ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission, or the SEC, using a shelf registration process. Under this shelf registration process, we may sell any combination of the securities described in this prospectus in one or more offerings at any time and from time to time.

This prospectus provides you with a general description of the securities we may offer. Each time we sell securities, we will provide a prospectus supplement that will contain specific information about the terms of that offering. The prospectus supplement may also add to, update or change information contained in the prospectus and, accordingly, to the extent inconsistent, information in this prospectus is superseded by the information in that prospectus supplement.

The prospectus supplement to be attached to the front of this prospectus may describe, as applicable, the terms of the securities offered, the initial public offering price, the price paid for the securities, net proceeds and the other specific terms related to the offering of these securities.

We have not authorized anyone to provide any information other than that contained or incorporated by reference in this prospectus, any prospectus supplement or in any free writing prospectus prepared by or on behalf of us or to which we have referred you. We take no responsibility for, and can provide no assurance as to the reliability of, any other information that others may give you.

You should not assume that the information in this prospectus or any prospectus supplement or free writing prospectus is accurate as of any date other than the date on the cover of the applicable document and that any information we have incorporated by reference is accurate only as of the date of the document incorporated by reference. Our business, financial condition, results of operations, cash flows and prospects may have changed since that date.

The terms the Company, we, us, our and Choice as used in this prospectus refer to Choice Hotels International, Inc. and its subsidiaries. The phrase this prospectus refers to this prospectus and any applicable prospectus supplement, unless the context otherwise requires.

RISK FACTORS

An investment in our securities involves a high degree of risk. We urge you to consider carefully the risks incorporated by reference into this prospectus and, if applicable, into any accompanying prospectus supplement or any free writing prospectus used in connection with an offering of securities, before making an investment decision, including those risks identified under **Risk Factors** in our most recent annual report on Form 10-K, which is incorporated by reference into this prospectus and which may be amended, supplemented or superseded from time to time by other reports we file with the SEC in the future. Additional risks, including those that relate to any particular securities we offer, may be included in the applicable prospectus supplement or any related free writing prospectus, or be incorporated by reference into this prospectus or such prospectus supplement or free writing prospectus.

Our business, financial condition, results of operations, cash flows and prospects could be materially adversely affected by any of these risks. The market or trading price of our securities could decline due to any of these risks. In addition, please read **Forward-Looking Statements** in this prospectus, where we describe additional uncertainties associated with our business and the forward-looking statements included or incorporated by reference into this prospectus or into any prospectus supplement or any related free writing prospectus used in connection with an offering of securities. Additional risks not presently known to us or that we currently deem immaterial may also impair our business and operations or cause the price of our securities to decline.

USE OF PROCEEDS

Unless otherwise indicated in the applicable prospectus supplement or any related free writing prospectus, we anticipate that the net proceeds from the sale of the securities that we may offer under this prospectus and any applicable prospectus supplement or free writing prospectus will be used for general corporate purposes. - (1) For purposes of calculating the ratio of earnings to fixed charges, earnings represent earnings from continuing operations before income taxes and before income or loss from equity investments, *plus* (a) fixed charges, and (b) distributed income of equity investees. DESCRIPTION OF CAPITAL STOCK

Common Stock

Our Restated Certificate of Incorporation (the "Certificate") authorizes common stock consisting of 160,000,000 shares, par value \$0.01 per share. We may issue additional shares of common stock without further stockholder approval, up to the maximum authorized number of shares, except as may be otherwise required by applicable law or stock exchange regulations.

Dividend Rights. Holders of common stock are entitled to receive, subject to preferences that may be applicable from time to time with respect to any outstanding Preferred Stock, such dividends as are declared by the board of directors of Choice.

Voting Rights. Each holder of our common stock is entitled to one vote for each share of common stock held of record on the applicable record date on all matters submitted to a vote of stockholders. Holders of our common stock do not have cumulative voting rights.

Rights upon Liquidation or Dissolution. In the event of liquidation or dissolution, each share of common stock is entitled to share pro rata in any distribution of our assets after payment or providing for the payment of liabilities and the liquidation preference of any outstanding preferred stock. Holders of our common stock have no preferential, preemptive, conversion, sinking fund or redemption rights.

Preferred Stock

The Certificate authorizes preferred stock consisting of 5,000,000 shares, par value \$0.01 per share. Of the authorized preferred shares, 1,000,000 are designated Series A Junior Participating Preferred Stock. No preferred shares currently are outstanding. Under our Certificate, our board of directors may from time to time establish and issue preferred shares. Our board of directors may determine the designation, preference, limitations and relative rights of each series of preferred shares so issued, all in accordance with Delaware law.

