Item 1.01 Entry into a Material Definitive Agreement.

See Item 2.03 - Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant for a description of a \$300 million senior unsecured revolving credit agreement entered into on February 24, 2011 among Choice Hotels International, Inc. (the Company), Wells Fargo Bank, National Association, as administrative agent and a syndicate of lenders (the New Revolver).

Item 1.02 Termination of a Material Definitive Agreement.

In connection with the entry into the New Revolver described in Items 1.01 and 2.03, on February 24, 2011, the Company's \$350 million senior unsecured revolving credit agreement, dated as of June 16, 2006, among the Company, Wachovia Bank, National Association, as Agent, SunTrust Bank, as Syndication Agent, Bank of America, N.A., as Documentation Agent, Wachovia Capital Markets, LLC, as Lead Arranger and Sole Book Manager, and the additional lenders named therein (the Old Revolver), was terminated. The Old Revolver permitted the Company to borrow, repay and re-borrow revolving loans until the scheduled maturity date of June 16, 2011.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On February 24, 2011, the Company refinanced the Old Revolver by entering into the New Revolver. The New Revolver provides for a \$300 million unsecured revolving credit facility with a final maturity date of February 24, 2016. Up to \$30 million of borrowings under the New Revolver may be used for letters of credit and up to \$20 million of borrowings under the New Revolver may be used for swing-line loans.

The New Revolver is unconditionally guaranteed, jointly and severally, on a senior unsecured basis by all of the Company's subsidiaries that currently guarantee the obligations under the Company's Indenture governing the terms of its 5.70% senior notes due 2020.

The Company may at any time prior to the final maturity date increase the amount of the New Revolver by up to an additional \$150 million to the extent that any one or more lenders commit to being a lender for the additional amount and certain other customary conditions are met.

The Company may elect to have borrowings under the New Revolver bear interest at (i) a base rate plus a margin ranging from 5 to 80 basis points based on the Company's credit rating or (ii) LIBOR plus a margin ranging from 105 to 180 basis points based on the Company's credit rating. In addition, the New Revolver requires the Company to pay a quarterly facility fee on the full amount of the commitments under the New Revolver (regardless of usage) ranging from 20 to 45 basis points based upon the credit rating of the Company.

The New Revolver requires that the Company and its restricted subsidiaries comply with various covenants, including with respect to restrictions on liens, incurring indebtedness, making investments and effecting mergers and/or asset sales. In addition, the New Revolver imposes financial maintenance covenants requiring the Company to maintain a total leverage ratio of not more than 3.5 to 1.0 and an interest coverage ratio of at least 3.5 to 1.0.

The New Revolver includes customary events of default, the occurrence of which, following any applicable cure period, would permit the lenders to, among other things, declare the principal, accrued interest and other obligations of the Company under the New Revolver to be immediately due and payable.

The summary of the material provisions of the New Revolver set forth above is qualified in its entirety by reference to the full text of the credit agreement filed as Exhibit 10.1 to this report.
