The Board of Directors adopted a new Article I, Section 7, Notice of Stockholder Business and Nominations, which relates to advance notice requirements for stockholder proposals and nominations submitted at the Company's annual and special meetings of stockholders. New Article I, Section 7 establishes disclosure requirements and other procedures applicable to stockholders intending to bring proposals and nominations before a meeting of stockholders, including informational requirements relating to the stockholder making the proposal or nomination (and the beneficial owner, if any, on whose behalf the proposal or nomination is being made), the proposal, if any, to be brought before the meeting, and the nominee, if any, submitted for election to our Board. New Article I, Section 7 also establishes a time period in which notice must be delivered to the Company and gives the chairman of the meeting the authority to determine whether such proposal or nomination was properly brought before the meeting. Generally, a stockholder must deliver his notice of any proposal or nomination that such stockholder intends to bring before an annual meeting of stockholders no later than the close of business on the 90th day, nor earlier than the close of business on the 120th day, prior to the first anniversary of the preceding year's annual meeting; provided that, if the date of the annual meeting is more than 30 days before or more than 70 days after such anniversary date, notice by the stockholder must be delivered not earlier than the close of business

Item 7.01 Regulation FD Disclosure.

On May 22, 2012, the Company held its 2012 annual meeting of stockholders. A copy of the presentation slides for the 2012 annual meeting of stockholders is furnished herewith as Exhibit 99.1 to this Report.

The information in this Item 7.01, including Exhibit 99.1, will not be treated as filed for the purposes of Section 18 of the Securities Exchange Act of 1934 (the "Exchange Act") or otherwise subject to the liabilities of that section. This information will not be incorporated by reference into a filing under the Securities Act of 1933, or into another filing under the Exchange Act, unless that filing expressly refers to specific information in this Report. The furnishing of the information in this Item 7.01 is not intended to, and does not, constitute a representation that such furnishing is required by Regulation FD or that the information in this Item 7.01 is material information that is not otherwise publicly available.

In the foregoing presentation, the Company utilized financial measures and terms not calculated in accordance with generally accepted accounting principles in the United States ("GAAP") in order to provide stockholders with an alternative method for assessing its operating results in a manner that enables stockholders to more thoroughly evaluate its current performance as compared to past performance. The Company also believes these non-GAAP measures provide stockholders with a more informed baseline for modeling its future financial performance. The Company's management uses these non-GAAP measures for the same purpose. The Company believes that its stockholders should have access to, and that it is obligated to provide, the same set of tools that it uses in analyzing its results. These non-GAAP measures should be considered in addition to results prepared in accordance with GAAP, but should not be considered a substitute for or superior to GAAP results. See Exhibit 99.1 to the Company's Form 8-K, filed on May 8, 2012, for definitions of the non-GAAP financial measures, together with an explanation of why management uses these measures and why management believes that these non-GAAP financial measures are useful to stockholders and tables that reconcile the non-GAAP financial measures utilized to GAAP financial measures.