The prospectus supplement relating to any preferred shares offered thereby will contain the specific terms thereof, including, without limitation:

the designation of such preferred shares;

the number of such preferred shares offered, the liquidation preference per share and the offering price of such preferred shares;

the dividend rate, period and/or payment date or method of calculation thereof applicable to such preferred shares;

the date from which dividends on such preferred shares will accumulate, if applicable;

the voting rights of the preferred shares;

the provision for a sinking fund, if any, for such preferred shares;

the provision for redemption, if applicable, of such preferred shares;

the terms and conditions, if applicable, upon which such preferred shares will be convertible into our common shares, including the conversion price (or manner of calculation thereof);

any other specific preferences, limitations and relative rights of such preferred shares;

a discussion of federal income tax considerations applicable to such preferred shares;

the relative ranking and preferences of such preferred shares as to dividend rights and rights upon liquidation, dissolution or winding up of our affairs;

any limitations on issuance of any series of preferred shares ranking senior to or on a parity with such series of preferred shares as to dividend rights and rights upon liquidation, dissolution or winding up of our affairs; and

whether interests in such preferred shares will be represented by depositary shares.

Because our board of directors has the power to establish the preference, limitations and relative rights of each series of preferred shares, it may afford the holders of any series of preferred shares preference, limitations and relative rights, voting or otherwise, senior to the rights of holders of common stock.

Certain Anti-takeover Matters

Our Certificate and by-laws contain provisions that may make it more difficult for a potential acquirer to acquire us by means of a transaction that is not negotiated with our board of directors. These provisions and the General Corporation Law of the State of Delaware (the "DGCL") could delay or prevent entirely a merger or acquisition that our stockholders consider favorable. These provisions may also discourage acquisition proposals or have the effect of delaying or preventing entirely a change in control, which could harm our stock price. Our board of directors is not aware of any current effort to accumulate shares of our common stock or to otherwise obtain control of our Company and does not currently contemplate adopting or recommending the approval of any other action that might have the effect of delaying, deterring or preventing a change in control of our Company.

Following is a description of the anti-takeover effects of certain provisions of our Certificate and by-laws.

No stockholder action by written consent. The DGCL provides that stockholders of a Delaware corporation can act by written consent instead of by vote at a stockholder meeting, unless the corporation's certificate of incorporation provides otherwise. Our Certificate provides that stockholders may not act by written consent.

No cumulative voting. The DGCL provides that stockholders of a Delaware corporation are not entitled to the right to cumulate votes in the election of directors, unless its certificate of incorporation provides otherwise. Our Certificate does not provide for cumulative voting.

Calling of special meetings of stockholders. Our by-laws provide that to properly bring business before a special meeting of our stockholders, the business must be specified in a notice of meeting (or any supplement thereto) given by or at the direction of the board of directors or otherwise properly brought before the meeting by or at the direction of the board of directors.

Advance notice requirements for stockholder proposals and director nominations. Our by-laws provide that stockholders seeking to nominate candidates for election as directors or to bring business before an annual meeting of stockholders must provide timely notice of their proposal in writing to our corporate secretary.

Generally, to be timely, a stockholder's notice must be received at our principal executive offices not less than 60 days nor more than 90 days prior to the first anniversary of the previous year's annual meeting. Our by-laws also specify requirements as to the form and content of a stockholder's notice. These provisions may impede stockholders' ability to bring matters before an annual meeting of stockholders or make nominations for directors at an annual meeting of stockholders.

Classified Board of Directors. Our board of directors is divided into three classes of directors, each class constituting approximately one-third of the total number of directors, with the classes serving staggered terms. At each annual meeting of stockholders, the class of directors to be elected at the meeting will be elected for a three-year term and the directors in the other two classes will continue in office. Under the DGCL, directors on a classified board can only be removed for cause.

Limitations on Liability and Indemnification of Officers and Directors

The DGCL authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors' fiduciary duties. Our Certificate includes a provision that eliminates the personal liability of directors for monetary damages for any breach of fiduciary duty in such capacity, except for liability:

for any breach of the director's duty of loyalty to us or our stockholders;

for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

under Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions); or

for any transaction from which the director derived any improper personal benefit, except to the extent any such exemption from liability or limitation thereof is not permitted under the DGCL.

Our certificate of incorporation and bylaws also provide for the indemnification of our directors and officers, past and present, to the fullest extent authorized by the DGCL against expenses and liabilities (including, but not limited to, counsel fees) reasonably incurred by or imposed upon such persons in connection with any proceeding to which they may be made a party or in which they may become involved as a result of being or having been directors or officers. We have the power to purchase and maintain insurance on behalf of our past and present directors and officers, or those who are or were serving at our request as directors or officers of another corporation, partnership, joint venture, trust or other business, against any liability asserted against those persons or incurred by those persons in any of these capacities, or arising out of their status as such, whether or not we would have the power to indemnify those persons against such liability under our certificate of incorporation.

The limitation of liability and indemnification provisions in our Certificate and the by-laws may discourage our stockholders from bringing a lawsuit against directors and officers for breach of their fiduciary duties. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. In addition, the stockholder's investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

The Debt Securities may be issued in one or more series with the same or various maturities.

Transfer and Exchange

The Debt Securities of a series may be issued in either registered form (Registered Securities) or global form. See Book-Entry Securities.

Registered Securities may be separated into smaller denominations or combined into larger denominations, as long as the total principal amount is not changed. This is called an exchange.

You may transfer Registered Securities and you may exchange Registered Securities at the office of the Trustee. We may designate someone else to perform this function. Whoever maintains the list of registered holders is called the Registrar.

