Item 1.01. Entry into a Material Definitive Agreement.

On January 11, 2011, Cliffs Natural Resources Inc., an Ohio corporation (Cliffs), entered into a definitive arrangement agreement (the Arrangement Agreement) with Consolidated Thompson Iron Mines Limited, a corporation existing under the laws of Canada (Consolidated Thompson). The Arrangement Agreement provides that, upon the terms and subject to the conditions set forth in the Arrangement Agreement, Cliffs will acquire all of the shares (each, a Share) of Consolidated Thompson (the Transaction), and Consolidated Thompson will become an indirect, wholly-owned subsidiary of Cliffs.

Under the terms of the Transaction, each Consolidated Thompson shareholder will receive C\$17.25 per Share, all holders of in-the-money Consolidated Thompson stock options and warrants will receive a cash payment equal to the difference between C\$17.25 and the exercise price of the stock option or warrant and all holders of performance share units, will receive C\$17.25 per performance share unit, for a transaction valued at approximately C\$4.9 billion dollars (including net debt). Cliffs has available liquidity and financing commitments for bridge financing sufficient to fund the Transaction.

The Arrangement Agreement provides for customary representations, warranties and covenants, including, among others, that each party will use commercially reasonable efforts to complete the Transaction. The Arrangement Agreement also contains customary non-solicitation covenants from Consolidated Thompson, match rights in favor of Cliffs in the event of a superior proposal and certain termination rights for either party. The completion of the Transaction is subject to the satisfaction or waiver of a number of customary conditions, including obtaining the approval of two-thirds of the votes cast by Consolidated Thompson s shareholders at a special meeting, court approval of the plan of arrangement and the receipt of required regulatory approvals. An additional closing condition is that there is no material adverse change in Consolidated Thompson s business, financial condition, property, assets or results of operations.

Concurrently with the execution of the Arrangement Agreement, Cliffs entered into a support agreement (the Support Agreement) with Wuhan Iron and Steel (Group) Corporation (WISCO). WISCO is the owner of approximately 19% of the outstanding Shares. The Support Agreement provides for customary representations, warranties and covenants, including that WISCO will vote all of its Shares in favor of the Transaction. The Support Agreement terminates if, among other things, the Arrangement Agreement is terminated in accordance with its terms or upon completion of the Transaction. In addition, Consolidated Thompson s directors and certain officers and others also entered into similar support agreements.

The foregoing descriptions of the Arrangement Agreement and the Support Agreement contained in this Item 1.01 do not purport to be complete and are qualified in their entirety by reference to the Arrangement Agreement and the Support Agreement, which are attached hereto as Exhibit 2.1 and Exhibit 10.1 and are incorporated herein by reference.
