin based on the three year credit default swap mid rate spread quoted with respect to the Company, with maximum and minimum margins ranging from 0.375% to 3.50% per annum, or (b) the Base Rate, as defined in the Credit Agreement, plus a margin equal to the margin on loans under the Eurocurrency Rate less 1.00% (with the resulting margin not less than 0.00%), ranging from 0.00% to 2.50% per annum, the chosen rate being referred to as the Applicable Rate. Additionally, the Credit Agreement contains a Commitment Fee, as defined in the Credit Agreement, on the amount of unused commitments under the Credit Agreement ranging from 0.125% to 0.625% per annum. The Applicable Rate and the Commitment Fee will be determined with reference to the pricing grid set forth in the Credit Agreement referencing the ratings established by Standard & Poor's Financial Services LLC and Moody's Investor Service Inc. for the Company's non-credit enhanced, long-term, senior, unsecured debt.

The Credit Agreement contains usual and customary restrictive covenants for facilities of its type, which include, with specified exceptions, limitations on the Company's ability to create liens or other encumbrances, to enter into sale and leaseback transactions and to enter into consolidations, mergers or transfers of all or substantially all of its assets. The Credit Agreement also requires the Company to maintain a ratio of Total Indebtedness to Total Capitalization, as defined in the Credit Agreement, of sixty percent or less.

The Credit Agreement contains, among other things, customary events of default that would permit the lenders to accelerate the loans, including the failure to make timely payments when due under the Credit Agreement or other material indebtedness, the failure to satisfy covenants contained in the Credit Agreement, a change in control of the Company and specified events of bankruptcy and insolvency.

The foregoing description of the Credit Agreement is not complete and is qualified in its entirety by the terms and provisions of the Credit Agreement, a copy of which is filed herewith as Exhibit 10 and is incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

On August 4, 2010, in connection with the entry into the Credit Agreement, the Company terminated its 650,000,000 Credit Facility, dated as of December 3, 2007, among the Company; the several banks and financial institutions party thereto; BNP Paribas Securities Corp. and SG Americas Securities, LLC, as mandated lead arrangers; Société Générale, as swingline agent and facility agent; and BNP Paribas Securities Corp., as syndication agent.