You will not be required to pay a service charge to transfer or exchange Debt Securities, but you may be required to pay us for any transfer tax or other governmental charge payable upon the exchange or transfer. The transfer or exchange will be made only if the Registrar is satisfied with your proof of ownership.

If we designate additional Registrars, we will name them in the accompanying prospectus supplement. We may cancel the designation of any particular Registrar. We may also approve a change in the office through which any Registrar acts.

If we redeem less than all of the Debt Securities of a redeemable series, we may block the transfer or exchange of Registered Securities during the period beginning 15 days before the day of mailing of a notice of redemption of such Registered Securities and ending on the day of such mailing. We may also decline to register transfers or exchanges of Debt Securities selected for redemption, except that we will continue to permit transfers and exchanges of the unredeemed portion of any Debt Security being partially redeemed.

If the offered Debt Securities are redeemable, we will describe the procedures for redemption in the accompanying prospectus supplement.

In this Transfer and Exchange section of this prospectus, you means direct holders and not indirect holders of Debt Securities.

Definitions

Attributable Indebtedness with respect to any sale and leaseback transaction that is subject to the restrictions described under Covenants Limitations on Sale and Leaseback Transactions means:

if such sale and leaseback transaction is a Capitalized Lease Obligation, the amount of Indebtedness represented thereby according to the definition of Capitalized Lease Obligations, and

in all other instances, the present value of the total obligations of the lessee for rental payments during the remaining term of the lease included in such sale and leaseback transaction (including any period for which such lease has been extended) determined in accordance with GAAP, discounted at a rate that at the inception of the lease the lessee would have incurred to borrow over a similar term the funds necessary to purchase the leased assets.

Capitalized Lease Obligations of any Person means the obligations of such Person to pay rent or other amounts under a lease that is accounted for as a capital lease, and the amount of such obligation shall be the capitalized amount thereof determined in accordance with GAAP.

Consolidated Net Assets means the consolidated total assets of Choice and its Subsidiaries, after deducting therefrom all current liabilities of Choice and its Subsidiaries (other than the current portion of long-term Indebtedness of Choice and its Subsidiaries and Capitalized Lease Obligations of Choice and its Subsidiaries), all as set forth on the latest consolidated balance sheet of Choice prepared in accordance with GAAP.

Funded Debt means all Indebtedness of Choice and its Subsidiaries with a maturity date more than one year after, or which is renewable or extendable at the option of Choice for a period ending more than one year after, the date as of which Funded Debt is being determined.

GAAP means generally accepted accounting principles in the United States of America as in effect on the date of the Indenture, including those principles set forth in (i) the opinions and pronouncements of the Accounting Principles Board of the American Institute of Certified Public Accountants, (ii) statements and pronouncements of the Financial Accounting Standards Board, (iii) such other statements by such other entity as approved by a significant segment of the accounting profession and (iv) the rules and regulations of the SEC governing the inclusion of financial statements (including pro forma financial statements) in periodic reports required to be filed pursuant to Section 13 of the Securities Exchange Act of 1934, including opinions and pronouncements in staff accounting bulletins and similar written statements from the accounting staff of the SEC.

Indebtedness means, with respect to any Person, indebtedness of, or guaranteed or assumed by, the Person for borrowed money, including indebtedness evidenced by bonds, debentures, notes, or other similar instruments and reimbursement and cash collateralization of letters of credit, bankers' acceptances, interest rate hedge and currency hedge agreements, if any such indebtedness would appear as a liability upon a consolidated balance sheet of the Person and its Subsidiaries prepared in accordance with GAAP (not including contingent liabilities that appear only in a footnote to such balance sheet).

Lien means, with respect to any property or assets of any Person, any mortgage or deed of trust, pledge, hypothecation, assignment, security interest, lien, encumbrance, or other security arrangement of any kind or nature whatsoever on or with respect to such property or assets (including any conditional sale or other title retention agreement having substantially the same economic effect as any of the foregoing).

Permitted Liens means:

- (a) Liens existing on the date of the Indenture;
- (b) Liens in favor of Choice or a Restricted Subsidiary;
- (c) Liens on any property existing at the time of the acquisition thereof;
- (d) Liens on any property of a Person or its Subsidiaries existing at the time such Person is consolidated with or merged into Choice or a Restricted Subsidiary, or Liens on any property of a Person existing at the time such Person becomes a Restricted Subsidiary;
- (e) Liens to secure all or part of the cost of acquisition (including Liens created as a result of an acquisition by way of Capitalized Lease Obligations), construction, development or improvement of the underlying property, or to secure Indebtedness incurred to provide funds for any such purposes; *provided*, that the commitment of the creditor to extend the credit secured by any such Lien shall have been obtained not later than 18 months after the later of (A) the completion of the acquisition, construction, development or improvement of such property and (B) the placing in operation of such property or of such property as so constructed, developed or improved;
- (f) Liens securing industrial revenue, pollution control or similar bonds; and
- (g) any extension, renewal or replacement (including successive extensions, renewals and replacements), in whole or in part, of any Lien referred to in any of clauses (a) through (f) of this definition of Permitted Liens that would not otherwise be permitted pursuant to any of clauses (a) through (f) of this definition of Permitted Liens, to the extent that (A) the principal amount of Indebtedness secured thereby and not otherwise permitted to be secured pursuant to any of clauses (a) through (f) of this definition of Permitted Liens does not exceed the principal amount of Indebtedness, plus any premium or fee payable in connection with any such extension, renewal or replacement, so secured at the time of any such extension, renewal or replacement, except that where (1) the Indebtedness so secured at the time of any such extension, renewal or replacement was incurred for the sole purpose of financing a specific project and (2) additional Indebtedness is to be incurred in connection with such extension, renewal or replacement solely to finance the completion of the same project, the additional Indebtedness may also be secured by such Lien; and (B) the property that is subject to the Lien serving as an extension, renewal or replacement is limited to some or all of the Property that was subject to the Lien so extended, renewed or replaced.

