Explanatory Note

Sunoco, Inc. (Sunoco or the Company) is filing this Current Report on Form 8-K to provide the revised financial information described below such that the information will be incorporated by reference in the Registration Statement on Form S-4 to be filed by Energy Transfer Partners, L.P. (ETP) in connection with the previously announced definitive merger agreement under which Sunoco would be acquired by ETP.

Item 8.01. Other Events.

As previously reported in the Current Report on Form 8-K filed with the Securities and Exchange Commission (SEC) on January 23, 2012, the Company completed the separation of SunCoke Energy, Inc. (SunCoke Energy) from Sunoco by distributing its 81-percent interest in SunCoke Energy common stock to Sunoco shareholders by means of a spin-off on January 17, 2012. As a result of the spin-off, the results of operations of SunCoke Energy were reported as discontinued operations beginning with the Company s Quarterly Report on Form 10-Q for the period ended March 31, 2012 (2012 First Quarter Form 10-Q), which was filed with the SEC on May 8, 2012.

In addition, the Company adopted new accounting guidance during the first quarter of 2012 which requires total comprehensive income (loss) to be presented in a single continuous statement or in two separate, but consecutive, statements. The new guidance does not change where the components of comprehensive income (loss) are recognized. The Company presented its comprehensive income (loss) in accordance with the new guidance beginning with its 2012 First Quarter Form 10-Q.

The exhibits attached below in this Form 8-K have been provided to reflect revisions attributable to the impact of the two items discussed above on the historical financial information and disclosures included in the following sections of Sunoco s Annual Report on Form 10-K for the year ended December 31, 2011 (2011 Form 10-K), which was filed with the SEC on February 28, 2012:

Part II Item 6. Selected Financial Data

Part II Item 7. Management s Discussion and Analysis of Financial Condition and Results of Operations

Part II Item 8. Financial Statements and Supplementary Data

Accordingly, these revised sections include only those changes necessary to reflect: (i) the results of operations of SunCoke Energy as discontinued operations, and (ii) adoption of the new guidance on the presentation of comprehensive income (loss). All other information and disclosures in the Company s 2011 Form 10-K remains unchanged. The information in the exhibits attached hereto does not reflect events or developments that have occurred subsequent to February 28, 2012. More current information is included in the Company s 2012 First Quarter Form 10-Q and other filings with the SEC. This Form 8-K should be read in conjunction with the sections of the Company s 2011 Form 10-K that have not been updated herein, as well as the Company s subsequent filings with the SEC.