Person means any individual, corporation, partnership, limited liability company, joint venture, association, joint stock company, trust, unincorporated organization or government or any agency or political subdivision thereof.

Principal Property means (i) a parcel of improved or unimproved real estate or other physical facility or depreciable asset of Choice or a consolidated Subsidiary of Choice, the net book value of which on the date of determination exceeds 7.5% of Consolidated Net Assets and (ii) any group of parcels of real estate, other physical facilities, and/or depreciable assets of Choice and/or its consolidated Subsidiaries, the net book value of which, when sold in one or a series of related sale and leaseback transactions or securing Indebtedness issued in respect of such Principal Properties, on the date of determination exceeds 7.5% of the Consolidated Net Assets. For purposes of the foregoing, **related sale and leaseback transactions** refers to any two or more such contemporaneous transactions which are on substantially similar terms with substantially the same parties. As of the date of this prospectus, we and our consolidated Subsidiaries had no Principal Properties.

Restricted Subsidiary means any Subsidiary of Choice that owns, operates or leases one or more Principal Properties. As of the date of this prospectus, we had no Restricted Subsidiaries.

Subsidiary in respect of any Person, means (i) any Person of which more than 50% of the total voting power of shares of capital stock entitled (without regard to the occurrence of any contingency) to vote in the election of directors, managers or trustees thereof is at the time owned or controlled, directly or indirectly, by any Person or one or more of the Subsidiaries of that Person or a combination thereof, and (ii) any partnership, joint venture or other Person in which such Person or one or more of the Subsidiaries of that Person or a combination thereof has the power to control by contract or otherwise the board of directors or equivalent governing body or otherwise controls such entity.

Covenants

The Indenture does not limit the amount of Indebtedness or other obligations that may be incurred by the Company and its Subsidiaries. The Indenture does contain the following covenants, among others:

Limitations on Liens

The Indenture provides that Choice will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or otherwise cause or suffer to exist or become effective any Liens of any kind upon any Principal Property or any capital stock of any Restricted Subsidiary which owns or leases Principal Property (whether such Principal Property or capital stock are now owned or hereafter acquired), or any interest therein or any increase or profits therefrom, unless all payments due under the Indenture and the Debt Securities are secured on an equal and ratable basis with (or prior to) the obligations so secured until such time as such obligation is no longer secured by a Lien, except in the case of Permitted Liens or as provided under **Exempted Debt** below. As of the date of this prospectus, there are no Principal Properties or Restricted Subsidiaries.

Limitations on Sale and Leaseback Transactions

The Indenture provides that, except as provided under **Exempted Debt** below, Choice will not, and will not permit any of its Restricted Subsidiaries to, enter into any arrangement with any Person (other than the Company or any Subsidiary of the Company) providing for the leasing by Choice or a Restricted Subsidiary of any Principal Property owned by Choice or such Restricted Subsidiary (except for leases for a term of not more than three years), which property has been or is to be sold or transferred by Choice or such Restricted Subsidiary to such Person on the security of such Principal Property more than 365 days after the acquisition thereof or the completion of construction and commencement of full operation thereof unless either (a) Choice or such Restricted Subsidiary would be entitled, pursuant to the provisions of the Indenture, to incur Indebtedness secured by a Lien on the Property to be leased in an amount equal to the Attributable Indebtedness with respect to such transaction without equally and ratably securing the Debt Securities, or (b) Choice, within 180 days after the effective date of such transaction, applies to the voluntary retirement of its Funded Debt an amount equal to the value of such transaction, defined as the greater of the net proceeds of the sale of the Principal Property leased in such transaction or the fair value, in the opinion of Choice's board of directors, of the leased Principal Property at the time such transaction was entered into. As of the date of this prospectus, there are no Principal Properties or Restricted Subsidiaries.

Exempted Debt

Notwithstanding the foregoing limitations on Liens and sale and leaseback transactions, Choice and its Restricted Subsidiaries may create, incur or otherwise cause to suffer to exist or become effective Liens without securing the Debt Securities or enter into a sale and leaseback transaction without retiring Funded Debt, or enter into a combination of such transactions, provided that, at the

time of such event, and after giving effect thereto and to the retirement of any other such Indebtedness which is concurrently being repaid, the sum of (x) the principal amount of such Indebtedness secured by such Liens or the Attributable Indebtedness in respect of such sale and leaseback transaction, as the case may be, and (y) the principal amount of all other such Indebtedness secured by such Liens (not including Liens permitted under Limitations on Liens above) and all other Attributable Indebtedness in respect of sale and leaseback transactions then outstanding (not including sale and leaseback transactions permitted under Limitations on Sale and Leaseback Transactions above), measured, in each case, at the time any such Lien is incurred or any such sale and leaseback transaction is entered into, does not exceed the greater of (i) \$25 million or (ii) 15% of the Consolidated Net Assets of Choice and its consolidated Subsidiaries.

Merger and Consolidation

We covenant that we will not consolidate with or merge into any Person or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of our and our Subsidiaries' properties and assets as an entirety unless, among other things:

the successor Person is Choice or another entity organized and existing under the laws of the United States, any state or territory thereof or the District of Columbia that assumes our obligations on the Debt Securities and under the Indenture,

immediately after giving effect to such transaction, Choice or the successor Person would not be in default under the Indenture, and

Choice shall have delivered to the Trustee an officers' certificate and an opinion of counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with the terms of the Indenture and that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

Except as described above or as set forth in the applicable prospectus supplement, the Indenture does not contain any provisions that would afford holders of the Debt Securities protection in the event of:

a highly leveraged or similar transaction involving us;

a change in our control or a change in our management; or

a reorganization, restructuring, merger or similar transaction involving us that may adversely affect the holders of the Debt Securities. In addition, subject to the limitations set forth above, we may, in the future, enter into certain transactions such as the sale of our properties and assets substantially as an entirety or a merger or consolidation with another entity that could increase the amount of our Indebtedness or the Indebtedness of our Subsidiaries or otherwise adversely affect our financial condition or results of operations, which may have an adverse effect on our ability to service our Indebtedness, including the Debt Securities. We have no present intention of engaging in a highly leveraged or similar transaction involving us.

Events of Default

An Event of Default with respect to a series of the Debt Securities is defined in the Indenture as being:

(i) default in the payment of any principal or premium (if any) of the series of Debt Securities;

(ii) default for 30 days in the payment of any installment of interest on the series of Debt Securities;

(iii) default by Choice in the performance of any other covenants or agreements in the Indenture contained therein for the benefit of the series of Debt Securities which shall not have been remedied for a period of 90 days after written notice of such default to Choice by the Trustee or to Choice and the Trustee by the holders of at least 25% in aggregate principal amount of the series of Debt Securities;

(iv) default by Choice or any Subsidiary under any Indebtedness (except non-recourse indebtedness) having an aggregate principal amount of \$25 million or 15% of Consolidated Net Assets (whichever amount is greater), or under any mortgage, indenture or other instrument under which there may be issued or by which there may be secured any Indebtedness for money borrowed by Choice or any Subsidiary having an aggregate principal amount of \$25 million or 15% of Consolidated Net Assets (whichever amount is greater), for failure to pay a portion of the principal when due (after any grace period has passed) or as a result of Indebtedness being declared due before it otherwise would have been due, and this repayment obligation has not been rescinded or annulled within ten days of written notice to Choice (sent by either the Trustee or by the holders of at least 25% of the outstanding principal amount of the series of Debt Securities to Choice and the Trustee) or remedied, cured or waived before a declaration of acceleration of the series of Debt Securities;

(v) certain events of bankruptcy, insolvency or reorganization of Choice or a significant subsidiary of Choice; or

(vi) any other Event of Default specified for the series in the applicable prospectus supplement.

The Indenture provides that if an Event of Default under clause (i), (ii), (iii), (iv) or (vi) above shall have occurred and be continuing, either the Trustee or the holders of not less than 25% in principal amount of the series of Debt Securities may declare the principal of all the Debt Securities of that series, together with any accrued interest and premium (if any), to be due and payable immediately.

If an Event of Default under clause (v) above shall have occurred and be continuing, then the principal of all the Debt Securities, together with any accrued interest and premium (if any), will be due and payable immediately without any declaration or other act on the part of the Trustee or any holder of a Debt Security. Upon certain conditions such declaration (including a declaration caused by a default in the payment of principal or interest, the payment for which has subsequently been provided) may be annulled by the holders of a majority in principal amount of the series of Debt Securities.

In addition, past defaults may be waived by the holders of a majority in principal amount of the series of Debt Securities, except a default in the payment of principal of or interest and premium (if any) on any Debt Security, a default arising from failure to redeem or purchase a Debt Security when required by the Indenture, or a default in respect of a covenant or provision of the Indenture which cannot be modified or amended without the approval of the holder of each Debt Security affected.

The Indenture contains a provision entitling the Trustee, subject to the duty of the Trustee during default to act with the required standard of care, to be indemnified by the holders of Debt Securities issued thereunder before proceeding to exercise any right or power under the Indenture at the request of the holders of such Debt Securities.

The Indenture also provides that the holders of a majority in principal amount of the outstanding Debt Securities of a particular series issued thereunder and affected (each series voting as a separate class) may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Debt Securities of such series.

The Indenture contains a covenant that Choice will file annually with the Trustee a certificate as to the absence of any default or specifying any default that exists.

Satisfaction and Discharge

The Indenture will cease to be of further effect as to a series of Debt Securities (except as to surviving rights of registration of transfer or exchange of Debt Securities, as expressly provided for in the Indenture) when either:

all Debt Securities of the series theretofore authenticated (except lost, stolen or destroyed Debt Securities that have been replaced or paid) have been delivered to the Trustee for cancellation, or

with respect to all Debt Securities of a series due and payable within one year not theretofore delivered to the Trustee for cancellation,

Choice has deposited or caused to be deposited with the Trustee funds or government securities (as defined in the Indenture), or any combination thereof, in an amount sufficient to pay and discharge the entire indebtedness on the Debt Securities of the series not theretofore delivered to the Trustee for cancellation, for unpaid principal and interest to maturity;

Choice has paid all other sums payable by it with respect to the Debt Securities of the series under the Indenture; and

Choice has delivered to the Trustee an officers' certificate and an opinion of counsel each stating that all conditions precedent under the Indenture to the satisfaction and discharge of the Indenture with respect to the series of Debt Securities have been complied with.

Covenant and Legal Defeasance

The Indenture provides that Choice need not comply with certain restrictive covenants of the Indenture (including those described under Covenants above) or it will be deemed to have been discharged from its obligations with respect to a series of Debt Securities under the Indenture if:

Choice deposits in trust with the Trustee money or government securities, which through the payment of interest thereon and principal thereof in accordance with their terms will provide money, in an amount sufficient, in the opinion of a nationally recognized firm of certified public accountants, to pay all the principal of and interest and premium (if any) on the Debt Securities of the series when due;

Choice shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the defeasance have been complied with;

no default or Event of Default with respect to that series of debt securities shall have occurred and be continuing under subsection (v) of Events of Default above at any time in the period ending on the 91st day after the date of deposit; and

Choice delivers to the Trustee an opinion of counsel to the effect that the holders of Debt Securities of the series will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such defeasance had not occurred.

Modification and Waiver

Without the consent of any holder of the Debt Securities, Choice and the Trustee may modify or amend the Indenture to clarify or to make certain other changes that would not materially adversely affect the legal rights of any holder.

With the consent of the holders of not less than a majority in aggregate principal amount of the outstanding Debt Securities of the particular series affected, Choice and the Trustee may modify or amend the Indenture; *provided, however*, that no such modification or amendment may, without the consent of the holder of each Debt Security affected:

change the stated maturity of the principal of, or any installment of interest on, any Debt Security or reduce the principal amount thereof or the rate of interest thereon, or change the coin or currency in which any Debt Security or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment after the stated maturity thereof;

reduce the amount payable upon the redemption of any Debt Security or change the time at which such Debt Security may be redeemed;

waive a default or Event of Default in the payment of principal of or premium, if any, or interest on the Debt Securities (except a rescission of acceleration of the Debt Securities by the holders of not less than a majority in aggregate principal amount of the then outstanding Debt Securities and a waiver of the payment default that resulted from such acceleration);

waive a redemption payment with respect to any Debt Security;

reduce the principal amount of Debt Securities of a series whose holders must consent to a modification or waiver, or make any change in the Indenture relating to waivers of past defaults or the rights of holders of Debt Securities of a series to receive payments of principal of, or premium, if any, or interest on the Debt Securities; or

modify any of the provisions relating to supplemental indentures requiring the consent of holders or relating to the waiver of past defaults, except to increase the percentage of outstanding Debt Securities required for such actions or to provide that certain other provisions of the Indenture cannot be modified or waived without the consent of the holder of each Debt Security.

Guarantees

The applicable prospectus supplement may provide that one or more subsidiaries of Choice, including those subsidiaries identified in this prospectus, will fully, unconditionally and irrevocably guarantee, on a joint and several basis, the full and punctual payment of the principal of, premium, if any, and interest on Debt Securities issued under the Indenture and all other obligations of Choice under the Indenture. The terms of such guarantees, if any, including the ranking and termination provisions thereof, will be described in the applicable prospectus supplement.

Concerning our Relationship with the Trustee

We and our Subsidiaries maintain ordinary banking relationships and revolving credit facilities with affiliates of Wells Fargo Bank, National Association.

Global securities may be issued in either registered or bearer form and in either temporary or permanent form. Choice Hotels International, Inc. and other Delaware Corporation Co-Registrants

Delaware General Corporation Law. Choice Hotels International, Inc., Choice Capital Corp. and Choice Hotels International Services Corp. (together, the "Choice Delaware Entities") are incorporated under the laws of the State of Delaware.

Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL") enables a corporation to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for breach of the director's fiduciary duty, except:

for any breach of the director's duty of loyalty to the corporation or its stockholders;

for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions); or

for any transaction from which the director derived an improper personal benefit.

In accordance with Section 102(b)(7) of the DGCL, the applicable certificates of incorporation of the Choice Delaware Entities include provisions eliminating, to the fullest extent permitted by the DGCL, the liability of directors to those entities or their stockholders for monetary damages for breach of fiduciary duties as directors.

Edgar Filing: CHOICE HOTELS INTERNATIONAL INC /DE - Form S-3ASR

Section 145(a) of the DGCL empowers a corporation to indemnify any present or former director, officer, employee or agent of the corporation, or any individual serving at the corporation's request as a director, officer, employee or agent of another organization, who was or is a party or is threatened to

II-1

be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding provided that such director, officer, employee or agent acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, provided further that such director, officer, employee or agent had no reasonable cause to believe his or her conduct was unlawful.

The DGCL provides that the indemnification described above shall not be deemed exclusive of any other indemnification that may be granted by a corporation pursuant to its by-laws, disinterested directors' vote, stockholders' vote, agreement or otherwise.

The DGCL also provides corporations with the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation in a similar capacity for another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against such liability as described above.

In accordance with Section 145(a) of the DGCL, the applicable by-laws of the Choice Delaware Entities provide that any person who was or is a party or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding or investigation, whether civil, criminal or administrative, and whether external or internal to the applicable corporation (other than a judicial action or suit brought by or in the right of the Choice Delaware Entities) by reason of the fact that he or she is or was a director, officer, employee or agent of the Choice Delaware Entities, or that, being or having been such a director, officer, employee or agent, he or she is or was serving at the request of the Choice Delaware Entities as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise (all such persons being referred to hereafter as an "Agent"), shall be indemnified and held harmless against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding, or any appeal thereof, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the applicable corporation, and with respect to any criminal action or proceeding had no reasonable cause to believe his or her conduct was unlawful. Expenses incurred in defending any civil, criminal, administrative or investigative action, suit or proceeding or investigation or any appeal therein shall be paid by the applicable Choice Delaware Entity in advance of the final disposition of such matter, if the Agent shall undertake to repay such amount in the event that it is ultimately determined, as provided herein, that such person is not entitled to indemnification.

The Choice Delaware Entities may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent against any liability asserted against him and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the applicable Choice Delaware Entity would have the power to indemnify him or her against such liability under the provisions of the applicable by-laws. Choice Hotels International, Inc. has purchased and maintains insurance under which the directors, officers, employees and agents of Choice Hotels International, Inc. are insured against loss arising from claims made against them due to wrongful acts while acting in their individual and collective capacities as such, subject to certain exclusions.

Other Co-Registrants

Section 18-108 of the Delaware Limited Liability Company Act (the DLLCA) provides that, subject to such standards and restrictions, if any, as are set forth in its limited liability company agreement, a limited liability company may, and shall have the power to, indemnify and hold harmless any member or manager or other person from and against any and all claims and demands whatsoever. However, to the extent that the limited liability company agreement seeks to restrict or limit the liabilities of such person, Section 18-1101 of the DLLCA prohibits it from eliminating liability for any act or omission that constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing.

There is no provision of the limited liability company agreements of the Delaware Limited Liability Companies that addresses indemnification or insurance.

Georgia Business Corporation Code. Co-registrants Suburban Franchise Holding Company, Inc. and Suburban Franchise Systems, Inc. are incorporated under the laws of the State of Georgia.

Sections 14-2-830 and 14-2-842 of the Georgia Business Corporation Code (the GBCC) enable a corporation to eliminate the liability of a director or officer to the corporation or to its shareholders for any action taken as a director or officer, or any failure to take any action, if he or she performed the duties of his or her office in a manner the individual believes in good faith to be in the best interests of the corporation, and with the care an ordinarily prudent person in a like position would exercise under similar circumstances.

Sections 14-2-851 and 14-2-857 of the GBCC permit a corporation to indemnify a director made a party to a proceeding because he or she is or was a director against liability incurred in the proceeding if the director seeking indemnification acted in good faith and reasonably believed (i) in the case of conduct in his or her official capacity, that his or her action was in the best interests of the corporation, (ii) in all other cases, that his or her action was at least not opposed to the best interests of the corporation, and (iii) in the case of any criminal proceedings, that he or she had no reasonable cause to believe his or her conduct was unlawful. Section 14-2-851 of the GBCC prohibits indemnification of a director in connection with a proceeding by or in the right of the corporation (other than for reasonable expenses) if it is determined that the director has not met the relevant standard of conduct, or with respect to conduct for which he or she was adjudged liable on the basis that a personal benefit was improperly received by him or her, whether or not involving action in his or her official capacity.

Under Section 14-2-856 of the GBCC, if authorized by the articles of incorporation or a by-law, contract, or resolution approved or ratified by the shareholders by a majority of the votes entitled to be cast, a corporation may indemnify or obligate itself to indemnify a director made a party to a proceeding including a proceeding brought by or in the right of the corporation. Under Section 14-2-856 of the GBCC, a corporation will not indemnify a director for any liability incurred in a proceeding in which the director is adjudged liable to the corporation or is subjected to injunctive relief in favor of the corporation: (i) for any appropriation, in violation of the director's duties, of any business opportunity of the corporation; (ii) for acts or omissions which involve intentional misconduct or a knowing violation of law; (iii) unlawful distributions; or (iv) for any transaction from which he or she received an improper personal benefit.

Under Section 14-2-854 of the GBCC, a corporation may, before final disposition of a proceeding, advance funds to pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding because he or she is a director. Section 14-2-852 of the GBCC requires a corporation to indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he or she was a party because he or she was a director of the corporation against reasonable expenses (including attorneys' fees) incurred by the director in connection with the proceeding.

A Georgia corporation may indemnify and advance expenses, under Section 14-2-857 of the GBCC, to an officer of a corporation who is a party to a proceeding because he or she is an officer of the corporation: (i) to the same extent as a director and (ii) if he or she is not a director, to such further extent as may be provided by the articles of incorporation, the by-laws, a resolution of the board of directors, or contract except for liability arising out of conduct that constitutes: (A) appropriation, in violation of his or her duties, of any business opportunity of the corporation; (B) acts or omissions which involve intentional misconduct or a knowing violation of law; (C) unlawful distribution; or (D) receipt of an improper personal benefit. An officer of a corporation who is not a director is entitled to mandatory indemnification pursuant to Section 14-2-857 of the GBCC, and may apply to a court under Section 14-2-854 for indemnification or advances for expenses, in each case to the same extent to which a director may be entitled to indemnification or advances for expenses under those provisions. Under Section 14-2-857 of the GBCC, a corporation may also indemnify and advance expenses to an employee or agent who is not a director to the extent, consistent with public policy, that may be provided by its articles of incorporation, by-laws, general or specific action of its board of directors, or contract.

The GBCC, under Section 14-2-858, also provides that corporations may purchase and maintain insurance on behalf of directors and officers against liability incurred by them in their capacities or arising out of their status as directors and officers, regardless of whether the corporation would have the power to indemnify or advance expenses to the director or officer for the same liability under the indemnification sections of the GBCC.

Suburban Franchise Holding Company, Inc.'s articles of incorporation include a provision that eliminates (or limits, as applicable) the personal liability of its directors and officers to it or its shareholders for monetary damages for breach of duty of care or other duty as a director or officer to the fullest extent permitted by the GBCC, except for liability described in Sections 14-2-856 and 857 of the GBCC (as described above). Suburban Franchise Systems, Inc.'s articles of incorporation include a provision that eliminates (or limits, as applicable) the personal liability of directors for monetary damages for any breach of the director's duty of care or other duty as a director to the extent permitted by the GBCC (or any successor law or laws).

In accordance with Sections 14-2-851 and 14-2-857 of the GBCC, Suburban Franchise Systems, Inc.'s by-laws provide for indemnification of its directors and officers who have acted in a manner believed in good faith to be in, or not opposed to, the best interests of Suburban Franchise Systems, Inc., including actions with respect to any employee benefit plan; if a proceeding is criminal in nature, indemnification requires the individual to have had no reasonable cause to believe his or her conduct was unlawful. Also, in accordance with Section 14-2-851(d) of the GBCC, Suburban Franchise Systems, Inc.'s by-laws do not permit it to indemnify an individual (1) in connection with a proceeding by Suburban Franchise Systems, Inc., or in its right, in which the individual was adjudged liable to Suburban Franchise Systems, Inc. or (2) in connection with any proceeding in which an individual was adjudged liable because personal benefit was improperly received by him or her, unless a court determines under the GBCC that the individual is entitled to indemnification. In addition, Suburban Franchise Systems, Inc.'s by-laws require a determination to be made on an individual basis as to whether indemnification is permissible under the circumstances.

Suburban Franchise Systems, Inc.'s by-laws provide, in accordance with GBCC Section 14-2-854, that it will pay for or reimburse the reasonable expenses incurred by a director or officer who is a party to a proceeding in advance of a final disposition of the proceeding if the director or officer produces (1) a written affirmation of his or her good faith belief that he or she has met the standard of conduct set forth above and (ii) a written undertaking, executed personally or on his or her behalf, to repay any advances if it is ultimately determined that he or she is not entitled to indemnification. In addition, to the extent a director or officer has been successful, on the merits or otherwise, in the defense of any proceedings to which he or she was a party, or in defense of any claim, issue or matter therein, because he is or was a director or officer, Suburban Franchise Systems, Inc.'s by-laws permit it to indemnify that individual against reasonable expenses incurred by him or her in connection therewith, in accordance with GBCC Section 14-2-852.

The exhibits to this registration statement are listed in the Exhibit Index, which appears immediately after the signature page and is included herein or incorporated herein by reference.

Item 17. Undertakings.

(a) The undersigned registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in this registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, if the registrants are subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(6) That, for the purpose of determining liability of the registrants under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrants undertake that in a primary offering of securities of the undersigned registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrants will be sellers to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrants relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrants or used or referred to by the undersigned registrants;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrants or their securities provided by or on behalf of the undersigned registrants; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrants hereby undertake that, for purposes of determining any liability under the Securities Act of 1933, each filing of Choice's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrants hereby undertake that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrants pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) The undersigned registrants hereby undertake to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act (Act) in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the Act.
